Toys, people! Who doesn't love toys? They make you smile, give you something to squeeze and hug, and can even sit on the couch and watch TV with you. But could the toy be a couch, or an old-fashioned television? Is that too weird? Not if the toy is mochimochi, the super-cute and strange knitted toys author Anna Hrachovec created after falling in love with the bizarre character designs that are popular in Japan. A mochimochi can be anything, from fearsome baby gators to pigs with beehive hairdos, from the toe-nibbling monster slippers to an assortment of itty-bitty hamsters, micro mountains, and human beans complete

with comb-overs! And what knitter doesn't need a diversion from the usual socks, hats, and scarves? Many of these toys take less than an hour to make. Don't worry, even a beginner can learn to knit mochimochi. If your toy comes out a little lumpy, it'll only add to its personality! Whether it's a bite-free bed bug, a smiling smokestack, or a grouchy couch--these 20 toys are quirkier than teddy bears but every bit as adorable.

If you are looking to make slippers fast and thick, this is the pattern for you! For this pattern, I've designed it so you can use either 2 strands of worsted weight yarn (10 ply or No. 4 yarn) or you can use super bulky yarn (14 ply or No. 6 yarn). The number of stitches and rows per inch is quite low, so they work up very quickly. The pattern is knitted flat on 1 set of 5 mm (US size 8) single pointed needles. The pattern itself only involves basic stitches including the knit and purl stitch,

k2tog, P2tog and casting on stitches. Easy peasy! For real. This is a great knitting pattern for beginners! The sizes are for adults only! You can make slippers that fit women and men from a size 6-12. The purchase of this pattern allows you to make and sell the slippers, but you may not redistribute or resell this pattern.

For years, students have asked knitting instructor Mary Scott Huff for a book on their favorite topic--knitting mittens--but one that empowers them to create their own mittens their own way. This is that book. The Mitten Handbook is much more than an instruction book--it provides a list of mitten ingredients (thumbs, cuffs, tops, edgings, and different constructions), then outlines the best

tools and techniques for readers to combine them to knit their own unique creations. The book is organized into three sections. The first presents mitten elements, with a menu of choices that makes getting custom results easy. The second section covers the key aspects of construction, including how to measure for the perfect fit, yarn and gauge considerations, and which direction to knit. And the final section provides 20 complete mitten patterns.

Go wild with this brand new collection of adorable knitted wild animal toys and their clothes and accessories by best-selling author Louise Crowther. After the success of Knitted Animal Friends, Louise has created knitting patterns for 12 new, wild animals in their own wonderful wardrobes. This collection includes a zebra in dungarees, an elephant in a tutu, a lion in jeans, a tiger in a party dress, a chimpanzee in a rainbow cardigan, a sloth in pyjamas (of course!), a koala in a furry gilet, a bear in a fair isle sweater, a hippo in overalls, a

panda in a duffle coat, a giraffe in a pinafore and a rhinoceros in a day dress - all with their own distinct personal style! Whether you love Charlie the Chimpanzee's casual outfit of rainbow striped cardigan, shorts and sneakers, or Sophie the Tiger's more formal pink ruffle dress which is perfect for a birthday celebration, there is a something for everyone. Edward the Sloth likes to take it easy and relaxes in comfy pyjamas a fluffy robe and slippers when he's kicking back (which is always!), whereas Hugo the Zebra is always up for an adventure and enjoys

wearing his red and white dungarees so he's ready for anything. Louise's attention to detail means that every outfit fits perfectly and you will enjoy creating all the details that make each one so distinctive. There are instructions for how to construct the animal dolls and outfits as well as step-by-step photography for the techniques. Louise also explains how to follow charts for the colour work details in the outfits, as well as step-by-step tutorials for any special stitches. The animal dolls have the same basic body shape and are the same size so

that all of the outfits are interchangeable (they also work for the dolls in Knitted Animal Friends too), so you can mix and match your favourites. Or you can just make the animals: the animal patterns and a lot of the clothes are knitted flat and then sewn together but some of the clothing is knitted in the round. All of the techniques for making up the animals include step-by-step instructions and photography. There are so many possibilities for animal and outfit changes so that you can make the perfect doll for the cheeky monkeys in your life.
