All Those Things We Never Said AmazonCrossing

The fifth book in the series about the much-loved cheeky French schoolboy and his friends. In this new collection of adventures, things are never easy for Nicholas and his gang: the shopkeeper won't let them buy chocolate, their teacher won't let them play Geoffrey's fantastic new game and Jeremy is none to pleased about the appearance of his new little brother. This international classic in children's fiction by Jean-Jacques Sempé (b.1932) and René Goscinny (1926 - 77) is now available to English-speaking children worldwide in a delightful translation by Anthea Bell. It features 16 stories written by one of the most successful children's authors of all time, with illustrations by one of today's best-loved illustrators. Aimed at readers from 7 upwards, these stories will be enjoyed by adults and children alike.

Finding You Colchis Books

Selected by the Modern Library as one of the 100 best nonfiction books of all time From the

Modern Library's new set of beautifully repackaged hardcover classics by Truman Capote—also available are *Breakfast at Tiffany's* and *Other Voices, Other Rooms* (in one volume), *Portraits and Observations*, and *The Complete Stories* Truman Capote's masterpiece, *In Cold Blood*, created a sensation when it was first published, serially, in *The New Yorker* in 1965. The intensively researched, atmospheric narrative of the lives of the Clutter family of Holcomb, Kansas, and of the two men, Richard Eugene Hickock and Perry Edward Smith, who brutally killed them on the night of November 15, 1959, is the seminal work of the "new journalism." Perry Smith is one of the great dark characters of American literature, full of contradictory emotions. "I thought he was a very nice gentleman," he says of Herb Clutter. "Soft-spoken. I thought so right up to the moment I cut his throat." Told in chapters that alternate between the Clutter household and the approach of Smith and Hickock in their black Chevrolet, then between the investigation of the case and the killers' flight, Capote's account is so detailed that the reader comes to feel almost like a participant in the events.

Arthur and Lauren are in love. They even live together. Well, it's not exactly that simple. Arthur

and Lauren are in love. They even live together. Well, it's not exactly that simple. Lauren is a ghost, but she's in love with Arthur, the only one who can see her. But this isn't a ghost story, because Lauren isn't really dead. You see, her body is in a coma across town, and since nobody can see her she's gone to back to live in her apartment. The one Arthur has just moved into. Like I said, it's complicated. "A romantic comedy full of emotion and unexpected twists" - Livres Hebdo "An easy, feel-good page turner with film-like qualities and loveable characters who inspire a gamut of emotions..." - Daily Express

Shantytown Kid Versilio

Arthur, a young San Francisco architect falls in love with a young woman he found in his closet one morning who explained to him that her body was actually in a coma in a hospital on the other side of town.

A Girl Like Her Hamish Hamilton

He strove for an ideal love... She simply loved him... When they were growing up, Susan and Philip meant everything to each other. In the spirited optimism of their youth, they swore that they would love each other forever - even if their lives forced them apart. She had plans to fight poverty

in Central America, while he would try to make it in Manhattan. Philip made a promise: whatever happened to Susan, he would always be there for her. Little did he know that this promise would transform his life - that keeping it would mean opening his heart to an unwanted stranger, to someone who would first shatter his world, but would ultimately bring everything together. In a fast-paced and masterfully woven story, where nothing turns out as expected, in a tale that takes you from the eye of a hurricane to the depths of a soul, insightful and moving, Marc Levy pays tribute to the triumph of love. "A great love story that unravels between New York and Honduras; so enjoyable that you can't help but read it all in one go." - Elle

Just Like Heaven U of Nebraska Press

A classic of modern French literature, the thrilling real-life story of the military hero, ambassador, ladies man, writer, and loving son I grew up longing for the day when I could tear down the veil of darkness and absurdity concealing the true face of the universe and discover at last a smile of kindness and wisdom; I grew up in the certitude that one day I should help my fellow men to wrest the world from our enemies and give back the earth to those who ennoble it with their courage and warm it with their love. Promise at Dawn begins as the story of a mother's sacrifice: alone and poor, she fights fiercely to give her son the very best. Romain Gary chronicles his childhood in Russia, Poland, and on the French Riviera; he recounts his adventurous life as a young man fighting for France in World War II. But above all he tells the story of the love for his mother that was his very life—their secret and private planet, their wonderland “born out of a mother's murmur into a child's ear, a promise whispered at dawn of future triumphs and greatness, of justice and love.”

