Colonel S--
biomedical
engineer,
explosives
expert, and
the Malaysian
government
go-to hitman--
has been
doing the dirty
work of the

rich and
corrupt for
years now and
is ready for his
final job. One
that will
ensure the
domination of
the Muslims
over the
Malaysian
state. The
target? Kuala
Lumpur
International
Airport. All he
needs is a
little help from
his old friend
and protégé,
Dr. Jay Ghosh.

Despite the
dangerous
circumstances
and Jay's own
tragic
Malaysian
history, which
he has been
running from
for 30 years,
he cannot
refuse the
man who once
saved his life.
But, when Jay
contacts Agni,
the daughter
of his first love
with
dangerous
secrets of her

own and a hunch that Colonel S is not all he seems, Jay is torn between righting the wrongs of his past and remaining loyal to a blood oath he has finally been called on to repay. Set in modern day Malaysia, divided by religions vying for control of the state with violence and manipulation, *Ode to Broken Things* rings true in an increasingly dangerous world fraught with warfare, conflicting cultures,

dysfunctional governments, and terrorism. However, Dipika Mukherjee's focus on the characters' interwoven histories forms the story's overarching message that, despite race, ethnicity, or religion, the same blood runs in our veins.

Other Broken Things

Watkins Media Limited
 “If you liked *Big Little Lies*, you’ll want to crack open [*Little Broken Things*].”
 —Southern

Living An unforgettable and moving novel about an affluent suburban family whose carefully constructed façade crumbles with the unexpected arrival of an endangered young girl. I have something for you. When Quinn Cruz receives that cryptic text message from her older sister Nora, she doesn’t think much of it. They haven’t seen each other in nearly a year and their

relationship consists mostly of infrequent phone calls and the occasional email. But when a haunted-looking Nora shows up just hours later, a chain reaction is set into motion that will change both of their lives forever. Nora's "something" is more shocking than Quinn could have ever imagined: a little girl, cowering and wide-eyed. Nora hands her over to Quinn with

instructions to keep her safe and disappears, leaving Quinn as the unlikely caretaker of a girl introduced simply as Lucy. "Steeped in menace...a race-to-the-finish family drama" (People), *Little Broken Things* explores life and death, family and freedom, and the lengths one woman will go to protect the ones she loves. *The Way of Abundance* Text Publishing A city

threatened by unimaginable horrors must trust their most hated outcast—or lose everything—in this sword and sorcery debut with a grimdark twist. "Epic fantasy meets hardboiled noir, with a foul-mouthed, seen-it-all narrator you won't soon forget." —Barnes & Noble Sci-Fi & Fantasy Blog After 10 years on the run, dodging daemons and debt, reviled magician Edrin Walker returns home

to avenge the brutal murder of his friend. Lynas had uncovered a terrible secret, something that threatened to devour the entire city. He tried to warn the Arcanum, the sorcerers who rule the city. He failed. Lynas was skinned alive and Walker felt every cut. Now, nothing will stop him from finding the murderer. Magi, mortals, daemons, and even the gods—Walker will burn them all if he has to. After all, it wouldn't be

the first time he's killed a god. Half Broken Things Delta The BookTok sensation from debut author Melissa Blair—now with exclusive bonus content! "Gripping and fierce. This is much-needed fantasy with its fangs honed sharp by the power of resistance. Melissa Blair has built a tremendous world."—Chloe Gong, #1 New York Times bestselling author of *These Violent Delights* My body is made

of scars, some were done to me, but most I did to myself. Keera is a killer. As the King's Blade, she is the most talented spy in the kingdom. And the king's favored assassin. When a mysterious figure moves against the Crown, Keera is called upon to hunt down the so-called Shadow. She tracks her target into the magical lands of the Fae, but Faeland is not what it seems . . . and neither is the Shadow.

