Titan Comics
For the past 40 years,
acclaimed graphic
novelist Jaime
Hernandez has been
creating a Love and
Rockets-adjacent world
— set in the heyday of

1960s and '70s
women's wrestling and
lucha libre! — with an
entirely separate cast
of characters who have
aged and evolved: the
beautiful and brutal
Bettie Rey, the I.F.W.
Pacific Women's
Champion — a.k.a.
Golden Girl — as well
as former champions
Pantera Negra, Miss
Kitty Perez, and many
more. As Hernandez
puts it, "It's my Love
and Rockets world
that's not my Love and

Rockets world.” This best-of book spotlights the women who are often ignored in pro wrestling in 125 full color illustrations: pin-ups, action shots, fake wrestling magazine covers, all presented in a large paperback format that echoes the lucha libre magazines of the 1960s.

Hernandez also discusses the work in an interview with fellow cartoonist Katie Skelly. Despite having created one of the most expansive and remarkable casts of characters of any cartoonist who ever lived (under the umbrella of the ongoing L&R comic book series), acclaimed graphic novelist Jaime Hernandez — Will Eisner Hall of Famer; Eisner, Harvey, Ignatz, and PEN Award winner;

L.A. Times Book Prize winner; and on a very short list of contenders for the title of America’s Greatest Living Cartoonist — has been privately amassing a body of work that no one else has ever seen for over 40 years. Until now. [Tank Girl: Free Comic Book Day 2018](#) Titan Comics

Patterns of production and consumption are foundation stones of contemporary media studies. Trash Aesthetics takes the audience as its starting point in a collection which explores aspects of audience response, interaction and manipulation.

RETURNS TO TANK GIRL! After a break of 20 years, illustrator extraordinaire Jamie Hewlett (GORILLAZ) is leaping back on the Tank Girl wagon, re-teaming with series co-creator Alan Martin to bring you a whole new take on the foul-mouthed, gun toting, swill-swigging hellion! Featuring riotous 100% original content from Hewlett & Martin along with contributions from a host of series stalwarts and newcomers, get your head down, put your hands over your private parts, and prepare for a chaotic collection of strips, pin-ups, and random carnage!

Street Art NYC Titan Comics

The birthplace of graffiti, New York City, has evolved into a

global center for street art. Its public surfaces host a range of media from handmade stickers and wheatpastes to huge installations and murals. Artists from across the globe routinely travel to New York City to grace its walls as they refashion the city into one huge never-ending unofficial street art festival.

Among these are such contemporary urban legends as D'Face, Banksy, Os Gemeos, Case, MaClaim, Invader, Stik and Faith 47. Street Art NYC showcases both sanctioned and unsanctioned works captured in the course of a transformative decade that saw the emergence of over a dozen distinctly engaging projects. The hugely popular

Bushwick Collective, L.I.S.A Project NYC and Welling Court Mural Project are highlighted with introductory essays. Local community-based projects and festivals, as well as those responding to specific environmental and social issues, are also represented. Banksy's one month 2013 residency, Better Out than In is documented with words and images. And homage is paid to the legendary 5 Pointz graffiti and street art mecca. Street Art NYC is a beautifully designed hardcover book. The full color photographs by Lord K2 captures the art in the city, printed on thick coated paper, and Lois Stavsky's text provides the context. This is the only book to spotlight

the transformational decade that marked the shift from largely unsanctioned to widely curated street art throughout New York City's five boroughs. This book is a collaboration between Lord K2, an award-winning photographer and curator of the online Museum of Urban Art and Lois Stavsky, a noted street art documentarian and editor of the popular blog, Street Art NYC. *Journals: Volume II* Titan Comics "Tank Girl created by Alan Martin and Jamie Hewlett"--Copyright page.

COVER NOT FINAL The

official behind-the-

scenes art book for

Sony Pictures

Animation's feature

film *The Mitchells vs.*

The Machines *The*

Mitchells vs. The

Machines is a comedy

about an everyday

family's struggle to

relate while technology

rises up around the

world! When Katie

Mitchell, a creative

outsider, is accepted

into the film school of

her dreams, her plans

to meet "her people"

at college are upended

when her nature-loving

dad Rick determines

the whole family

should drive Katie to

school together and

bond as a family one

last time. Katie and

Rick are joined by the

rest of the family,

including Katie's wildly

positive mom Linda,

her quirky little brother

Aaron, and the family's

delightfully chubby pug

Monchi for the ultimate

family road trip.

Suddenly, the

Mitchells' plans are

interrupted by a tech

uprising: All around the

world, the electronic

devices people

love—from phones to

appliances to an

innovative new line of

personal

robots—decide it's

time to take over. With

the help of two friendly

malfunctioning robots,

the Mitchells will have

to get past their

problems and work

together to save each

other and the world!

The Art of The Mitchells

vs. The Machines gives

insight into how the

filmmakers were able

to bring this fresh, new

vision to the screen

through concept art, sketches, and early character designs, accompanied by exclusive commentary from director/co-writer Michael Rianda and co-director/co-writer Jeff Rowe, alumni of the team behind Emmy Award-winning Gravity Falls, and producers Phil Lord and Christopher Miller, the innovative and creative minds behind The Lego Movie and the Academy Award-winning Spider-Man: Into the Spider-Verse.

