The Replacement Random House Books for Young Readers

As media evolves with technological improvement, communication changes alongside it. In particular, storytelling and narrative structure have adapted to the new digital landscape, allowing creators to weave immersive and enticing experiences that captivate viewers. These experiences have great potential in marketing and advertising, but the medium's methods are so young that their potential and effectiveness is not yet fully understood. Handbook of Research on Transmedia Storytelling, Audience Engagement, and Business Strategies is a collection of innovative research that explores transmedia storytelling and digital marketing strategies in relation to audience engagement. Highlighting a wide range of topics including promotion strategies, business models, and prosumers and influencers, this book is ideally designed for digital creators, advertisers, marketers, consumer analysts, media professionals, entrepreneurs, managers, executives,

researchers, academicians, and students.

The Maze Runner Files is a 50+ page collection of classified records and concealed information from the world of the New York Times bestselling series. A must for any fan of The Maze Runner. *The Girl With No Name* Simon and Schuster

"All is not well aboard the U-Star Coast City. The station's reclusive Commandant is nowhere to be seen, leaving Captain Abraham Idaho Cleveland to deal with a hostile crew on his own. Persistent malfunctions plague the station's systems while interference from a toxic purple star makes even ordinary communications problematic. Alien shadows and whispers seem to haunt the lonely corridors and airlocks, fraying the nerves of everyone aboard. Isolated and friendless, Cleveland reaches out to the universe via an old-fashioned space radio, only to tune in to a strange, enigmatic signal: a woman's voice that seems to echo across a thousand light-years of space. But is the transmission just a random bit of static from the past--or a warning of an undying menace beyond mortal comprehension?" --

FROM THE PUBLISHERS OF STONER AND REVOLUTIONARY ROAD COMES REUNION Reunion is a little-known novel. But it is also a universal story of friendship. It is a book of great power, waiting to be discovered. On a grey afternoon in 1932, a Stuttgart classroom is stirred by the arrival of a newcomer. Middle-class Hans is intrigued by the aristocratic new boy, Konradin, and before long they become best friends. It s a friendship of the greatest kind, of shared interests and long conversations, of hikes in the German hills and growing up together. But the boys live in a changing Germany. Powerful, delicate and daring, Reunion is a story of the fragility, and strength, of the bonds between friends. 'Exquisite' Guardian 'I loved Reunion and found it very moving' John Boyne WITH AN AFTERWORD BY RACHEL SEIFFERT "

Clementine DeVore spent ten years trapped in a cellar, pinned down by willow roots, silenced and forgotten. Now she's out and determined to uncover who put her in that cellar and why. When Clementine was a child, dangerous and inexplicable things started happening in New South Bend. The townsfolk blamed the fiendish people out in the Willows and burned their homes to the ground. But magic kept Clementine alive, walled up in the cellar for ten years, until a boy named Fisher sets her free. Back in the world, Clementine sets out to discover what happened all those years ago. But the truth gets muddled in her dangerous attraction to Fisher, the politics of New South Bend, and the Hollow, a fickle and terrifying place that seems increasingly temperamental ever since Clementine reemerged.

Fans of Lady Bird will love this novel about a good girl who dreams herself into a bad boy's room in this lyrically romantic novel that Maggie Stiefvater, author of The Raven King, says she read and "woke up satisfied." Waverly Camdenmar spends her nights running until she can't even think. Then the sun comes up, life goes on, and Waverly goes back to her perfectly hateful best friend, her perfectly dull classes, and the tiny, nagging suspicion that there's more to life than student council and GPAs. Marshall Holt is a loser. He drinks on school nights and gets stoned in the park. He is at risk of not graduating, he does not care, he is no one. He is not even close to being in Waverly's world. But then one night Waverly falls asleep and dreams herself into Marshall's bedroom—and when the sun comes up, nothing in her life can ever be the same. In Waverly's dreams, the rules have changed. But in her days, she'll have to decide if it's worth losing everything for a boy who barely exists. "Waverly and Marshall burn brightly . . . both refreshingly flawed as they come into their own. Readers will forgo sleep themselves to witness their vibrant, achingly real story unfold. A brilliant romance." —Kirkus Reviews, Starred "A tightly woven, luminously written novel that captures the uncertain nature of high school and the difficult path of self-discovery." —Booklist, Starred "Yovanoff offers a multilayered exploration of human connections, particularly those that manifest in unpredictable ways."—Publishers Weekly, Starred **The Mystical City of God (Annotated)** Titan Books (US, CA)

