**The Record Collector** BoD – Books on Demand (Vocal Collection). An excellent volume of coloratura arias has been added to the G. Schirmer Opera Anthology series. With 30 arias in English, Italian, German, French and Russian, this is the largest collection of coloratura operatic excerpts ever published. Because of the nature of the material, tradition-based performance suggestions are liberally found throughout the volume. For instance, you will find standard vocal variations for the "Doll Song" from The Tales of Hoffmann included in the edition, along with the original vocal line. Like the other volumes in the ground-breaking series, there are historical and plot notes about each aria, new engravings, and new translations for study.

*Accompaniments for The French song anthology* Hal Leonard Publishing Corporation  
Some thirty-two experts from fifteen

countries join three of the world's leading authorities on the design, manufacture, performance and history of brass musical instruments in this first major encyclopedia on the subject. It includes over one hundred illustrations, and gives attention to every brass instrument which has been regularly used, with information about the way they are played, the uses to which they have been put, and the importance they have had in classical music, sacred rituals, popular music, jazz, brass bands and the bands of the military. There are specialist entries covering every inhabited region of the globe and essays on the methods that experts have used to study and understand brass instruments. The encyclopedia spans the entire period from antiquity to modern times, with new and unfamiliar material that takes advantage of the latest research. From Abblasen to Zorsi Trombetta da Modon, this is the definitive guide for students, academics, musicians and music lovers. *Music Catalogue 1910* Hal Leonard Corporation  
This authoritative, new edition of the world's most loved songs and arias draws on original manuscripts, historical first

editions and recent research by prominent musicologists to meet a high standard of accuracy and authenticity. Includes fascinating background information about the arias and their composers as well as a singable rhymed translation, a readable prose translation and a literal translation of each single Italian word.

**Arias for Soprano** Vocal Library (Vocal Collection). The G. Schirmer Opera Anthology series revolutionized opera aria study after its release in 1991. There are so many wonderful soprano arias that a second volume was warranted. The music is predominantly for lyric soprano. As in the original volumes, these are new, clean editions, with historical and plot information about each of the 32 arias included.

*The Voice of New Music* Mel Bay Publications

To Broadway, To Life! The Musical Theater of Bock and Harnick is the first complete
