Joel, aka 'The Rink' (because his bald patch is shiny enough to skate on), the unpopular owner of the only bar in town has been murdered. There are so many suspects, it's not so much a question of who did kill him as who didn't. There's Magalie, the temperamental teenager obsessed with Paris Hilton; her troublemaker boyfriend, Tani; Tani's mother, Madame Levi; her unemployed, daytime-TV addicted husband; Yeznig, their younger son, who has learning difficulties but perfect memory recall; and newcomers Ali and Nadia, the Muslim twins struggling to fit in. As the tension mounts and we're still none the wiser, the ending is as tragic as it is unexpected.

"[A] violent, surrealist romp" from the Tony Award-winning playwright of *Hurlyburly* and *Visiting Edna* (The Brown Daily Herald). David Rabe explores the struggle between hope and anguish in the human spirit in this story of two small-time jewel thieves united in a strangely unsettling friendship and the constant fight to prove to themselves and others how tough they are. But when their frantic scheming suddenly begins to betray them in mysterious ways, they find themselves trapped into a kidnapping and a murder over which they seem to have no control. Or do they? David Rabe's language creates and recreates reality in constantly surprising ways, magically dramatizing the danger of the power of illusion—and the illusion of power—with force and insight. "A potluck smorgasbord of surrealism, dream soliloquies, science fiction, noir potboiler and fairy tales, with the ghosts of such other writers as David Mamet, Harold Pinter, Sam Shepard and even novelist Thomas Pynchon hovering nearby . . . boasts ample proof of a top-notch writer at work." —Chicago

Tribune "A fast-paced, visceral work with a manic, anarchic energy . . . a chaotic examination of power and powerlessness in a frightening, irrational universe." —The Brown Daily Herald "[A] surrealist, hilarious, mind-fuck of a play . . . a wild, high-energy ride through plot and action." —LAist Praise for David Rabe "Few contemporary dramatists have dealt with violence, physical and psychological, more impressively than Rabe." —Kirkus Reviews "A remarkable storyteller." —Chicago Tribune "Rabe's mastery of dialogue is the equal of Pinter and Mamet put together." —The Boston Globe.

This is a rare partnership between two geniuses at the top of their crafts -- Kanye West, who was named "the smartest man in hip-hop" by Time magazine, and Bill Plympton, an Academy Award-nominated animator, cartoonist, and illustrator. *Through the Wire* is a graphic memoir that illustrates the lyrics of twelve Kanye West songs to tell his story, from his decision to drop out of college to pursue his dreams in music, through his days spent folding chinos at the Gap while struggling at night to make a name as a producer, through the pivotal car accident that eventually set him on the course to stardom and the epiphany of realizing exactly who he had become: "...They say people in your life are like seasons And anything that happens is for a reason..." Plympton illustrates each of the songs in detail, his vision of Kanye's world. The songs are annotated with explanations of the references in the songs, biographical components that illuminate

the lyrics, and their meaning on a deeply personal level. The result is a one-of-a-kind book that initially grabs you and stays with you forever.

What secret is hidden in the heart of the forest? Lila lives with her father on a snowy island. From a young age, he has protected her from a curse and a demon. One day when he is away for a longer period of time, Lila imagines him already a prisoner and decides to go looking for him. She then discovers a forest asleep under the snow, populated by enigmatic spirits and a white wolf.

Inspired by classic Japanese fairy tales, BETWEEN SNOW AND WOLF is a tale for young girls who seem to grow up too fast (in the eyes of their parents). Braving the world and facing your fears are lessons that never grow old. Mixing humor and drama in a lushly illustrated presentation, this book embraces the influence of Hayao Miyazaki, not just in its "kawaii" cute character design, but in the magical settings the character finds herself in. Written by Agnes Domergue, a professional musician well known for her published volumes of haiku, this book has the lyrical qualities of a poem. A dream-like adventure for children of all ages.
