Three instructional
coaches share more than
200 of the most helpful

problem-solving
strategies they've used in
their decades-long work
with teachers,
administrators, and
coaches. The Instructional
Coaching Handbook is not
a new model of coaching.
It addresses common
hiccups that prevent

productive coaching
conversations from
happening in the first
place. From their
thousands of annual
school visits, the authors
recognize that coaches
frequently confront similar
challenges when helping
educators address seven

skills and dispositions—and they devote a chapter to each: * Efficacy * Equity * Academic instruction * Social-emotional instruction * Openness to feedback * Lesson planning * Team membership Each chapter features scores of practical, research-based strategies with a history of success. Mix and match them according to your leadership style, the needs of the student or teacher, and the demands of the curriculum. In addition to

implementation stories that show what the strategies look like in a range of classroom settings, this handbook includes effective tools and resources that help guide you through the thorniest of coaching conversations. All you have to do is dive into an appropriate chapter; scan for ideas that match your style, the educators you coach, and your unique context; and start making a difference!

 Edinburgh University Press

Originally performed by its creators, this 1987 Edinburgh Fringe hit remains the second longest-running West End comedy in history and has been translated into over thirty languages. The Complete Works of William Shakespeare (abridged) is not so much a play as it is a vaudeville show in which three charismatic, wildly ambitious actors attempt to present all thirty-seven of Shakespeare's plays in a single performance. They have a rudimentary concept of the stories and

have imperfectly memorized a smattering of famous lines. Backstage there's a meager assortment of costumes and props. Thus armed, the three brazenly launch into their task with an earnest focus and breakneck enthusiasm. *Complete Works of William Shakespeare (abridged) [revised] [again]* Routledge Official organ of the book trade of the United Kingdom. The Comedies of William Shakespeare: Edited with Introductions and Notes ...

by J. O. Halliwell, Esq. Reprinted from the American Edition R&L Education Bronwen Wallace Memorial Award-winning poet Sonnet L'Abbé returns with her third collection, in which a mixed-race woman decomposes her inheritance of Shakespeare by breaking open the sonnet and inventing an entirely new poetic form. DOROTHY LIVESAY POETRY PRIZE FINALIST RAYMOND SOUSTER AWARD FINALIST How can poetry

grapple with how some cultures assume the place of others? How can English-speaking writers use the English language to challenge the legacy of colonial literary values? In Sonnet's Shakespeare, one young, half-douglas (mixed South Asian and Black) poet tries to use "the master's tools" on the Bard's "house," attempting to dismantle his monumental place in her psyche and in the poetic canon. In a defiant act of literary patricide and a feat of painstaking poetic labour, Sonnet

L'Abbé works with the pages of Shakespeare's sonnets as a space she will inhabit, as a place of power she will occupy. Letter by letter, she sits her own language down into the white spaces of Shakespeare's poems, until she overwhelms the original text and effectively erases Shakespeare's voice by subsuming his words into hers. In each of the 154 dense new poems of Sonnet's Shakespeare sits one "aggrocultured" Shakespearean sonnet--displaced, spoken over,

but never entirely silenced. L'Abbé invented the process of Sonnet's Shakespeare to find a way to sing from a body that knows both oppression and privilege. She uses the procedural techniques of Oulipian constraint and erasure poetics to harness the raw energies of her hyperconfessional, trauma-forged lyric voice. This is an artist's magnum opus and mixed-race girlboy's diary; the voice of a settler on stolen Indigenous territories, a sexual assault survivor, a lover of Sylvia Plath and

Public Enemy. Touching on such themes as gender identity, pop music, nationhood, video games, and the search for interracial love, this book is a poetic achievement of undeniable scope and significance.

