### **Created in God's Image**

Lexham Press  
The 1928  
Book of  
Common  
Prayer is a  
treasured  
resource for  
traditional  
Anglicans and  
others who

appreciate the  
majesty of  
King James-  
style  
language. This  
classic edition  
features a  
Presentation  
section  
containing  
certificates for  
the rites of  
Baptism,  
Confirmation,  
and Marriage.  
The elegant  
burgundy  
hardcover

binding is  
embossed  
with a simple  
gold cross,  
making it an  
ideal choice  
for both  
personal study  
and gift-  
giving. The  
1928 Book of  
Common  
Prayer  
combines  
Oxford's  
reputation for  
quality  
construction

and scholarship with a modest price - a beautiful prayer book and an excellent value. *The Final Triumph* Selectivehouse Publishers, Incorporated Based on events surrounding efforts to authenticate the Shroud of Turin, BeauSeigneur takes readers on a brilliantly researched and vividly imagined journey to find whether a forbidden experiment will lead to the

Triumph of Man--or the Wrath of God. *The Cross and the Lynching Tree* Selective House Publishers So my only protection is a kindergarten teacher and a ninety-eight-pound female minister....And they don't even believe I'm in danger. As Bethany approaches her thirteenth birthday, her parents begin acting more oddly than usual: Her mother cries constantly, and her father barely lets Bethany out of his sight. Then

one morning he hustles the entire family into the car, drives across several state lines -- and leaves Bethany with an aunt she never knew existed. Bethany has no idea what's going on. She's worried that her mom and dad are running from some kind of trouble, but she can't find out because they won't tell her where they are going. Bethany's only clue is a few words she overheard her father tell her

aunt Myrlie:  
 "She doesn't  
 know anything  
 about  
 Elizabeth." But  
 Aunt Myrlie  
 won't tell  
 Bethany who  
 Elizabeth is,  
 and she won't  
 explain why  
 people in her  
 small town  
 react to  
 Bethany as if  
 they've seen a  
 ghost. The  
 mystery  
 intensifies  
 when Bethany  
 gets a  
 package from  
 her father  
 containing  
 four different  
 birth  
 certificates  
 from four  
 states, with  
 four different  
 last names --  
 and thousands

of dollars in  
 cash. And  
 when a  
 strange man  
 shows up  
 asking  
 questions,  
 Bethany  
 realizes she's  
 not the only  
 one who's  
 desperate to  
 unravel the  
 secrets of her  
 past. In this  
 exhilarating  
 thriller,  
 Margaret  
 Peterson  
 Haddix crafts  
 a taut story so  
 full of twists  
 and turns,  
 readers will be  
 gripped until  
 the startling  
 conclusion.

Growing  
Christians  
 Simon and  
 Schuster

The Chemistry  
 of the Blood is  
 one of Dr. M.  
 R. De Haan's  
 most widely  
 read books. In  
 it, his  
 scientific  
 background is  
 uniquely  
 combined with  
 his skillful  
 exposition of  
 Scripture to  
 correlate  
 Scripture and  
 science. In  
 addition to the  
 title chapter  
 on The  
 Chemistry of  
 the Blood, Dr.  
 De Haan also  
 discusses  
 such  
 intriguing  
 themes as  
 'The  
 Chemistry of  
 Tears, 'The  
 Chemistry of  
 the Bible, '

'The Chemistry of Man, ' and other striking truths.

### **The Christ Clone**

Crossway John Piper poignantly shares what God wants us to know about his sovereignty and Christ's supremacy when we encounter sin or tragedy.

### **Plotting Apocalypse**

Zondervan Newberry Honour Award Winner & National Book Award Winner. Matt is six years old when he discovers that

he is different from other children and other people. To most, Matt isn't considered a boy at all, but a beast, dirty and disgusting. But to El Patron, lord of a country called Opium, Matt is the guarantee of eternal life. El Patron loves Matt as he loves himself - for Matt is himself. They share the exact same DNA. As Matt struggles to understand his existence and what that existence truly means, he is

threatened by a host of sinister and manipulating characters, from El Patron's power-hungry family to the brain-deadened eejits and mindless slaves that toil Opium's poppy fields. Surrounded by a dangerous army of bodyguards, escape is the only chance Matt has to survive. But even escape is no guarantee of freedom . . . because Matt is marked by his difference in ways that he doesn't

