In the time it takes to pick out a card at the store, you can fold a beautiful, handmade card specifically designed for your special someone. With Origami Card Craft, you can impress your friends with origami-inspired cards, boxes, and envelopes that pop up, fan out, and even hold hidden messages. Wow your sweetie with the Fold-Out Heart card or give a thank you to be remembered with the Pinwheel card. Here you'll also learn to make five different envelopes to store and protect your creations. With over 25 years of experience in origami and paper crafting, author Karen Elaine Thomas shows you how easy it is to create unique cards out of folded paper, and gives you the skills necessary to read any origami pattern, in any language. With a few basic techniques under your belt and the endless opportunities that paper offers, there's no limit to the dazzling cards you can create simply and quickly.

Zero Waste Home is the ultimate guide to simplified, sustainable living from Bea Johnson, author of the popular blog zerowastehome.com Living sustainably should not mean forfeiting either comfort or style. In this book Bea Johnson shows, by inspiring example, what green living looks like and offers a practical, step-by-step guide to diminishing our environmental footprints and improving our lives. It all comes down to the 5 Rs: Refuse, Reduce, Reuse, Recycle, Rot (and only in that order!). Zero Waste Home shows how these key principles can be applied to every area of your house from the kitchen to the kids' room, and it's packed with easy tips for all of us: from refusing freebies to using your plants as air fresheners. More than a manual, this is the inspiring story of how Bea Johnson transformed her family's health, finances, and relationships for the better by reducing their waste to an astonishing one litre per year. Could you do the same?
