RIGOBERTO ROWE

[Las Vegas - Insight Step by Step Guides](#) IMBRIFEX BOOKS

Spectacular, escapist and surreal, there is no other city on earth like Las Vegas. Be inspired to visit by the brand new Insight Pocket Guide Las Vegas, a concise, full-color guide to this desert metropolis that combines lively text with vivid photography to highlight the best that Las Vegas has to offer.

Las Vegas Pocket Guide Apa Publications (UK) Limited

Peter and Rebecca Harris: mid-forties denizens of Manhattan's SoHo, nearing the apogee of committed careers in the arts—he a dealer, she an editor. With a spacious loft, a college-age daughter in Boston, and lively friends, they are admirable, enviable contemporary urbanites with every reason, it seems, to be happy. Then Rebecca's much younger look-alike brother, Ethan (known in the family as Mizzy, "the mistake"), shows up for a visit. A beautiful, beguiling twenty-

three-year-old with a history of drug problems, Mizzy is wayward, at loose ends, looking for direction. And in his presence, Peter finds himself questioning his artists, their work, his career—the entire world he has so carefully constructed. Like his legendary, Pulitzer Prize-winning novel, *The Hours*, Michael Cunningham's masterly new novel is a heartbreaking look at the way we live now. Full of shocks and aftershocks, it makes us think and feel deeply about the uses and meaning of beauty and the place of love in our lives.

Motel Vegas Insight Guides

A brand new series from Insight for smart travellers, brings you the "Smart Guide to Las Vegas".

The unique and innovative A-Z format of Smart Guides allows you to find your way around the book with ease and plan your trip according to your own personal taste. Themed headings cover over 400 amazing things to see, covering bars and cafes, hotels, gambling, shopping, history, restaurants, weddings, live entertainment, museums and much more, for a truly tailor-made, individual travel experience. Comprehensive Area overviews cover Southern Strip, Northern Strip, Downtown Las Vegas, Red Rock Canyon and Mount Charleston, Lake Mead, Valley of Fire, and

Hoover Dam and more; conveniently highlighting the best each area has to offer, alongside beautiful photography. The front-cover flap highlights all the top attractions of Las Vegas, such as the Strip, shopping, Downtown and big-budget shows; pinpointing exactly where to find these within the guide and allowing you to set priorities for your trip. This guide also contains a street atlas with full index and detailed mapping which is cross-referenced to the main text for ease of use. The back-cover flap provides useful travel information, such as important telephone numbers and interesting facts and figures. If that wasn't enough; you also receive a free HotelClub loyalty card, offering GBP10 off your first hotel booking plus great savings of up to 60 percent on over 30,000 hotels across 120 countries. "Smart Guides" - the smart way to navigate.

Best Day on Earth Farrar, Straus and Giroux

His purview ranges from casino art galleries to spectacular animal collections like those of magicians Siegfried and Roy and Mandalay Bay's Shark Reef exhibit, from the environmental and psychological impact of lavish water displays in the arid desert to the artistic ambiguities intrinsic to Las Vegas's floating world of showgirls, lapdancers, and ballet divas. This compelling, disturbing

discussion of entertainment and the arts in Las Vegas shows how our insatiable modern appetite for extravagance and spectacle has diminished the power of unembellished nature and the arts to teach and inspire us, and demonstrates the way our libertarian society privileges private benefit over public good."--BOOK JACKET.

Las Vegas - Insight Smart Guide Insight Guides

In this lively and probing book, award-winning author Pete Earley traces the extraordinary evolution of Las Vegas -- from the gaudy Mecca of the Rat Pack era to one of the country's top family vacation spots. He revisits the city's checkered history of moguls, mobsters, and entertainers, reveals the real stories of well-known power brokers like Steve Wynn and legends like Howard Hughes and Bugsy Siegel, and offers a fascinating portrait of the life, death, and fantastic rebirth of the Las Vegas Strip. Earley also documents the gripping tale of the entrepreneurs behind the rise and fall and rise again of one of the largest gaming corporations in the nation, Circus Circus -- to which he was given unique access. In his trademark you-are-there style, he takes us behind the scenes to meet the blackjack dealers and hookers, the heavy hitters and bit players, the security officers, cabbies, and showgirls who are caught up in the mercurial pace that pulses at the heart of this astounding city.