Keera is shocked by what she learns, and can't help but wonder who her enemy truly is: the King that destroyed her people or the Shadow that threatens the peace? As she searches for answers, Keera is haunted by a promise she made long ago, one that will test her in every way. To keep her word, Keera must not only save herself, but an entire kingdom. Fans of fast-paced high fantasy such as A

Court of Thorns and Roses series, The Inadequate Heir, and From Blood and Ash author Jennifer L. Armentrout, will enjoy the fierce female characters, sapphic representation, and fantasy romance of A Broken Blade. Pixie Publishing Award-winning author Andrea Boeshaar takes readers into the world of a woman who comes face to face with broken relationships of the past. An old

photograph prompts Allison Drake Littenberg to return to Chicago to mend fences with family members and friends, particularly Jack Callahan, the handsome cop she left back in 1969. Now, 30 years later, Jack is bitter from bad decisions and a nasty divorce. Even so, Allie prays that God will use her own broken past to touch his life - and the life of a dying, abused, and disheartened woman who, Allie realizes,

is the key to unlocking answers to decades of questions. Can she reach them both? Will God use her to successfully open Jack's locked heart?

Ode to Broken Things

Ballantine Books
THE CURATOR OF BROKEN THINGS TRILOGY is a fast-paced family-saga that takes place over a century and across four continents. Multiple narrative threads take the reader

through love, betrayal, and espionage in a story that spans from the last days of the Ottoman Empire to Paris of the Roaring Twenties to the prewar French Riviera to the World War II Allied landing in North Africa and to modern-day Paris and Los Angeles. In this trilogy, three generations of a family's secrets are unearthed that might bring it together or tear it apart.

Book 1: From Smyrna to Paris. With her twins in college and her ex-husband off to a younger pasture, Cassie is resigned to a disappointing life in Los Angeles, until she reluctantly returns to Paris to visit her ailing father. There, she discovers the existence of an estranged aunt, a woman of many secrets who lives in a beautiful house in Paris's exclusive Cité

des Fleurs. Dumbfounded by what she learns, Cassie sets out on a quest to understand her family's past and make sense of her father's cold indifference toward her. In Paris, as the truth about her failed marriage begins to take form, Cassie fights with her family, grapples with French idiosyncrasies and her own, and attempts to resist the charms of a good-looking Parisian who rides a

vintage motorcycle. Book 2: Escape to the Côte d'Azur. A family flees Paris at the dawn of the Second World War, haunted by secrets that threaten to rip them apart. Seventy years later, Cassie, in modern-day Paris, finds herself alone frantically trying to confront her hostile relatives. Meanwhile, puzzled by the advances of a charming Frenchman, she struggles to cope with the demands

of her manipulative ex and gain an understanding of her true self. Book 3: Resistance in Algiers. Amidst the chaos of the Second World War, and having taken refuge in North Africa, Cassie's parents and grandparents enter the French Resistance. As the Nazi threat tightens its noose, they find love and risk their lives and one another's. In modern-day Paris, Cassie, now on the

cusps of a surprising and disorienting love interest, has to conquer her fear of failure and success. When the last shocking piece of her family's puzzle comes into her possession, Cassie must unburden herself from several generations of family secrets. A Broken Blade Broken Things This book exemplifies a progressive approach to early childhood education as it pertains to the

teaching of art in a play-based curriculum. It is based upon an art exhibition featuring the works of infants, toddlers and preschoolers from the Rita Gold Early Childhood Center in New York City. The biographical profiles featured in this book reflect the children's experiences and explorations with materials throughout the school year and highlight their individual

perspectives as young artists. The text describes the process of developing an exhibition of the artwork of young children as well as frames the endeavor in terms of how it can provide meaningful learning experiences for the children, their families and the broader community. Broken Things Independently Published If you have ADHD, your brain doesn't work in the same way as a "normal" or

neurotypical brain does because it's wired differently. You and others may see this difference in circuitry as somehow wrong or incomplete. It isn't. It does present you with significant challenges like time management, organization skills, forgetfulness, trouble completing tasks, mood swings, and relationship problems. In *Your Brain's Not Broken*, Dr. Tamara

