Fundamenta Krestomatio By L. L.

Zamenhof

Yes Man Verso Books

The explosive novel of Italy's revolutionary 1969. It was 1969, and temperatures were rising across the factories of the north as workers demanded better pay and conditions. Soon, discontent would erupt in what became known as Italy's Hot Autumn. A young worker from the impoverished south arrives at Fiat's Mirafiori factory in Turin, where his darker complexion begins to fade from the fourteen-hour workdays in sweltering industrial heat. His bosses try to withhold his wages. Our cynical, dry-witted narrator will not bend to their will. "I want everything, everything that's owed to me," he tells them. "Nothing more and nothing less, because you don't mess with me." Around him, students are holding secret meetings and union workers begin halting work on the assembly lines, crippling the Mirafiori factory with months of continuous strikes. Before long, barricades line the roads, tear gas wafts into private homes, and the slogan "We Want Everything" is ringing through the streets. Wrought in spare and measured prose, Balestrini's novel depicts an explosive uprising. Introduced by Rachel Kushner, the author of the best-selling *The Flamethrowers*, *We Want Everything* is the incendiary fictional account of events that led to a decade of revolt.

Bleachers Independently Published

"If you're a fan of John Grisham, Scott Turow, and Brad Meltzer, then you will be a fan of Steve Cavanagh's *The Defense*." —Nelson DeMille, #1 New

York Times bestselling author of *Radiant Angel* Eddie Flynn used to be a con artist. Then he became a lawyer. Turns out the two aren't that different. Former con artist turned lawyer Eddie Flynn gave up the law a year ago after a disastrous case, and he vowed never to step foot in a courtroom again. But now he doesn't have a choice. The head of the Russian mob in New York City, on trial for murder, has kidnapped Eddie's ten-year-old daughter: Eddie has to take this case whether he likes it or not. Using his razor-sharp wit and every con, bluff, grift, and trick in the book, Eddie has only forty-eight hours to defend an impossible murder trial. And if he loses this case, he loses everything.

Oliver Cromwell and the Rule of the Puritans in England Oxford University Press, USA

An interior look at Roberto Calasso's work as a publisher and his reflections on the art of book publishing. In this fascinating memoir, the author and publisher Roberto Calasso meditates on the art of book publishing. Recalling the beginnings of Adelphi in the 1960s, he touches on the Italian house's defining qualities, including the considerations involved in designing the successful *Biblioteca* series and the strategy for publishing a wide range of authors of high literary quality, as well as the historic critical edition of the works of Nietzsche. With his signature erudition and polemical flair, Calasso transcends Adelphi to look at the publishing industry as a whole, from the essential importance of graphics, jackets, and cover flaps to the consequences of universal digitization. And he outlines what he describes as the "most hazardous and ambitious" profile of what a publishing house can be: a book comprising many books, a form in which

"all the books published by a certain publisher could be seen as links in a single chain"—a conception akin to that of other twentieth-century publishers, from Giulio Einaudi to Roger Straus, of whom the book offers brief portraits. An essential book for writers, readers, and editors, *The Art of the Publisher* is a tribute to the elusive yet profoundly relevant art of making books.

The Shifting Point, 1946-1987

Macmillan + ORM

'A sharp and absolutely hilarious spoof of the country house murder mystery... The whodunnit is a fun one... Such a fantastic read. I laughed out loud reading this many times, never more so than at the very end of the epilogue. Terrific stuff' Reader review [★★★★] 'It's the 1930s and a mysterious illness is spreading over Scotland. But the noble and ancient family of Inverkillen, residents of Loch Down Abbey, are much more concerned with dwindling toilet roll supplies and who will look after the children now that Nanny has regretfully (and most inconveniently) departed this life. Then Lord Inverkillen, Earl and head of the family, is found dead in mysterious circumstances. The inspector declares it an accident but Mrs MacBain, the head housekeeper, isn't so convinced. As no one is allowed in or out because of the illness, the residents of the house - both upstairs and downstairs - are the only suspects. With the Earl's own family too busy doing what can only be described as nothing, she decides to do some digging - in between chores, of course - and in doing so uncovers a whole host of long-hidden secrets, lies and betrayals that will alter the dynamics of the household for ever. Perfect for fans of *Downton Abbey*, Agatha Christie and Richard Osman's *The Thursday Murder Club*, *Loch Down Abbey* is a playful,