Hal Leonard Corporation
Created by experts from the world's largest and most well-respected Shakespeare archive, The Folger Guide to Teaching Hamlet provides an innovative approach to teaching and understanding one of

Shakespeare's most well-known plays. Hamlet follows the form of a revenge tragedy, in which the hero, Hamlet, seeks vengeance against the man he learns is his father's murderer—his uncle Claudius, now the king of Denmark. Much of its fascination, however, lies in its mysteries. Among them: Should Hamlet believe a ghost? What roles do Ophelia and her family play in Hamlet's attempts to know the truth? Was his mother, Gertrude, unfaithful to her husband

or complicit in his murder, or both? How do the visiting actors cause the truth to begin to reveal itself? The Folger Guides to Teaching Shakespeare series is created by the experts at the Folger Shakespeare Library, the nation's largest archive of Shakespeare material and a leading center for both the latest scholarship and education on all things Shakespeare. Based on the proven Folger Method of teaching and informed by the wit, wisdom, and experiences of classroom teachers across the

country, the guides offer a lively, interactive approach to teaching and learning Shakespeare, offering students and readers of all backgrounds and abilities a pathway to discovering the richness and diversity of Shakespeare's world. Filled with surprising facts about Shakespeare, insightful essays by scholars, and a day-by-day, five-week teaching plan, these guides are an invaluable resource for teachers, students, and Shakespeare fans alike.

Comedies Simon and Schuster

Experiencing Speech: A Skills-Based, Panlingual Approach to Actor Training is a beginner's guide to Knight-Thompson Speechwork®, a method that focuses on universal and inclusive speech training for actors from all language, racial, cultural, and gender backgrounds and identities. This book provides a progression of playful, practical exercises designed to build a truly universal set of speech skills that any

actor can use, such as the ability to identify, discern, and execute every sound found in every language on the planet. By observing different types of flow through the vocal tract, vocal tract anatomy, articulator actions, and how these components can be combined, readers will understand and recreate the process by which language is learned. They will then be introduced to the International Phonetic Alphabet (IPA) and will practice using the IPA for narrow transcription of

speech sounds. The book also offers both an intellectual and physical understanding of oral posture and how it contributes to vocal characterization and accent work. This approach to speech training is descriptive, giving students a wide and diverse set of speech sounds and skills to utilize for any character in any project, and it establishes a foundation for future accent study and acquisition. Experiencing Speech: A Skills-Based, Panlingual Approach to

Actor Training is an excellent resource for teachers and students of speech and actor training, as well as aspiring actors looking to diversify their speech skills.

The Bookseller Simon and Schuster

Created by experts from the world's largest and most well-respected Shakespeare archive, *The Folger Guide to Teaching Macbeth* provides an innovative approach to teaching and understanding one of Shakespeare's most well-known plays. In 1603,

James VI of Scotland ascended the English throne, becoming James I of England. London was alive with an interest in all things Scottish, and Shakespeare turned to Scottish history for material. The result was *Macbeth*, a bloody, supernatural tale of power found and lost, and of betrayal. The *Folger Guides to Teaching Shakespeare* series is created by the experts at the Folger Shakespeare Library, the nation's largest archive of Shakespeare material and

a leading center for both the latest scholarship and education on all things Shakespeare. Based on the proven Folger Method of teaching and informed by the wit, wisdom, and experiences of classroom teachers across the country, the guides offer a lively, interactive approach to teaching and learning Shakespeare, offering students and readers of all backgrounds and abilities a pathway to discovering the richness and diversity of Shakespeare's world. Filled with surprising facts

about Shakespeare, insightful essays by scholars, and a day-by-day, five-week teaching plan, these guides are an invaluable resource for teachers, students, and Shakespeare fans alike. *Selections from Boswell's Life of Johnson* ASCD Imagine having a person in your life that brings you clarity from confusion, confidence from insecurity, and accelerated instead of gradual growth. A good coach can change virtually every area of your life by drastically

enhancing your knowledge, your skills, your desire, and your confidence and transform your low thoughts of value to high thoughts of value. Micheal Burt has won championships as a former head women's basketball coach. He has infused his coaching acumen with his business and entrepreneurial mindset. Burt embraces the concept of intense but, positive and brings a level of creativity, depth, and energy that very few coaches possess. He has the ability to cross over

from the locker room to the board room and infuses ideas from both sport and business into each other's arena in ways that only a championship coach can. *Everybody Needs a Coach in Life* takes three decades worth of coaching and condenses it into a book that can change the way you see every area of your life by someone that knows how to get the most out of you. p.p1 {margin: 0.0px 0.0px 0.0px; font: 12.0px Arial; color: #424242}