Jamie Hewlett. Ediz. inglese, francese e tedesca National Geographic Books
From the author of the acclaimed Roll with It comes a moving novel about a girl with a sensory processing disorder who has to find her own voice

after her whole world turns upside down. Lou Montgomery has the voice of an angel, or so her mother tells her and anyone else who will listen. But Lou can only hear the fear in her own voice. She's never liked crowds or loud noises or even high fives; in fact, she's terrified of them, which makes her pretty sure there's something wrong with her. When Lou crashes their pickup on a dark and snowy road, child services separate the mother-daughter duo. Now she has to start all over again at a fancy private school far away from anything she's ever known. With help from an outgoing new friend, her aunt and uncle, and the school counselor, she begins to see things differently. A sensory

processing disorder isn't something to be ashamed of, and music might just be the thing that saves Lou—and maybe her mom, too.

Sushio the Idol Z2

Comics

Collecting more than a decade's worth of excavations, comic strips, animation stills, storybook covers, and much more, this broken jigsaw puzzle of a graphic novel tells the story of Pim & Francie — childlike male and female imps — whose irresponsible antics get them into horrific, fantastic trouble. The brilliant, fairy tale-like backdrops hint at further layers of reality lurking under every gingerbread house or behind every sunny afternoon. Their loosely defined relationship only contributes to the

existential fear that lingers underneath the various perils they are subjected to, which are threaded together by text and notes by the artist.

The Art of Jock Simon and Schuster

Celebrate more than 25 years of Kirby, the popular pink hero of the best-selling series of video games from Nintendo. A stylish new collection of art and designs from the best-selling Kirby video games. Featuring twenty-five years worth of sketches, artwork, Japanese video game box art, and more. With exclusive notes from creators and artists who have brought Kirby to life throughout the years.

A heart-shaped box of

Tank Girl delights: peer inside The Tank; gasp at The Annual Swearing Competition; cheer as our heroes rip it up in The Automatic Psychedelic Hand-Grenade Crowbar Shit-Storm Massacre; and wonder why the hell anyone would choose Tank Girl as a babysitter. All you need is love. All you need is Tank Girl.

The Gorillaz Art Book Pluto Press

An insightful appreciation of the life and art of Tove Jansson, creator of the Moomin books, which are adored by children and adults across the globe. This book provides fresh insight into and a deep appreciation of the life and art of Tove Jansson (1914–2001), one of the most original, influential, and

perennially enjoyed illustrators of the twentieth century. In this volume Paul Gravett examines Jansson's highly successful Moomin books, as well as her interpretations of classics such as Lewis Carroll's *Alice's Adventures in Wonderland* and *The Hunting of the Snark*, and J. R. R. Tolkien's *The Hobbit*. Born in Helsinki among Finland's Swedish-speaking minority, Jansson was brought up with a love for making art and stories in a supportive, artistic family. Her first illustrated tales were published when she was fourteen years old and she went on to draw humorous and political cartoons as well as striking front covers for the satirical

magazine Garm, in response to events in World War II. As she developed from art student to painter and muralist, and from bohemian to lesbian, she also created her Moomin world, which appeared in her first children's book in 1945 and then in newspaper strips. Beyond this imaginative achievement, Jansson also wrote many novels, documented here along with personal commentaries from her own writings. A title in The Illustrators series, which celebrates illustration as an art form, Tove Jansson offers a visually rich view into the life and work of this much-loved artist and writer. *Tank Girl* Dark Horse Books
Spewing filth and fury

since 1988, celebrate the 20th anniversary of Alan Martin and Jamie Hewlett's foul-mouthed, anarchic creation with The Cream of Tank Girl! Boasting tons of unseen artwork, rarely seen comic strips, every Jamie Hewlett Tank Girl cover ever, publicity posters, script samples and more besides, this is the ultimate guide to Tank Girl and her world! A GIANT 512-page collection of Katsuya Terada's RAKUGAKI sketches and illustrations. The one and only legendary illustrator Katsuya Terada, a.k.a RAKUGAKING (The Sketch King) and well known as a pioneer who is always seeking new ideas and motifs for his drawings, has finally revealed his RAKUGAKI sketches and illustrations, long kept in his sketch book. Although most illustrations in this collection have appeared in Terada's previous international exhibitions (e.g., Giant Robot in Los Angeles), never before has any book collected so many of his RAKUGAKI. This is the best and most comprehensive collection of Katsuya Terada's pencil

sketches, making it a must-have book for both his hardcore fans and also to illustrators in general.

We Hate Tank Girl TP

Titan Books (UK)

By a feat of sheer stubbornness, Hewlett & Martin's Tank Girl has managed to survive for over three decades. As a celebration, we've given her a fresh lick of paint to cover up the rust, and raided the deepest reaches of her panty drawer for embarrassing photos, libellous documents, and discarded chocolate wrappers. This first book in the series covers the genesis and early years of Tank Girl, before everything went a bit weird.

Tank Girl: Action Alley (complete collection)
