BURGESS TYLER

*Julian of Norwich: Wisdom in a Time of
Pandemic—And Beyond* C. Winter
Regarded by some as the author of the
English language's first autobiography,
Margery Kempe was a late medieval
mystic and pilgrim. Lost for centuries, her
book offers an insightful window into the
life of a middle-class woman in the middle
ages. She recounts in vibrant detail the

madness that followed the birth of the first
of her fourteen children, the failure of her
brewery business, her dramatic call to
spiritual life, her vow of chastity and
pilgrimages to Europe and the Holy Land.
'The Book of Margery Kempe' presents a
unique portrait of a woman of remarkable
character, incredible bravery and pious
belief. Delphi's Medieval Library provides
eReaders with rare and precious works of
the Middle Ages in their original texts. This
eBook presents the original Middle English
text, illustrations, an informative
introduction and the usual Delphi bonus

material. (Version 1) * Beautifully
illustrated with images relating to
Margery's life and works * Features the
complete extant text of Margery Kempe's
'Book' * Concise introduction to the author
* Includes a line by line text, with line
numbers — ideal for students * Special
Glossary of Middle English words to aid
your reading of the original text * Provides
a special modernised spellings text

Julian of Norwich's Revelations of Divine Love University of Notre Dame Press

Julian of Norwich (ca. 1343&–ca. 1416), a contemporary of Geoffrey Chaucer, William Langland, and John Wyclif, is the earliest woman writer of English we know about. Although she described herself as &“a simple creature unlettered,&” Julian is now widely recognized as one of the great speculative theologians of the Middle Ages, whose thinking about God as love has made a permanent contribution to the tradition of Christian belief. Despite her recent popularity, however, Julian is usually read only in translation and often in extracts rather than as a whole. This book presents a much-needed new edition of Julian&’s writings in Middle English, one that makes possible the serious reading and study of her thought not just for students and scholars of Middle English but also for those with little or no previous experience with the language. &• Separate texts of both Julian&’s works, *A Vision Showed to a Devout Woman* and *A Revelation of Love*, with modern punctuation and paragraphing and partly

regularized spelling. &• A second, analytic edition of *A Vision* printed underneath the text of *A Revelation* to show what was left out, changed, or added as Julian expanded the earlier work into the later one. &• Facing-page explanatory notes, with translations of difficult words and phrases, cross-references to other parts of the text, and citations of biblical and other sources. &• A thoroughly accessible introduction to Julian&’s life and writings. &• An appendix of medieval and early modern records relating to Julian and her writings. &• An analytic bibliography of editions, translations, scholarly studies, and other works. The most distinctive feature of this volume is the editors&’ approach to the manuscripts. Middle English editions habitually retain original spellings of their base manuscript intact and only emend that manuscript when its readings make no sense. At once more interventionist and more speculative, this edition synthesizes readings from all the surviving manuscripts, with careful justification of each choice involved in this process. For readers who are not concerned with textual matters, the result will be a more readable and satisfying text. For Middle

English scholars, the edition is intended both as a hypothesis and as a challenge to the assumptions the field brings to the business of editing.

Godsends Oxford University Press
Winner of an Award of Merit in the Christianity Today Book Awards, History/Biography category On January 17, 1776, one week after Thomas Paine published his incendiary pamphlet *Common Sense*, Connecticut minister Samuel Sherwood preached an equally patriotic sermon. God Almighty, with all the powers of heaven, are on our side, Sherwood said, voicing a sacred justification for war that Americans would invoke repeatedly throughout the struggle for independence. In *Sacred Scripture, Sacred War*, James Byrd offers the first comprehensive analysis of how American revolutionaries defended their patriotic convictions through scripture. Byrd shows that the Bible was a key text of the American Revolution. Indeed, many colonists saw the Bible as primarily a book about war. They viewed God as not merely sanctioning violence but actively participating in combat, playing a decisive role on the battlefield. When war came,

preachers and patriots alike turned to scripture not only for solace but for exhortations to fight. Such scripture helped amateur soldiers overcome their natural aversion to killing, conferred on those who died for the Revolution the halo of martyrdom, and gave Americans a sense of the divine providence of their cause. Many histories of the Revolution have noted the connection between religion and war, but *Sacred Scripture, Sacred War* is the first to provide a detailed analysis of specific biblical texts and how they were used, especially in making the patriotic case for war. Combing through more than 500 wartime sources, which include more than 17,000 biblical citations, Byrd shows precisely how the Bible shaped American war, and how war in turn shaped Americans' view of the Bible. Brilliantly researched and cogently argued, *Sacred Scripture, Sacred War* sheds new light on the American Revolution.