The Folger Guide to Teaching Hamlet Simon and Schuster

Discover an invigorating new perspective on the life and work of William Shakespeare. *The Life of the Author: William Shakespeare* delivers a fresh and exciting new take on the life of William Shakespeare, offering readers a biography that brings to the foreground his working life as a poet, playwright, and actor. It also explores the nature of his relationships with his friends, colleagues, and family, and asks

important questions about the stories we tell about Shakespeare based on the evidence we actually have about the man himself. The book is written using scholarly citations and references, but with an approachable style suitable for readers with little or no background knowledge of Shakespeare or the era in which he lived. *The Life of the Author: William Shakespeare* asks provocative questions about the playwright-poet's preoccupation with gender roles and

sexuality, and explores why it is so challenging to ascertain his political and religious allegiances. Conservative or radical? Misogynist or proto-feminist? A lover of men or women or both? Patriot or xenophobe? This introduction to Shakespeare's life and works offers no simple answers, but recognizes a man intensely responsive to the world around him, a playwright willing and able to collaborate with others and able to collaborate with others, and, of course, his

exceptional, perhaps unique, contribution to literature in English. The book covers the entirety of William Shakespeare's life (1564-1616), taking him from his childhood in Stratford-upon-Avon to his success in the theatre world of London and then back to his home town and comfortable retirement. The Life of the Author: William Shakespeare sets his achievement as a writer within the dangerous, vibrant cultural world that was Elizabethan and Jacobean England,

revealing a writer's life of frequent collaboration, occasional crisis, but always of profound creativity. Perfect for undergraduate students in Literature, Drama, Theatre Studies, History, and Cultural Studies courses, *The Life of the Author: William Shakespeare* will also earn a place in the libraries of students interested in Gender Studies and Creative Writing. **Educational Times** Savio Republic
How can multicultural

Simon and Schuster
The Tale of Three Coaches
Barking orders, telling people what to do, and forcing initiatives is a perfectly good way to destroy a company. It saps morale, reduces employee engagement, and stifles ownership. This

book started off as a teaching tale I shared at companies after witnessing a repeated inability of a top down command and control management style to drive performance at companies. This fable points to a dramatically different strategy of inclusion, collaboration, and teaming. It shows the way to develop buy in, inspire involvement, and obliterate the us/them attitude that poisons many company cultures. It is meant to be a quick read for managers or an

excellent resource for teams.

This book features 67 articles from experts all over the world on the theme of coaching actors for performances in film, broadcast and e-media. Covers a wide variety of topics, from *Breathing Principles & Pedagogy* to

Dialect/Accent Studies to Private Studio Practice. **The Athenaeum** U of Nebraska Press Created by experts from the world's largest and most well-respected Shakespeare archive, *The Folger Guide to Teaching Romeo and Juliet* provides an innovative approach to teaching and understanding one of Shakespeare's most well-known plays. *Romeo and Juliet* is one of Shakespeare's most well-known plays, and certainly the one most commonly taught in

schools. It's the story of star-crossed young lovers who can't come together because they live in a society governed by blood feuds, violent duels and acts of retribution. Shakespeare's tale of Romeo and Juliet, the adults who fail to help them, and the price that is ultimately paid by so many is a moving story that gives us some of the most familiar and memorable passages in the English language. The Folger Guides to Teaching Shakespeare series is created by the experts at

the Folger Shakespeare Library, the nation's largest archive of Shakespeare material and a leading center for both the latest scholarship and education on all things Shakespeare. Based on the proven Folger Method of teaching and informed by the wit, wisdom, and experiences of classroom teachers across the country, the guides offer a lively, interactive approach to teaching and learning Shakespeare, offering students and readers of all backgrounds and abilities a pathway to

discovering the richness and diversity of Shakespeare's world. Filled with surprising facts about Shakespeare, insightful essays by scholars, and a day-by-day, five-week teaching plan, these guides are an invaluable resource for teachers, students, and Shakespeare fans alike. *The Literary World* Hal Leonard Corporation This volume critically analyses and theorises Asian interventions in the expanding phenomenon of Global Shakespeare. It interrogates

