**Please Don't Eat the Animals** Pocahontas Press

Kit plans a picnic with her friends. What will they eat? This simple story incorporates words from the Kindergarten-level Dolch Sight Word List to build literacy skills.

**Please Don't Eat the Children** Xlibris Corporation

""Please Don't Eat the Animals"" is an exciting and provocative new book on the universal benefits of being a vegetarian. Authors Horsman and Flowers detail the many reasons for the burgeoning movement toward a plant-based diet in four short, interesting, easy-to-digest sections: health, environment, animal welfare, religion and spirituality.

*Don't Eat Me, Chupacabra! / ¡No Me Comas, Chupacabra!* Flatiron Books

Sammy the shark is so excited about the first day of school, he tries to eat everything in his path.

Beloved author-illustrator Liz Climo is back with a hilarious take on (reluctant) friendship that will appeal to fans of *We Don't Eat Our Classmates* and *I Want My Hat Back!* When a carefree bunny is approached by a voracious bear in the woods, Bunny has just one request: "Please don't eat me." But the bear has a never-ending list of requests, and Bunny realizes maybe Bear isn't as hungry as he'd let on...maybe he just wants his new friend's company for a while. This witty and poignant exploration of predator and prey will have children and parents alike roaring with laughter--and looking for their next meal.

**Don't Eat That** LernerClassroom

"AAy caramba!" Can a young goat convince a single-minded Chupacabra there are many yummy things to eat besides him? Set in gorgeous Puerto Rico, this delicious tale of compromise features digestible Spanish vocabulary and a menagerie of animal amigos. Full color.

**Don't Eat for Winter: Unlock Nature's Secret to Reveal Your True Body** HarperCollins

My name is Amber Reynolds. There are three things you should

know about me: 1. I'm in a coma. 2. My husband doesn't love me anymore. 3. Sometimes I lie. Amber wakes up in a hospital. She can't move. She can't speak. She can't open her eyes. She can hear everyone around her, but they have no idea. Amber doesn't remember what happened, but she has a suspicion her husband had something to do with it. Alternating between her paralyzed present, the week before her accident, and a series of childhood diaries from twenty years ago, this brilliant psychological thriller asks: Is something really a lie if you believe it's the truth?

*The Boy Who Grew a Forest* University of Texas Press

"The F\*ck It Diet is not only hilarious, it is scientifically and medically sound. A must read for any chronic dieter." –Christiane Northrup, MD, New York Times bestselling author of *Women's Bodies, Women's Wisdom* From humorist and ex-diet junkie Caroline Dooner, an inspirational guide that will help you stop dieting, reboot your relationship with food, and regain your personal power **DIETING DOESN'T WORK** Not long term. In fact, our bodies are hardwired against it. But each time our diets fail, instead of considering that maybe our ridiculously low-carb diet is the problem, we wonder what's wrong with us. Why can't we stick to our simple plan of grapefruit and tuna fish??? Why are we so hungry? What is wrong with us??? We berate ourselves for being lazy and weak, double down on our belief that losing weight is the key to our everlasting happiness, and resolve to do better tomorrow. But it's time we called a spade a spade: Constantly trying to eat the smallest amount possible is a miserable way to live, and it isn't even working. So fuck eating like that. In *The F\*ck It Diet*, Caroline Dooner tackles the inherent flaws of dieting and diet culture, and offers readers a counterintuitively simple path to healing their physical, emotional, and mental relationship with food. What's the secret anti-diet? Eat. Whatever you want. Honor your appetite and listen to your hunger. Trust that your body knows what it is doing. Oh, and don't forget to rest, breathe, and be kind to yourself while you're at it. Once you get yourself out of survival mode, it will become easier and easier to eat what your body really needs—a healthier relationship with food ultimately leads to a healthier you. An ex-yo-yo dieter herself, Dooner knows how terrifying it can be to break free of the vicious cycle, but with

her signature sharp humor and compassion, she shows readers that a sustainable, easy relationship with food is possible. Irreverent and empowering, *The F\*ck It Diet* is call to arms for anyone who feels guilt or pain over food, weight, or their body. It's time to give up the shame and start thriving. Welcome to the F\*ck It Diet. Let's Eat.

