If you listen, nature speaks. Explore nature through evocative riddles and bold imagery that take the reader from day to night and back again in this perfect read aloud.

From the author of the Sibert Honor-winning title *Hey, Water!* comes a book of poetic riddles that encourage young readers to explore the natural world. Who scribbles on the sidewalk with glistening ink? Snail! Who's a comma in a long, long sentence of a stream? Tadpole! On each spread, children will solve riddles about the familiar

animals, plants and the weather that one child encounters outdoors throughout a whole day. Active readers will delight in the clever language and striking illustrations. presenter When we make sense of the Bible, the Bible makes sense of us. The political, social and cultural upheaval of our times can leave us feeling bewildered and wondering where to turn for trustworthy guidance. As unlikely as it may seem, could the Bible provide ancient wisdom that helps us flourish today? Join Andrew Ollerton as he explores the storyline of Scripture, connecting six major biblical events with six definitive human needs: for meaning, freedom, peace,

community, love and for an ultimate home. In short, digestible chapters, Andrew reveals how the Bible story makes sense of our human story. Discover for yourself a limitless source of guidance and hope in the face of so much uncertainty. Underpinned by a depth of scholarship, the book is non-technical in style, making it accessible for the widest possible readership - including Christians and seekers interested in the Bible. The book will also provide a model for Bible

communicators and church leaders wishing to engage more deeply with the relevance of the Bible in our cultural moment. Contains discussion questions for small groups, as well as suggested Bible readings and reflection questions to accompany each chapter. The structure of the book makes it ideal for a home group study. This book was chosen for the National Big Church Read in January 2022.

Ella Mae is used to

wearing her cousin's hand-me-down shoes—but when her latest pair is already too tight, she's thrilled at the chance to get new shoes. But at the shoe store, Ella Mae and her mother have to wait until there are no white customers to serve first. She doesn't get to try anything on, either—her mother traces her feet onto a sheet of paper, and the salesman brings them a pair he thinks will fit.

Disappointed by her treatment, Ella Mae and her cousin Charlotte hatch

a plan to help others in their community find better-fitting shoes without humiliation. Eric Velasquez' realistic oil paintings bring life to this story of a young girl's determination in the face of injustice. The book includes an author's note from Susan Lynn Meyer, discussing the historical context of the story and how the Civil Rights Movement worked to abolish unfair laws like the ones Ella Mae encounters. A 2016 NAACP Image Award Nominee, and a Jane

Addams Children's Book Award winner.

 "For every book lover who fantasized about getting locked in the library overnight, *The Story Collector* is a dream come true!"—New York Times- bestselling author Alan Gratz  
 In the tradition of E. L. Konisburg, this middle-grade mystery adventure is inspired by the real life of Viviani Joffre Fedeler, born and raised in the New York Public Library.  
*The Story Collector* by Kristin O'Donnell Tubb is a

middle-grade historical fiction inspired by the real life of Viviani Fedeler. Eleven-year-old Viviani Fedeler has spent her whole life in the New York Public Library. She knows every room by heart, except the ones her father keeps locked. When Viviani becomes convinced that the library is haunted, new girl Merit Mubarak makes fun of her. So Viviani decides to play a harmless little prank, roping her older brothers and best friend Eva to help out. But what begins as a joke quickly

gets out of hand, and soon Viviani and her friends have to solve two big mysteries: Is the Library truly haunted? And what happened to the expensive new stamp collection? It's up to Viviani, Eva, and Merit (reluctantly) to find out.

 Without telling her family, Elyria takes a one-way flight to New Zealand, abruptly leaving her stable life in Manhattan, her home, her career and her loving husband. As

the people she has left behind scramble to figure out what has happened to her, Elyria embarks on a hitchhiker's odyssey, testing fate by travelling in the cars of overly kind women and deeply strange men, tacitly being swept into the lives of strangers, and sleeping in fields, forests, and public parks. As she journeys from Wellington to Picton, Takaka, Kaikoura and onwards she asks herself, what is it that I am missing? How can a person be missing? Full of mordant humour and

uncanny insights, Nobody Is Ever Missing is a startling tale of love, loss, and the dangers encountered in the search for self-knowledge. It is a novel which goes far beyond the story of a physical journey and asks what it means to be human, to be a woman, and to be at the mercy of forces beyond one's own control.

