HERRERA MCKENZIE

Good Night, Gorilla Simon & Schuster Books for Young Readers
A boy's hamster leads an increasingly large group of hamsters on a tour of the boy's house, while his father counts down the minutes to bedtime

Gladys Goes Out to Lunch Simon and Schuster

There are lots of things this beastly brother does to annoy his younger brother. After all, there are games that involve poison ivy and hide-and-shriek! But beastly or not, this big brother is not as mean and tough as he seems. Laura Leuck's frolicking rhyme about a sibling relationship is matched perfectly with Scott Nash's awfully fun illustrations.

Goodnight Goodnight Sleepyhead Harper Collins

Author-artist Nina Laden has taken her trademark wit and applied it to one of Shakespeare's best-loved plays. Adults familiar with the classic love story will delight in the many references to the original play, all of which make this a rarity: a children's book they want to read again and again. And young children who know nothing of the Bard will be riveted by this funny yet touching tale about Romeow the cat and Drooliet the dog, two star-crossed lovers who meet by chance, marry in secret, and are kept apart by a snarling rottweiler, appalled owners, and the animal control warden. The clever details throughout the book belie the careful research behind this homage to true love won and lost and in the case of this book won again proving once and for all that dogs and cats can be friends.

The Escape of Marvin the Ape Good Night Books

"Good night, Gorilla," says the zookeeper. But mischievous Gorilla isn't quite ready to go to sleep. He'd rather follow the zookeeper on his rounds and let all of the other animals out of their cages. Little night owls can sneak along with Gorilla and see who gets the last laugh in this riotous goodnight romp. Practically wordless yet full of expressive art and hilarious, adorable detail, this book from Caldecott Medal winning author Peggy Rathmann is sure to become a beloved part of children's own bedtime rituals. In a great green room, tucked away in bed, is a little bunny. "Goodnight room, goodnight moon." And to all the familiar things in the softly lit room—to the picture of the three little bears sitting on chairs, to the clocks and his socks, to the mittens and the kittens, to everything one by one—the little bunny says goodnight. One of the most beloved books of all time, *Goodnight Moon* is a must for every bookshelf and a time-honored gift for baby showers and other special events.

Gorilla National Geographic Books

Seeing bully Bootsie Barker get her comeuppance is guaranteed to make young readers smile. It's the worst when Bootsie Barker comes to my house. Bootsie's the one who pulls my hair and tears my books. She hates Charlene, my pet salamander. She says that I'm a turtle and she's a turtle-eating dinosaur. Uh-oh, I think I hear a car pulling up. That's her now! Eeek! "The colorful cartoon and wash drawings, filled with amusing detail, perfectly express the terroristic tactics and the narrator's frustration. When Bootsie is on a rampage, even the stuffed animals cover their eyes." --