Rosier explains how ADHD affects every aspect of your life. You'll finally understand why you think, feel, and act the way you do. Dr. Rosier applies her years of coaching others to offer you the critical practical tools that can dramatically improve your life and relationships. Anyone with ADHD--as well as anyone who lives with or loves someone with ADHD--will find here a compassionat

e, encouraging guide to living well and with hope. *The Garden of Broken Things* Lighthouse Publishing In Broken Hearts, Fences and Other Things to Mend by Katie Finn, Gemma had her summer all planned out, but it takes sharp turn when she gets dumped and finds herself back in the Hamptons after a five-year absence. Being there puts her at risk of bumping into Hallie, her

former best friend (that is, before Gemma ruined her life). But people don't hold grudges forever. Do they? Gemma intends on making amends, but a small case of mistaken identity causes the people she knew years ago—including Hallie and her dreamy brother Josh—to believe she's someone else. As though the summer wasn't complicated enough already. Can

Gemma keep up the charade? Or will she be found out by the very people she's been hiding from? Teen Mom Knopf Cites successful examples of community-based policing. *Little Broken Things* Feiwel & Friends Detective Georgiana Germaine is back on the trail of a cold-blooded killer, and once again, the case hits close to home. Twenty-year-old Olivia

Spencer sits at her desk in her mother's bookshop, dreaming about her upcoming wedding. The shop may be closed, but Olivia's not alone, and her dream is about to become her worst nightmare. *Little Broken Things* is the third book in the bestselling Georgiana Germaine mystery series. Grab your copy today and get swept up in a twisty tale of secrets and lies that will have you up

reading all night. Praise for the Georgiana Germaine Series: "Gigi is strong willed and it will be interesting to see how life goes on future stories." Amazon Vine Voice "A well-plotted story with surprise twists." Amazon Vine Voice "This is my first book by Cheryl Bradshaw and it definitely won't be my last." "Cheryl Bradshaw has turned into my favorite author!" "Once I started this story I could

not stop reading it till the end! Took me all night, but I got it done." "There are so many new things to learn about Gigi, and I cannot wait for the next book to delve into her character further." "I was completely immersed in the story and read it straight through." *The Curator of Broken Things Book 1* HarperCollins A novel of exceptional heart and imagination about the ties

that bind us to each other, broken and whole, from one of the most exciting voices in Canadian fiction. September, 1983. Fourteen-year-old Bo, a boat person from Vietnam, lives in a small house in the Junction neighbourhood of Toronto with his mother, Thao, and his four-year-old sister, who was born severely disfigured from the effects of Agent Orange. Named

Orange, she is the family secret; Thao keeps her hidden away, and when Bo's not at school or getting into fights on the street, he cares for her. One day a carnival worker and bear trainer, Gerry, sees Bo in a streetfight, and recruits him for the bear wrestling circuit, eventually giving him his own cub to train. This opens up a new world for Bo--but then Gerry's boss, Max, begins pursuing Thao

with an eye on Orange for his travelling freak show. When Bo wakes up one night to find the house empty, he knows he and his cub, Bear, are truly alone. Together they set off on an extraordinary journey through the streets of Toronto and High Park. Awake at night, boy and bear form a unique and powerful bond. When Bo emerges from the park to search for his sister, he discovers a

new way of seeing Orange, himself and the world around them. All the Broken Things is a spellbinding novel, at once melancholy and hopeful, about the peculiarities that divide us and bring us together, and the human capacity for love and acceptance.

