*Goodbye, Mr. Muffin* Ernst  
Reinhardt Verlag  
Never before published,  
this book features George  
Herbert Mead's  
illuminating lectures on  
the Philosophy of

Education at the  
University of Chicago  
during the early 20th  
century. These lectures  
provide unique insight  
into Mead's educational  
thought and reveal how  
his early psychological  
writings on the social  
character of meaning and  
the social origin of  
reflective consciousness  
was central in the

development of what  
Mead referred to as his  
social conception of  
education. The  
introduction to the book  
provides an overview of  
Mead's educational  
thought and places it  
against the wider social,  
intellectual, and historical  
background of modern  
educational concepts.  
*A Secure Base* Skyhorse

Publishing Inc.  
 This benchmark collection of cross-cultural essays on reproduction and childbirth extends and enriches the work of Brigitte Jordan, who helped generate and define the field of the anthropology of birth. The authors' focus on authoritative knowledge—the knowledge that counts, on the basis of which decisions are made and actions taken—highlights the vast differences between birthing systems that give authority of

knowing to women and their communities and those that invest it in experts and machines. Childbirth and Authoritative Knowledge offers first-hand ethnographic research conducted by anthropologists in sixteen different societies and cultures and includes the interdisciplinary perspectives of a social psychologist, a sociologist, an epidemiologist, a staff member of the World Health Organization, and a community midwife.

Exciting directions for further research as well as pressing needs for policy guidance emerge from these illuminating explorations of authoritative knowledge about birth. This book is certain to follow Jordan's *Birth in Four Cultures* as the definitive volume in a rapidly expanding field. This title is part of UC Press's Voices Revived program, which commemorates University of California Press's mission to seek out and cultivate the brightest minds and give them

voice, reach, and impact. Drawing on a backlist dating to 1893, *Voices Revived* makes high-quality, peer-reviewed scholarship accessible once again using print-on-demand technology. This title was originally published in 1999. This benchmark collection of cross-cultural essays on reproduction and childbirth extends and enriches the work of Brigitte Jordan, who helped generate and define the field of the anthropology of birth. The authors' focus on

authoritative knowledge—the kn **Counseling the Nursing Mother** Bloomsbury Publishing Die neue Lehrbuch-Reihe mit APP macht Schülern aller Pflege-Ausbildungsgänge das Lernen leicht! Eine neue Didaktik erklärt Ihnen den Lernstoff übersichtlich, kompakt und verständlich geschrieben. Alle drei Bände sind komplett aufeinander abgestimmt und folgen einer einheitlichen Nomenklatur, können aber auch einzeln

eingesetzt werden. Transferaufgaben zum Selbsttest bereiten Sie ideal auf die Prüfung vor. Auch im klinischen Alltag gibt PFLEGEN Ihnen Sicherheit durch klare Handlungsanweisungen und viele exklusive Schritt-für-Schritt-Fotografien. PFLEGEN: So finden Sie sich gut zurecht Die drei aufeinander abgestimmten Lehrbücher beinhalten den gesamten Lernstoff für alle Ausbildungsgänge der Pflege. Ein modernes und übersichtliches Seitenkonzept gibt Ihnen

Überblick und hilft auf Wichtiges zu fokussieren. Ein Farbleitsystem führt durch das Buch. Sie erhalten zu jedem Kapitel einen guten Einstieg, entweder durch relevante Anatomie-Bilder oder durch eine kurze Einführung ins Thema. PFLEGEN: So wissen Sie, was wichtig ist. Überschaubare Infokästen und moderne Grafiken sind perfekte Merkhelfer für wichtige Fakten. So wissen Sie gleich, was von Bedeutung ist. Durch anschauliche Grafiken haben Sie Spaß beim

Lernen und prägen sich den Stoff besonders gut ein. PFLEGEN: So wissen Sie, was zu tun ist. Bei allen Bänden liegt der Fokus auf der Handlungskompetenz. Viele Abbildungen sowie Schritt-für-Schritt-Fotografien helfen beim Verstehen und zeigen Ihnen genau, was zu tun ist. Klare Handlungsanweisungen unterstützen bei der praktischen Umsetzung und geben Ihnen Sicherheit. Komplexe Informationen werden lernfreundlich aufbereitet

(z.B. Tabellen) und geben Ihnen einen guten Überblick. PFLEGEN: So verstehen und wiederholen Sie den Lernstoff. Überblicksgrafiken am Kapitelende fassen noch einmal das Wichtigste zusammen und bieten so eine gute Lernhilfe. Den Lernstoff können Sie so ganz einfach wiederholen und Ihr Wissen überprüfen: Prüfungsrelevante Transferaufgaben am Ende jedes Kapitels dienen zum Selbsttest und bereiten optimal auf

die Prüfung vor. Inklusive der Elsevier PFLEGE-APP Für alle Pflegeschüler geeignet, stellt die APP einen direkten Zugang zu Elseviers erstklassigen Pflegeinhalten dar. Fachbegriffe, Definitionen, Abkürzungen, Krankheitsbilder sowie Pflegeplanungen stehen dem Nutzer off- und online zur Verfügung.

