How to Drive Loki Publishing Company

A lot of books on driving are written by professional racers who assume you too want to be a professional racer. Not this book. It's written by a hobbyist who suggests you keep your day job. Besides, it's much more fun being an enthusiastic amateur than a jaded professional (just ask someone in the sex industry). This book is designed to help the average driver make the transition from commuter to safe road racer in as few pages as possible. I wrote this book because it's what I would have wanted to read when I first became interested in track driving: succinct, nerdy, practical, and occasionally diverting. It is not intended as a definitive tome or a work of art. It's more like a sandwich: convenient and nourishing.

Secrets of Solo Racing St. Martin's Press

The New York Times bestselling author thrillingly recounts how an

underdog driving team beat Hitler's fearsome Silver Arrows in the 1938 Pau Grand Prix. They were the unlikeliest of heroes. Rene Dreyfus, a former top driver on the international racecar circuit, had been banned from the best European teams—and fastest cars—by the mid-1930s because of his Jewish heritage. Charles Weiffenbach, head of the down-on-its-luck automaker Delahaye, was desperately trying to save his company. And Lucy Schell, the adventurous daughter of an American multi-millionaire, yearned to reclaim the glory of her rally-driving days. As Nazi Germany pushed the world toward war, these three misfits banded together to challenge Hitler's dominance at the apex of motorsport: the Grand Prix. Their quest for redemption culminated in a remarkable race that is still talked about in racing circles to this day—but which, soon after it ended, Hitler attempted to completely erase from history. Bringing to life the Golden Era of Grand Prix racing, *Faster* chronicles one of the most inspiring, death-defying upsets of all time: a symbolic blow against the Nazis during history's darkest hour. Winner of the Motor Press Guild Best Book of the Year Award & Dean Batchelor Award for Excellence in Automotive Journalism
