It is a necessary tool for the church musician to coordinate music with the scripture readings and/or the sermon topic and a valuable aid to the vocal soloist seeking a work using a particular biblical text. The work serves as a working document for the church musician, soloist, or voice teacher. Titles are arranged in the same order as found in the Bible. Each entry contains title, composer, voice range/type, and publisher

information. Two indexes are also included: a title index and a composer index.

Fr. Michael E. Gaitley, MIC, author of 33 Days to Morning Glory, one of the most popular Catholic books of the last decade, brings us his first new book in three years. 33 Days to Greater Glory completes a trilogy of consecrations: first to Mary, then to Jesus, the Divine Mercy, and now to God, our Father. This final consecration to our Heavenly Father truly is

the “greater” consecration, the one in which all others find their origin and end.

Centering Prayers is a collection of inspired prayers crafted as brief preludes or postludes to periods of personal, contemplative prayer. Each radiates God’s love. Tailored for the seasons and months of the year, they integrate a spiritual theology with certain mystical depth. You will want to read them slowly

and pray them quietly, one day at a time. "In Daily Companion, Peter Haas offers intimate prayers that rest on the deep rooted tradition of his faith. His vulnerability and longing lead you to your own journey. His fearless asking: Strengthen me in love. Draw me into your life, draw you to deeper places. He acknowledges, You are the shadow that crosses near in the silence of prayer. Praying these prayers with Haas becomes a daily chant reminiscent of those in

monasteries the world over, kneeling in prayer in the silent hours before dawn." Paula D'Arcy Author of Gift of the Red Bird, Waking Up to This Day

 Edition* Chalice Press
 Does Jesus' call to love
 our enemies mean that
 we should remain silent in
 the face of injustice? Jesus
 called us to love our
 enemies. But to befriend
 an enemy, we first have
 to acknowledge their
 existence, understand

who they are, and
 recognize the ways they
 are acting in opposition to
 God's good news. In *How
 to Have an Enemy:
 Righteous Anger and the
 Work of Peace*, Melissa
 Florer-Bixler looks closely
 at what the Bible says
 about enemies—who they
 are, what they do, and
 how Jesus and his
 followers responded to
 them. The result is a
 theology that allows us to
 name our enemies as a
 form of truth-telling about
 ourselves, our
 communities, and the
 histories in which our lives

are embedded. Only then
 can we grapple with the
 power of the acts of
 destruction carried out by
 our enemies, and invite
 them to lay down their
 enmity, opening a path
 for healing, reconciliation,
 and unity. Jesus named
 and confronted his
 enemies as an essential
 part to loving them. In this
 provocative book, Florer-
 Bixler calls us to do the
 same.

Cataloging over 33,000 melodies sung by congregations world-wide, this resource provides the source of each and lists

related materials. --From publisher's description. The Catholic Periodical and Literature Index Church Publishing, Inc. What do we do with the Old Testament? How do we read words written in a world so different from ours, stories so ruthless and so filled with grace? In *Fire by Night*, pastor Melissa Florer-Bixler invites readers to marvel at the Old Testament. Page after page, in stories and poems and prophecies, the Hebrew Scripture introduces us to a God who is unwieldy

and uncontrollable, common and extraordinary, and who brings both life and death. Using stories from Scripture and from her ministry, Florer-Bixler braids together the text with the sometimes ordinary, sometimes radical grace of God. The same passages that confuse and horrify and baffle us can, if we are paying attention, lure us closer toward God. This God has traveled with people through cloud and fire, by day and by night, since the beginning of

time. The Old Testament is a perplexing book of profound grace, hope, and beauty. It's a book of fire. To read the Old Testament is to draw close to God's love, which continues to burn away our expectations and set us ablaze. This God has traveled with people through pillars of cloud and fire, by day and by night, since the days of the exodus.

A WEDDING WITH SPIRIT has been written for the

bride and groom who are searching for something more for their wedding—not more as in bigger, grander, or more lavish, but more as in more meaningful, gracious, and sacred. Ritual and liturgy experts Gertrud Mueller Nelson and Christopher Witt have helped hundreds of couples plan their ceremonies and in these pages they have distilled their years of experience into some basic principles. Instead of trying to orchestrate “the happiest day of your life” and

suffering through catering nightmares, Nelson and Witt help the couple see the wedding as a moment in the larger context of their love. To create such a wedding, A WEDDING WITH SPIRIT offers advice in general principles such as location, participants, symbols, prayers, format, readings, blessings, and music. Sections include: * A look at the history and meaning behind familiar wedding traditions * A walk through the ceremony (including the rites of gathering, the readings, and the

exchanging of vows and rings) and the reception * Practical advice for the invitations, the rehearsal, and the programs * Pre-marriage guidance (including pertinent meditations and prayers) to enable the bride and groom to begin their union with a firm footing *Three model weddings incorporating all the principles of A WEDDING WITH SPIRIT A WEDDING WITH SPIRIT ensures that one's wedding day will be about the sacredness of a committed love between two people, about love's

ability to create and nurture life, and about the faithfulness and hope that such a love gives witness to.

How to Have an Enemy

Chalice Press

This vital resource explores the essential considerations of pastoral work with those with intellectual disabilities.

Drawing on the vast experience of the L'Arche community that fully includes and centers those with intellectual disabilities, this practical guide offers ideas for imaginative worship to engage people with all abilities. It gives suggestions for enabling participation and building familiarity while keeping worship fresh and varied,

with ready-to-use themed service outlines that are appropriate throughout the Christian year. It includes a compendium of resources for creating your own acts of worship, including prayers, blessings, stories, quotes, a directory of online resources, ideas for what to keep in a "liturgy box," ideas or seasonal decoration of the worship space, and many more resources from L'Arche. This book is rooted in the belief that each human being is on a spiritual quest to find meaning in

their life, and while each person's path is uniquely their own, we share the journey together. The important thing is to encourage each other's personal development, and celebrate the gifts and talents that emerge within and for the whole community.

A Wedding with Spirit
Convergent Books

"Music and the Mass is a basic guide to key documents and principles regarding the celebration of the eucharist. It walks through the Mass, rite by rite and step by step, and describes each part through scripture, church documents and various other sources. The author then offers commentary on the role of music and

other elements. This book is a great basic text for liturgical musicians, liturgy planning teams and anyone interested in knowing more about the Mass. It can serve as a workbook for individuals or teams, a journal for keeping insights about one's liturgical ministry, and a source of inspiration"--
