WILLIAMS BRADFORD

Smith Wigglesworth on Healing Bridge Logos Foundation

We grow in Christ as we seek him together. Jesus' own pattern of disciple-making was to be intimately involved with others. This expanded 25-session workbook by Greg Ogden, perfect for small groups or individuals, helps us influence others as Jesus did—by investing in a few. Working through it will deepen your knowledge of essential Christian teaching and strengthen your faith.

Borders Without Limitations Trumpet Press

Hats of Faith is a simple and striking introduction to the shared custom of religious head coverings. With bright images and a carefully researched interfaith text, this thoughtful book inspires understanding and celebrates our culturally diverse modern world.

The Rise of Christianity John Wiley & Sons

Ellen White was one of the founders of the Seventh Day Adventist Church and claimed to have had over 2000 visions. Excerpt: Everywhere the light of truth is to shine forth, that hearts now in the sleep of ignorance may be awakened and converted. In all countries and cities the gospel is to be proclaimed....

Good Faith Simon and Schuster

A fresh look at the earliest Christian movement reveals what made the new faith so compelling...and what we need to change today to make it so again. Once upon a time there was a version of the Christian faith that was practically irresistible. After all, what could be more so than the gospel that Jesus ushered in? Why, then, isn't it the same with Christianity today? Author and pastor Andy Stanley is deeply concerned with the present-day church and its future. He believes that many of the solutions to our issues can be found by investigating our roots. In *Irresistible*, Andy chronicles what made the early Jesus Movement so compelling, resilient, and irresistible by answering these questions: What did first-century Christians know that we don't—about God's Word, about their lives, about love? What did they do that we're not doing? What makes Christianity so resistible in today's culture? What needs to change in order to repeat the growth our faith had at its beginning? Many people who leave or disparage the faith cite reasons that have less to do with Jesus than with the conduct of his followers. It's time to hit pause and consider the faith modeled by our first-century brothers and sisters who had no official Bible, no status, and little chance of survival. It's time to embrace the version of faith that initiated—against all human odds—a chain of events resulting in the most significant and extensive cultural transformation the world has ever seen. This is a version of Christianity we must remember and re-embrace if we want to be salt and light in an increasingly savorless and dark world.

How Faith Works Chronicle Books

A young boy emerges from life-saving surgery with remarkable stories of his visit to heaven. *Heaven Is for Real* is the true story of the four-year old

son of a small town Nebraska pastor who during emergency surgery slips from consciousness and enters heaven. He survives and begins talking about being able to look down and see the doctor operating and his dad praying in the waiting room. The family didn't know what to believe but soon the evidence was clear. Colton said he met his miscarried sister, whom no one had told him about, and his great grandfather who died 30 years before Colton was born, then shared impossible-to-know details about each. He describes the horse that only Jesus could ride, about how "reaally big" God and his chair are, and how the Holy Spirit "shoots down power" from heaven to help us. Told by the father, but often in Colton's own words, the disarmingly simple message is heaven is a real place, Jesus really loves children, and be ready, there is a coming last battle.

Boundaries Wipf and Stock Publishers

NEW YORK TIMES BESTSELLER Featured as One of Summer's most anticipated reads by the Los Angeles Times, Vogue, Vulture, Entertainment Weekly, ELLE, Buzzfeed, and Bitch Media. From the author of I Don't Want to Die Poor and in the style of New York Times bestsellers You Can't Touch My Hair, Bad Feminist, and I'm Judging You, a timely collection of alternately hysterical and soul-searching essays about what it is like to grow up as a creative, sensitive black man in a world that constantly tries to deride and diminish your humanity. It hasn't been easy being Michael Arceneaux. Equality for LGBTQ people has come a long way and all, but voices of persons of color within the community are still often silenced, and being Black in America is...well, have you watched the news? With the characteristic wit and candor that have made him one of today's boldest writers on social issues, I Can't Date Jesus is Michael Arceneaux's impassioned, forthright, and refreshing look at minority life in today's America. Leaving no bigoted or ignorant stone unturned, he describes his journey in learning to embrace his identity when the world told him to do the opposite. He eloquently writes about coming out to his mother; growing up in Houston, Texas; being approached for the priesthood; his obstacles in embracing intimacy that occasionally led to unfortunate fights with fire ants and maybe fleas; and the persistent challenges of young people who feel marginalized and denied the chance to pursue their dreams. Perfect for fans of David Sedaris, Samantha Irby, and Phoebe Robinson, I Can't Date Jesus tells us—without apologies—what it's like to be outspoken and brave in a divisive world.

The Emotionally Healthy Church Zondervan

Answering God's call, Smith Wigglesworth took God at His word—with dramatic results. Sight was restored to the blind, hearing to the deaf, health to the diseased, and mental wholeness to the insane. Some dead were even brought back to life. Your faith will expand as you read Wigglesworth's challenging insights into faith-filled living. Like Wigglesworth, you will find that you can... Dare to do exploits for God Quench your spiritual thirst Conquer fears that have defeated you Receive the Master's healing touch Take authority over Satan Be an effective soul winner Find God's power for daily living As you daily explore these truths from the Apostle of Faith, you will connect with God's glorious power, cast out doubt, build up your faith, and see impossibilities turn into realities. Your prayer life will be transformed as you experience the joy of seeing powerful results when you minister to others.