humorous mystery that will keep you glued to the page! Readers love *Loch Down Abbey*! 'Think *Downton Abbey* and upstairs and downstairs then think Poirot... an entertaining read that gripped me right to the end' Reader review [★★★★] 'Brilliant fun! Set in beautiful Scotland in the 1930s... The wit and humour are laugh out loud delightful' Reader review [★★★★] 'This was such a fun read!... Like a mashup of *Gosford Park*, *Downton Abbey*, a mystery... I loved it... Super fun and enjoyable read' Reader review [★★★★] 'Transports us to 1930s, on a Scottish estate... an extremely enjoyable and humorous fantastic read... I enjoyed the *Downton Abbey* feeling to it... A great, fun read' Reader review [★★★★] 'Loved this book! Crazy family, intriguing mystery and lovely Scottish setting' Reader review [★★★★] 'A fun, gripping read full of wit, humour, and strong characters... I highly recommend you give *Loch Down Abbey* a read... you won't regret it!' Reader review [★★★★] 'What an absolute joy this book is! I loved it so much!' Reader review [★★★★] 'What a delight of a book! Full of humour, well drawn characters and a family with issues. Not forgetting a mysterious death' Reader review [★★★★] [The Pauline Chapel](#) University Press of Kentucky

The intellectual and political elite of the West is nowadays taking for granted that religion, in particular Christianity, is a cultural vestige, a primitive form of knowledge, a consolation for the poor minded, an obstacle to coexistence. In all influential environments, the widespread watchword is "We are all secular" or "We are all post-religious." As a consequence, we are told that states must be independent of religious creed, politics must take a neutral

stance regarding religious values, and societies must hold together without any reference to religious bonds. Liberalism, which in some form or another is the prevailing view in the West, is considered to be “free-standing,” and the Western, liberal, open society is taken to be “self-sufficient.” Not only is anti-Christian secularism wrong, it is also risky. It's wrong because the very ideas on which liberal societies are based and in terms of which they can be justified—the concept of the dignity of the human person, the moral priority of the individual, the view that man is a “crooked timber” inclined to prevarication, the limited confidence in the power of the state to render him virtuous—are typical Christian or, more precisely, Judeo-Christian ideas. Take them away and the open society will collapse. Anti-Christian secularism is risky because it jeopardizes the identity of the West, leaves it with no self-conscience, and deprives people of their sense of belonging. The Founding Fathers of America, as well as major intellectual European figures such as Locke, Kant, and Tocqueville, knew how much our civilization depends on Christianity. Today, American and European culture is shaking the pillars of that civilization. Written from a secular and liberal, but not anti-Christian, point of view, this book explains why the Christian culture is still the best antidote to the crisis and decline of the West. Pera proposes that we should call ourselves Christians if we want to maintain our liberal freedoms, to embark on such projects as the political unification of Europe as well as the special relationship between Europe and America, and to avoid the relativistic trend that affects our public ethics. “The challenges of our particular historical

moment”, as Pope Benedict XVI calls them in the Preface to the book, can be faced only if we stress the historical and conceptual link between Christianity and free society.

A woman returns to South America to enjoy restored democracy, only to learn from her maid that she must not read newspapers because thinking is banned, should not open the windows because the army is holding maneuvers, can't have breakfast because it was stolen, and so on. Political satire by an Argentine writer, author of *Black Novel*.

Censorship and Literature in Fascist Italy BRILL

#1 NEW YORK TIMES BESTSELLER • High school all-American Neely Crenshaw was probably the best quarterback ever to play for the legendary Messina Spartans. Fifteen years have gone by since those glory days, and Neely has come home to Messina to bury Coach Eddie Rake, the man who molded the Spartans into an unbeatable football dynasty. Now, as Coach Rake's “boys” sit in the bleachers waiting for the dimming field lights to signal his passing, they replay the old games, relive the old glories, and try to decide once and for all whether they love Eddie Rake – or hate him. For Neely Crenshaw, a man who must finally forgive his coach – and himself – before he can get on with his life, the stakes are especially high. Don't miss John Grisham's new book, *THE EXCHANGE: AFTER THE FIRM!*