SHOWING OF LOVE Paulist Press

This historical biography follows the extraordinary life of Julian of Norwich. She lived through the dreadful bubonic plague that killed close to 50% of Europeans.

Being an anchoress, she 'sheltered in place' and developed a deep wisdom that she shared in her book, *Showings*, which was the first book in English by a woman. A theologian way ahead of her time, Julian develops a feminist understanding of God as mother at the heart of nature's goodness. Fox shares what isn't typically written in a medieval history book: Julian of Norwich's teachings that goes beyond religion and spirituality. It also contains sensible advice on how to live in light during this unpredictable times. If you're into feminist history books or lives about female authors, this one is definitely for you!

The Collected Works of Julian of Norwich Lulu.com

Julian of Norwich's *Revelations of Divine Love* is truly an astounding work: an inspiring example of Christian mysticism, a unique contribution to Christian theology, the first book in English known to have been written by a woman. Veronica Mary Rolf guides us as we read, examining its fourteenth-century context and illuminating our understanding of this enduring work.

The Kindness of God SPCK

In her *Revelations*, Julian shows great charm in the childlike, tender quality of her expression. She sees God as one Who delights in His creation and desires that we would recognize this and participate. Julian's attitude regarding the "all shall be well" largely depends on acceptance of the limitations of our own vision and the knowledge that the vastness of divine providence is mysterious. Julian has remained a continual evolving manuscript for numerous individuals both of the laity, clergy and scholastic vocations. This is quite remarkable, since the flip side of this story is the "Ladder of Perfection" by Walter Hilton OSA, which many contend was written to Julian. This work has a life of its own and is continually resurfacing. Julian emphasizes numerous points of doctrine, with an exquisite joy, focusing on "the bliss and glory" rather than the idea of earth's being a battleground for good and evil. This is one thing which sets her apart from many others, regardless of their gender.

In Search of Julian of Norwich Faber & Faber

Drawing on a random survey of 1,200 men and women across the United States, this

book sheds new light on how Americans wake up to the reality of divine love and how that transformative experience expresses itself in concrete acts of benevolence.

Julian of Norwich, Theologian Yale University Press

Mother Julian of Norwich does not set out to teach methods of any kind for the gradual drawing near of man to God, but to record and show forth a revelation, granted once, of God's actual nearness to the soul. For this revelation, she herself had been prepared by the stirring of her conscience, her love, and her understanding.

The Heart of Religion Wipf and Stock Publishers

Julian of Norwich is esteemed as one of the subtlest writers and profoundest thinkers of the English Middle Ages for her account of the revelations that she experienced in 1373. Julian lived as an anchoress in Norwich, and after recovering from a serious illness she described the visions that had come to her during her suffering. She conceived of a loving and compassionate God, merciful and forgiving, and believed in our ability to

reach self-knowledge through sin. She wrote of God as our mother, and embraced strikingly independent theological opinions. This translation conveys the poise and serenity of Julian's prose style to the modern reader. It includes both the short and long texts, written twenty years apart, through which Julian developed her ideas.

Enfolded in Love Routledge

Over six hundred years ago a woman known as Julian of Norwich wrote what is now regarded as one of the greatest works of literature in English. Based on a sequence of mystical visions she received in 1373, her book is called *Revelations of Divine Love*. Julian lived through an age of political and religious turmoil, as well as through the misery of the Black Death, and her writing engages with timeless questions about life, love and the meaning of suffering. But who was Julian of Norwich? And what can she teach us today? Medievalist and TV historian Janina Ramirez invites you to join her in exploring Julian's remarkable life and times, offering insights into how and why her writing has survived, and what we can learn from this fourteenth-century mystic whose work lay

hidden in the shadows of her male contemporaries for far too long.