Stewards of the Future Lonely Planet

Insight Guides: Inspiring your next adventure Spectacular, escapist and surreal, there is no other city on earth like Las Vegas. Be inspired to visit by the brand new Insight Pocket Guide Las Vegas, a concise, full-colour guide to this desert metropolis that combines lively text with vivid photography to highlight the best that Las Vegas has to offer. 'Insight Guides has spawned many imitators but is still the best of its type.' - Wanderlust Magazine

The Snowboarder's Total Guide to Life University of Washington Press

This "brutal and unflinching" novel of fleeting love in Sin City inspired the film starring Nicholas Cage and Elizabeth Shue (Jay McInerney, author of *Bright Lights, Big City*). John O'Brien's debut novel, *Leaving Las Vegas*, is an emotionally wrenching story of a woman who embraces life and a man who rejects it; a powerful tale of hard luck, hard drinking, and a relationship of tenderness and destruction. An avowed alcoholic, Ben drinks away his family, friends, and, finally, his job. With deliberate resolve, he burns the remnants of his life and heads for Las Vegas to end it all in the last great binge of his hopeless life. On the Strip, he picks up Sera, a prostitute, in what might have become another excess in his self-destructive jag. Instead, their chance meeting becomes a respite on the road to oblivion as they form a bond that is as mysterious as it is immutable.

Insight Guides' unique combination of beautiful travel photography and focus on history and culture create a unique visual reference and planning tool to inspire your next adventure.

Road Trip USA Open Road + Grove/Atlantic

In *On the Road Again*, William Wyckoff explores Montana's changing physical and cultural landscape by pairing photographs taken by state highway engineers in the 1920s and 1930s with photographs taken at the same sites today. The older photographs, preserved in the archives of the Montana Historical Society, were intended to document the expenditure of federal highway funds. Because it is nearly impossible to photograph a road without also photographing the landscape through which that road passes, these images contain a wealth of information about the state's environment during the early decades of the twentieth century. To highlight landscape changes -- and continuities -- over more than eighty years, Wyckoff chose fifty-eight documented locations and traveled to each to photograph the exact same view. The pairs of old and new photos and accompanying interpretive essays presented here tell a vivid story of physical, cultural, and economic change. Wyckoff has grouped his selections to cover a fairly even mix of views from the eastern and western parts of the state, including a wide assortment of land use settings and rural and urban landscapes. The photo pairs are organized in thirteen "visual themes," such as forested areas, open spaces, and sacred spaces, which parallel landscape change across the entire American West. A close, thoughtful look at these photographs reveals how crops, fences, trees, and houses shape the everyday landscape, both in the first quarter of the twentieth century and in the present. The photographs offer an intimate view into Montana, into how Montana has changed in the past eighty years and how it may continue to change in the twenty-first century. This is a book that will captivate readers who have, or hope to have, a tie to the Montana countryside, whether as resident or visitor. Regional and agricultural historians, geographers and geologists, and rural and urban planners will all find it fascinating.

Learning from Las Vegas The Unofficial Guides

Art historian and photographer Fred Sigman documents the art and history of Las Vegas motels and classic neon signage that contributed to the drive for preservation and restoration during the mid-90s. Motel Vegas provides a nostalgic look into the ever-evolving landscape that is classic Las Vegas. As the boom in building casinos moved to the southern end of the Strip, some of the classic motels from the 50's and 60's near downtown and Fremont Street have been able to survive in relative obscurity. Sigman's photographs provide insight on how the economic prosperity of Las Vegas fueled the drive for tourism, while forcing change for others. Based on a previous exhibition held at the OKHarris Gallery and Smallworks Gallery. Over 75 large format photos from the most historic motel locations in Las Vegas and the surrounding area. Motel Vegas includes a foreword by Alan Hess, introduction by Scott Dickensheets, and afterword by Bob Stodal. Winner of an IPPY Award by the Independent Publisher Book Awards.

