Freak the Mighty Knopf Books for
Young Readers

A hilarious new middle grade novel from beloved and bestselling author Gordon Korman about what happens when the worst class of kids in school is paired with the worst teacher—perfect for fans of Ms. Bixby’s Last Day. A good choice for summer reading or anytime! The Unteachables are a notorious class of misfits, delinquents, and academic train wrecks. Like Aldo, with anger

management issues; Parker, who can’t read; Kiana, who doesn’t even belong in the class—or any class; and Elaine (rhymes with pain). The Unteachables have been removed from the student body and isolated in room 117. Their teacher is Mr. Zachary Kermit, the most burned-out teacher in all of Greenwich. He was once a rising star, but his career was shattered by a cheating scandal that still haunts him. After years of phoning it in, he is finally one year away from early retirement. But the superintendent has his own plans to torpedo that idea—and it involves assigning Mr. Kermit to the Unteachables. The Unteachables never

thought they'd find a teacher who had a worse attitude than they did. And Mr. Kermit never thought he would actually care about teaching again. Over the course of a school year, though, room 117 will experience mayhem, destruction—and maybe even a shot at redemption.

The Search (Kidnapped, Book 2)

Scholastic Inc.

The thrilling finale to the New York Times bestselling Masterminds trilogy from middle grade star author Gordon Korman. Perfect for fans of Stranger Things and James Patterson! After a serious betrayal from one of their former friends, the clones of Project Osiris are on the run again. Now separated into pairs, Eli and Tori and Amber and Malik are fighting to survive in the real world.

Amber and Malik track down the one person they think can help them prove the existence of Project Osiris, notorious mob boss Gus Alabaster, also known as Malik's DNA donor. But as Malik gets pulled into the criminal world—tantalized by hints of a real family—his actions put him and Amber into greater danger. Eli and Tori get sucked into even bigger conspiracies as they hunt down Project Osiris's most closely guarded secrets—who does Eli's DNA come from? With a surprising new ally and another cross-country adventure, the four will have to work together to overcome the worst parts of themselves if they are going to end Project Osiris once and for all.

Notorious Children's Press

An unforgettable novel from the New

York Times bestseller Gordon Korman Link, Michael, and Dana live in a quiet town. But it's woken up very quickly when someone sneaks into school and vandalizes it with a swastika. Nobody can believe it. How could such a symbol of hate end up in the middle of their school? Who would do such a thing? Because Michael was the first person to see it, he's the first suspect. Because Link is one of the most popular guys in school, everyone's looking to him to figure it out. And because Dana's the only Jewish girl in the whole town, everyone's treating her more like an outsider than ever. The mystery deepens as more swastikas begin to appear. Some students decide to fight back and start a project to bring people together instead of dividing them further. The

closer Link, Michael, and Dana get to the truth, the more there is to face-not just the crimes of the present, but the crimes of the past. With Linked, Gordon Korman, the author of the acclaimed novel Restart, poses a mystery for all readers where the who did it? isn't nearly as important as the why? The Unteachables Scholastic Inc. The sequel to Gordon Korman's SWINDLE---the Man With A Plan is back! When Griffin Bing's class goes to a floating zoo, they don't expect to see animals being treated so badly. They don't expect to find Cleo, Dog Whisperer Savannah's pet monkey who's been missing for weeks. And they really don't expect to have to hide the animals once they've rescued them! Hilarity ensues as Griffin's team once more pulls off a heist

. . . trying to break the animals back into a (better) zoo!

NYT bestselling author Gordon Korman's sequel to *Ungifted* cleverly sends up our preconceived ideas about intelligence, heroism, and popularity! Donovan Curtis has never been what anyone would call "gifted." But his genius friend Noah Youkilis is actually supergifted, with one of the highest IQs around. After years at the Academy for Scholastic Distinction, all Noah dreams of is the opportunity to fail if he wants to. And he's landed in the perfect place to do it--Donovan's school. Almost immediately, Noah finds himself on the wrong side of cheerleading captain Megan Mercury and alpha jock Hash "Hashtag" Taggart. Sticking up for Noah lands Donovan in the middle of a

huge feud with Hashtag. He's told to stay away from the sports star--or else. That should be the end of it, but when a freak incident suddenly makes Donovan a hero, he can't tell anyone about it since Hashtag is involved. So Noah steps in and becomes "Superkid." Now he's gone from nerd to titan at school. And it may have gone more than a little bit to his head.

Creativity in the Classroom Scholastic Inc.