#### The Story Within

HarperCollins  
A Masterpiece in Narrative  
Ecclesiology Watch the  
New Testament come  
alive! Understand God's

Word like never before!  
The New Testament is often hard to understand. A major reason is because it is not arranged in chronological order. Paul's letters, for example, are arranged by size rather than chronologically. This makes the New Testament a bit like a Chinese puzzle! For this reason, one famous Bible scholar said that reading the New Testament letters is like hearing one end of a phone conversation. The book you hold in your hands reconstructs the other

end so that you can understand virtually every word. "The Untold Story of the New Testament Church" is a unique Bible handbook that weaves Acts and the Epistles together chronologically . . . creating one fluid story. This epic volume gives readers a first-hand account of the New Testament drama that is riveting and enlightening. It includes dates, maps, and background information about the people, the cities, and the events of the first-century church using a "you-are-

there" approach. Get up-close and personal with apostles Paul, Peter, James and John and learn of their personal struggles. Understand the circumstances behind each inspired letter they penned. Watch the chaotic swirl of first-century people and events fall into place before your very eyes. Discover what Paul's "thorn in the flesh" really was. Learn what happened to all the apostles after the book of Acts was finished. Be ushered into the living,

breathing atmosphere of the first century and uncover the hidden riches found in God's Word. *Bee and the Orange Tree* Crown Publishing Group (NY)  
 Unlike anything Joyce Carol Oates has written before, *A Widow's Story* is the universally acclaimed author's poignant, intimate memoir about the unexpected death of Raymond Smith, her husband of forty-six years, and its wrenching, surprising aftermath. A recent recipient of National Book Critics

Circle Ivan Sandrof Lifetime Achievement Award, Oates, whose novels (Blonde, The Gravedigger's Daughter, Little Bird of Heaven, etc.) rank among the very finest in contemporary American fiction, offers an aching personal story of love and loss. A Widow's Story is a literary memoir on a par with The Year of Magical Thinking by Joan Didion and Calvin Trillin's About Alice. So Long, Normal New Growth Press Europe is facing a wave of migration unmatched

since the end of World War II - and no one has reported on this crisis in more depth or breadth than the Guardian's migration correspondent, Patrick Kingsley. Throughout 2015, Kingsley travelled to 17 countries along the migrant trail, meeting hundreds of refugees making epic odysseys across deserts, seas and mountains to reach the holy grail of Europe. This is Kingsley's unparalleled account of who these voyagers are. It's about why they keep coming,

and how they do it. It's about the smugglers who help them on their way, and the coastguards who rescue them at the other end. The volunteers that feed them, the hoteliers that house them, and the border guards trying to keep them out. And the politicians looking the other way. The New Odyssey is a work of original, bold reporting written with a perfect mix of compassion and authority by the journalist who knows the subject better than any other. *The 1619 Project* Granta

When a young boy's beloved plum tree falls in a storm, he feels like he's lost both a friend and a connection to his old home. A young boy, recently arrived from Korea, finds a glorious plum tree in his new backyard. It reminds him of a tree his family had

back home, and he names it "Plumee" for the deep purple plums on its branches. Whenever the boy is homesick, he knows he can take shelter in Plumee's tall branches. And when a storm brings the old tree down, he and his friends have all kinds of adventures on its branches, as it becomes a dragon, a treehouse, and a ship in their imaginations. But soon it's time to say goodbye when the remains of the tree are taken away. Before long, a new plum tree is planted, new blossoms

bloom, and a new friendship takes root. A South Korean immigrant herself, Hope Lim brings her perspective on the struggle for child immigrants to feel at home to bear through spare, poetic text, perfectly matched by soft, lyrical illustrations by Korean artist Il Sung Na. It's 1699, and the salons of Paris are bursting with the creative energy of fierce, independent-

minded women. But outside those doors, the patriarchal forces of Louis XIV and the Catholic Church are moving to curb their freedoms. In this battle for equality, Baroness Marie Catherine D'Aulnoy invents a powerful weapon: 'fairy tales'. When Marie Catherine's daughter, Angelina, arrives in Paris for the first time, she is swept up in the glamour and sensuality of the city, where a woman may live outside the confines of the church or marriage. But this is a fragile

freedom, as she discovers when Marie Catherine's close friend Nicola Tiquet is arrested, accused of conspiring to murder her abusive husband. In the race to rescue Nicola, illusions will be shattered and dark secrets revealed as all three women learn how far they will go to preserve their liberty in a society determined to control them. This keenly-awaited second book from Melissa Ashley, author of *The Birdman's Wife*, restores another remarkable, little-known woman to her rightful

place in history, revealing the dissent hidden beneath the whimsical surfaces of Marie Catherine's fairy tales. *The Bee and the Orange Tree* is a beautifully lyrical and deeply absorbing portrait of a time, a place, and the subversive power of the imagination.

