The essays in  
this volume  
are concerned  
with early  
printed  
narrative texts  
in Western  
Europe. The  
aim of this  
book is to  
consider to  
what extent  
the shift from

<p>hand-written to printed books left its mark on narrative literature in a number of vernacular languages. Did the advent of printing bring about changes in the corpus of narrative texts when compared with the corpus extant in manuscript copies? Did narrative texts that already existed in manuscript form undergo significant modifications when they began to be printed? How did this crucial</p>	<p>media development affect the nature of these narratives? Which strategies did early printers develop to make their texts commercially attractive? Which social classes were the target audiences for their editions? Around half of the articles focus on developments in the history of early printed narrative texts, others discuss publication strategies. This book</p>	<p>provides an impetus for cross-linguistic research. It invites scholars from various disciplines to get involved in an international conversation about fifteenth- and sixteenth-century narrative literature. <i>Contes Du Jour Et de la Nuit</i> University of Virginia Press A novel, also a philosophical tale in which destiny entraps the innocent protagonist and holds him</p>

Maina is the sensual story of a spiritual journey a

young woman undertakes in the Great North 3,500 years ago. On a quest for identity in an environment sometimes as generous as it is merciless, Maina will soon learn that man's law can be as cruel as nature's.

Their generation was anything but lost, at least in the beginning. Filled with fiery ambition and idealistic to a fault, they found their voice in the

Paris of 1968 and were intent on exposing the powers of repression and the demons of Western capitalism (and what, really, was the difference?)? by any means. But the acts of violence misfired, the principles of Marxism and Maoism became emptied of meaning, and the casualties mounted. The protagonist Martin is now middle-aged; his group, ?The Cause,? is disbanded; his best friend

has committed suicide; and he finds he must try to explain to the man's daughter who they were, what they thought they were doing, and what happened. ø Paper Tiger takes place during one night that this unlikely couple spends driving around Paris as they revisit a somewhat distant past. This odyssey is adroitly evoked by Rolin's long, fluid sentences as they reflect

the car's route past the sundry signs of the past and advertisement s of the present dotting the Paris beltway. ø This prize-winning novel by one of France's most acclaimed writers tells, through Martin, the elegiac story of a whole generation's coming of age. *Français Interactif* MacMillan Efficient, simple, and empirically grounded, Lucien Tesnière's

principles of structural syntax have remained to this day very popular among linguists. Far beyond the field of syntax itself, the Elements of Structural Syntax have found lasting echo in all branches of linguistics. This volume offers a contemporary appraisal of Tesnière's legacy. *Think Level 4 Student's Book* Feiwei & Friends Challenge and inspire your teenage learners to

 THE INSTANT #1  
 INTERNATIONAL BESTSELLER  
 Spanning a lifetime of love and loss, crossing borders and oceans, Atlas: The Story of Pa Salt, co-authored by her son Harry Whittaker, draws Lucinda Riley's saga to its stunning, unforgettable conclusion. 1928, Paris. A boy is found, moments from death, and taken in by a kindly family. Gentle, precocious, talented, he

flourishes in his new home, and the family show him a life he hadn't dreamed possible. But he refuses to speak a word about who he really is. As he grows into a young man, falling in love and taking classes at the prestigious Conservatoire de Paris, he can almost forget the terrors of his past, or the promise he has vowed to keep. But across Europe an evil is rising, and no one's safety is certain. In his heart, he

knows the time will come when he must flee once more. 2008, the Aegean. The seven sisters are gathered together for the first time, on board the Titan, to say a final goodbye to the enigmatic father they loved so dearly. To the surprise of everyone, it is the missing sister who Pa Salt has chosen to entrust with the clue to their pasts. But for every truth revealed, another

question emerges. The sisters must confront the idea that their adored father was someone they barely knew. And even more shockingly: that these long-buried secrets may still have consequences for them today. In this epic conclusion to the Seven Sisters series, everything will be revealed. *Welcome to the United States* Ekstasis Editions As if Marguerite Duras wrote