From the bestselling author of *RESTART*, the story of a middle-school "band of brothers" — five friends who need to stick together after they set up a hideout in an abandoned bomb shelter and discover that the only way to be true friends is to reveal their secrets and help each other out. The morning after

Hurricane Leo rips through the town of Canaan, residents awaken to widespread destruction — power outages, downed branches, uprooted trees, broken windows and damaged roofs. Four eighth-grade friends — Evan, Jason, Mitchell, and CJ — meet to explore the devastation. The tight-knit group is dismayed to find that Evan has brought along a stray — Ricky, who is new to their town and school, and doesn't have any friends yet. Ricky is the one to find the strange trap door that's appeared in the middle of the woods — the door to an old bomb shelter, unearthed by the hurricane. Inside, the boys find a completely intact underground lair, complete with electricity, food, and entertainment (in the form of videocassettes). The boys vow to keep

the place's existence to themselves. Things soon get tense. Some bad locals keep snooping around. And what started out as a fun place to escape soon becomes a serious refuge for one of the kids who is trying to avoid an abusive home situation. In order to save the shelter, the friends must keep its secret... and in order to save themselves, they're going to have to share their individual secrets, and build the safest place they can.

Planet Omar: Accidental Trouble Magnet Scholastic Canada

Gordon Korman's classic, bestselling series celebrates its 35th anniversary! Macdonald Hall's ivy-covered buildings have housed and educated many fine young Canadians. But Bruno Walton and Boots O'Neal are far from being fine

young Canadians. The roommates and best friends are nothing but trouble! Together they've snuck out after lights-out, swapped flags, kidnapped mascots . . . and that's only the beginning. Macdonald Hall has been chosen as the ideal setting for a Hollywood movie -- with superstar Jordie Jones! But when Bruno Walton and Boots O'Neal discover that the star just wants to be a normal guy, one who plays hockey, hangs out with friends and goes to dances, they decide to help Jordie out. Who would have guessed that a simple favour could go so wrong, so fast? Join two of Gordon Korman's most memorable characters in seven side-splitting, rip-roaring adventures! Macdonald Hall is the series that started it all, and thirty-five years later it remains a must-read for old fans

and new, the young -- and the young at heart.

Linked Usborne Publishing Ltd

The first book in the action-packed trilogy from New York Times bestselling author Gordon Korman is perfect for fans of *Stranger Things* and James Patterson. Eli Frieden has never left Serenity, New Mexico...why would he ever want to? Then one day, he bikes to the edge of the city limits and something so crazy and unexpected happens, it changes

everything. Eli convinces his friends to help him investigate further, and soon it becomes clear that nothing is as it seems in Serenity. The clues mount to reveal a shocking discovery, connecting their ideal crime-free community to some of the greatest criminal masterminds ever known. The kids realize they can trust no one—least of all their own parents.

Bound For Home Scholastic Canada Nicholas Allen has plenty of ideas. Who can forget the time he turned the classroom into a tropical island, or the times he has fooled the teacher by chirping like a blackbird? But now it looks like his days as a troublemaker are over. Now Nick is in Mrs Granger's class - she who has X-ray vision - and everyone knows that nobody gets away with

anything in her classroom. To make matters worse, Mrs Granger is also fanatical about the dictionary - which Nick thinks is so boring. But then inspiration strikes and Nicholas invents his greatest plan yet: to create a new word. From now on, a pen is no longer a pen - it's a frindle. It doesn't take long to catch on and soon the excitement has spread well beyond the school and town . . . but frindle doesn't belong to Nick anymore, it has a life of it's own, and all Nick can do now, is sit back and watch what happens.

Macdonald Hall #6: Lights, Camera, Disaster! Penguin

From the bestselling author of *Swindle*, *Restart*, and *Slacker* is another hilarious story about an underachiever who learns to go above and beyond. Cameron

Boxer, king of the slackers, has found something worth his time. By playing video games online in front of an audience he can find both fame AND fortune -- especially with Elvis (a beaver who seems to love video games as much as Cam) at his side. The only problem? Things keep getting in Cam's way. Like school. And the club he accidentally started. And the misguided people in his life who don't think beavers should be playing video games. It's going to take some trickery, some close calls, and a fierce devotion to slacking in order for Cam to get to his goal -- conquering the game's infamous Level 13. But if any slacker can do it, Cam can.

It's The End of the World and I'm In My Bathing Suit Scholastic Inc.