<p>even suspect. Praise for The House of Scorpions: 'It's a pleasure to read science fiction that's full of warm, strong characters... that doesn't rely on violence as the solution to complex problems of right and wrong. It's a pleasure to read.' Ursula K. LeGuin 'Fabulous' Diana Wynne Jones Also by Nancy Farmer: The Sea of Trolls Land of the Silver Apples The Islands of the Blessed The Lord of Opium</p>	<p><i>The House of the Scorpion</i> Thomas Nelson Inc S.A. Bodeen's The Compound is a 2009 Bank Street - Best Children's Book of the Year. Eli and his family have lived in the Compound for six years. The world they knew is gone. Eli's father built the Compound to keep them safe. Now, they can't get out. He won't let them. <u>Writing the Rapture</u> Createspace Independent Publishing Platform</p>	<p>Here is a collection of accounts of more than 4011 Christians burned at the stake, of countless bodies torn on the rack, torn tongues, ears, hands, feet, gouged eyes, people buried alive, and of many who were willing to bear the cross of persecution and death for the sake of Christ. <u>The 1928 Book of Common Prayer</u> Zondervan The prospect of human cloning burst into the public</p>
---	--	--

consciousness in 1997, following the announcement of the successful cloning of Dolly the sheep. It has since captured much attention and generated great debate, both in the United States and around the world. Many are repelled by the idea of producing children who would be genetically virtually identical to preexisting individuals, and believe such a practice

unethical. But some see in such cloning the possibility to do good for infertile couples and the broader society. Some want to outlaw it, and many nations have done so. Others believe the benefits outweigh the risks and the moral concerns, or they oppose legislative interference with science and technology in the name of freedom and progress. Complicating the national dialogue about human

cloning is the isolation in 1998 of human embryonic stem cells, which many scientists believe to hold great promise for understanding and treating many chronic diseases and conditions. Some scientists also believe that stem cells derived from cloned human embryos, produced explicitly for such research, might prove to be uniquely useful for studying many genetic diseases and

devising novel therapies. Public reaction to this prospect has been mixed, with some Americans supporting it in the hope of advancing biomedical research and helping the sick and the suffering, while others are concerned about the instrumentalization or abuse of nascent human life and the resulting danger of moral insensitivity and degradation.

**Habits of Grace** Herald

Press  
The great popularity of the Left Behind novels attests to the strong appeal of apocalyptic beliefs in many conservative Christian communities. Biblical scholar Price traces the origin and scriptural basis for such beliefs as the Rapture, the Second Coming, the Antichrist, and Messianic prophecy, and explains the popularity of the books.

**In His Image** Createspace Independent

Publishing Platform  
In a Culture of Distortions, Discover God-Defined Womanhood and Beauty In a culture where airbrushed models and career-driven women define beauty and success, it's no wonder we have a distorted view of femininity. Our impossible standards place an incredible burden of stress on the backs of women and girls of all ages, resulting in anxiety,

eating disorders, and depression. One question we often forget to ask is this: What is God's design for womanhood? In *Girl Defined*, sisters and popular bloggers Kristen Clark and Bethany Beal offer women a countercultural view of beauty, femininity, and self-worth. Based firmly in God's design for their lives, this book helps women rethink what true success and beauty look like. It invites them on a liberating journey toward a radically better vision for femininity that ends with the discovery of the kind of hope, purpose, and fulfillment they've been yearning for. *Girl Defined* helps readers discover God's design for femininity and his definition of a successful woman · uncover the secrets of lasting worth, purpose, and fulfillment · be equipped and empowered to live out a radically better vision for womanhood · gain personal insight through the chapter-by-chapter study guide [Jesus, the Eternal Bridegroom](#) Library of Alexandria Popular philosopher Jordan Peterson has captured the imagination of Western world. For some, Peterson represents all that is wrong with patriarchal culture; for

others, he is the Canadian academic prophet who has come to save civilization from dizzying confusion. Regardless of how one feels about him, his influence in North America--and beyond--is difficult to deny. While the "Peterson phenomenon" has motivated numerous articles and responses, much of what has been written is either excessively fawning or overly critical. Little has been

produced that explores Peterson's thought--especially his immensely popular 12 Rules for Life--within the context of his overall context and scholarly output. How is one to understand the ascendancy of Jordan Peterson and why he's become so popular? Does his earlier Maps of Meaning shed light on how one might understand his worldwide bestseller, 12 Rules for Life?

