BAKER NOVAK

When God Makes Lemonade Springer

This beautifully written, emotional debut perfect for fans of Lynda Mullaly Hunt or Ali Benjamin tells the story of a girl, her special needs brother, and the summer they will never forget. "An engaging, honest book." --Kimberly Brubaker Bradley, Newbery Honor-winning author of *The War That Saved My Life* "A beautiful story of family, forgiveness, life on an island, and growing up."--Kate Messner, author of *Breakout* and *The Seventh Wish* Cat and her brother Chicken have always had a very special bond--Cat is one of the few people who can keep Chicken happy. When he has a "meltdown" she's the one who scratches his back and reads his

favorite story. She's the one who knows what Chicken needs. Since their mom has had to work double-hard to keep their family afloat after their father passed away, Cat has been the glue holding her family together. But even the strongest glue sometimes struggles to hold. When a summer trip doesn't go according to plan, Cat and Chicken end up spending three weeks with grandparents they never knew. For the first time in years, Cat has the opportunity to be a kid again, and the journey she takes shows that even the most broken or strained relationships can be healed if people take the time to walk in one another's shoes. Poets. Geniuses. Revolutionaries. The members of the legendary band Lemonade Mouth have been called all of these things. But until now, nobody's known the inside story of how this powerhouse band came to be. How five outcasts in Opoquonsett High School's freshman class found each other, found the music, and went on to change both rock and roll and high school as we know it. Wen, Stella, Charlie, Olivia, and Mo take us back to that fateful detention where a dentist's jingle, a teacher's coughing fit, and a beat-up ukelele gave birth to Rhode Island's most influential band. Told in each of their five voices and compiled by Opoquonsett's "scene queen," freshman Naomi Fishmeier, this

anthology is their definitive history.

Making Lemonade Little, Brown Books for Young Readers
When Grandma gives you a lemon tree, definitely don't make a

face! Care for the tree, and you might be surprised at how new things, and new ideas, bloom. "Charms from cover to cover." —Kirkus (Starred review) "When life gives you lemons, make lemonade." In this imaginative take on that popular saying, a child is surprised (and disappointed) to receive a lemon tree from Grandma for her birthday. After all, she DID ask for a new gadget! But when she follows the narrator's careful—and funny—instructions, she discovers that the tree might be exactly what she wanted after all. This clever story, complete with a recipe for lemonade, celebrates the pleasures of patience, hard work, nature, community . . . and putting down the electronic devices just for a while.

The ultimate guide to self-empowerment from motivational speaker and digital entrepreneur Xenia Tchoumi, offering tips and techniques for staying fiercely independent in a world of social conditioning, making the internet work for you (instead of against you) and living your best, most powerful life. Xenia Tchoumi is passionate about self-empowerment and independent thinking. A fashion influencer, motivational speaker and self-made digital entrepreneur, she wrote this book to share the techniques and tools that have made her so successful, and to encourage her readers to resist media manipulation, stand up for who they really are, and live their best, most powerful lives. Xenia takes readers on a practical, no-nonsense journey to self-empowerment, covering topics such as taking responsibility, using your pain and your failures to push yourself further, and learning digital dominance instead of letting yourself be digitally dependent. She offers a wealth of tips for creating productive

habits, setting goals, protecting your mental health and resisting society's pressures to confirm. She shares her stories of struggling against prejudice as the child of recent immigrants, battling the restrictive structures of the fashion industry, making her mark in the digital space and ultimately making herself into an ultra successful brand. Questioning exactly what empowerment looks like today, she also offers the inspiring stories of empowered people she has met all over the world and shows that, while empowerment can seem very different in different cultures, there are certain key traits that empowered people share - habits that anyone can learn and use to become a success in life.

