Advance Praise for THE 50 GREATEST RED SOX GAMES "Here's the deal. It costs about \$43 for a grandstand seat at Fenway Park these days, unless you buy the ticket from a scalper, which makes the cost \$2 million. If you went to just 50 games of any dimension that means the cost would be either \$2,150 or \$100 million. Here, for considerably less, you get the 50 greatest games the Red Sox ever played plus tight prose, snappy anecdotes, and reasoned judgments.

Bargains like this don't come often. Plus, you don't even have to pay for parking." --Leigh Montville, author of Ted Williams: The Biography of an American Hero "It's a daunting task, but Cecilia Tan and Bill

Nowlin have come up with the Red Sox greatest hits album, the box set. Enjoy." --Dan Shaughnessy, author of *Reversing the Curse* "Old Towne Team fans will think they have died and gone to heaven with *The 50 Greatest Red Sox Games* in their grasp. Informative, exciting, entertaining . . . Cecilia Tan and Bill Nowlin have done a good deed for the Fenway faithful." --Harvey Frommer, coauthor of *Red Sox vs. Yankees: The Great Rivalry*

An examination of the unique affinity New Englanders have for their Red Sox, this work illustrates how the storied history of the franchise mirrors that of

New England itself. Founded in 1901 and playing in front of sold out crowds at Fenway Park for more than a century, the Boston Red Sox are far and away New England's most beloved franchise, and this work features topics such as the team's relationship to the Kennedys, the comparison of fans' treatment of Bill Buckner to the Salem Witch Trials, the fans inside an Irish pub in one of Boston's toughest neighborhoods, and travels to a miniature replica of Fenway Park in a small Vermont town. Entertaining and informative, "How the Red Sox Explain New England" is sure to be popular among one of sports' most passionate and dedicated fan bases. *Can You Believe It?* Sports Publishing LLC "Alex Speier spins a compelling narrative about how great scouting and player

development created a perennial contender in baseball's toughest division, without losing sight of the people at the heart of his story." — Keith Law The captivating inside story of the historic 2018 Boston Red Sox, as told through the assembly and ascendancy of their talented young core—the culmination of nearly a decade of reporting from one of the most respected baseball writers in the country. The 2018 season was a coronation for the Boston Red Sox. The best team in Major League Baseball—indeed, one of the best teams ever—the Sox won 108 regular season games and then romped through the postseason, going 11-3 against the three next-strongest teams baseball had to offer. As Boston Globe baseball reporter

Alex Speier reveals, the Sox' success wasn't a fluke—nor was it guaranteed. It was the result of careful, patient planning and shrewd decision-making that allowed Boston to develop a golden generation of prospects—and then build upon that talented core to assemble a juggernaut. Speier has covered the key players—Mookie Betts, Andrew Benintendi, Xander Bogaerts, Rafael Devers, Jackie Bradley Jr., and many others—since the beginning of their professional careers, as they rose through the minor leagues and ultimately became the heart of this historic championship squad. Drawing upon hundreds of interviews and years of reporting, *Homegrown* is the definitive look at the construction of an extraordinary team. It is a story that

offers startling insights for baseball fans of any team, and anyone looking for the secret to building a successful organization. Why do many highly touted prospects fail, while others rise out of obscurity to become transcendent? How can franchises help their young talent, in whom they've often invested tens of millions of dollars, reach their full potential? And how can management balance long-term aims with the constant pressure to win now? Part insider's account of one of the greatest baseball teams ever, part meditation on how to build a winner, *Homegrown* offers an illuminating look into how the best of the best are built.