History of the Ecumenical Movement

Edizioni Musei Vaticani

This book studies the Chinese "Belt and Road Initiative" (BRI), also called "New Silk Road", and focuses on its regional and local effects. Written by experts from various fields, it presents a range of case studies on the geopolitical, socio-economic, ecological and cultural implications of the BRI for European regions and their stakeholders. The book is divided into four parts, the first of which discusses the history of and China's motivations for the BRI. The second part explores the global phenomenon from a number of regional standpoints. In turn, the third part presents studies on the political, socio-economic, cultural and ecological implications of the New Silk Road project. The final part highlights the tourism prospects in connection with the Silk Road project, as tourism has established itself as an important economic sector in many regions along the historic Silk Road. This book will appeal to scholars of economics, international relations and tourism, decision-makers, managers, chambers of commerce and entrepreneurs with special interests in establishing collaboration with the Chinese market.

From one of Italy's most legendary restaurants, a must-have cookbook for lovers of fine Italian cuisine. Founded in 1966 by Vittorio Cerea, Da Vittorio is today one of the most beloved restaurants in Italy. The first-ever cookbook from the Michelin three-star

institution, this volume presents fifty never-before-published recipes adapted for discerning home chefs. Nestled in the foothills between Milan and Bergamo, Da Vittorio's renown lies in its artful seafood dishes and locally sourced ingredients. A blend of Italian tradition and culinary creativity, their cuisine is at once sophisticated and authentic, innovative and classic. From paccheri pasta with three different types of tomatoes and a fritto misto of fish and vegetables, to a chocolate-hazelnut cake, the recipes featured in this volume are accompanied by mouthwatering photographs and insightful anecdotes from the Cerea family.

Report to the Principal's Office Univ of California Press

"The document ... is a declaration of the consensus achieved by Lutherans and Catholics on the topics of church, ministry, and eucharist as the result of ecumenical dialogue between the two communions since 1965. It is a consensus 'on the way, ' because dialogue has not yet resolved all the church-dividing differences on these topics."--Preface.

The Art of the Publisher Plunkett Lake Press

The breathless finale to the New York Times bestselling Rebel of the Sands series will have you on the edge of your seat until the dust from the final battle clears! When gunslinging Amani Al'Hiza escaped her dead-end town, she never imagined she'd join a revolution, let alone lead one. But after the bloodthirsty Sultan of Miraji imprisoned the Rebel Prince Ahmed in the mythical city of Eremot, she doesn't have a choice. Armed with only her revolver, her wits, and her untameable Demdji powers, Amani must rally her skeleton crew of rebels for a rescue mission through the

unforgiving desert to a place that, according to maps, doesn't exist. As she watches those she loves most lay their lives on the line against ghouls and enemy soldiers, Amani questions whether she can be the leader they need or if she is leading them all to their deaths.

The Dead Fish Museum Penn State Press

In this biography of Enrico Fermi (1901-54), who won the Nobel Prize in physics in 1938 for his work on radioactivity by neutron bombardment and his discovery of transuranic elements and who achieved the first controlled nuclear chain reaction in Chicago in 1942, his student, collaborator, fellow Nobel Prize winner and lifelong friend Emilio Segrè presents the scientist, and explains in nontechnical terms Fermi's work and his achievements. "Segrè's description of Fermi's early life and his involvement with and commitment to physics is extremely interesting... Segrè understands and describes very clearly the outstanding characteristics of Fermi's theoretical work: clarity and completeness... Segrè has succeeded admirably in describing Fermi's entire scientific career, and this book is strongly recommended." — M. L. Goldberger, *Science* "We must thank Emilio Segrè for this authoritative, revealing and inspiring book. It covers in a masterly fashion the most exciting thirty years of modern physics and the character and activities of one of its greatest contributors." — *Nature* "A rich, well-rounded portrait of [Fermi] the scientist, his methods, intellectual history, and achievements. Explaining in nontechnical terms the scientific problems Fermi faced or solved, Enrico Fermi, Physicist contains illuminating material concerning Fermi's youth in

