GALVAN WARREN

Debussy A-R Editions, Inc.
 This celebrated study of witchcraft in Europe traces the worship of the pre-Christian and prehistoric Horned God from paleolithic times to the medieval period. Murray, the first to turn a scholarly eye on the mysteries of witchcraft, enables us to see its existence in the Middle Ages not as an isolated and terrifying phenomenon, but as the survival of a religion nearly as old as humankind itself, whose devotees held passionately to a view of life threatened by an alien creed. The findings she sets forth, once thought of as provocative and implausible, are now regarded as irrefutable by folklorists and

scholars in related fields. Exploring the rites and ceremonies associated with witchcraft, Murray establishes the concept of the "dying god"--the priest-king who was ritually killed to ensure the country and its people a continuity of fertility and strength. In this light, she considers such figures as Thomas a Becket, Joan of Arc, and Gilles de Rais as spiritual leaders whose deaths were ritually imposed. Truly a classic work of anthropology, and written in a clear, accessible style that anyone can enjoy, *The God of the Witches* forces us to reevaluate our thoughts about an ancient and vital religion.

Tax Tyranny New Directions Publishing
Le Jouvencel est un des grands classiques de la littérature française. Guillaume Tringant et Jean de Bueil nous plongent dans l'univers chevaleresque du XV siècle

à travers les aventures de Jehan de Saintré. En plus du texte original, ce livre contient également un commentaire critique et historique pointu qui vous permettra de mieux comprendre cette époque passionnante. This work has been selected by scholars as being culturally important, and is part of the knowledge base of civilization as we know it. This work is in the "public domain in the United States of America, and possibly other nations. Within the United States, you may freely copy and distribute this work, as no entity (individual or corporate) has a copyright on the body of the work. Scholars believe, and we concur, that this work is important enough to be preserved, reproduced, and made generally available to the public. Malinowski, Rivers, Benedict and Others
Legare Street Press

Provides instruction for enlarging vocabulary, offer tips on improving pronunciation and translation and explores France's history and culture.

[Complete sonatas for violoncello and basso continuo](#) Arcade Publishing

This is a new release of the original 1943 edition.

[Columbia Dictionary of Modern European Literature](#) Legare Street Press

This publication contains thirty-five papers written by European historians in relation to five key periods in European history: the year of revolutions 1848, the Balkan wars of 1912-13, the search for peace in 1919, the end of the Second World War and the beginning of the Cold War in 1945, and the events of 1989-90 in central and eastern Europe. The papers are drawn from five conferences organised by the Council of Europe based on the principles of Recommendation Rec (2001) 15 on European history teaching. They consider events based on the concept of 'multiperspectivity' which seeks to facilitate an open approach to historical debate based on critical analysis of different perspectives of historical developments, often involving controversial and sensitive issues. This publication is complemented by two related titles: a teaching manual and a DVD of original documents.

Time Passing Council of Europe

A brilliant new translation of the landmark poetry collection by "the most eloquent spokesman and explorer of Arabic modernity" (Edward Said) Written in the early 1960s, *Songs of Mihyar the Damascene* is widely considered to be the apex of the modernist poetry movement in the Arab world, a radical departure from the rigid formal structures that had dominated Arabic poetry until the 1950s. Drawing not only on Western influences, such as T.S. Eliot and Nietzsche, but on the deep tradition and history of Arabic poetry, Adonis accomplished a masterful and unprecedented transformation of the forms and themes of Arabic poetry, initiating a profound reevaluation of cultural and poetic traditions. *Songs of Mihyar* is a masterpiece of world literature that rewrites—through Mediterranean myths and renegade Sufi mystics—what it means to be an Arab in the modern world.

Author Catalog Penguin

The first sixteen essays of this volume are devoted to different aspects of the Yorkshire Reformation and Counter-Reformation. The second half of the

volume is dedicated to essays on the contemporary historians of the Reformation, religious toleration, and the Reformation in France and Germany.

Les annales politiques et littéraires
Edward Elgar Publishing

Tax Tyranny does not aim to give a description of existing tax systems, rather it provides readers with the intellectual instruments which enable them to understand the role of taxation in the workings of economic systems and to evaluate the fairness of taxes.

Le Jouvence! Columbia University Press
Deals with historical developments in Russian and Western Europe from 1793 to 1821.

Crossroads of European Histories A&C Black

In this wide-ranging meditation on the meaning of time, Agacinski weaves together discussions of Aristotle, Kant, Hegel, Freud, Heidegger, Baudelaire, Barthes, and especially Walter Benjamin--her model for the modern "passer of time"--as she traces a time-line of the philosophy of time.

Poésies Saint James Press

Up-to-date biographies with a list of works for each of the writers, detailed annotations to the original text and a glossary complete this edition."--BOOK JACKET.

