Ellen Cannon Reed. Takes us beyond many of the currently popularized ideas and images related to the nature of Wiccan beliefs and practices. It guides us past the surface into a deeper understanding of the lifestyle, mind set, and religious dedication to spiritual growth that lie at the heart of this life-transforming practice. A Down-to-Earth Guide to Traditional Wicca While there are many powerful variations of contemporary Witchcraft, traditional Wicca offers unique experiences for those who seek it out. This book explores structured, coven-based styles of Wicca, in which the practitioners typically trace initiatory lineages back to Wicca's early founders. Discussing covens, initiations, lineages, practices, ethics, and more, Traditional Wicca shares tips and ideas on how to get the most from this profound approach to Witchcraft. Discover how to recognize healthy, reputable covens. Learn how to navigate the process of asking for training and succeeding in an outer court. Explore the spiritual strength of lineages, hierarchies, and initiation. This book also includes contributions from several practitioners, providing valuable first-person perspectives on what it's like to be on the traditional Wiccan path.

Praise : "Like the bristles of a besom, Thorn Mooney's Traditional Wicca sweeps through the subject of Witchcraft removing the dust and dirt of ignorance and prejudice to reveal the true heart of Wicca. Thorn writes with obvious sincerity, with feeling, and from experience. Her book covers everything from defining Witchcraft, through the workings of a coven, to actual initiation and beyond. She warns that Wicca is not for everyone and—I am personally delighted to see—includes a chapter on recognizing 'Red Flags' when first contacting others...especially those who might claim to be more than they actually are. This book is the quintessential guide for the true, sincere seeker."—Raymond Buckland, author of *Buckland's Complete Book of Witchcraft* "Traditional Wicca is a unique and important book. It's amazing to me that in over 70 years of publishing on the subject of Wicca, nothing like this book has ever been written! I'm kind of jealous I didn't think to write it myself. The chapter on initiation is, by itself, worth the cover price. If you want to understand what people mean by 'traditional Wicca,' whether or not you're seeking it, this is the one book you must read."—Deborah Lipp, Wiccan high priestess and author of *Merry Meet Again* "Traditional Wicca is a topic that few actually understand despite its long and distinguished history. With passion and skill, Thorn delivers a book that many familiar with Wicca will wish they had had when they were studying

it, and those who find themselves on the path for the first time will rejoice at having found. Whether you intend to seek initiation or not, this book is full of valuable gems that will enhance any practice at any level. Traditional Wicca is an all-inclusive tour through the history, practices, and lore of traditional Wicca that weaves voices from all over the tradition and challenges everything you think you know about it."—Devin Hunter, author of *The Witch's Book of Power* "A masterful gem of insight and wisdom, Traditional Wicca reveals the time-honored practices of initiatory Wicca, thought all but lost by many, but hidden like so many occult secrets in plain sight. Drawing a clear and respectful distinction between eclectic Wicca and its older more traditional sibling, Thorn Mooney takes us on a personal journey exploring the powers and the pitfalls of the initiatory inner court, revealing the persistence of a thriving and dynamic Craft that is at once orthopraxic and changing, traditional and experimental. With practical advice for the seeker, peppered with personal anecdotes from several practitioners and initiates alike, this book is a much-needed map...Highly recommended."—Storm Faerywolf, author of *Betwixt and Between Wicca for Beginners* Sterling Publishing (NY)

Wicca is said to be the oldest religion in the world. Today, growing numbers of people are becoming attracted to the old way. In this bestselling, introductory book, Vivianne Crowley explains the way of the Witch and shows the relevance of modern Wicca in today's world.