At the Foot of the Cross with Julian of Norwich Clarendon Press

Unlike other brief summaries of Julian's life in 14th-century Norwich, England, this book goes in-depth to uncover the political, cultural, social and religious milieu that formed and deeply influenced her development as a woman and a Christian mystic.

Sabbath as Resistance, New Edition with Study Guide Duke University Press Books

Fathers, sons, brothers, kings. Does the predominantly masculine symbolism of the Biblical writings exclude women or overlook the riches of their spiritual life? Janet Martin Soskice opens up the Bible's imagery for sex, gender, and kinship, by discussing its place in the central teachings of Christian theology.

On Deification and Sacred Eloquence Oxford University Press

"This fascinating exploration of Julian's world - her city, her century, and her remarkable book, the first written by a woman in English - uncovers the clues that reveal the exciting mystery that is Julian.

This lively and interpretive analysis of Julian's life, writing, and modern-day relevance is perfect for those well-versed in Julian's work as well as those meeting her for the first time"--P. [4] of cover.

Julian of Norwich Oxford University Press, USA

This is a gateway to the spirituality of the 12th century English mystic offering groundbreaking feminine images of God and the assurance that in God's unbounded love and mercy "all things will be well".

Sixteen Revelations of Divine Love InterVarsity Press

Revelations of Divine Love is a religious text written by Julian of Norwich. It consists of a series of mystical visions the writer had whilst seriously ill.

The Lais of Marie De France DigiCat
Placing St Augustine's theology in a new context by considering what he has to say about beauty, this shows how a theological understanding of beauty revealed in the created, temporal realm enabled Augustine to form a positive appreciation of this realm and the healing power of beauty within it.

The Rise of Network Christianity

Church Publishing, Inc.

Since first Thomas Aquinas defined theology as revelation, or the rational elucidation of revealed truth, the idea of revelation has played a fundamental role in the history of western theology. This book provides a new and detailed investigation of the concept, examining its nature, sources, and limitations in all five of the major scriptural religions of the world: Christianity, Judaism, Islam, Hinduism, and Buddhism. The first part of the book discusses the nature of theology, and expounds the comparative method as the most useful and appropriate for the modern age. Part Two focuses on the nature of religion and its early historical manifestations, whilst the third part of the book goes on to consider the idea of revelation as found in the great canonical traditions of the religions of the world. Part Four develops the distinctively Christian idea of revelation as divine self-expression in history. The final part of the book discusses how far the idea of revelation must be revised or adapted in the light of modern historical and scientific thought, and proposes a new and positive theology of revelation for the future. The book

includes discussions of the work of most major theologians and scholars in the study of religion - Aquinas, Tillich, Barth, Temple, Frazer, and Evans Pritchard - and should be of interest to many scholars and students of comparative religion and theology, and anthropologists.

Revelations of Divine Love Penguin UK
An engaging and complete guide to the writings and life of this groundbreaking English mystic.

Revelations of Divine Love Westminster John Knox Press

In the light of their thirteen years of work on the critical edition of Showings, Colledge and Walsh give us this first modern English rendering from their critical text.

Revelation Orbis Books

In this new edition that includes a study guide, popular author Walter Brueggemann writes that the Sabbath is not simply about keeping rules but rather about becoming a whole person and restoring a whole society. Brueggemann calls out our 24/7 society of consumption, a society in which we live to achieve, accomplish, perform, and possess. We want more, own more, use more, eat

more, and drink more. Brueggemann shows readers how keeping the Sabbath allows us to break this restless cycle and focus on what is truly important: God,

other people, all life. Perfect for groups or self-reflection, Sabbath as Resistance offers a transformative vision of the

wholeness God intends, giving world-weary Christians a glimpse of a more fulfilling and simpler life through Sabbath observance.