[Literary Translation and Cultural Mediators in 'Peripheral' Cultures](#) Harper Collins

"Marilyn Yalom has written the rare book that illuminates something that always has been dimly perceived but never articulated, in this case that the power of the chess queen reflects the evolution of female power in the western world." —Cleveland Plain Dealer Everyone

knows that the queen is the most dominant piece in chess, but few people know that the game existed for five hundred years without her. It wasn't until chess became a popular pastime for European royals during the Middle Ages that the queen was born and was gradually empowered to become the king's fierce warrior and protector. *Birth of the Chess Queen* examines the five centuries between the chess queen's timid emergence in the early days of the Holy Roman Empire to her elevation during the reign of Isabel of Castile. Marilyn Yalom, inspired by a handful of surviving medieval chess queens, traces their origin and spread from Spain, Italy, and Germany to France, England, Scandinavia, and Russia. In a lively and engaging historical investigation, Yalom draws parallels between the rise of the chess queen and the ascent of female sovereigns in Europe, presenting a layered, fascinating history of medieval courts and internal struggles for power.

Reformation Studies Legare Street Press

"The work of Giorgio Caproni has been translated into French, German, and Chinese, among others, but this collection is his first book-length English publication. His works are finely tuned to modern man's preoccupations with existence in a world deprived of certainties (for example, the existence or inexistence of God). Most are touched by experiences such as the Second World War and its atrocities, the Resistance Movement, or the death of loved ones, events that represent the conviction of a subject that will do its best to survive all adversity, uncompromised" --from the Introduction by Pasquale Verdicchio

Songs of Mihyar the Damascene Europe Comics

The ironic tale of a 12-year-old Sicilian girl who decides to show her independence by flouting convention, in this case by wearing trousers and flirting with boys. When she is caught kissing, the parents punish her by sending her to another village to live with an uncle, unaware he molested her when she was younger.

[The History of the Mohammedan](#)

[Dynasties in Spain](#) Guernica Editions
1948. The creation of the Hebrew state is proving to be not exactly a peaceful affair, starting with the Egyptian bombs that are regularly falling on Tel-Aviv. All that Israel has to fight the lethal enemy 'Spitfires' are some old 'Mezek', flown by Jewish volunteers from all over the world, but also mercenaries from rather more sinister backgrounds. Bjorn is one of those mercenaries. He's come to risk his life for

several million dollars, a fact that galls his brothers-in-arms, who are fighting not for cash but for their ideals!

[Liber Cure Cocorum](#) Oxford University Press, USA

Mon père, dans un lit d'Hôpital, quelques mois avant de mourir, ici en France, m'a raconté sa traversée de la frontière entre le Portugal et l'Espagne. Son émigration clandestine vers la France. A partir de cette petite histoire très émouvante, et en m'appuyant sur des éléments historiques et autobiographiques, j'ai voulu écrire notre épopée familiale, décrire la vie à Freixo de Numão, un petit village du nord du Portugal, dans les années 60 avant que mon père ne parte "a salto", son arrivée dans l'un des plus grands bidonvilles portugais de France, celui du Franc-Moisin à Saint-Denis, l'émigration clandestine de sa femme et de ses enfants, et les trois années pendant lesquelles nous avons habité ces baraques d'infortune. A travers

ce récit, j'ai voulu refaire une nouvelle fois cette traversée clandestine des deux frontières qui a bouleversé le destin de centaines de milliers de personnes, ce voyage sans fin qui m'obsède depuis l'enfance, entre le rêve et la réalité, entre le Portugal et la France.

The Fians Springer

From the first, Debussy's music lent itself to all kinds of convenient critical labels, of which the most fashionable has always been 'impressionist'. In this book the doyen of Polish musicologists examines Debussy's output against the twin backgrounds of his upbringing and of contemporary movements in the other arts besides music. He concludes that the 'impressionist' analogy between music and painting has been too deceptively obvious, and that the movement with which Debussy's art is most deeply impregnated is Symbolism. This he shows by a review of the general aesthetic ferments of this

age, by close analysis of Debussy's music, his early works in particular, and by well-directed quotation from Debussy's own many writings on the subject. In the course of his argument he leads the reader down many unexpected bypaths in aesthetics; his book is both an original contribution to musicology and a philosophical meditation on the whole of the art of this unusually fertile and adventurous period.

Latin Poetry and the Classical Tradition Lulu.com

Covers writers from the ancient Greeks to 20th-century authors. Includes biographical-bibliographical entries on nearly 500 writers and approximately 550 entries focusing on significant works of world literature. Each author entry provides a detailed overview of the writer's life and works. Work entries cover a particular piece of world literature in detail.