In *Myth and Meaning in Jordan Peterson*, scholars across various disciplines explore various aspects of Jordan Peterson's thought from a Christian perspective. Both critical and charitable, sober-minded and generous, this collection of ten essays is a key resource for those looking to faithfully engage with Jordan Peterson's thought. *Martyrs Mirror*  
Wm. B.

Eerdmans Publishing  
In today's modern society many people are turned off religion for a variety of reasons. This is very understandable when you consider all the different denominations and all the different teachings. Many pastors today do not teach what the Bible says, they teach their church doctrines. Most people believe what they have been taught, not what the Bible actually

says. For example, consider what you have been taught about sin. Can you say you really understand it? Sin is clearly explained in chapter six. What about life after death? A popular teaching is if you "give your heart to Jesus" your immortal soul will go to heaven for eternal bliss. If you don't, your soul will be tormented forever in the fires of hell. The Bible does not teach that! You will learn why in chapter eight.

The author separates Bible fact from "church" fiction and shows that we should repent and turn to God because He loves us, not out of fear of eternal torment in hell. Using an abundance of scripture references, as well as personal speculation, the author paints a picture that makes sense. It may increase your faith in God and bring you peace in these troubling times. If you are seeking

answers about the purpose for your life, this book may be what you need.

### **Acts of God**

Zonderkidz

In a world where war is a persistent reality in media and in film, there is a larger, consequential war being waged everyday that is often neglected: the Spiritual war inside of us. Written in the English Puritan era but just as powerful and inspiring today, William Gurnall's timeless epic

The Christian in Complete Armour serves as a beautifully written and action-packed spiritual guidebook A call to arms for Christians, Gurnall's expounded sermons on Ephesians 6:10-20 are as practical as they are illuminating. With stunning prose and page-turning excitement, the battle for the soul and the descriptions of the God-given protections and weapons ascribed to the believer

are detailed and explained. Gurnall's masterpiece has been inspiring Christians since the 17th century, and has never been as applicable and urgently needed as the present day. Praise of the work: "If I might read only one book beside the Bible, I would choose The Christian in Complete Armour." -John Newton "Peerless and priceless; every line full of wisdom." - C. H. Spurgeon "A

beautiful feature in Gurnall's book is its richness in pithy, pointed, and epigrammatic sayings. You will often find in a line and a half some great truth, put so concisely, and yet so fully, that you really marvel how so much thought could be got into so few words." -J. C. Ryle

**The Paperback Apocalypse**  
Nova Publishers  
Here, Crawford Gribben offers a history, description,

and analysis of the rapture-novel genre. The late 1980s culminated in the creation of the Left Behind series. The novels in this series, Gribben shows, are derivative - borrowing entire characters and significant incidents from earlier books. Acts of God Orbis Books Discover and fulfill your God-given purpose by joining the more than thirty-five million others who have embarked on

a spiritual journey that started with this #1 New York Times bestselling book by Pastor Rick Warren. Before you were born, God knew what your life had in store for you. His hope for you is to discover the life he created just for you--both here on earth, and forever in eternity. Let Rick Warren guide you as you learn to live out your true purpose. The Purpose Driven Life is more than a book; it's a

road map for your spiritual journey. Combining thoughtful verses from Scripture with timely stories and perspectives from Warren's own life, *The Purpose Driven Life* will help you discover the answer to one of life's most important questions: What on earth am I here for? Throughout *The Purpose Driven Life*, Warren will teach you to spend time getting to know yourself and your creator in

order to live your life to the fullest. Unlocking your true purpose will also reduce your stress, simplify your decisions, increase your satisfaction, and, most importantly, prepare you for eternity. Designed to be read over the course of forty-two days, *The Purpose Driven Life* will help you see the big picture, giving you a fresh perspective on the way that the pieces of your life fit together.

