MARSHALL BRYCE

Mary Poppins Comes

Back Simon and

Schuster

We might think the Egyptians were the masters of building tombs, but no other civilization has devoted

more time and resources to underground burial structures than the Chinese. For at least five thousand years, from the fourth millennium B.C.E. to the early twentieth century, the Chinese have been building some of the world's most elaborate tombs

and furnishing them with exquisite objects. It is these objects and the concept of the tomb as a “treasure-trove” that *The Art of the Yellow Springs* seeks to critique, drawing on recent scholarship to examine memorial sites the way they were meant to be experienced: not as a mere store of individual works, but as a work of art itself. Wu Hung bolsters some of the new trends in Chinese art history that have been challenging the conventional ways of studying funerary art. Examining the interpretative methods themselves that guide the study of memorials, he argues that in order to understand Chinese tombs, one must not necessarily forget the individual works

present in them—as the beautiful color plates here will prove—but consider them along with a host of other art-historical concepts. These include notions of visuality, viewership, space, analysis, function, and context. The result is a groundbreaking new assessment that demonstrates the amazing richness of one of the longest-running traditions in the whole of art history.

Boyfriend in Heat

Univ of California Press
A wonderful first novel which dramatically combines the suspense of a gripping literary thriller with a meditation on the nature of scientific chaos Roz Benegal, a feisty young BBC researcher, goes to

India to pick up the threads of her life there (she spent part of her childhood growing up in Kerala). She goes to Bombay to visit her sister Miranda, who is married to a prominent Bollywood film director, Prosper. Roz arrives to news headlines announcing the deaths of 8 eunuchs in four months and to rumours that her sister's husband may have murdered his first wife Maya, a film star past her prime. Not satisfied to leave the investigations of these allegations to the Indian police, Roz Benegal begins a dangerous search for the truth. Interwoven with this utterly gripping detective story is a remarkable layering of knowledge gleaned from old books

on storms, the monsoon, poisons and magical transformations, the narrator's fascination with chaos theory and her passionate interest in fate.

Shiva Orient
Paperbacks

The book presents a comparative study of the human rights abuses and legal problems faced by members of the third sex in India, complications regarding marriage adoption and sexual status, with relevant and important documents, petitions filed challenging the criminalization of homosexuality, and extracts from international human rights treatise for human rights activists, social scientist, lawyers, concerned

citizens.

Revolutionary Road

Gyan Books

NATIONAL BOOK

AWARD FINALIST •

Frank and April

Wheeler are a bright, beautiful, talented couple in the 1950s whose perfect suburban life is about to crumble in this "moving and absorbing story" (The Atlantic Monthly) from one of the most acclaimed writers of the twentieth century. "The Great Gatsby of my time...one of the best books by a member of my generation." —Kurt Vonnegut, acclaimed author of *Slaughterhouse-Five* Perhaps Frank and April Wheeler married too young and started a family too early. Maybe Frank's job is dull. And April never saw herself as a

housewife. Yet they have always lived on the assumption that greatness is only just around the corner. But now that certainty is about to unravel. With heartbreaking compassion and remorseless clarity, Richard Yates shows how Frank and April mortgage their spiritual birthright, betraying not only each other, but their best selves. In his introduction to this edition, novelist Richard Ford pays homage to the lasting influence and enduring power of *Revolutionary Road*.

advanced writing, giving help with grammar and collocation - Hear and practise all the words.

A Place of Greater Safety BenBella Books
 New York Times •
 Times Critics Top Books of 2021 The Times (of London) •
 Best Books of the Year Excerpted in The New Yorker Profiled in The Los Angeles Times Publishing for the centenary of her birth, Patricia Highsmith's diaries "offer the most complete picture ever published" of the canonical author (New York Times). Relegated to the genre of mystery during her lifetime, Patricia Highsmith is now recognized as one of "our greatest modernist writers" (Gore Vidal). Beloved by fans who were

unaware of the real psychological turmoil behind her prose, the famously secretive Highsmith refused to authorize a biography, instead sequestering herself in her Switzerland home in her final years. Posthumously, her devoted editor Anna von Planta discovered her diaries and notebooks in 1995, tucked in a closet—with tantalizing instructions to be read. For years thereafter, von Planta meticulously culled from over eight thousand pages to help reveal the inscrutable figure behind the legendary pen. Beginning with her junior year at Barnard in 1941, Highsmith ritualistically kept a diary and notebook—the former

