 The debut graphic novel from Thai-Italian illustrator Elisa Macellari, *Papaya Salad* tells the story of her great-uncle Sompong who found himself in Europe on military scholarship on the eve of World War II. A gentle and resolute man in love with books and languages, in search of his place in the world, Sompong chronicles his life during the war and falling for his wife, finding humor and joy even as the world changes irrevocably around him This Winner of the 2019 Autori di Immagini Silver Medal in the Comics category tells the human story of the War, from a perspective not typically seen. "An historical and emotional journey through my family and my roots that are grown between Europe and Asia. A personal narrative that needs to be shared and hopefully arouses empathy in the reader." -- Elisa Macellari

 Luke's mum is dead. He finds himself in a small, scruffy northern hill town, with a near silent father, who he fears might be trying to drink himself to death. Then he meets Jon. Jon is massively strange. He wears 1950s clothes, has a side-parting and a twitch. The kids at school call him 'Slackjaw'. When Luke discovers his secret, Jon changes his life in more ways than he can imagine. Luke and Jon is a coming of age novel about family, bereavement and how lives can change forever in a single second. Written with great power, warmth and humour, it signals a hugely engaging and original new voice. Compelling and emotionally acute, it is a unique debut.

 This widely acclaimed text offers an introduction to the subject and presents an overview of the latest research. Substantially updated and expanded from the very successful German edition of 1986.
The Brilliant and Tragic Life of W.M.W. Haffkine, Bacteriologist Independently Published
 A secluded hut in the woods does not sound so welcoming, right? However three sisters find themselves there after they get lost

one after another. The old man living in the hut allows each of them to spend the night in there. The only thing he asks for is them feeding the animals. Do you think they will agree? What can be the consequences if they don't? Do you think there is a danger lurking behind their backs or unexpected happiness will make their days easier? Children and adults alike, immerse yourselves into Grimm's world of folktales and legends! Come, discover the little-known tales and treasured classics in this collection of 200 fairytales. Brothers Grimm are probably the best-known storytellers in the world. Some of their most popular fairy tales are "Cinderella", "Beauty and the Beast" and "Little Red Riding Hood" and there is hardly anybody who has not grown up with the adventures of Hansel and Gretel, Rapunzel and Snow White. Jacob and Wilhelm Grimm's exceptional literature legacy consists of recorded German and European folktales and legends. Their collections have been translated into all European languages in their lifetime and into every living language today. [Chemical Storylines](#). Ariadne Press (CA)
 We are happy to announce this classic book. Many of the books in our collection have not been published for decades and are therefore not broadly available to the readers. Our goal is to access the very large literary repository of general public books. The main contents of our entire classical books are the original works. To ensure high quality products, all the titles are chosen carefully by our staff. We hope you enjoy this classic.

Kohlmeier's novel weaves together in highly original fashion two different literary traditions: Homeric epic and the German Bildungsroman or developmental novel. Its action rests on a framework suggested by Books One to Four of the Odyssey, the section called the Telemachy. This is the basis for a novel of universal proportions, spanning Western history from its origins as described in Greek creation myth to the present day. Modern Telemachos, son of Odysseus, is here a normal, intelligent, sensitive youth with a girlfriend, an uneasy relationship with his mother Penelope, and the uncomfortable burden of responsibility to the inheritance of a heroic father. The goddess Athene has little success in her efforts to transform him into a warrior hero. They founder on his modern, very human sensibility. We are dealing with a stable, luxuriant fabric composed of stories and history, with a matted flying carpet over time and space.

By the early 1930s America had one literary treasure that risked his life to please its readers. Richard Halliburton had already

become a best-selling travel author and could have retired comfortably on the immense wealth gained from the sale of his first two books. Yet some men are born to dare, and Halliburton was one these. *NEW WORLDS TO CONQUER* was Halliburton's third book and contains a knapsack full of that adventurer's gold—dreams brought to reality by the alchemy of his courage and daring. The book details how Halliburton set off for Latin America in search of adventure, and find it he did. He dived to the bottom of the Mayan Well of Death, from which hundreds of skeletons had been dredged, then swam fifty miles down the length of the Panama Canal. Not content, he climbed to the crest of Mexico's lofty Mount Popocatepetl, twice, and roamed over the infamous Devil's Island. Yet his most amazing adventure occurred when he had himself marooned on the same island which had once held Robinson Crusoe captive. "Somewhere a lizard stirred the leaves...Furtively I looked about me, realizing that in the darkness the boa-constrictors would be abroad creeping forth from the ancient tombs and slinking down the leafy avenues," Halliburton wrote. This is Halliburton at is best—fatalistic about his own safety, poetic about his chances of survival, and determined to bring home a hair-raising tale of adventure from the Latin lands of legend.

Winnie and Wilbur are on holiday! With a flick of her magic wand Winnie turns them both into sea creatures so that they can dive beneath the ocean waves. But when Winnie's wand sinks out of sight, how will they get safely back to shore? It's a deep-sea Winnie and Wilbur adventure! Korky Paul's intricate artwork is full of madcap humour and crazy details to pore over. The spellbinding new look of this bestselling series celebrates the wonderful relationship that exists between Winnie the Witch and her big black cat, Wilbur. Since Winnie and Wilbur first appeared in 1987 they have been delighting children and adults in homes and schools all over the world and more than 7 million books have been sold. Winnie and Wilbur will be hitting TV screens worldwide in 2017, airing in the UK on Milkshake, Channel 5's popular pre-school slot. A Winnie and Wilbur stage show is set to run in Birmingham in 2017 followed