Lou Bertignac has an IQ of 160 and a good friend called Lucas, who gets her through the school day. At home her father cries in secret in the bathroom and her mother hasn't been out of the house properly for years. But Lou is about to change her life - and that of her parents - for good, all because of a school project she decides to do about the homeless. Through the project Lou meets No, a teenage girl living on the streets. As their friendship grows, Lou cannot bear that No is still on the streets when she goes back home - even if it is to a home that is saddened and desolate. So she asks her parents if No can come to live with them. To her astonishment, her parents - eventually - agree. No's presence forces Lou and her parents to finally face the sadness that has enveloped them. But No has disruptive as well as positive effects. Can this shaky newfound family continue to live together? A tense, brilliant novel tackling the true meaning of home and homelessness.

Un Dieu, infiniment plus grand que ce que voudraient nous faire croire les religions de tous poils, serait il plausible ? Dieu Cra l'homme son image signifierait-il que nous avons, depuis le tout premier commencement : pleins pouvoirs, libre arbitre et la lourde charge de user en notre me et conscience ? Un Dieu Vivant Par nous En nous Et pour Lui. Tout comme nous vivons Par Lui En Lui Et pour nous. Serions-nous enfin rellement matres de notre destine ? Notre inaptitude au bonheur ne proviendrait elle alors que d'un manque de ouverture d'esprit nuisant aussi bien a Lui que nous ? 90% des individus de cette plante croient en Dieu. Ils y croient de millions de différentes manieres. Ils sentent au nom de ce soi-disant Dieu de bonté. Pratiquement personne ne voit ce Dieu de la même façon. Tout le monde attend de Lui le Miracle et bien peu voient ce miracle accomplir. La plupart prie de manière automatique sans rellement, profondément, propulser de message personnel. Le Chretien ma-t-il dit n'est pas une religion, c'est une philosophie, une sorte de guide du savoir-vivre. L, nous nous loignons sensiblement de la croyance en Dieu. Le monde deviendrait il athée force de ne pas voir ses miracles accomplir ? Pire encore, en viendrait-il har ce Dieu qui laisse tant d'atrocités accomplir? Et pourtant, Si Dieu existait vraiment ? Si l'en avait rien faire de nos hypocrites façons de ladorer. En résumé, si nous avons laissé le soin, et les moyens, de réaliser nous-même les miracles que nous attendons, condition bien entendue que nous découvriions le mode d'emploi de cette fabuleuse puissance qu'il nous a ligué, et dont, sans nous, il ne sait lui-même que faire. Si nous tions en fait, chacun d'entre nous, l'expression différenciée de la conscience universelle ; Sa conscience ? La science, de la biologie lastrophysique, mise en parallèle avec les textes sacrés, semble bien nous guider vers ce type d'interprétation, nous ramenant vers le clbre : Lve-toi et marche !

'A wonderful literary *trompe l'oeil*: a book about friendship, writing and the boundary between reality and fantasy ... Dark, smart, strange, compelling' Harriet Lane, bestselling author of *Her Overwhelmed* by the huge success of her latest novel, exhausted and suffering from a crippling inability to write, Delphine meets L. L. embodies everything Delphine admires; sophisticated and unusually intuitive, she slowly but deliberately carves herself a niche in the writer's life. However, as she makes herself indispensable to Delphine, the intensity of this unexpected friendship manifests itself in increasingly sinister ways. And as their lives become further entwined, L. begins to threaten Delphine's identity and her safety.

A dead man is jolted back in time—by two months—and must try to identify his own murderer, in this suspenseful “existential thriller” (Kirkus Reviews). On the morning of July 9, 2012, New York Times investigative reporter Andrew Stilman is jogging along the Hudson River when he feels a sudden, sharp pain in his lower back. He collapses in a pool of blood. When he regains consciousness, it's May 7, 2012—exactly two months earlier. From that moment on, Andrew has sixty days to uncover his murderer. Sixty days to find out who wants him dead and why—his wife? Someone he's reported on? A coworker with a grudge? From New York City to Buenos Aires, Andrew embarks on a gripping race against time, in a twisting tale that is by turns funny and heartrending, from an international-bestselling author whose novels have sold more than forty million copies. “A riveting paranormal premise propels this thriller . . . [A] page-turner.”

