The book evaluates, reviews and recommends on such subjects as where to buy records and instruments and places where folk music flourishes. *The Great Zapfino* Taylor & Francis Mercury Records was founded in 1945 and soon became a major force in jazz and blues, classical, rock, and country recording. This five-volume discography provides a listing of all

recordings made or issued by the Mercury label and its subsidiaries (Blue Rock, Cumberland, Emarcy, Fontana, Limelight, Philips, Smash, and Wing) as well as leased and purchased materials and recordings by independent labels distributed by Mercury. Much of the discography is devoted to recording session listings, which include details on personnel, recording dates, and

master and issue numbers. Each volume ends with an artist index, which includes all the names appearing in the session listings of the volume. In addition to providing details on stereo/mono master number equivalences, and information on various formats, the fifth volume concludes with a general artist index, including all the names which appear in the earlier volumes. This

discography is invaluable to all who seek details on the music and artists recorded in the second half of the twentieth century. Joe Pass Guitar Method (Music Instruction) BMG; Banjo, Mandolin, Guitar Lemmy and Motörhead From two bestselling and beloved creators comes a sweet and inspiring picture book about a runaway circus performer who

learns to face his fears and follow his heart. When The Great Zapfino climbs to the top of the circus platform, all eyes are on him, waiting for his incredible leap. But Zapfino is afraid of heights! He can't take the pressure and flees, boards a plane, and runs away to start a new life. In the city, Zapfino starts work as an elevator operator in a tall building but soon learns you can never really

outrun your fears. When disaster strikes, can Zapfino find the strength to be great? Lemmy and Motörhead Bonnier Zaffre (Book). Culled from the DownBeat archives includes in-depth interviews with literally every great jazz artist and personality that ever lived! In honor of its 75th anniversary, DownBeat 's editors have brought together in this one volume the best

interviews, insights, and photographs from the illustrious history of the world's top jazz magazine, *DownBeat*. This anthology includes the greatest of *DownBeat*'s Jazz Hall of Famers: from early legends like Jelly Roll Morton, Louis Armstrong, Count Basie, Duke Ellington, and Benny Goodman; to bebop heroes like Charlie Parker, Dizzy Gillespie, John Coltrane, Sonny Rollins, and Miles

Davis; to truly unique voices like Ornette Coleman, Cecil Taylor, Thelonious Monk, and Rahsaan Roland Kirk; to the pioneers of the electric scene like Chick Corea, Herbie Hancock, Pat Metheny, and Joe Zawinul. *The Great Jazz Interviews* delivers the legends of jazz, talking about America's music and America itself, in their own words. Features classic photos and magazine covers from

Downbeat's vast archive. *Joe Pass Guitar Style* Troubador Publishing Ltd The original version of this guide has sold over 30,000 copies. This new edition has been expanded by 25% and promises to become an invaluable resource. For collectors, dealers and players, this completely updated "field guide" provides specifications, serial numbers, and more for determining the originality

of vintage American acoustic and electric fretted instruments. Detailing thousands of models by every major manufacturer, the book now includes expanded coverage of Martin, Guild, Mosrite, Dobro, Gibson banjos, Fender amps, Gibson amps, plus updates on the latest models from Fender, Gibson, Rickenbacker, and others since 1990.

Modern Drummer Jaki Liebezeit is a legendary figure among musicians, best remembered as the groove and power behind the influential German band Can. Until now, though, few have known about his most significant legacy: a complete practical theory of drumming, based on the natural principles of movement he observed during his

lifelong research into the discipline. Following Jaki's unexpected death in 2017, producer Jono Podmore and journalist John Payne contacted his drum group Drums Off Chaos and long-term collaborator Burnt Friedman to see if the theory could be pieced together before it was lost or corrupted. Fortunately the basic principles had already been transcribed, and with the

help of Jaki's widow Birgit Berger; drummers Reiner Linke, Maf Retter and Gero Sprafke; composer Manos Tsangaris; and discographer Bryan O'Connell, they have assembled a comprehensive account of not only the drum theory, but also Jaki's profound conceptual and pragmatic vision as applied throughout his life. This landmark book features a host of previously

unseen photos including reproductions of Jaki's own artwork, alongside the first-ever discography to cover the full, unparalleled range of his recordings. BMG; Banjo, Mandolin, Guitar Simon and Schuster Taylor Swift is taking over the world. Beginning to understand the depth of her mind-boggling popularity takes some doing. But let's try: In November 2014, on the release of single 'Blank

Space', her name accounted for a legitimately staggering 10% of all Google searches, globally. Or in other words, she was the subject of one in ten enquiries made by the human race. Aged 25, she is one of the biggest-selling artists of all time, with 170 million units. This leaves U2, Bruce Springsteen and Paul McCartney in her dust. She has 63 million followers on Twitter (or the population of

the UK) and 45 million on Instagram. For perspective, this makes her the 3rd most popular account on Instagram, and 4th on Twitter, just behind Leader of the Free World, President Barack Obama. The best metric of fan passion has always been touring revenue, and Taylor's merch and ticket sales amount to \$30 million - the highest in the music industry, by far. Hal Leonard Publishing Corporation Take a deep dive into Dolly Parton's almost 60 year career with this complete guide featuring more than 400 photographs, little-known stories behind each album, and behind-the-scenes details about the recording of each track, the musicians involved, and the songwriting process. Organized chronologically, and covering every album

and every song that Dolly has ever released, Dolly Parton All the Songs is the result of years of research by three Dolly megafans and longtime music journalists. Beginning with a childhood famously spent making music with her family in Tennessee's Great Smoky Mountains, Dolly Parton All the Songs follows along as the country music superstar conquers Nashville,

Hollywood, and then the world with her captivating music, unforgettable style, and unmatched humor and kindness. At 608 pages, Dolly Parton All the Songs is filled with amazing photographs of Dolly in all her glory, and it features tons of fascinating details about Dolly's recording process, including which musicians appeared on each track, and little-known details

about her working relationship with Porter Wagoner (she wrote the classic track "I Will Always Love You" about him), as well as looking at her forays into film stardom with appearances in classic movies like 9 to 5, Steel Magnolias, and the recent Netflix series, Heartstrings. This is a must-have book for any fan of Dolly Parton and country music. *Recording Studio Design* M-Y Books Limited

Just as the Blue Ridge Mountains dot the landscape of this famed North Carolina county, so do the spirits of the residents who have long since passed. At the Hickory Ridge Museum, one cabin fills with the scent of pipe tobacco just before its otherworldly resident appears, and the ghost of a hanged Tory captain rides his steed along Riddles Knob every misty midnight.

From the story of the haunted spring near the Watauga River frequented by the ghost of a headless dog to the distant buzz of a phantom airplane flying high above Howards Knob mountain in Boone, these tales are bound to chill even the bravest of readers. Noted journalist Tim

Bullard delves into the eerie past of Watauga County as he recounts the stories of the souls doomed to forever roam the pine-covered hills.

As their frontman, songwriter and bassist, Ian Fraser 'Lemmy' Kilmister was truly the beating heart of Motörhead. The group's energy and thrilling fusion of genres led to sales of over 30 million albums, Grammy Awards and giant world tours right up until Lemmy's death. During his life, Lemmy granted music writer Jake Brown extraordinary access to the band, and this book explores Motörhead's creativity and musicianship with unique insight from their writing and recording sessions alongside exclusive interviews. This new edition now

stands as a unique testament to Lemmy's remarkable career and the indelible mark he left on heavy metal.