Every chapter of *The Purpose Driven Life* provides a daily meditation and practical steps to help you uncover and live out your purpose, starting with exploring three essential questions: *The Question of Existence: Why am I alive?* *The Question of Significance: Does my life matter?* *The Question of Purpose: What on earth am I here for?* Each copy of *The Purpose Driven Life*

also includes thoughtful discussion questions, audio Bible studies that go along with every chapter, and access to a supportive online community, giving you the opportunity to dive even deeper into each life-changing lesson.

FORETOLD IN  
THE BIBLE:  
Two nuclear wars. Three asteroids. Demonic madness that kills one third of the world 's population. Into this, a

savior will rise, cloned from Christ. It 's not fiction. It 's prophecy. The Messiah of the New Age. His coming is prophesied by more than a dozen major religions. Cloned from live cells of Jesus Christ found on the Shroud of Turin, Christopher Goodman was born into the most turbulent time in human history. Already two nuclear holocausts have shaken the planet the first destroying

much of the Russian Republic, and the second killing nearly a billion people in China, India, and Pakistan. Unknown to the world 's inhabitants, an even greater threat is waiting just beyond Earth 's horizon a threat that may annihilate the entire human race. Three asteroids are hurtling toward the planet, thrown from their orbits by the supernatural powers of two religious madmen, one

who claims to be the 2000-year-old Apostle John. Fated to remain alive from biblical times until Christ 's return, the Apostle John has awaited fulfillment of the visions he described in the book of Revelation. But John and his cohort, apostate Hasidic rabbi Saul Cohen, are not satisfied to merely witness the Apocalypse they intend to cause it. Though Christopher can stop the

destruction, he must allow it to happen, for he says that scattered throughout the Bible and other religious texts are clues pointing to an incredible hidden truth a secret of devastating universal importance that reveals the astonishing future of man and the true nature of God. It is far more than life and death that hang in the balance. It is the fulfillment of galactic destiny, humankind 's final

evolutionary step: the birth of a New Age!

One True Voice As a hospital chaplain, J.S. Park encountered hundreds of patients at the edge of life and death, listening as they urgently shared their stories, confessions, and final words. J.S. began to identify patterns in his patients' lives—patterns he also saw in his own life. He began to see that the events and traumas we experience throughout life become deafening

voices that remain within us, even when the events are far in the past. He was surprised to find that in hearing the voices of his patients, he began to identify his own voices and all the ways they could both harm and heal. In *The Voices We Carry*, J.S. draws from his experiences as a hospital chaplain to present the Voices Model. This model explores the four internal voices of self-doubt, pride,

people-pleasing, and judgment, and the four external voices of trauma, guilt, grief, and family dynamics. He also draws from his Asian-American upbringing to examine the challenges of identity and feeling “other.” J.S. outlines how to wrestle with our voices, and even befriend them, how to find our authentic voice in a world of mixed messages, and how to empower

those who are voiceless. Filled with evidence-based research, spiritual and psychological insights, and stories of patient encounters, *The Voices We Carry* is an inspiring memoir of unexpected growth, humor, and what matters most. For those wading through a world of clamor and noise, this is a guide to find your clear, steady voice.

**Birth of an Age** Grand Central Pub

Do you long to be more like Jesus? Do you desire to live a holy life? Do you seek to answer the Spirit's call: "But as He who called you is holy, you also be holy in all your conduct, because it is written, 'Be holy, for I am holy'" (1 Peter 1:15- 16)? If so, this book was written for you. Unfortunately, many Christians are confused about what the Bible teaches about living a holy life. I've had students who

came from good Gospel-preaching churches who were not sure they even believed in what they heard called "holiness." Either their church did not speak much about it or what they heard seemed legalistic or unattainable. It is sad that there is so much careless and sometimes contradictory teaching about this vital subject. The aim of this book is to be as biblically and contextually

accurate as possible in the use of words and phrases such as "holy, holiness, sanctify, the Spirit-filled life, and entire sanctification." Further, I seek to limit my comments to what the Scriptures actually affirm. I do not

attempt to answer every question that can be raised when talking about the biblical doctrine of sanctification. Rather, I seek to affirm what Scriptures affirm and leave unsaid what Scriptures do not say. I think any reader of

Scripture will agree that God does command Christians to be holy. The burning question is: "What does God mean when He commands us to be holy?" This book is an attempt to answer that question.
