Is this the day I die? Li Quan asks himself this question daily, knowing that he might be killed for practicing his faith. American businessman Ben Fielding has no idea what his brilliant former college roommate is facing in China. He expects his old friend has fulfilled his dream of becoming a university professor. The Hollywood Commandments International Adventures

DeVon Franklin, New York Times bestselling author of *The Wait* and prominent Hollywood producer, reveals that secular and spiritual success are not opposites. To have one, you need the other. Are you tired of living a life paralyzed by fear? Are you anxious to break free of the "beware mentality" that has kept generations of well-meaning people living beneath the fullness of

their calling? You're unfulfilled because you've been convinced that you would lose your faith if you pursued the secular ambitions God has put in your heart. However, until you pursue those ambitions you will miss out on the fullness of God and the success you were created to have. For too long there's been a line drawn between the spiritual and the secular, and we have been conditioned to believe that if we cross this line in either direction, we will have gone too far. It's time to break down this barrier so you are free to go further than any believer has gone before. *The Success Commandments* combines spiritual teachings with secular strategies to help you achieve unprecedented success and live the life you were destined to live.

Brother Andrew Thomas Nelson

Nothing in life is as exciting and satisfying as introducing Jesus to people who have never met him. New York Times bestselling author and world-renowned motivational speaker Nick Vujicic is known worldwide as the man without arms and legs who personifies a "can do" spirit. Now in greater detail, he explains how the example of Jesus Christ motivates him to travel and speak broadly because the "good news" of the Gospel is just too

good to keep quiet! Although the world has so many problems, no challenge is too great for the God who promises to move mountains. Using compelling stories from his own experience, Nick shares the heart of his message, the motivation behind all he does, and something that he believes the world needs now more than ever before: A faith in Jesus Christ that moves people to act and make the world a better place.

Red Sonja (Vol 5) #18 Tyndale House Publishers, Inc.

In an age where neither society nor the church knows what to do with gay Christians, Greg Coles shares his story—a story about a boy in love with Jesus who, at the fateful onset of puberty, realized his sexual attractions were persistently and exclusively for other guys. Explore the incredible work of the Lord in the hearts and lives of women in the Muslim world! In these gripping stories of Christ's presence straight from the underground church, Pastor Tom Doyle and his wife, JoAnn, show you how women in Saudi Arabia, Syria, and Iran are leading their communities to faith in Jesus—and how you can too! Despite enormous risks to themselves and their families, former Muslim women are now influencing their husbands and their children and bringing others to faith in Jesus Christ. No matter where they live, these women are the God-ordained spiritual gatekeepers of their families. Even though the level of oppression that women face under Islam is unfathomable to many in non-Muslim nations, these brave women stop at nothing to share their faith. The Doyles believe that women are a major reason why more Muslims than ever are coming to faith in Christ. Over the years they have discovered that once God sets a Muslim woman free, she becomes an unstoppable force for God. *Women Who Risk* takes readers into Muslim homes in Saudi Arabia, Syria, Iran, and other hot spots to see the power of Christ at work. This incredible book contains: Inspirational stories straight out of the underground church—stories you don't get on the news Examples of the miraculous works of God happening in the Muslim world The experiences of pastors who have worked for the past twenty-five years in the Middle East A clear call to action sounding the alarm to the body of Christ Motivation for all Christians to boldly share their faith with family and friends The stories of these women are both breathtaking and heart-rending. Living on the edge, these women spread the gospel without fear, and the victory of the gospel is thrilling for all to see. If you're wondering if God still performs miracles or are afraid your life can't make an impact, then this is the book for you.

The Hiding Place Christian Heroes: Then & Now

God intends fulfillment for us. Yet it's easy to forget that truth in our daily life. For fifty years, Elizabeth Sherrill cowrote life-changing books: *The Hiding Place*, *God's Smuggler*, and *The Cross and the Switchblade*. Now for the first time, in *Surprised by Grace*, she shares her personal discoveries of God's unfathomable love and strength while battling chronic depression and self-doubt. "When God created you, do you think He meant to make someone else?" a friend asks Sherrill. Faced with

questions like these, she learns she's infinitely valued and cherished by God. In vivid episodes, Sherrill takes you through the three stages of her awakening joy, from the thirty-some years when the idea of God was elusive to the years since then when she's reveled in breathtaking moments in God's presence and to her inspiring vision of eternity. In *Surprised by Grace*, you'll discover that God loves you individually and infinitely. You can find real peace, for you are God's amazing creation. Let that truth echo forever in your own life.

Chasing the Dragon Baker Books

A fresh look at the earliest Christian movement reveals what made the new faith so compelling...and what we need to change today to make it so again. Once upon a time there was a version of the Christian faith that was practically irresistible. After all, what could be more so than the gospel that Jesus ushered in? Why, then, isn't it the same with Christianity today? Author and pastor Andy Stanley is deeply concerned with the present-day church and its future. He believes that many of the solutions to our issues can be found by investigating our roots. In *Irresistible*, Andy chronicles what made the early Jesus Movement so compelling, resilient, and irresistible by answering these questions: What did first-century Christians know that we don't—about God's Word, about their lives, about love? What did they do that we're not doing? What makes Christianity so resistible in today's culture? What needs to change in order to repeat the growth our faith had at its beginning? Many people who leave or disparage the faith cite reasons that have less to do with Jesus than with the conduct of his followers. It's time to hit pause and consider the faith modeled by our first-century brothers and sisters who had no official Bible, no status, and little chance of survival. It's time to embrace the version of faith that initiated—against all human odds—a chain of events resulting in the most significant and extensive cultural transformation the world has ever seen. This is a version of Christianity we must remember and re-embrace if we want to be salt and light in an increasingly savorless and dark world.

Until it was pulled down, the Walled City was Hong Kong's most foreboding territory. It was a lawless place, dominated by the Triads, and which the police hesitated to enter. Strangers were unwelcome. Drug smuggling and heroin addiction flourished, as did prostitution and pornography, extortion and fear. When Jackie Pullinger set sail from England in 1966 she had no idea that God was calling her to the Walled City. Yet, as she spoke of Jesus Christ, brutal Triad gangsters were converted, prostitutes quit, and Jackie discovered a new treatment for drug addiction: baptism in the Holy Spirit.