to catalog her day, the latter to brainstorm stories and hone her craft. This volume weaves diary and notebook simultaneously, exhibiting precisely how Highsmith's personal affairs seeped into her fiction—and the sheer darkness of her own imagination. Charming yet teetering on the egotistical, young “Pat” lays bare her dizzying social life in 1940s Greenwich Village, barhopping with Judy Holliday and Jane Bowles, among others. Alongside Flannery O’Conner and Chester Himes, she attended—at the recommendation of Truman Capote—the Yaddo artist colony in 1948, where she drafted *Strangers on a Train*. Published in 1950 and soon

adapted by Alfred Hitchcock, this debut novel brought recognition and brief financial security, but left a heartsick Highsmith agonizing: “What is the life I choose?” Providing extraordinary insights into gender and sexuality in mid-twentieth-century America, Highsmith’s diaries convey her euphoria writing *The Price of Salt* (1951). Yet her sophomore novel would have to be published under a pseudonym, so as not to tarnish her reputation. Indeed, no one could anticipate commercial reception for a novel depicting love between two women in the McCarthy era. Seeking relief from America, Highsmith catalogs her peripatetic years in

Europe, subsisting on cigarettes and growing more bigoted and satirical with age. After a stay in Positano with a new lover, she reflects in her notebooks on being an expat, and gleefully conjures the unforgettable The Talented Mr. Ripley (1955); it would be this sociopathic antihero who would finally solidify her true fame. At once lovable, detestable, and mesmerizing, Highsmith put her turbulent life to paper for five decades, acutely aware there must be "a few usable things in literature." A memoir as significant in our own century as Sylvia Plath's journals and Simone de Beauvoir's writings were to another time, Patricia Highsmith: Her

Diaries and Notebooks is an historic work that chronicles a woman's rise against the conventional tide to unparalleled literary prominence.

Secwana Dictionary

Peter Owen Publishers
The Six Dynasties, also known as the "Dark Age" of Chinese history, was a period of political disunity and conflict but also one of important developments in the arts, religion, and culture. This comprehensive and extensively illustrated book covers the material culture of the Six Dynasties, A.D. 220 to 589. Albert E. Dien, a foremost expert on the period, draws on the archaeological findings of mainland China journals as well as historical and literary sources to

clarify and interpret the database of over 1,800 tombs developed for this volume. During the Six Dynasties, the influences of non-Chinese nomads, the flourishing of Buddhism, and increasing numbers of foreign merchants in the capitals brought about widespread change. The book explores what the archaeological artifacts reveal about this era of innovation and experimentation between the Han and Tang dynasties.

801 Media, Incorporated
From the Bronze Age through the Middle Ages, a network of trade and migration routes brought people from across Eurasia into contact. Their commerce included political, social, and

artistic ideas, as well as material goods such as metals and textiles. Reconfiguring the Silk Road offers new research on the earliest trade and cultural interactions along these routes, mapping the spread and influence of Silk Road economies and social structures over time. This volume features contributions by renowned scholars uncovering new discoveries related to populations that lived in the Tarim Basin, the advanced state of textile manufacturing in the region, and the diffusion of domesticated grains across Inner Asia. Other chapters include an analysis of the dispersal of languages across the Eurasian Steppe and a detailed examination of the

domestication of the horse in the region. Contextualized with a foreword by Colin Renfrew and introduction by Victor Mair, *Reconfiguring the Silk Road* provides a new assessment of the intercultural evolution along the steppes and beyond. Contributors: David W. Anthony, Elizabeth Wayland Barber, Dorcas R. Brown, Peter Brown, Michael D. Frachetti, Jane Hickman, Philip L. Kohl, Victor H. Mair, J. P. Mallory, Joseph G. Manning, Colin Renfrew.

A Dictionary, Sindhi and English Ta Ha Publishers

"The object of this work, which is entirely new, is to comprise, within a single volume, a chronological series of our classical poets, from Ben Johnson to Beattie, without mutilation or abridgment, with biographical and critical notices of their authors. The contents of this volume are so comprehensive, that few poems, it is believed, are omitted, except such as are of secondary merit, or unsuited to the perusal

of youth" -- Page [i].