**Knowledge** Routledge  
MORE THAN 500,000  
COPIES SOLD! • In this completely revised and updated edition, the

nation's leading midwife shares the benefits and joys of natural childbirth by showing women how to trust in the ancient wisdom of their bodies for a healthy and fulfilling birthing experience. "This book should be read by every woman who is having or may someday have a baby, and by every midwife, nurse, doula, childbirth educator, and doctor who assists or may someday assist these women through their maternity experiences."—Marsden Wagner, M.D., M.S.,

former Director of Women's and Children's Health, World Health Organization Based on the female-centered Midwifery Model of Care and drawing upon her decades of experience, Ina May Gaskin gives expectant mothers comprehensive information on everything from the all-important mind-body connection to how to give birth without technological intervention. Filled with inspiring birth stories and practical advice, this invaluable resource

covers: • Reducing the pain of labor without drugs—and the miraculous roles touch and massage play • What really happens during labor • Orgasmic birth—making birth pleasurable • Common methods of inducing labor—and which to avoid at all costs • Tips for maximizing your chances of an unmedicated labor and birth • How to avoid postpartum bleeding—and depression • The risks of anesthesia and cesareans—what your doctor doesn't necessarily

tell you • How to create a safe, comfortable environment for birth in any setting, including a hospital • And much more! Ina May's Guide to Childbirth takes the fear out of childbirth by restoring women's faith in their own natural power to give birth with more ease, less pain, and less medical intervention. *The Best Dancer* Singing Dragon Every new parent desperately wants to know what goes on in the mind of a baby. Now a noted authority on infant

development and psychiatry brings us closer than ever before to penetrating a your child's consciousness. In alternating sections of evocative prose, representing the baby's own voice, and explanatory text, Daniel Stern draws on the latest research findings to recreate the baby's world."

### **Women Confined**

Bantam

Alexander Granach, who died while he was acting on Broadway in 1945, brilliantly relates the

remarkable story of his unlikely path from a poverty-stricken, rough-and-tumble childhood to success on the German stage. This is the account of a daring, curiosity-filled, and perceptive Jewish child from poor towns in Galicia who was seized with a passion for the theater when he saw his first show at the age of 14. He overcame great odds to become a leading stage and film actor in Weimar Germany - and he had to have both legs broken to do it! Born in what is now southern

Ukraine, Granach began working at the age of six in his father's bakery, where his heavy tasks left him visibly knock-kneed. With very little formal education but open for adventure and willing to work hard, Alexander ran away several times, the last time to Berlin, at the age of 16, where his talent and charm won him a place in Max Reinhardt's theater school. His career was abruptly interrupted by World War I and his time as a prisoner of war in Italy, but after a daring escape and the end of the

war he resumed his rise to prominence in German artistic life. A natural storyteller, Granach's autobiography captures equally the charms, adventures, and trials of his shtetl days, the horrors of trench warfare, and the glamour and excitement of the German theater before Hitler came to power.

**Help, Comfort, And Hope After Losing Your Baby In Pregnancy Or The First Year** Hawthorn Children's Classics  
As Bowlby himself points out in his introduction to

this seminal childcare book, to be a successful parent means a lot of very hard work. Giving time and attention to children means sacrificing other interests and activities, but for many people today these are unwelcome truths. Bowlby's work showed that the early interactions between infant and caregiver have a profound impact on an infant's social, emotional, and intellectual growth. Controversial yet powerfully influential to this day, this classic collection of Bowlby's

lectures offers important guidelines for child rearing based on the crucial role of early relationships. *Homoeopathic Medicine for Dogs* Crotona Verlag Through her own experience with miscarriage as well as through the voices of other parents who have suffered the devastation of their baby's death, psychologist Hannah Lothrop guides parents through the experience of bereavement, from shock and disbelief to renewal and growth. This warm,

