Developing Lean Leaders
At All Levels A
Applying Lean Thinking to
Improve Your Personal
Performance (on-site only)
As lean moves out of the
"tool age,"
leaders—managers,
directors, executives—
must invest more time in
the critical work of lean
leadership: going to the

gemba to support value
creators in their
improvement work and
coaching and mentoring
teams to develop their
problem solving
capabilities. Lean Learning

WOMEN
Unlimited, Inc. is
developing women
leaders who deliver
results. We focus on high-
potential women in major
corporations. Developing
Women Leaders | WOMEN
Unlimited, Inc. Since a lean
system puts people center
stage – it even talks about

developing people before
developing products – I
wonder whether positive
psychology can be
another tool for people to
tap into their potential,
using the pursuit of
happiness as a
lever. There is a well-
known expression in the
lean world – “lean is about
people”. Lean and
happiness - Planet Lean