 Patricia
 Highsmith: Her Diaries
 and Notebooks:
 1941-1995
 The traditional
 understanding of Shiva
 told through stories
 and teachings from the
 Shiva Mahapurana •
 Explains Shiva's

contradictory forms, such as destroyer or benefactor, and how his form depends on the needs of the devotee • Reveals how Shiva's teachings allow one to see through the illusions at the root of all grief and alienation in human life • Explores Shiva's relationships with Durga, Shakti, Sati, and Parvati and with his sons Ganesha and Kartikeya Shiva, the most ancient and complex deity of the Hindu pantheon, has been portrayed in many contrasting lights: destroyer and benefactor, ascetic and householder, wild demon slayer and calm yogi atop Mount Kailash. Drawing from the Hindu sacred text the Shiva Mahapurana--said to be written by Shiva himself--

Vanamali selects the essential stories of Shiva, both those from his dark wild side and those from his benevolent peaceful side. Vanamali discusses Shiva's many avatars such as Shambunatha and Bhola, as well as Dakshinamurti who taught the shastras and tantras to the rishis. She explores Shiva's relationships with Durga, Shakti, Sati, and Parvati and with his sons Ganesha and Kartikeya. Examining Shiva's acceptance of outsiders, Vanamali explains why ghosts and ghouls are his attendants and why his greatest devotees are demon kings, like Ravana. She includes famous Shiva stories such as the Descent of the River Ganga and

Churning the Milky Ocean as well as those that reveal the origin of the festival of lights, Diwali; his creation of the cosmic couple, or hierogamos; and how Shiva and Parvati taught the world the secrets of Kundalini Shakti. The author also draws upon Shaivite teachings to illustrate the differences between Western science and Vedic science and their explanations for the origins of consciousness. Integrating Shiva's two sides, the fierce and the peaceful, Vanamali reveals that Shiva's form depends on the needs of the devotee. Understanding his teachings allows one to see through the illusions at the root of all grief and alienation in human life, for Shiva

is the wielder of maya who does not fall under its spell. While Ganesha is known as the remover of obstacles, Shiva is the remover of tears.

The Truth About Me

Weidenfeld & Nicolson

Throughout the

centuries, as Russia strove to build itself into an imperial power equal to those in the West, China and Japan came to occupy a special place in Russians' view of the orient. Never colonised by Russia or the West, China and Japan were

linked not only to the greatest of Russian imperial fantasies, but also, conversely, to a deep sense of insecurity regarding Russia's place in the world, a sense of insecurity which deepened as China and Japan began to modernise in the later nineteenth century. Drawing on a wide range of works by Russian writers and thinkers, Lim sets out how Russian perceptions of China and Japan were formed from Muscovy's first contacts with China in the late seventeenth century, through to the aftermath of Russia's defeat by Japan in the early twentieth century.

The History of the Khalifahs who Took the Right Way Holt Paperbacks

We got stared at a lot. People asked out loudly—some out of curiosity, others out of malice—whether we were men or women or 'number nines' or devadasis. Several men made bold to touch us, on our backs, on our shoulders. Some attempted to grab our breasts. 'Original or duplicate?' they shouted and hooted. At such moments I felt despair and wondered if there would ever be a way for us to live with dignity and make a decent living. Revathi was born a boy, but felt and behaved like a girl. In telling her life story, Revathi evokes marvellously the deep unease of being in the wrong body that plagued her from childhood. To be true to herself, to escape the constant violence

visited upon her by her family and community, the village-born Revathi ran away to Delhi to join a house of hijras. Her life became an incredible series of dangerous physical and emotional journeys to become a woman and to find love. *The Truth about Me* is the unflinchingly courageous and moving autobiography of a hijra who fought ridicule, persecution and violence both within her home and outside to find a life of dignity.

Translated from the

Urdu by Khushwant

Singh. Umrao Jan Ada

is perhaps one of the

most enigmatic and

forgotten female

figures in South Asian

Literature. The

question of her

existence, her beauty,

her scholarly abilities

and her poetic gift

remain a mystery. The

book is an account of

Umrao's life as a

Lucknawi courtesan, a

nautch girl, delivered

in first person by

Umrao herself, and documented by a close friend. Written more than a hundred years ago, the novel recreates the gracious ambience of old Lucknow and takes the reader on a fascinating journey through the palaces of wealthy nawabs, the hideouts of the colorful vagabonds and the luxurious abodes of the city's courtesans.

Outlines of Cosmic Philosophy, Based on the Doctrine of Evolution, with Criticisms on the Positive Philosophy

Random House
Now Parts One and Two are combined! The complete story!
Part One: How Megan Avoided Pregnancy: Megan and Mark can't agree. Mark wants a baby, but Megan does

not. When Mark issues an ultimatum to his wife demanding a baby, she counters by demanding that he dress as a woman for nine months before she will get pregnant. Naturally, she assumes her macho husband will never agree to dress as a woman. Imagine her surprise when he does. What follows is a cat and mouse game as each tries to trick the other into giving up.
Part Two: How Megan Got Pregnant: Things are changing fast now as Mark begins to 'grow' into the role of 'Princess.' But Mark isn't the only one changing. Megan is about to undergo a major change as well. Will Mark get the baby he wants? Will Megan let him escape with his masculinity intact?