Smith Wigglesworth on Manifesting the Power of God Destiny Image Publishers

We are living in a day when countless multitudes have lost their way both morally and spiritually. Like a ship without anchor, this last day's generation is being tossed to and fro by a flood of deception and wrong influences that is tragically causing people to lose their moorings. What should we do to make sure we don't get...

The Faith Healers Simon and Schuster

The essence of Smith Wigglesworth's dynamic ministry is relived through this complete volume of his life teachings. This books is one of the top ten Biblical reference books, endorsed by the Wigglesworth family, includes never before seen photos, and has topical and alphabetical indexes. This complete collection of his powerful sermons is sure to be a classic treasure for countless generations.

Agnostic-IsH Createspace Independent Publishing Platform

Experience God's Miracles Meet a minister's wife with only one day to live, a bride who is dying of appendicitis, a betrayed husband who is on his way to kill his wife, and a woman who is completely paralyzed. Christ's transforming power and grace will change your life from ordinary to extraordinary.

Smith Wigglesworth on Faith InterVarsity Press

Why isn't life everything we expected it to be? And why doesn't our faith resolve our frustrations and problems? Kevin Myers, the founding pastor of 12Stone Church, a congregation of more than 30,000 active attenders near Atlanta, believes the reason we don't experience a transformed life is that we fail to grow up spiritually. We focus on developing physically, intellectually, emotionally, and financially, yet our faith remains immature and anemic. In this powerful new book, Myers offers a deep yet simple roadmap to a grown-up faith through understanding the whole context of the Bible, developing spiritual intimacy with God, and gratefully embracing holy obedience. As you understand the Bible and the big picture of God's story with humanity, you begin to find answers to life's most compelling questions. As you begin to understand God more, your longing and ability to experience spiritual intimacy with him increases, as does your desire to obey what God asks of you and your ability to follow through. This is the way to the bigger life, a life even better than you expected--or even dreamed possible.

Few men of God have had such an impact on the 20th century as Smith Wigglesworth. Born in Yorkshire, England, this simple plumber showed the world what faith in Christ can do; the dead were raised, cancers were removed, and demons were expelled through his mighty ministry. Contrary to the thoughts of many, what was available for this man is also available for us in our modern day. This book contains the classic Ever Increasing Faith along with additional works of Wigglesworth, including: *In a Hard Place *How to be Transformed *Flames of Fire This book has the potential of supercharging one's faith to believe God for the impossible. May you truly be blessed as you read this book!

Smith Wigglesworth HarperChristian + ORM

Ever Increasing Faith Harper Collins

God's Story Will End Better than It Began . . . Experienced Bible teacher Nancy Guthrie traces 9 themes throughout the Bible, revealing how God's plan for the new creation will be far more glorious than the original. But this new creation glory isn't just reserved for the future. The hope of God's plan for his people transforms everything about our lives today.

The Exhaustive Concordance of the Bible Simon and Schuster

When to say yes, when to say no to take control of your life.

Faith That Prevails Crossway

Exposes the pretension and fraud that surrounds the faith healer business, revealing how alleged faith healers prey on the insecurities and vulnerabilities of the people they preach to.

Rapture Practice Zondervan

An exciting message about seizing the day from bestselling author Osteen, this work guides readers in activating their faith, achieving their dreams, and increasing in God's favor.

Irresistible Destiny Image Publishers

New York Times bestseller What is Jesus worth to you? It's easy for American Christians to forget how Jesus said his followers would actually live, what their new lifestyle would actually look like. They would, he said, leave behind security, money, convenience, even family for him. They would abandon everything for the gospel. They would take up their crosses daily... But who do you know who lives like that? Do you? In Radical, David Platt challenges you to consider with an open heart how we have manipulated the gospel to fit our cultural preferences. He shows what Jesus actually said about being his disciple--then invites you to believe and obey what you have heard. And he tells the dramatic story of what is happening as a "successful" suburban church decides to get serious about the gospel according to Jesus. Finally, he urges you to join in The Radical Experiment -- a one-year journey in authentic discipleship that will transform how you live in a world that desperately needs the Good News Jesus came to bring.

Smith Wigglesworth Whitaker House

In this powerful new book you will learn that most of the limitations we experience on a daily basis are self-imposed, self-induced, self-maintaining, self-sustaining and, of course, self-defeating. Notice that self is in everything that holds us back. If God doesn't place limitations on our ability to succeed and experience the good life He planned for us ... why should we allow any limitations in our journey called life? It's time to remove all imaginary limitations to our success and believe what the Word of God says. An imaginary limitation is anything that limits the power and possibilities of God in our lives ... because with God nothing is limited. In rich scriptural detail Brother Harold reveals how to expand the borders of your thinking and personal success. He shares how to remove the borders and live a life without limitations.

Hats of Faith Hachette UK

Churches have tried all kinds of ways to attract new and younger members - revised vision statements, hipper worship, contemporary music, livelier sermons, bigger and better auditoriums. But there are still so many people who aren't being reached, who don't want to come to church. And the truth is that attendance at church on Sundays does not necessarily transform lives; God's presence in our hearts is what changes us. Leaders and laypeople everywhere are realizing that they need new and more powerful ways to help them spread God's Word. According to international church starter and pastor Neil Cole, if we want to connect with young people and those who are not coming to church, we must go where people congregate. Cole shows readers how to plant the seeds of the Kingdom of God in the places where life happens and where culture is formed - restaurants, bars, coffeehouses, parks, locker rooms, and neighborhoods. Organic Church offers a hands-on guide for demystifying this new model of church and shows the practical aspects of implementing it.