**Don't Give the Enemy a Seat at Your Table** Penguin

The "refreshing . . . laugh-out-loud" #1 New York Times bestseller about life in the suburbs that was adapted into a classic film comedy (Kirkus Reviews). One day, Tony Award-winning playwright Jean Kerr packed up her four kids (and husband, Walter, one of Broadway's sharpest critics), and left New York City. They moved to a faraway part of the world that promised a grassy utopia where daisies grew wild and homes were described as neo-gingerbread. In this collection of "wryly observant" essays, Kerr chronicles her new life in this strange land called Larchmont (TheWashington Post). It sounds like bliss—no more cramped apartments and nightmarish after-theater cocktail parties where the martinis were never dry enough. Now she has her very own washer/dryer, a garden, choice seats at the hottest new third-grade school plays (low overhead but they'll never recoup their losses), and a fresh new kind of lunacy. In *Please Don't Eat the Daisies* "Jean Kerr cooks with laughing gas" as she explores the everyday absurdities, anxieties, and joys of marriage, family, friends, home decorating, and maintaining a career—but this time with a garage! (Time).

You are holding a book. What should you do with it? Open it, and you will find out.

[My Monster and Me](#) Orca Book Publishers

Were you thinking of having fish for dinner? The fish in this story may talk you out of it! After all, fish are pretty bony . . . and have you seen what they eat? Flaps lift up to reveal funny surprises, and Roger De Muth's bright and zany illustrations present a quirky look at the food chain.

**Pass the Food, Dude!** Grand Central Publishing

Julia is a photographer, Chantal edits a fashion magazine, Helen is

an academic and Philippa is writing a novel. The best of friends, they meet at fashionable cafes and restaurants to eye the passing talent and to swap stories about their wilder sexual encounters. A debut novel.

*Don't Eat the Bluebonnets* Open Road Media

From PETA, the largest animal rights organization in the world, comes a repackaged collection of over 200 healthy and humane vegan recipes that cover everything from breakfast to dinner and beyond. The Compassionate Cook offers easy-to-make recipes that are tasty, healthy, and most importantly, humane. This collection covers breakfast, lunch and dinner, as well as snacks, appetizers and side dishes. These inventive and fun recipes will inspire readers to experiment with new dishes, cooking methods, and ingredients. With this special selection of recipes, mindful eaters can enjoy delicious food, satisfied with the knowledge that they are helping to protect animals.

**Sometimes I Lie** Hazy Dell Press Monster

Learn how to achieve success—and eat your marshmallows, too—with this motivational, life-changing book. What explains the difference between success and failure? And what does it mean to you and your children? The answer lies in a landmark Stanford University study. Children were left in a room, each with a marshmallow, and given the choice of eating it then or fifteen minutes later, when they were promised an extra marshmallow as a reward for waiting. Some ate theirs right away. Others waited. But the study's real significance came a decade later when the researchers discovered that the children who held out for the reward had become more successful adults than the children who gobbled their marshmallows immediately. The lesson wasn't lost on Joachim de Posada, a world-renowned motivational speaker to thousands of corporate executives and professional athletes. The "marshmallow theory" answered a thirty-year quest to find a compelling explanation for why some people succeed and others fail. Posada was convinced that the key difference between success and failure is not merely hard work or superior intelligence but the ability to delay gratification. "Marshmallow resisters" achieve high levels of success while the rest of us eat all our marshmallows at once, so to speak—accumulating debt and dissatisfaction no matter what our occupations or incomes. But it doesn't have to be that way. Using a simple parable and

real-life examples (including basketball great Larry Bird and major league baseball catcher Jorge Posada, Joachim's cousin), this book shows you how the moves you make today can pay off big tomorrow—if you just don't eat the marshmallow...yet!

