Welcome to Daisy Farm Crafts and our first collection of crochet baby blanket patterns! I'm Tiffany and my four daughters and I love making baby blankets for our friends and family - a tradition that has been passed down through my family for generations. The collection we have put together in this book are 25 of our most popular baby blanket patterns from the Daisy Farm Crafts website. Our patterns have been shared on Pinterest millions of times and many hands have now made Daisy Farm Crafts baby blankets to celebrate and welcome their new ones into the world. I'm happy the patterns will now be in book form and we hope you have as much fun making them as we did! We use US crochet terms and easy to read explanations of the patterns. If we do use an abbreviation, we explain what it stands for. You can also find video tutorials for most of the patterns in the book if you need help. We love seeing what you make! Come and share with us on

Facebook or Instagram. We will cheer you on!

Bedfordshire lace became popular in the fashions of the second half of the nineteenth century because of the beauty of its bold-open designs, often with elegant floral motifs, and it continues to fascinate and captivate lacemakers today. This practical book is dedicated to the novice and experienced lacemaker wishing to learn these techniques so as to realize this elegance for themselves. Information is given about the equipment needed for bobbin lacemaking, how to make a pricking (the pattern on which the lace is made), and how to wind thread on the bobbins. Instruction explains how to work cloth stitch and half stitch, plaits, windmill crossings, picots and leaf-shaped tallies, and how to finish a piece of lace. There is a series of twenty-six patterns, some traditional and others designed more recently. These are supported by instructions, photographs and diagrams. The patterns include small motifs, edgings - some with corners for handkerchiefs - butterflies and, finally, three exquisite collars.