**The Story of a New Name** The New Press 'So compellingly personal you feel you're looking over her shoulder as she sits down to write' New York Times 'Electrically entertaining ... Funny, generous, spirited and kind' The Times This Is the Story of a Happy Marriage is an irresistible blend of literature and memoir revealing the big experiences and little moments that shaped Ann Patchett as a daughter,

wife, friend and writer. Here, Ann Patchett shares entertaining and moving stories about her tumultuous childhood, her painful early divorce, the excitement of selling her first book, driving a Winnebago from Montana to Yellowstone Park, her joyous discovery of opera, scaling a six-foot wall in order to join the Los Angeles Police Department, the gradual loss of her beloved grandmother, starting her own bookshop in Nashville, her love for her very special dog and, of

course, her eventual happy marriage. This Is the Story of a Happy Marriage is a memoir both wide ranging and deeply personal, overflowing with close observation and emotional wisdom, told with wit, honesty and irresistible warmth.

Winner of the Newbery Medal, Coretta Scott King Author Award, and Kirkus Prize for Young Readers' Literature! Perfect for fans of Raina Telgemeier and Gene Luen Yang, New Kid

is a timely, honest graphic novel about starting over at a new school where diversity is low and the struggle to fit in is real, from award-winning author-illustrator Jerry Craft. Seventh grader Jordan Banks loves nothing more than drawing cartoons about his life. But instead of sending him to the art school of his dreams, his parents enroll him in a prestigious private school known for its academics, where Jordan is one of the few kids of color in his entire grade. As he makes

the daily trip from his Washington Heights apartment to the upscale Riverdale Academy Day School, Jordan soon finds himself torn between two worlds—and not really fitting into either one. Can Jordan learn to navigate his new school culture while keeping his neighborhood friends and staying true to himself? This middle grade graphic novel is an excellent choice for tween readers, including for summer reading. New Kid is a selection of the Schomburg Center's Black

When Anne Robertson asked a bunch of people on the street what came to mind when they heard the word Bible, she was met with a flood of mixed responses, including "wisdom," "truth," and

"love", but also such words as "myth," "lies," "bigotry," and "poison." What she realized was that we all read the Bible through filtered lenses, according to our varied expectations of what the Bible is or should be. But, as Robertson shows here, the Bible as a whole is primarily God's story--a story of relationship, community, and love. Robertson's *New Vision for an Old Story* gives readers the right lenses to see beyond the printed page to the God who encounters us in dynamic

relationship and transforms our lives. The very nature and message of Scripture are rooted in incarnation. When we need to navigate community, truth, fear, and suffering, the Bible--God's own story--can guide us through it all. [Snappy the Alligator \(Did Not Ask to Be in This Book\)](#) Bantam Books  
A scorching memoir of a love affair with an addict, weaving personal reckoning with psychology and history to understand the nature of addiction, codependency, and our

appetite for obsessive love. "The disease he has is addiction," Nina Renata Aron writes of her boyfriend, K. "The disease I have is loving him." Their love affair was dramatic, urgent, overwhelming--an intoxicating antidote to the long, lonely days of early motherhood. But soon after they get together, K starts using again, and years of relapses and broken promises follow. Even as his addiction deepens, she stays, convinced she is the one who can get

him sober. If she leaves him, has she failed? After an adolescence marred by family trauma and addiction, Nina can't help but feel responsible for those suffering around her. How can she break this pattern? Written in prose at once unflinching and acrobatic, Aron delivers a piercing memoir of romance and addiction, drawing on intimate anecdote as well as academic research to crack open the long-feminized and overlooked phenomenon of codependency. She shifts

between visceral, ferocious accounts of her affair with K and introspective analysis of the part she plays in his addictions, as well as defining moments in the history of codependency, from temperance to the formation of Al-Anon to more recent research in the psychology of addiction. Good Morning, Destroyer of Men's Souls is a blazing, big-hearted book, one that illuminates and adds nuance to the messy tethers between femininity, enabling, and love.

**Lust, Then Love** Europa Editions

The thesis of this book is that every New Testament writing stands within a story, even if it does not

tell stories. The approach allows readers to view the documents as vital elements in the lives of real persons. The book maintains its focus on bringing the writings alive and shows how critical study enhances understanding of their meanings. Its prime goal

is teaching students to read these writings for themselves, bridging the chasms of language, history, and culture that separate them from us. The latest methods of research are utilized in this quest, but the focus always remains on the New Testament documents.
