Anna Claire has written these poems with older schoolchildren in mind, hoping they will encourage lively debate and reflection. Many of the poems are personal, and some are tragic but they are based on situations and circumstances that most of us encounter or face at some point during our lifetime. Reflection enables us to respond to others with understanding, and perhaps with the benefit of doing so, we are better equipped to deal with that

which might otherwise overwhelm oneself, or those close to us. The human spirit is strong and has amazing abilities to overcome difficulties. *Mother Knows Best* Disney Electronic Content "This guide reveals how to use food to enhance our personal and professional lives--and increase longevity to boot"--*Heart of the Moors* Central Avenue Publishing The tale of the legendary golden flower is widely known. The story has been told many times and in many ways. But always

the flower is coveted by an old witch to keep herself young and beautiful. And always the flower is used to save a dying queen, who then gives birth to a princess with magical hair. Not willing to lose the flower, the old witch steals the princess and locks her away in a high tower, raising her as her own. But the princess always finds out who she truly is and manages to defeat the old witch. And yet this is only half the story. So what of the old witch, Mother Gothel? Where

does she come from? And how does she come across the magical golden flower? Here is one account that recounts a version of the story that has remained untold for centuries . . . until now. It is a tale of mothers and daughters, of youth and dark magic. It is a tale of the old witch.

“Whimsical, witty, and brimming over with charm” (India Holton), Olivia Atwater’s delightful debut will transport you to a magical version of Regency England, where the only thing more meddling than a fairy is a marriage-minded mother! It’s difficult to find a husband in Regency England when you’re a young lady with only half a soul. Ever since she was cursed by a faerie, Theodora Ettings has had no sense of fear or embarrassment—an unfortunate condition that

leaves her prone to accidental scandal. Dora hopes to be a quiet, sensible wallflower during the London Season—but when Elias Wilder, the strange, handsome, and utterly ill-mannered Lord Sorcier, discovers her condition, she is instead drawn into peculiar and dangerous faerie affairs. If her reputation can survive both her curse and her sudden connection with the least-liked man in all high society, then she and her family may yet reclaim their normal place in the world. But the

longer Dora spends with Elias, the more she begins to suspect that one may indeed fall in love even with only half a soul.