Italy and the development of his scientific style." — *Physics Today* "All that might be hoped for in a biography of one Nobel Prize winner in physics by another has been realized in Emilio Segrè's biography of his friend, Enrico Fermi... A truly masterly drawing of Fermi's character, along with his physics and the events through which he moved, Segrè has provided us with a brilliant appreciation of one of the most pre-eminent figures of modern physics." — *Physics Bulletin* "This excellent biography, written by one of the original group who worked with him during the 1930s at Rome, catches beautifully the style and spirit of its subject... With Fermi's passing the age of the universal experimental and theoretical physicist is gone. Segrè's book tells the story of this heroic age of physics and of its principal actor; it is a delight to read, and I recommend it heartily." — *American Scientist* "Here we meet the man at work and we see the meticulous scientist... This book also shows us another facet of Fermi: that of the conscientious scientist torn between his love of pure research and his love of teaching." — V. Barocas, *Annals of Science* "Segrè is a sensitive biographer, responsive to all problems that can plague the creative scientist; he shows, above all, Fermi's dedication, zeal, and extraordinary talents. Segrè has provided more than sympathy. Much that is new about Fermi's youth in Italy appears here... [A] very rewarding book... Every physicist will want to read this biography, along with every reader who has an interest in intellectual developments during the 1920-1960 era." — J. Z. Fullmer, *The Ohio Journal of Science*

The Defense Flatiron Books

A new mass-market edition of this Carnegie Medal-winner. One of the

classic teenage novels of the nineties, "River Boy" is an emotional, moving book which has had a profound influence on its readers. Following the story of Jess's dying grandfather, and the marathon river swim Jess becomes caught up in, it uses poetic and surreal images of water and swimming to deal with the difficult subjects of death and loss in an accessible and affecting way. * Winner of the Carnegie Medal and the Angus Book Prize * A moving poetic exploration of grief and loss. * Internationally successful - foreign rights have so far been sold to America, Denmark, Sweden, Germany, Belgium, Italy, Poland and Portugal. A film option has been agreed. * New cover treatment to match Tim Bowler's wonderful new novel, "Storm Catchers". * Author was born and brought up in Leigh-on-Sea, Essex, and now lives in Totnes, Devon. We Want Everything Continuum
A gripping legal thriller from the no.1 Sunday Times bestselling author and creator of Sooley and The Judge's List.

An innocent man is days from execution. Only a guilty man can save him. Travis Boyette is a murderer. Nine years ago, he strangled a high-school cheerleader and buried her body so it could never be found. Then, he watched and waited as police arrested Donte Drumm, a local football star with no connection to the crime. Tried, convicted, and sentenced, Drumm was sent to death row whilst Boyette walked free. Now, Donte Drumm is four days from execution. And as Boyette faces his own mortality, he has finally decided to do what is right. He has decided to confess. But how can he convince the state that they are about to execute the wrong man?

'A master at the art of deft

characterisation and the skilful delivery of hair-raising crescendos' Irish Independent 'John Grisham is the master of legal fiction' Jodi Picoult 'The best thriller writer alive!' Ken Follett 'John Grisham has perfected the art of cooking up convincing and fast-paced thrillers' Telegraph 'Grisham is a superb and instinctive storyteller' The Times 'Grisham's storytelling genius reminds us that when it comes to legal drama, the master is in a league of his own.' Daily Record 'Masterful - when Grisham gets in the courtroom he lets rip, drawing scenes so real they are not just alive, they are pulsating' Mirror 'A giant of the thriller genre!' TimeOut
Veit Harlan Vintage

The history of totalitarian states bears witness to the fact that literature and print media can be manipulated and made into vehicles of mass deception. Censorship and Literature in Fascist Italy is the first comprehensive account of how the Fascists attempted to control Italy's literary production. Guido Bonsaver looks at how the country's major publishing houses and individual authors responded to the new cultural directives imposed by the Fascists. Throughout his study, Bonsaver uses rare and previously unexamined materials to shed light on important episodes in Italy's literary history, such as relationships between the regime and particular publishers, as well as individual cases involving renowned writers like Moravia, Da Verona, and Vittorini. Censorship and Literature in Fascist Italy charts the development of Fascist censorship laws and practices, including the creation of the Ministry of Popular Culture and the anti-Semitic crack-down of the late 1930s. Examining the breadth and scope of censorship in Fascist Italy, from Mussolini's role as

'prime censor' to the specific experiences of female writers, this is a fascinating look at the vulnerability of culture under a dictatorship.

Hero at the Fall Palala Press

Veit Harlan (1899-1964) was one of Germany's most controversial and loathed directors. The first English-language biography of the notorious director, Veit Harlan presents an in-depth portrait of the man who is arguably the only Nazi filmmaker with a distinct authorial style and body of work.