insightful book also provides specific information for caregivers: hospital staff, clergy, relatives, or counselors. Thoughtful questions throughout help readers assess their emotions and identify their needs, and an extensive list of resources provides additional sources of support. [Palliativversorgung und Trauerbegleitung in der Neonatologie](#) BoD - Books on Demand In Der achtsame Weg durch Schwangerschaft und Geburt stellt die

erfahrene Hebamme und Achtsamkeitslehrerin Nancy Bardacke ein innovatives Programm vor, das auf wegweisenden Forschungsergebnissen aus der Neurowissenschaft, der Achtsamkeitsforschung und der Geist-Körper-Medizin basiert und werdende Eltern durch die Schwangerschaft, die Geburt und die ersten Monate danach begleitet. Mit den hier Schritt für Schritt erklärten, aufeinander aufbauenden

Achtsamkeitsübungen bringen Sie mehr Ruhe, Glück und Gelassenheit in diese Zeit, die Ihr Leben verändern wird, und legen die Grundlage für ein gesundes Leben und eine von Weisheit erfüllte Elternschaft.  
*Slow Sex* Jones & Bartlett Publishers  
 The breakthrough million-copy international bestseller about how to befriend your inner child to find happiness  
 "Compassionate, clear-eyed, and insightful . . .  
 The Child in You is like your own personal

therapist that you can carry around with you." --  
 Lori Gottlieb, New York Times bestselling author of *Maybe You Should Talk to Someone* Nominated for Malcolm Gladwell, Susan Cain, Adam Grant, and Daniel H. Pink's Next Big Idea Club  
 We all want to be loved and to feel safe to express who we really are. But over time we grow estranged from what brings us our purest happiness--because everyday traumas, unyielding societal expectations, and the judgment of our parents

and peers submerge our true self beneath layers of behaviors rooted in fear and shame and mistrust. In *The Child in You*, psychologist Stefanie Stahl guides you, step-by-step, through her therapeutic method that has helped millions to peel away these layers and reconnect with their inner child--both the shadow child, representing our deepest insecurities and the part of our self-esteem that is injured and unstable, and the sun child, representing our greatest

joys and the part of our self-esteem that remains positive and intact. The many examples and exercises in this book will help you discover your shadow child and sun child, identify which of the shadow child's dozen self-protection strategies are at work in you, and put into practice the array of proven self-reflection strategies to overcome negative influences and beliefs. Because it's never too late to have a happy childhood, or to bring your authentic self out from the shadows so you can

embody your radiant individuality. A PENGUIN LIFE TITLE  
Der Prinz von Azamuth  
 Schocken Books  
 Incorporated  
 The complete guide to pregnancy, day-by-day No other pregnancy book provides this level of detail, allied with such extraordinary photographs, 3D scans and illustrations which reveal in unprecedented clarity exactly what is happening to you and your baby every single day. From early fetal development to how your

hormones prepare you for birth, learn from world-class experts. Plus, obstetricians, midwives and parents advise on your baby's development, medical matters, your changing body, diet, fitness and much more. A special hour-by-hour rundown of what to expect during and immediately after birth, plus further reassurance for the first two weeks of your baby's life, will give a helping hand through the culmination of your pregnancy, from pain relief to those first

intimate and unique moments between you and your child.

**Sterbebegleitung: Eine einfühlsame Anleitung für Angehörige, Pflegende und Hospizbegleiter** Da

Capo Press

Assembles and interprets information relevant to growth and nutrition of normal, term infants in industrialized countries. Discusses such topics as infant feeding and evolution, trends in infant feeding since 1950, size and growth, estimated requirements and

recommended dietary intakes, water and renal solute load, vitamins, minerals, micronutrients, human milk and breast feeding, infant formulas, cow milk and beikost, recommendations for feeding normal infants, etc.

Philosophy of Education

Georg Thieme Verlag

A health-care provider is likely to be the first professional contact for survivors of intimate partner violence or sexual assault. Evidence suggests that women who have been subjected to

violence seek health care more often than non-abused women, even if they do not disclose the associated violence. They also identify health-care providers as the professionals they would most trust with disclosure of abuse. These guidelines are an unprecedented effort to equip healthcare providers with evidence-based guidance as to how to respond to intimate partner violence and sexual violence against women. They also provide advice for policy makers,

encouraging better coordination and funding of services, and greater attention to responding to sexual violence and partner violence within training programmes for health care providers. The guidelines are based on systematic reviews of the evidence, and cover: 1. identification and clinical care for intimate partner violence 2. clinical care for sexual assault 3. training relating to intimate partner violence and sexual assault against women 4. policy and programmatic approaches

to delivering services 5. mandatory reporting of intimate partner violence. The guidelines aim to raise awareness of violence against women among health-care providers and policy-makers, so that they better understand the need for an appropriate health-sector response. They provide standards that can form the basis for national guidelines, and for integrating these issues into health-care provider education. From the Shtetl to the Stage Random House