Convenience Store Woman -a beautiful, unexpected novel from a debut French-Korean author *Les Livres de L'année* Castrovilli Giuseppe A classic of modern French literature, the thrilling real-life story of the military hero, ambassador, ladies man, writer, and loving son I grew up longing for the day when I could tear down the veil of darkness and absurdity concealing the true face of

the universe and discover at last a smile of kindness and wisdom; I grew up in the certitude that one day I should help my fellow men to wrest the world from our enemies and give back the earth to those who ennoble it with their courage and warm it with their love. Promise at Dawn begins as the story of a mother's sacrifice: alone and poor, she fights fiercely to give her son the very best. Romain Gary

chronicles his childhood in Russia, Poland, and on the French Riviera; he recounts his adventurous life as a young man fighting for France in World War II. But above all he tells the story of the love for his mother that was his very life—their secret and private planet, their wonderland “born out of a mother’s murmur into a child’s ear, a promise whispered at dawn of future triumphs and greatness, of

justice and love.”

 global sensation, Kim Jiyong, Born 1982 “has become...a touchstone for

a conversation around feminism and gender” (Sarah Shin, Guardian).  
 One of the most notable novels of the year, hailed by both critics and K-pop stars alike, Kim Jiyong, Born 1982 follows one woman’s psychic deterioration in the face of rampant misogyny. In a tidy apartment on the outskirts of Seoul, millennial “everywoman” Kim Jiyong spends her days caring for her infant

<p>daughter. But strange symptoms appear: Jiyoung begins to impersonate the voices of other women, dead and alive. As she plunges deeper into this psychosis, her concerned husband sends her to a psychiatrist. Jiyoung narrates her story to this doctor—from her birth to parents who expected a son to elementary school teachers who policed girls' outfits to male coworkers</p>	<p>who installed hidden cameras in women's restrooms. But can her psychiatrist cure her, or even discover what truly ails her? "A social treatise as well as a work of art" (Alexandra Alter, New York Times), Kim Jiyoung, Born 1982 heralds the arrival of international powerhouse Cho Nam-Joo. <u>Crucifixion or Cruci-Fiction</u> Cambridge University Press When Jefferson the hedgehog</p>	<p>goes to his local hairdresser's, he's shocked to discover the barber lying dead on the floor. Falsely accused of the murder, Jefferson goes into hiding in the human kingdom with only his friend Gilbert the pig to help him clear his name. The Seven Sisters Walter de Gruyter GmbH & Co KG In any event, if there is any division between a Muslim and a Christian on the grounds of dogma, belief, ethics or morality, then the cause of such conflict could be traced to an utterance of Paul found in his books of Corinthians,

Phillipians, Galatians, Thessolonians, etc., in the Bible. As against the teaching of the Master (Jesus) that salvation only comes through keeping of the commandments (Mathew 19:16-17), Paul nails the law and the commandments to the cross (Colossians 2:14) and claims that salvation can only be obtained through the death and resurrection of Jesus Christ:- "If Christ be not risen from

the dead, then our preaching is vain, and your faith is also vain." (1 Corinthians 15:14)

 Published to accompany the 1994 exhibition at The Museum of Modern Art, New York, this book constitutes the most extensive survey of modern illustrated books to be offered in many years. Work by artists from Pierre

Bonnard to Barbara Kruger and writers from Guillaume Apollinarie to Susan Sontag. An important reference for collectors and connoisseurs. Includes notable works by Marc Chagall, Henri Matisse, and Pablo Picasso. *Winter in Sokcho* Simon and Schuster  
 From the two-time Newbery Award winning author of *Number the Stars* and *The Giver*, comes a novel about how even the smallest of dreams can break through

the darkest of nights. Littlest One is a tiny creature slowly learning her job of giving dreams to humans. Each night she and her teacher, Thin Elderly, visit an old woman's home where she softly touches beloved objects, gathering happy memories, and drops of old scents and sounds. Littlest One pieces these bits together and presents them to her sleeping human in the

form of pleasant dreams. But the dreaded Sinisteeds, dark fearsome creatures that plague their victims with nightmares, are always at work against the dreamgivers. When the old woman takes in John, an angry foster child with a troubled past, the Sinisteeds go after him with their horrifying nightmares. Can Littlest One, and her touch light as gossamer, protect John's heart and soul from the

nightmare of his dark past?