*A Picnic with Kit* Children's Book Press (CA)

Louie Giglio helps you find encouragement, hope, and strength in the midst of any valley as you reject the enemy voices of fear, rage, lust, insecurity, anxiety, despair, temptation, or defeat. Scripture is clear: the Enemy is a liar who will stop at nothing to tempt you into poor decisions and self-defeating mindsets, making you feel afraid, angry, anxious, or defeated. It is all too easy for Satan to weasel his way into a seat at the table intended for only you and your King. But you can fight back. Don't Give the Enemy a Seat at Your Table outlines the ways to overcome those lies so you can find peace and security in any challenging circumstance or situation. With the same bold, exciting approach to Scripture as employed in Goliath Must Fall and his other previous works, pastor Louie Giglio examines Psalm 23 in fresh ways, highlighting verse 5: "You prepare a table before me in the presence of my enemies." You can find freedom from insecurity, temptation, and defeat—if you allow Jesus, the Shepherd, to lead the battle for your mind and heart. This spiritual warfare book for those who are leery of spiritual warfare books will resonate with Louie's core Passion tribe as well as with Christians of all ages who want to live a triumphant life in God.

*Eat Pray Love* Riverhead Books

As a boy, Jadav Payeng was distressed by the destruction deforestation and erosion was causing on his island home in India's Brahmaputra River. So he began planting trees. What began as a small thicket of bamboo, grew over the years into 1,300 acre forest filled with native plants and animals. The Boy Who Grew a Forest tells the inspiring true story of Payeng—and reminds us all of the difference a single person with a big idea can make.

*That's Why We Don't Eat Animals* Penguin

One couple's walk through life and Alzheimer's disease from the first "hello" on a college campus to the final "goodbye" in a small room in a nursing home. "It's a love story. It's a story about advocacy. It's a story that shows how muchgoing the extra mile

means. It will be great for caregivers." says an OT.

**DON'T YUCK MY YUM!** Linden Publishing

A celebrated writer pens an irresistible, candid, and eloquent account of her pursuit of worldly pleasure, spiritual devotion, and what she really wanted out of life.

*Monsters Don't Eat Broccoli* Don't Eat for Winter

It's the first day of school for Penelope Rex, and she can't wait to meet her classmates. But it's hard to make human friends when they're so darn delicious! That is, until Penelope gets a taste of her own medicine and finds she may not be at the top of the food chain after all. . . . Readers will gobble up this hilarious new story from award-winning author-illustrator Ryan T. Higgins.

*We Don't Eat Our Classmates* Spork

From the author of the international best seller GO THE FUCK TO SLEEP comes a book about the other great parental frustration: getting your little angel to eat something that even vaguely resembles a normal meal. Profane, loving and deeply cathartic, You Have to Fucking Eat breaks the code of child-rearing silence, giving mums and dads new, old, grand- and expectant a much-needed chance to laugh about a universal problem. You probably shouldn't read it to your children.

**The Little World of Liz Climo** Dragonfly Books

That's Why We Don't Eat Animals uses colorful artwork and lively text to introduce vegetarianism and veganism to early readers (ages six to ten). Written and illustrated by Ruby Roth, the book features an endearing animal cast of pigs, turkeys, cows, quail, turtles, and dolphins. These creatures are shown in both their natural state—rooting around, bonding, nuzzling, cuddling, grooming one another, and charming each other with their family instincts and rituals—and in the terrible conditions of the factory farm. The book also describes the negative effects eating meat has on the environment. A separate section entitled "What Else Can We Do?" suggests ways children can learn more about the vegetarian and vegan lifestyles, such as: "Celebrate Thanksgiving with a vegan feast" or "Buy clothes, shoes, belts, and bags that are not made from leather or other animal skins or fur." This compassionate, informative book offers both an entertaining read and a resource to inspire parents and children to talk about a timely, increasingly important subject.
