The Miracle of the Bears Simon and Schuster
 Thirteen is the legal thriller Lee Child, Michael Connelly, and Ruth Ware are raving about and readers can't put down. "Outstanding - an intriguing premise, a tense, gripping build-up, and a spectacular climax. This guy is the real deal. Trust me." —Lee Child "A dead bang BEAST of a book that expertly combines Cavanagh's authority on the law with an absolutely great thrill ride. Books this ingenious don't come along very often." —Michael Connelly It's the murder trial of the century. And Joshua Kane has killed to get the best seat in the house - and to be sure the wrong man goes down for the crime. Because this time, the killer isn't on trial. He's on the jury. But there's someone on his tail. Former-conman-turned-criminal-defense-attorney Eddie Flynn doesn't believe that his movie-star client killed two people. He suspects that the real killer is closer than they think - but who would guess just how close? "A brilliant, twisty, ingeniously constructed puzzle of a book. Steve Cavanagh pulls off an enviable premise with panache." —Ruth Ware

 The women of the Cazalet family carry on while WWII casts its shadow over England as the saga by the award-winning author of *The Light Years* continues. In the spring of 1942, after the attacks on Pearl Harbor have pulled America into the war, the world reels from the ever-increasing atrocities of the conflict. And in Sussex, at the Cazalet family estate known as Home Place, personal tragedies begin to take their toll. Polly, reacting to the untimely death of her mother, flees her comfortable surroundings accompanied her cousin Clary. But the bustling life of London proves a test not only for their ability to live on their own but also for their once-close relationship. Nineteen-year-old Louise believes she has found the man of her dreams in dashing naval officer Michael Hadleigh. After a whirlwind marriage and honeymoon, though, she begins to realize that being a young wartime bride is not the fairy tale she once presumed it would be. With Rupert still missing in action, his second wife, Zoë, struggles to maintain hope that her husband will one day return. But when a handsome stranger offers her solace, she finds herself drawn

into an inadvisable but sorely needed affair. Confusion beautifully continues the sweeping family epic started in *The Light Years* and *Marking Time*, examining the struggles, passions, heartbreaks, and joys of three generations. Filled with profound reflections on a country torn apart by war and intimate glances into the lives of those left behind, this is a must-read novel for fans of *Downton Abbey* and lovers of wartime historical fiction.