Due to the sheer number of Wicca 101 books on the market, many newcomers to the Craft find themselves piecing together their Wiccan education by reading a chapter from one book, a few pages from another. Rather than depending on snippets of wisdom to build a new faith, Wicca for Beginners provides a solid foundation to Wicca without limiting the reader to one tradition or path. Embracing both the spiritual and the practical, Wicca for Beginners is a primer on the philosophies, culture, and beliefs behind the religion, without losing the mystery that draws many students to want to learn. Finalist for the Coalition of Visionary Resources Award for Best Wiccan/Pagan Book "In her first book-length work, Sabin presents a first-rate, fresh, and thorough addition to the burgeoning field of earth-based spiritual practice volumes...written in a light, informative style that magically mines depth, breadth and brevity."—Publishers Weekly (starred review)

The origins of the Wiccan tradition have long been a subject of debate among practitioners and scholars. D'Este and Rankine explore the possible beginnings of the tradition by examining the practices in the context of magickal and spiritual thought spanning thousands of years.

Everything You Need to Know to Start Your Wiccan JourneyAlthough it is estimated that there are over 1 million practicing Wiccans around the world today, Wicca is one of the world's few religions that is more likely to be studied entirely on one's own than through in-person guidance. Depending on where you live, you might be able to find a coven or circle where you can meet fellow Wiccans and ask questions, but most newcomers to Wicca find themselves traveling solo. Luckily, there is no shortage of information about the "Old Religion" in print and online. Yet with all of the diverse and often conflicting perspectives out there, it can be hard to know where to begin. That's why best-selling author Lisa Chamberlain created the Wicca Starter Kit, bringing together three of her most popular guides--Wicca for Beginners, Finding Your Path, and Living a Magical Life--to get your journey underway. Wicca for Beginners: a Guide to Wiccan Beliefs, Rituals, Magic, and WitchcraftWicca for Beginners was created as an entry point for anyone seeking information about this fascinating religion. It is intended as a broad introduction, addressing the most commonly asked questions by people new to Wicca. Lisa covers the history of Wicca, including its modern foundations as well as its ancient inspirations; the Wiccan God and Goddess; the Sabbats and the Esbats comprising the Wheel of the Year; core elements and tools of Wiccan ritual; basic principles of magic from both ancient and modern sources; and even an example ritual and spell suitable for beginners. By the

end of this guide, you will definitely have a solid understanding of the essence of Wicca! Finding Your Path: A Guide to Wiccan Traditions, Solitary Practitioners, Eclectic Witches, Covens and Circles One of Wicca's greatest strengths as a spiritual practice is the variety of paths one can choose from. Perhaps you want to join a coven within an established tradition, or maybe a more individualized practice is your calling. In Finding Your Path, you'll learn about the wide spectrum of contemporary Wiccan practice, from traditional "orthodox" covens to looser, more "eclectic" covens and circles, as well as the more recent phenomenon of solitary practice, which has appeal for both traditional and eclectic Wiccans alike. Lisa covers everything you need to know about covens and circles, including their history, their structures, and how to find your Wiccan community. You'll also be introduced to the main Wiccan traditions: Gardnerian, Alexandrian, and Dianic, as well as other less common traditions. If you don't already have a sense of the amazing diversity of this innovative religion, you certainly will after reading this book! Living a Magical Life: A Guide to Initiation and Navigating Your Journey in the Craft New Wiccans will encounter two essential questions: 1) should you formalize your practice of the Craft with an initiation ritual? and 2) how do you integrate your new beliefs into your day-to-day life? In Living a Magical Life, Lisa addresses questions regarding coven initiation and solitary self-dedication, as well as less often-discussed topics like navigating common obstacles along your spiritual path, leaving behind old beliefs that no longer serve you, and developing and strengthening your inner psychic guidance system. There's also a step-by-step solitary initiation ritual you can perform when (and if) you feel the time is right, and spellwork for helping you stay in touch with your magical perspective every day-not just on Sabbats and Esbats! Get Started Today! Embarking on a new spiritual path is exciting, but it can also be overwhelming. The Wicca Starter Kit is a unique and comprehensive collection of books designed to welcome you to the Wiccan world and encourage you on your journey. Blessed Be!

Grimassi has written extensively about Wicca, and Llewellyn specializes in books sympathetic to occult ways, so the combination is pretty predictable. He describes not only the usual magic practices, but also the religious and spiritual aspects of what believers say is inherited ancient European wisdom and scoffers say is made-up, new-age nonsense.
