We hadn't planned on going to Alexandria that year until my uncle came to Egypt and insisted on it. Honestly, I couldn't find anything exciting about Alexandria. It's changed. It's been changing every year. Everything has become louder, more crowded, and lonelier for me. Most of my friends go to the North Coast or to Ain Sokhna. It's the perpetual search for everything new - except for my folks! We always stay at the same place and see the same people, until today. The building in which we always stay was demolished, and my uncle volunteered to find two apartments through a friend of his.

Many who know of Fr. Donald know him because of his conversion story. He has spoken of it at conferences, on television, radio, online, and wherever he can spread the message. This book finally captures in print how Divine Mercy, through the intercession of the Blessed Mother, touched his life. In his own words, *No Turning Back* recounts Fr. Donald's personal story of conversion after reading a book about Our Lady. Though today he is a devout Catholic Marian priest, Fr. Donald's early years were no indication of what was to come. Before his conversion to Catholicism, he was a high school dropout who had been kicked out of a foreign country, institutionalized twice and thrown in jail multiple times. Discovering a book on Our Lady led to his conversion and ardent love of Mary and the Church.

The Sense of an Ending W. W. Norton & Company

"[T]here will be no turning back," said Lt. Gen. Ulysses S. Grant. It was May, 1864. The Civil War had dragged into its fourth spring. It was time to end things, Grant resolved, once and for all. With the Union Army of the Potomac as his sledge, Grant crossed the Rapidan River, intending to draw the Army of Northern Virginia into one final battle. Short of that, he planned "to hammer continuously against the armed forces of the enemy and his resources, until by mere attrition, if in no other way, there should be nothing left to him . . ." Almost immediately, though, Robert E. Lee's Confederates brought Grant to bay in the thick tangle of the Wilderness. Rather than retreat, as other army commanders had done in the past, Grant outmaneuvered Lee, swinging left and south. There was, after all, no turning back. "I intend to fight it out along this line if it takes all summer," Grant vowed. And he did: from the dark, close woods of the Wilderness to the Muleshoe of Spotsylvania, to the steep banks of the North Anna River, to the desperate charges of Cold Harbor. The 1864 Overland Campaign would be a nonstop grind of fighting, maneuvering, and marching, much of it in rain and mud, with casualty lists longer than anything yet seen in the war. In *No Turning Back: A Guide to the 1864 Overland Campaign, from the Wilderness to Cold Harbor, May 4 - June 13, 1864*, historians Robert M. Dunkerly, Donald C. Pfanz, and David R. Ruth allow readers to follow in the footsteps of the armies as they grapple across the Virginia landscape. Pfanz spent his career as a National Park Service historian on the battlefields where the campaign began; Dunkerly and Ruth work on the battlefields where it concluded. Few people know the ground, or the campaign, better.

Nearly every species that has lived on earth is extinct. The last of the dinosaurs was wiped out after a Mount Everest-sized meteorite slammed into the earth 65 million years ago. The great flying and marine reptiles are no more. Before humans crossed the Bering Land Bridge some 15,000 years ago,

North America was populated by mastodons, mammoths, saber-toothed tigers, and cave bears. They too are MIA. The passenger pigeon, once the most numerous bird in North America, is gone forever. In *No Turning Back*, renowned naturalist Richard Ellis explores the life and death of animal species, immortalizing creatures that were driven to extinction thousands of years ago and those more recently. He documents those that were brought back from the brink, and most surprisingly, he reveals animals not known to exist until the twentieth century -- an antidote to extinction.

HE'S BACK AND HE'S FUHRIOUS! "Desperately funny . . . An ingenious comedy of errors." --Janet Maslin, *The New York Times* "Satire at its best." --*Newsweek* "Thrillingly transgressive." --*The Guardian* A NEW YORK TIMES SUMMER READING PICK In this record-breaking bestseller, Timur Vermes imagines what would happen if Adolf Hitler reawakened in present-day Germany: YouTube stardom. Adolf Hitler wakes up on a patch of open ground, alive and well. It's the summer of 2011 and things have changed--no Eva Braun, no Nazi party, no war. Hitler barely recognizes his beloved Fatherland, filled with immigrants and run by a woman. People certainly recognize him--as a flawless impersonator who refuses to break character. The unthinkable happens, and the ranting Hitler goes viral, becomes a YouTube star, gets his own TV show, and people begin to listen. But the Fuhrer has another program with even greater ambition in mind--to set the country he finds in shambles back to rights. With daring humor, *Look Who's Back* is a perceptive study of the cult of personality and of how individuals rise to fame and power in spite of what they preach.

An exceptional memoir about one man's truly inspirational outlook on living, no matter the odds. Before you dig into this book, there are a few things I think you should know. First, I was a soldier, and I still talk like one-in other words, I swear. So, if bad words bother you, just squint and pretend you don't see them. I want you to know this book is not about the war in Iraq, and I'm not pushing a political agenda. Even though I'm going to tell you about the day I was wounded and what I went through during rehab, this book's not just some war memoir or a pity party. I just want to share some of my stories with you. This book is not about being wounded. It's not about struggling. This book is about living. It's about life. In this inspiring memoir, Bryan shares his infectious love for life that touches anyone who's faced hardship. No Turning Back is a testament to pure hard work, perseverance, and hope for a better life- no matter what shape it takes.