Pretty Broken Things
Carpenter Hill Publishing
"In fact, the higher I climbed, the more I felt the crawling horror of

knowledge. At the foot of the stairs, all of truth lay torn open, flayed; with me above it, omniscient and shaking, not looking down."Broken Things encompasses a world of fractured realities and magic. Here are voices lost inside themselves, where the world is not as it should be and nothing may be trusted. These are the lives that are eked out at the very edges of the city, where God might be found in a

bonfire or a bag lady can burst into a flock of pigeons and wild laughter. This book picks at the familiar parts of the everyday and frays them, very slightly, reminding us of the beauty and fear of dreams, of things just glimpsed through the corner of the eye. A woman becomes a gas explosion, or witness to the death of a nameless man in a library. A kitchen knife crawls after a little girl to keep her safe

and an old lady hears her mother calling from a cupboard. Broken Things is a book for those who have not outgrown fairytales; for those who like to feel just a little disturbed; for those who remember the ancient creeping of childhood darkness and the exquisite glory of snow. **Altar for Broken Things** Union Square & Co. Three unlikely friends become partners in heartbreak and hope

during a middle school pottery class in this powerful, poignant novel—perfect for fans of Gordon Korman and Lynda Mullaly Hunt. At West Beacon Middle School, eighth graders Oscar Villanueva, Riley Baptiste, and Noah Wright become unlikely friends during Introduction to Clay class. Oscar, a football star, just lost his little sister to cancer. Riley's been dragged away from Philadelphia

by her single mom to a new life in West Beacon, a tiny Pennsylvania coal town that's smaller than Riley's old school. Noah's spent his whole life as a homeschooler and just started West Beacon Middle School as a result of his parents' train wreck of a divorce. Through art, football, failure, faith, and trust, the friends help one another to piece things back together again. In true friendship, they also

discover that some injuries may never heal, some things can never be unbroken—and that's okay too. *Ask a Manager* Random House Canada Before M. R. DeHaan was teaching on Radio Bible Class, he was a physician and well acquainted with pain and suffering. Dr. DeHaan, in his book *Broken Things—Why We Suffer*, takes a biblical and practical look at suffering and helps you to discover

that often it is through seasons of trial that God seeks to mold and shape you into His image.

Applying the healing principles of God's Word, Dr. DeHaan encourages those who have been scarred by loss of employment, health, or by the death of a loved one, to find both hope and peace.

All the Broken Things Simon and Schuster From the creator of the popular website Ask a

Manager and New York's work-advice columnist comes a witty, practical guide to 200 difficult professional conversations—featuring all-new advice! There's a reason Alison Green has been called "the Dear Abby of the work world." Ten years as a workplace-advice columnist have taught her that people avoid awkward conversations in the office because they simply don't know what to say.

Thankfully, Green does—and in this incredibly helpful book, she tackles the tough discussions you may need to have during your career. You'll learn what to say when • coworkers push their work on you—then take credit for it • you accidentally trash-talk someone in an email then hit "reply all" • you're being micromanaged—or not being managed at all • you catch a colleague in

a lie • your boss seems unhappy with your work • your cubemate's loud speakerphone is making you homicidal • you got drunk at the holiday party Praise for *Ask a Manager* "A must-read for anyone who works . . . [Alison Green's] advice boils down to the idea that you should be professional (even when others are not) and that communicating in a straightforward manner with

candor and kindness will get you far, no matter where you work."—Booklist (starred review) "The author's friendly, warm, no-nonsense writing is a pleasure to read, and her advice can be widely applied to relationships in all areas of readers' lives. Ideal for anyone new to the job market or new to management, or anyone hoping to improve their work experience."—Library Journal

(starred review) "I am a huge fan of Alison Green's *Ask a Manager* column. This book is even better. It teaches us how to deal with many of the most vexing big and little problems in our workplaces—and to do so with grace, confidence, and a sense of humor."—Robert Sutton, Stanford professor and author of *The No Asshole Rule* and *The Asshole Survival Guide* "Ask a Manager is the ultimate

playbook for navigating the traditional workforce in a diplomatic but firm way.”—Erin Lowry, author of *Broke Millennial: Stop Scraping By and Get Your Financial Life Together* [Fixing Broken Windows](#) Revell
An outcast magician must risk his body and mind to save the world from horrifying demons in this “kick-in-the-nuts, edgy, and dark” epic fantasy adventure (New York Journal of