A hilarious new middle-grade from Justin

A. Reynolds that asks: What happens when five unsupervised kids face the apocalypse under outrageously silly circumstances? Twelve-year-old Eddie Gordon Holloway has concocted his most genius plan ever to avoid chores... especially the dreaded L-A-U-N-D-R-Y. If he can wear all the clothes he owns, he'll only have to do the laundry once during his school break. On the day of the highly anticipated Beach Bash, Eddie's monstrous pile of dirty laundry is found by his mom. And Eddie's day has just taken a turn for the worst. Now he's stuck at home by himself, missing the bash, and doing his whole pile of laundry. But mid-cycle, the power goes out! With his first load of laundry wet and the rest of his stuff still filthy, he sets out to explore the seemingly empty

neighborhood in his glow-in-the-dark swim trunks, flip-flops, and a beach towel. He soon meets up with other neighborhood kids: newcomer Xavier (who was mid-haircut and has half his head shaved), Eddie's former friend Sonia (who has spent her entire break trying to beat a video game and was mid-battle with the final boss), and siblings Trey and Sage (who are dealing with major sibling drama). As they group up to cover more ground and find out what happened, they realize that their families aren't coming back anytime soon. And as night falls, the crew realizes that they aren't just the only people left in the neighborhood, they might be the only people left... anywhere.

Zoobreak (Swindle #2) Scholastic Inc.

From the author of *The Trail*, a heartwarming tale of survival and adventure, following three unlikely friends and their quest to make it home together. Max: a shelter dog who just wants his freedom. Emi: a lonely girl who secretly wants a place to call home. And Red: a cat who's never needed anyone or anything beyond her own sharp wits. Can the three survive a journey deep into the woods? From the moment Emi walks into the animal shelter, she knows the dopey-looking dog with the sandy-colored hair is the dog for her. Despite Max's many escape attempts and inability to be trained, she chooses him. When Emi's home life starts to crumble, she takes off into the Maine woods with Max at her side, determined to prove that she can make it on her own. But

they immediately lose each other, and one catastrophe after another shows that they're totally unprepared to handle the wilderness. Wild animals, hunger, and an impossible trail to track mean that each must do whatever it takes to stay alive—but what happens when they have to choose between getting back to safety... and looking out for a friend? Can loyalty be as strong as the will to survive?

The Tower of Life: How Yaffa Eliach Rebuilt Her Town in Stories and Photographs HarperCollins

Donovan, whose real gift is getting into trouble, finds himself at an academy for gifted students! Donovan is definitely skilled . . . at getting into trouble. And when one of his thoughtless pranks accidentally destroys the school gym during the Big Game, with the superintendent watching, he knows he's in for it. Suspension at best, maybe expulsion. Either way, a lawsuit and paying for damages. But through a

strange chain of events, his name gets put on the list for the local school for gifted students: the Academy for Scholastic Distinction. Donovan knows he's not a genius, but he can't miss this chance to escape. Now, he has to figure out a way to stay at ASD -- and fit in with the kids there. And who knows, maybe his real gift will come to light . . . A new story from the master of middle-grade and YA humour Gordon Korman, *Ungifted* is a funny exploration of the special (and often surprising) talents that make each of us gifted in our own way.

DNA Doesn't Lie Scholastic Inc.

The fourth edition of this well-known text continues the mission of its predecessors "to help teachers link creativity research and theory to the everyday

activities of classroom teaching. Part I (chs 1-5) includes information on models and theories of creativity, characteristics of creative people, and talent development. Part II (chapters 6-10) includes strategies explicitly designed to teach creative thinking, to weave creative thinking into content area instruction, and to organize basic classroom activities (grouping, lesson planning, assessment, motivation and classroom organization) in ways that support students' creativity. Changes in this Edition: Improved Organization -- This edition has been reorganized from 8 to 10 chapters allowing the presentation of theoretical material in clearer, more manageable chunks. New Material -- In addition to general updating, there are more

examples involving middle and secondary school teaching, more examples linking creativity to technology, new information on the misdiagnosis of creative students as ADHD, and more material on cross-cultural concepts of creativity, collaborative creativity, and linking creativity to state standards. Pedagogy & Design " Chapter-opening vignettes, within-chapter reflection questions and activities, sample lesson ideas from real teachers, and end-of-chapter journaling activities help readers adapt content to

their own teaching situations. Also, a larger trim makes the layout more open and appealing and a single end-of-book reference section makes referencing easier. Targeted specifically to educators (but useful to others), this book is suitable for any course that deals wholly or partly with creativity in teaching, teaching the gifted and talented, or teaching thinking and problem solving. Such courses are variously found in departments of special education, early childhood education, curriculum and instruction, or educational psychology.
