Science has given us several explanations for how humans evolved from walking on four limbs to two feet. None, however, is as riveting as what master storyteller Ngũgĩ wa Thiong'o offers in *The Upright Revolution*. Blending myth and folklore with an acute insight into the human psyche and politics, Wa Thiong'o conjures up a fantastic fable about how and why humans began to walk upright. It is a story that will appeal to children and adults alike, containing a clear and important message: "Life is connected." Originally written in Gikuyu, this short story has been translated into sixty-three languages--forty-seven of them African--making it the most translated story in the history of African literature. This new collector's edition of *The Upright Revolution* is richly illustrated in full color with Sunandini Banerjee's marvellous digital collages, which open up new vistas of imagination and add unique dimensions to the story.

From the award-winning author of *Nona & Me* comes a stunning new novel about two teenagers separated by cultural differences, their parents' expectations and twenty kilometres of barbed-wire fence. Is it possible for two very different teenagers to fall in love despite high barbed-wire fences and a political wilderness between them? Anahita is passionate, curious and determined. She is also an Iranian asylum seeker who is only allowed out of detention to attend school. On weekdays, during school hours, she can be a 'regular Australian girl'. Jono needs the distraction of an infatuation. In the past year his mum has walked out, he's been dumped and his sister has moved away. Lost and depressed, Jono feels as if he's been left behind with his Vietnamese single father, Kenny. Kenny is struggling to work out the rules in his new job; he recently started work as a guard at the Wickham Point Detention Centre. He tells Anahita to look out for Jono at school, but quickly comes to regret this, spiraling into suspicion and mistrust. Who is this girl, really? What is her story? Is she a genuine refugee or a queue jumper? As Jono and Anahita grow closer, Kenny starts snooping behind the scenes ... 'An urgent, compelling and transcendent love story of our times.' —Alice Pung 'I want everyone to read this book right now.' —Fiona Wood 'A beautiful, raw and timely book.' —Melina Marchetta Clare Atkins has worked as a scriptwriter for many successful television series, including *All Saints* and *Home and Away*. Blue Wings Harper Collins

Píppi é uma menina de nove anos incrivelmente forte. Não tem pai nem mãe e mora sozinha, mas feliz da vida. Seus companheiros são um cavalo e um macaquinho. Ela mesma faz suas roupas - bem esquisitas - e sua comida - biscoitos, panquecas e sanduíches. Destemida e sapeca, lembra a Emília do Sítio do Pica-Pau Amarelo. Píppi tem sempre uma resposta na ponta da língua, está sempre inventando histórias e demonstra grande confiança em si mesma. Dá uma surra em cinco meninos brigões, engana os policiais que querem levá-la para um lar de crianças, põe dois ladrões a correr e enfrenta um touro a unha. Nada convencional e um tanto anárquica, causa espanto e confusão por onde passa, seja na escola, no circo ou na casa de seus vizinhos. É, enfim, uma menina que realiza sonhos de liberdade e aventura.

Pippi Moves In Cuento de Luz

Frank Soutelo is a down-at-heel private detective, the son of Galician immigrants, based in Los Angeles, California. He doesn't get much choice in his assignments and has to take pretty much what's on offer, so when he gets hired and paid an advance of twenty-five thousand dollars, he's understandably pleased, and his secretary even more so. The unusual thing, however, is what he's been asked to do: to recover the body of the actress Marilyn Monroe, which has reputedly gone missing from her grave in Westwood Village Memorial Park Cemetery. Big Frank, as he is known, is about to get drawn into a world that is unfamiliar to him: a world of necrophiliacs, zealous watchmen, uniformed chauffeurs and high-class mansions. The question is will he be able to extricate himself from this situation with his dignity and heart in one piece?

Pippi en los mares del sur Viking Books for Young Readers

In this witty, engaging guide, a renowned Vogue editor takes readers through the fundamentals of living alone by showing them how to create a welcoming environment and cultivate home-friendly hobbies, "for no woman can accept an invitation every night without coming to grief." "Whether you view your one-woman ménage as Doom or Adventure, you need a plan, if you are going to make the best of it." Thus begins Marjorie Hillis' archly funny, gently prescriptive manifesto for single women. Though it was 1936 when the Vogue editor first shared her wisdom with her fellow singletons, the tome has been passed lovingly through the generations, and is even more apt today than when it was first published. Hillis, a true bon vivant, was sick and tired of hearing single women carping about their living arrangements and lonely lives; this book is her invaluable wake-up call for single women to take control and enjoy their circumstances. With engaging chapter titles like "A Lady and Her Liquor" and "The Pleasures of a Single Bed," along with a new preface by author Laurie Graff (You Have to Kiss A Lot of Frogs), *Live Alone and Like It* is sure to appeal to live-aloners—and those considering taking the plunge.

A World Gone Mad Nube Ocho

THE LOST MASTERPIECE FROM ASTRID LINDGREN'S CHILDREN'S CLASSIC *Pippi Moves In* marks the first time that the legendary Pippi Longstocking comics by the famed children's author and creator Astrid Lindgren and Danish illustrator Ingrid Vang Nyman will be published outside of Scandinavia in thirty years, as well as their first ever publication in English. The outspoken strong-girl with the carrot-colored pigtails and the mismatched socks has enthralled generations of children the world over with her fabulous exploits at Villa Villekulla, where she lives with her horse and monkey. Countless translations of the chapter books are available in more than sixty languages. Pippi is Sweden's best-known children's export, making it all the more remarkable that D+Q has discovered what will be a three-volume series. The comics are re-imaginings of the classic chapter book stories and were originally published in the Swedish magazine *Humpty Dumpty* in 1957-1959, a decade after the original books. The comics spotlight both Lindgren's brilliant writing and Vang Nyman's bold bright colors that seem presciently and eerily modern. The original illustrator for the chapter books, Vang Nyman was an avant-garde champion of the importance of children's literature who insisted that art in children's books needed to meet the same esthetic standards as art in any other medium. Sadly Vang Nyman never achieved international success, and tragically committed suicide in 1959 due to mental health issues, while Lindgren went on to become one of the world's best-loved writers with more than 145 million books sold worldwide. Similar to D+Q's 2005 unearthing of the Tove Jansson's *Moomin* comic strip, which has more than 100,000 units in print, these mid-century classics are waiting to be discovered and enjoyed by the world's legions of Pippi fans, both young and old.

The Music Box Africa List

Two brothers bound together by affection and responsibility. Jadran is five years older than Josh and huge enough to be nicknamed Giant. Josh is younger, and smaller; but his sweet and stubborn brother thinks in a way that would be more typical of a small child. They are both dealing with changes to their newly blended, Muslim family. So Josh looks after Jadran and they both adjust. When the brothers find an injured young crane, Jadran wants to bring it back to their small apartment and teach it to fly at any cost. And it turns out the cost is high. Intensely moving without ever slipping into sentimentality, *The Blue Wings* is a warm, love-filled story about fragility, strength, and brotherhood, in all its complications.