In the Desert of Desire Eating Las Vegas

Offers detailed descriptions of drives through California and the Southwest, with a flexible format allowing one to switch routes during a journey, and including information on where to eat and sleep, the best local radio stations, hundreds of roadside attractions, and more.

Arizona and the Grand Canyon Avalon Travel Pub

Along with "what happens here stays here" and "Circus Circus isn't that bad," one of the biggest Las Vegas myths is that so-called insiders are the city's best sources of tips, reviews, and information. Often, however, obsessive Las Vegas visitors offer more trustworthy suggestions and accurate insights about the Las Vegas Strip and Fremont Street. An unapologetic Las Vegas outsider, author Tim Dressen shares advice, hints, and unfiltered opinions gathered as cohort of Five Hundy by Midnight, the Original Las Vegas Podcast, for more than a decade. With the same irreverent spirit as the podcast, *The Outsiders' Guide to Las Vegas* is packed with useful information, entertaining perspectives, and more than a few off-the-rails rants. This is the Las Vegas guide by an outsider, inspired by outsiders, and for outsiders.

Las Vegas Studio Naughty Girl Press

"In 1968, American architects Robert Venturi, Denise Scott Brown, and Steven Izenour joined together with students from Yale University and took on Las Vegas as a subject of research. The group spent three weeks in libraries, four days in Los Angeles, and ten days in Las Vegas. The research led to the 1972 publication of the seminal architectural theory treatise *Learning from Las Vegas*. Photography and film were employed equally within as means of argumentation and representation. The original material has since been stored in the archives of Venturi, Scott Brown & Associates in Philadelphia. The firm has now opened up its archives and made the photographs available." --Book Jacket.

Paradise, Nevada Grand Central Publishing

Successfully grow your business and improve customer and employee happiness with this New York Times bestseller book written by the CEO of Zappos. As the CEO of one of Fortune Magazine's "Best Companies to Work For," Tony Hsieh knows that keeping people happy is the key to professional growth and harmony. It might sound crazy, but Hsieh believes that we can prioritize company culture, make money, and change the world. In *Delivering Happiness*, he shares the tools of the trade he's learned in business and life, from starting a worm farm to running a pizza business, to working at Zappos--a company so impressive that Amazon acquired it for over \$1.2 billion. Fast-paced and down-to-earth, *Delivering Happiness* shows how a different kind of corporate culture is a powerful model for achieving success, and concentrating on the happiness of those around you can dramatically increase your own.

The Law of Regulated Gambling Bantam

Be inspired by the new edition of *Insight Guide US National Parks West*, a comprehensive full-colour guide to these awe-inspiring wild spaces. Immense glaciers, soaring redwood forests and desert river canyons are only a sample of what the western US national parks have to offer and Insight Guides' unrivalled coverage of natural and cultural history provides an essential introduction to them. Stunning photographs on every page will take you on a journey through parks in California and the Pacific region, the Southwest, the Rockies and the Northwest. Our Best of US National Parks West highlights the top places to see, including the iconic Grand Canyon, granite peaks and river valley of Yosemite, and geothermal hot springs and geysers of Yellowstone. Lively features by a local writer cover a diverse range of subjects: the parks' founding fathers, photographing nature and grizzly bears, among others. All major sights are cross-referenced with full-colour maps, while the travel tips section provides a handy at-a-glance guide to planning a trip to every national park in the book. Plan the trip of a lifetime with Insight Guides.

How to have fun and understand the crazy environment of a Vegas vacation The Unofficial Guide to Las Vegas 2020 emphasizes how to have fun and understand the crazy environment that is today's Vegas. With insightful writing, up-to-date reviews of major attractions, and a lot of local

knowledge, The Unofficial Guide to Las Vegas has it all. It is the only guide that explains how Las Vegas works and how to make every minute and every dollar of your time there count. Eclipsing the usual list of choices, the guide unambiguously rates and ranks everything from hotels, restaurants, and attractions to rental car companies. The book contains sections about the history of the town, and the chapters on gambling are fascinating.