Books) Tyrant magus Edrin Walker destroyed the monster sent by the Skallgrim, but not before it laid waste to Setharis, and infested their magical elite with mind-controlling parasites. Edrin’s own Gift to seize the minds of others was cracked by the strain of battle, and he barely survives the interrogation of a captured magus. There’s no time for recovery though: a Skallgrim

army is marching on the mountain passes of the Clanhold. Edrin and a coterie of villains race to stop them, but the mountains are filled with gods, daemons, magic, and his hideous past. Walker must stop at nothing to win, even if that means losing his mind. Or worse.
Broken Things Island Press
From the author of *Bleed Like Me*, which Booklist called “edgy, dark, and

turbulent with passion” comes a “gritty, honest portrayal of the road to recovery” (VOYA) and forbidden romance—starring a fearless, unforgettable heroine. Natalie’s not an alcoholic. She doesn’t have a problem. Everybody parties, everybody does stupid things, like getting in their car when they can barely see. Still, with six months of court-ordered AA meetings

required, her days of vodka-filled water bottles are over. Unfortunately, her old friends want the party girl or nothing. Even her up-for-anything ex seems more interested in rehashing the past than actually helping Nat stay sober. But then a recovering alcoholic named Joe inserts himself into Nat’s life, and things start looking up. Joe is funny, he’s smart, and he calls her out in a way no one

ever has. He’s also older. A lot older. Nat’s connection to Joe is overwhelming, but so are her attempts to fit back into her old world, all while battling the constant urge to crack a open bottle and erase that one thing she’s been desperate to forget. Now, in order to make a different kind of life, Nat must pull together her broken parts and learn to fight for herself. The Summer of Broken Things Little A A thrilling and

beautifully told story about the dilemma of staying true to yourself and being there for the people who need you. *Broken Things* is the exciting short story prequel to Jodi's new novel, *Wish You Were Here*. Nine-year-old Diana keeps a tally of every day her mother is gone, counting down until she will see her again. A world-renowned photographer, Hannah O'Toole is rarely at home, always

travelling the globe, chasing the next disaster. She has missed most of Diana's birthdays, so Diana isn't surprised when her mother announces she will be photographing the effects of a drought in Oklahoma instead of staying in New York for Diana's tenth birthday. Diana is thrilled when her father decides to take her for a surprise visit to spend her birthday with her mother,

but she can't fail to see that her mother isn't quite as excited. And when the drought is unexpectedly broken by a Force 4 tornado, Hannah must make a choice between her daughter and her passion. *Broken Things Can Be Beautiful Things* Macmillan + ORM
A novel about one family wading through the aftermath of the earthquake that devastated Haiti in 2010,

from the acclaimed author who has been compared to Toni Morrison “at the height of her power” (Harper’s Bazaar)—a haunting and astonishing story of restoration and disaster, motherhood, and the bonds that carry through generations. Genevieve, a single mother, flies from New York to Port-au-Prince with her teenage son, Miles. The trip is meant to be an education for fifteen-year-old

Miles—a chance to learn about his family’s roots while coming to terms with his father’s departure—but it’s also an excuse for Genevieve to escape the city, where her life is dominated by her failed marriage and the daily pressures of raising Black children in America. For Genevieve, the journey is also a homecoming of sorts: An opportunity to visit the island she remembers

from childhood and reconnect with family. But when the country is rocked by a massive earthquake—decimating the city and putting their lives at risk—their visit becomes a nightmare of survival. Written before the horrific earthquake that struck Haiti in 2021, *The Garden of Broken Things* delivers readers beyond the headlines and into the shattered world of a distant

family—coming together, forced apart—suddenly brought to the brink.