The landmark first collection by one of the masters of 20th-century American horror fiction, back in print at last Though he published over 350 short stories and more than thirty novels, most of Robert Bloch's work has long been out of print, and many readers today know him only as the author of Psycho. This new edition of his classic first collection, The Opener of the Way (1945), is the first in a series of Bloch reprints from Valancourt which aims to restore Bloch to his rightful place as one of the key 20th-century American writers of horror fiction. This volume features twenty-one early Bloch stories, most of them originally published in the famous magazine Weir Tales. Included here are such classics as the oft-imitated "Yours Truly, Jack the Ripper," the chilling title story "The Opener of the Way," in which an expedition to an Egyptian tomb goes horribly awry, and "The Shambler from the Stars," a Lovecraftian tale in which Lovecraft himself appears as a character. This edition also features a new introduction by one of today's greatest horror writers, Ramsey Campbell. "Robert Bloch is one of the all-time masters."-Peter Straub "A seminal influence on just about everybody. Any time devoted to studying this master is time well spent."-Fangoria [Explaining Social Behavior](#) Penguin

Steeped in the folklore of Eastern Europe, and set in the shadow of Nazi darkness erupting just beyond the Czech border, this bone-chilling, richly imagined novel is propulsively entertaining, and impossible to put down. "A wildly entertaining story...Russell has created a truly frightening story." —The New York Times Book Review Czechoslovakia, 1935: Viktor Kosárek, a newly trained psychiatrist who studied under Carl Jung, arrives at the infamous Hrad Orlu Asylum for the Criminally Insane. The facility is located in a medieval mountaintop castle surrounded by forests, on a site that is well known for concealing dark secrets going back many centuries. The asylum houses six inmates--the country's most treacherous killers--known to the terrified public as the Devil's Six. Viktor intends to use a new medical technique to prove that these patients share a

common archetype of evil, a phenomenon he calls The Devil Aspect. Yet as he begins to learn the stunning secrets of these patients, he must face the unnerving possibility that these six may share a darker truth. Meanwhile, in Prague, fear grips the city as a phantom serial killer emerges in the dark alleys. Police investigator Lukas Smolak, desperate to locate the culprit (a copycat of Jack the Ripper), turns to Viktor and the doctors at Hrad Orlu for their expertise with the psychotic criminal mind. And Viktor finds himself wrapped up in a case more terrifying than he could have ever imagined.

"Fun, funny, hot, and heartfelt...The apocalyptic beach read that everyone needs." - Alix E. Harrow, Hugo Award-winning author A paranormal romantic comedy at the (possible) end of the world. From New York Times bestselling author Gwenda Bond, Not Your Average Hot Guy is a hilarious romantic comedy about two people falling in love, while the fate of the world rests on their shoulders. All Callie wanted was a quiet weekend with her best friend. She promised her mom she could handle running her family's escape room business while her mom is out of town. Instead a Satanic cult shows up, claiming that the prop spell book in one of the rooms is the real deal, and they need it to summon the right hand of the devil. Naturally they take Callie and her friend, Mag, along with them. But when the summoning reveals a handsome demon in a leather jacket named Luke who offers to help Callie stop the cult from destroying the world, her night goes from weird to completely strange. As the group tries to stay one step ahead of the cult, Callie finds herself drawn to the annoying (and annoyingly handsome) Luke. But what Callie doesn't know is that Luke is none other than Luke Morningstar, Prince of Hell and son of the Devil himself. Callie never had time for love, and with the apocalypse coming closer, is there room for romance when all hell's about to break loose?

Will Byers: Secret Files (Stranger Things) HarperCollins

From the team behind #1 New York Times bestseller Five Feet Apart comes a gripping new romance that asks: Can you find true love after losing everything? Kyle and Kimberly have been the perfect couple all through high school, but when Kimberly breaks up with him on the night of their graduation party, Kyle's entire world upends—literally. Their car crashes and when he awakes, he has a brain injury. Kimberly is dead. And no one in his life could possibly understand. Until Marley. Marley is suffering from her own loss, a loss she thinks was her fault. And when their paths cross, Kyle sees in her all the unspoken things he's feeling. As Kyle and Marley work to heal each other's wounds, their feelings for each other grow stronger. But Kyle can't shake the sense that he's headed for another crashing moment that will blow up his life as soon as he's started to put it back together. And he's right. This book includes bonus content.

Not Your Average Hot Guy Watkins Media Limited

In 1954, in a remote mountain village in South America, a little girl was abducted. She was four years old. Marina Chapman was stolen from her housing estate and abandoned deep in the Colombian jungle. That she survived is a miracle. Two days later, half-drugged, terrified, and starving, she came upon a troop of capuchin monkeys. Acting entirely on instinct, she tried to do what they did: copying their actions she slowly learned to fend for herself. So begins the story of her five years among the monkeys, during which time she gradually became feral; lost the ability to speak, lost all inhibition, lost any sense of being human, replacing human society with the social mores her new simian family. But society was eventually to reclaim her. At age ten she was discovered by a pair of hunters who took her to the lawless Colombian city of Cucuta where, in exchange for a parrot, they sold her to a brothel. When she learned that she was to be groomed for prostitution, she made her plans to escape. But her adventure was not over yet... In the vein of Slumdog Millionaire and City of God, this rousing story of a lost child who overcomes the dangers of the wild to finally reclaim her life will astonish readers everywhere.