#1 NEW YORK TIMES BESTSELLER More than ONE MILLION copies sold A TODAY Show Read with Jenna Book Club Pick A New York Times Notable Book, and Chosen by Oprah Daily, Time, NPR, The Washington Post, Bill Gates and Barack Obama as a Best Book of the Year "Wise and wildly entertaining . . . permeated with light, wit, youth." —The New York Times Book Review "A classic that we will read for years to come." —Jenna Bush Hager, Read with Jenna book club "Fantastic. Set in 1954, Towles uses the story of

two brothers to show that our personal journeys are never as linear or predictable as we might hope." —Bill Gates "A real joyride . . . elegantly constructed and compulsively readable." —NPR The bestselling author of *A Gentleman in Moscow* and *Rules of Civility* and master of absorbing, sophisticated fiction returns with a stylish and propulsive novel set in 1950s America In June, 1954, eighteen-year-old Emmett Watson is driven home to Nebraska by the warden of the juvenile work farm where he has just served fifteen months for involuntary manslaughter. His mother long gone, his father recently deceased, and the family farm foreclosed upon by the bank, Emmett's intention is to pick up his eight-year-old brother, Billy, and head to California where they can start their lives anew. But when the warden drives away, Emmett discovers that two friends from the work farm have hidden themselves in the trunk of the warden's car. Together, they have hatched an altogether different plan for Emmett's future, one that will take them all on a fateful journey in the opposite direction—to the City of New York. Spanning just ten days and told from multiple points of view, Towles's third novel will satisfy fans of his multi-layered literary styling while providing them an array of new and richly imagined settings, characters, and themes. "Once again, I was wowed by Towles's writing—especially because *The Lincoln Highway* is so different from *A Gentleman in Moscow* in terms of setting, plot, and themes. Towles is not a one-trick pony. Like all the best storytellers, he has range. He takes inspiration from famous hero's journeys, including *The Iliad*, *The Odyssey*, *Hamlet*, *Huckleberry Finn*, and *Of Mice and Men*. He seems to be saying that our personal journeys are never as linear or predictable as

an interstate highway. But, he suggests, when something (or someone) tries to steer us off course, it is possible to take the wheel.” – Bill Gates

When life gets your goat, bring in the herd Jennifer McGaha never expected to own a goat named Merle. Or to be setting Merle up on dates and naming his doeling Merlene. She didn't expect to be buying organic yogurt for her chickens. She never thought she would be pulling camouflage carpet off her ceiling or rescuing opossums from her barn and calling it "date night." Most importantly, Jennifer never thought she would only have \$4.57 in her bank account. When Jennifer discovered that she and her husband owed back taxes—a lot of back taxes—her world changed. Now desperate to save money, they foreclosed on their beloved suburban home and moved their family to a one-hundred-year-old cabin in a North Carolina holler. Soon enough, Jennifer's life began to more closely resemble her Appalachian ancestors than her upper-middle-class upbringing. But what started as a last-ditch effort to settle debts became a journey that revealed both the joys and challenges of living close to the land. Told with bold wit, unflinching honesty, and a firm foot in the traditions of Appalachia, *Flat Broke with Two Goats* blends stories of homesteading with the journey of two people rediscovering the true meaning of home.

Winner of the 2019 Newbery Medal Thoughtful, strong-willed sixth-grader Merci Suarez navigates difficult changes with friends, family, and everyone in between in a resonant new novel from Meg Medina. Merci Suarez knew that sixth grade would be different, but she had no idea just how different. For starters, Merci has never been like the other kids at her private school in Florida, because she and her older brother, Roli, are scholarship students. They don't have a big house or a fancy boat, and they have to do extra community service to make up for their free tuition. So when bossy Edna Santos sets her sights on the new boy who happens to be Merci's school-assigned Sunshine Buddy, Merci becomes the target of Edna's jealousy. Things aren't going

well at home, either: Merci's grandfather and most trusted ally, Lolo, has been acting strangely lately — forgetting important things, falling from his bike, and getting angry over nothing. No one in her family will tell Merci what's going on, so she's left to her own worries, while also feeling all on her own at school. In a coming-of-age tale full of humor and wisdom, award-winning author Meg Medina gets to the heart of the confusion and constant change that defines middle school — and the steadfast connection that defines family.