*Stillen* Routledge

Ingeborg Stadelmann is

Germany's most popular  
 Midwife and mother of  
 three children. She wrote  
 her book for expectant  
 parents and fellow  
 midwives. Consultation  
 with a Midwife takes  
 readers from the  
 beginning of pregnancy to  
 childbirth, then going on  
 to discuss breast-feeding  
 and the postnatal phase.  
 It provides advice and tips  
 on herbal medicine,  
 homoeopathy and aroma  
 therapy. This book is a  
 veritable treasure trove  
 for anyone seeking  
 information on natural  
 pregnancy, childbirth and

childbed. Since the  
 publication of  
 Consultation with a  
 Midwife, there has been a  
 perceivable change in the  
 way pregnancy, childbirth  
 and childbed - until the  
 end of the breastfeeding  
 period - are dealt with.

 guidance through  
 pregnancy, childbirth,  
 childbed and breast-  
 feeding with herbal  
 medicine, homoeopathy  
 and aroma therapy."  
*The Tentative Pregnancy*

Penguin Group

There's no such thing as a bad kid. That's what a lifetime of experience has taught Dr. Stuart Shanker. No matter how difficult, out of control, distracted, or exhausted a child might seem, there's a way forward: self-regulation. Overturning decades of conventional wisdom, this radical new technique allows children and the adults who care for them to regain their composure and peace of mind. Self-Reg is a groundbreaking book that presents an entirely new

understanding of your child's emotions and behavior and a practical guide for parents to help their kids engage calmly and successfully in learning and life. Grounded in decades of research and working with children and parents by Dr. Shanker, Self-Reg realigns the power of the parent-child relationship for positive change. Self-regulation is the nervous system's way of responding to stress. We are seeing a generation of children and teens with excessively high levels of

stress, and, as a result, an explosion of emotional, social, learning, behavior, and physical health problems. But few parents recognize the "hidden stressors" that their children are struggling with: physiological as well as social and emotional. An entrenched view of child rearing sees our children as lacking self-control or willpower, but the real basis for these problems lies in excessive stress. Self-regulation can dramatically improve a child's mood, attention, and concentration. It can

help children to feel empathy, and to cultivate the sorts of virtues that most parents know are vital for their child's long-term wellbeing. Self-regulation brings about profound and lasting transformation that continues throughout life. Dr. Shanker translates decades of his findings from working with children into practical, prescriptive advice for parents, giving them concrete ways to develop their self-regulation skills and teach their children to do the same and engage

successfully with life for optimal learning, social, and emotional growth. Suddenness Penguin Langzeitstillen - was ist das? Und geht das in Deutschland überhaupt? In diesem Buch teilen 56 sehr unterschiedliche Frauen aus ganz Deutschland ihre Erfahrungen in Bezug auf das Stillen. Dabei werden individuelle Erlebnisse erzählt, aber auch Fragen (z.B. zum Thema Reaktionen im Umfeld, Berufstätigkeit und Abstillen) beantwortet. Auch gesundheitliche

Aspekte, u.a. Karies, werden angesprochen. Das Buch beinhaltet ein Vorwort von Dr. Herbert Renz-Polster und einen Beitrag der Stillbuchautorin Dora Schweitzer. Im Gegensatz zu ihrer Vorgängerin besticht diese komplett überarbeitete und erweiterte Auflage des Buches "Langzeitstillen in Deutschland" durch ihre Leserfreundlichkeit und ein attraktives Layout! *Ina May's Guide to Childbirth* Kösel-Verlag Erwacht aus einem wochenlangen Schlaf,

kann sich die junge Frau Sari an nichts außer ihrer Mission erinnern: sie muss den vermissten Thronfolger des feindlichen Nachbarlandes Azamuth finden. Doch jagt ihr ein dunkler Ritter mit seinen Schergen hinterher. Gemeinsam mit Gefährten, die

unterschiedlicher nicht sein könnten, versucht Sari die sprichwörtliche Nadel im Heuhaufen zu finden. Dabei muss sie feststellen, dass es die vermeintliche Grenze zwischen Schwarz und Weiß nicht zu geben scheint...