Shakespeare's 'universality' from Asian perspectives: how this has been modified or even replaced by the 'global bard' as a recognisable brand, and how Asian Shakespeares have contributed to or subverted this process by both facilitating the worldwide dissemination of the bard's plays and challenging and resisting the very templates through which they become globally legible. Critically acclaimed Asian productions have prominently figured at

premier Western festivals, and popular Asian appropriations like Bollywood, manga and anime have created new kinds of globally accessible Shakespeare. Essays in this collection engage with the emergent critical issues: the efficacy of definitions of the 'local', 'global', 'transnational' and 'cosmopolitan' and of the liminalities and mobilities in between. They further examine the politics of 'West' and 'East', the evolving markers of the 'Asian' and the equation of the

'glocal' with the 'Asian'; they attend to performance and archiving protocols and bring the current debates on translation, appropriation, and world literature to speak to the concerns of global and transnational Shakespeare. These investigations analyse recent innovative Asian theatre productions, popular cinematic and manga appropriations and the increasing presence of Shakespeare in the Asian digital sphere. They provide an Asian

standpoint and lens in rereading the processes of cultural globalisation and the mobilisation of Shakespeare.

A Dictionary of the English Language Routledge

A personal guide by a leading Australian sporting coach to success strategies for managers, business people and those working to reach any goal. Starting from the Hockeyroo's triumph in the 2000 Olympics, the author offers an insight into his coaching philosophies, and offers an approach to life both

inside and outside the sporting arena. Includes colour and black-and-white photos, appendices and index. Author is the coach of the Australian Hockeyroos women's hockey team, and been voted 'Coach of the Year' six times, and has represented Australia as a hockey player in four Olympic Games.

McClelland & Stewart
This book expands on the framework established in the original volume of *Quality Teaching in a Culture of Coaching*. It

provides many examples that can be incorporated into any educational environment. It outlines the why, who, what, and how of a sound coaching program. The new edition adds sections on the impact of learning styles on coaching, extends the connections between coaching, mentoring, and supervision, and includes instructional coaching. It contains updated examples of various coaching models in place, including international examples.

The Caxton Head

Catalogue Edinburgh University Press
 Shakespeare and Latinidad is a collection of scholarly and practitioner essays in the field of Latinx theatre that specifically focuses on Latinx productions and appropriations of Shakespeare's plays.
The Coach
 "A workhorse of a book! Beautifully conceived and executed. Clues to Acting Shakespeare is a no-brainer purchase for acting collections in all libraries." —Library Journal
 Clues to Acting

Shakespeare has become a popular guide for actors, directors, teachers and Shakespeare enthusiasts, selling over 15,000 copies of previous editions. This third edition retains the second edition's unique solutions to challenges that face directors and actors at advanced levels and is expanded to include an entirely new section for amateur and community theatre groups. In this new edition, readers will be delighted to find: New section to aid community theatres to perform

Shakespeare's plays, including five recorded workshops of community theatre actors coached and trained by the author
 Updates to the successful sections on training student actors (MFA and BFA programs), and professional actors (including audition tips)—highlighted by twenty author-coached workshops with professional and advanced student actors
 Improved section for teachers of high school and child actors with worksheets and sample

lesson plans New exercises and resources for all levels of acting and production To aid professionals, Clues to Acting Shakespeare offers a one-day brush-up for auditions and preparation to play Shakespeare immediately. Text analysis, character studies, and both classical British training and American methods are explored. The exercises and recorded workshops provide inspiring advice to all actors and demonstrate concepts discussed throughout the

book. The critical skills required for acting Shakespeare, including scansion, phrasing, caesura, breathing, speech structure, antithesis, and more are covered in detail. The comprehensive exercises using the Bard's plays and sonnets teach actors to break down the verse, support the words, understand the imagery, and use the text to create vibrant performances. [Spectacular Science, Technology and Superstition in the Age of Shakespeare](#)

Shakespeare in Print is a comprehensive 2003 account of Shakespeare publishing and an indispensable research resource. Andrew Murphy sets out the history of the Shakespeare text from the Renaissance through to the twenty-first century, from the twin perspectives of editing and publishing history. Murphy tackles issues of editorial and textual theory in an accessible and engaging manner. He draws on a wide range of archival materials and attends to topics little

explored by previous scholars, such as the importance of Scottish and Irish editions in the eighteenth century, the rise of the educational edition and the history

and significance of mass-market editions. The extensive appendix is an invaluable reference tool which provides full publishing details of all single-text Shakespeare

editions up to 1709 and all collected editions up to 1821. The listing also provides details of a selected range of major editions beyond these dates to the present day.