“If you want to know why more people are asking ‘what’s your pronoun?’ then you (singular or plural) should read this book.” —Joe Moran, New York Times Book Review Heralded as “required reading” (Geoff Nunberg) and “the book” (Anne Fadiman) for anyone interested in the conversation swirling around gender-neutral and nonbinary pronouns, *What’s Your Pronoun?* is a classic in the making. Providing much-needed historical context and analysis to the debate around what we call ourselves, Dennis Baron brings new insight to a centuries-old topic and illuminates how—and why—these pronouns are sparking confusion and prompting new policies in schools, workplaces, and even statehouses. Enlightening and affirming, *What’s Your Pronoun?* introduces a new way of thinking about language, gender, and how they intersect.

Now back in print, this heartbreaking novel by Romain Gary has inspired two movies, including the Netflix feature *The Life Ahead* Momo has been one of the ever-changing ragbag of whores’ children at Madame Rosa’s boarding house in Paris ever since he can remember. But when the check that pays for his keep no longer arrives and as Madame Rosa becomes too ill to climb the stairs to their apartment, he determines to support her any way he can. This sensitive, slightly macabre love story between Momo and Madame Rosa has a supporting cast of transvestites, pimps, and witch doctors from Paris’s immigrant slum, Belleville. Profoundly moving, *The Life Before Us* won France’s premier literary prize, the Prix Goncourt.

The publication of the King James version of the Bible, translated between 1603 and 1611, coincided with an extraordinary flowering of English literature and is universally acknowledged as the greatest influence on English-language literature in history. Now, world-class literary writers introduce the book of the King James Bible in a series of beautifully designed, small-format volumes. The introducers' passionate, provocative, and personal engagements with the spirituality and the language of the text make the Bible come alive as a stunning work of literature and remind us of its overwhelming contemporary relevance.

An extraordinary story of love and vengeance in the international art world... A fast-paced and gripping tale... An extraordinary story of love and vengeance in the international art world... A fast-paced and gripping tale... Jonathan and Anna are in the final stages of planning their Bostonian high-society wedding, when Peter, an auctioneer for Christie's and Jonathan's best friend, calls with news that will change all of their lives. He has just been informed that a small London art gallery has come in to possession of five canvases by the 19th century artist, Vladimir Radskin. Jonathan, the world's foremost expert on Radskin, immediately understands the significance of the information. If the gallery indeed has five paintings, then the collection could very well include Radskin's final canvas - a painting that has become legendary ever since it went missing in mysterious circumstances before its public unveiling in 1868. For Jonathan, who has spent the last twenty years of his career searching for this painting, its discovery and authentication would finally establish the under-appreciated Radskin as a true master. For Peter, whose recent auctions have come under fire from the critics, an ensuing high-profile sale would represent an opportunity to salvage his career. When Jonathan meets Clara, the owner of the London gallery, he is overwhelmed by a dizzying sense of déjà-vu. But in the desperate rush to authenticate the fifth painting, he simply puts this strange feeling down to their shared passion for the late Russian painter. He and Clara are both convinced that this breath-taking painting is Radskin's mythical last work, but they need proof: for *The Young Girl in the Red Dress* is unsigned. Their quest takes them from a gallery in Piccadilly to a paint workshop in Florence, from a laboratory in the Louvre to a mysterious manor in the English countryside. The more Jonathan and Clara uncover about Radskin's last painting, the more they discover about themselves: three very different lives, three inextricably intertwined destinies, caught in a race against time. "His writing flows, it is elegant and fast paced... In *Another Life* is *Romeo and Juliet*, set in today's modern world . It's dense, beautiful, and just as tragic.' - Paris Match "His stories make us dream, his writing fills us with emotion.' - Elle

Ruth Kabbah is okay with being an outcast. Between her autism, her comic book nerdery, and the whiff of scandal her small town can't forget, Ruth will always be Ravenswood's black sheep. Since she prefers silence and solitude to gossip and pub crawls, that suits her just fine—until Evan Miller comes to town. Ex-military man Evan is gorgeous, confident... and he's Ruth's new neighbour. Unlike everyone else, he doesn't seem to mind her crotchety ways or her cooking disasters. In fact, if Ruth didn't know any better, she might think Evan *likes* her. But Ruth's been burned before, and some lessons are hard to forget. She can't let her guard down—no matter how many home-cooked meals Evan brings over. Because affection is temporary, trust is made to be broken, and the heat of desire is a dangerous thing to play with. So why does this man feel so safe? *The Ravenswood Series #1: A Girl Like Her #1.5: Damaged Goods #2: Untouchable #3: That Kind of Guy*
