DEVIN WHEELER

Alex Celadon Books

A cloth bag containing eight copies of the title and a folder containing book sign out sheets.

Alex Chronicle Books

The first biography of the artist who “essentially invented indie and alternative rock” (Spin) A brilliant and influential songwriter, vocalist, and guitarist, the charismatic Alex Chilton was more than a rock star—he was a true cult icon. Awardwinning music writer Holly George-Warren’s *A Man Called Destruction* is the first biography of this enigmatic artist, who died in 2010. Covering Chilton’s life from his early work with the chart-topping Box Tops and the seminal power-pop band Big Star to his experiments with punk and roots music and his sprawling solo career, *A Man Called Destruction* is the story of a musical icon and a richly detailed chronicle of pop music’s evolution, from the mid-1960s through today’s indie rock.

Get Out of My Life, But First Could You Drive Me & Cheryl to the Mall London : Weidenfeld and Nicolson

What if the path to a life of abundance and blessing isn't what we expected? What if the way forward begins with going backward? In our constant search for a life filled with blessing and abundance, we often follow our human instinct and then wonder why we come up short. But it doesn't have to be that way. Join pastor and author Alex Seeley as she teaches us that God always has a better idea -- we just have to move in a new direction.

In *The Opposite Life*, Seeley explains that the secret to living a powerful and abundant life lies in the upside-down kingdom of God. Each chapter of *The Opposite Life* explores the opposite-life principles that can start to shift our mindset for the better, diving deeper into the natural contradictions between: death and life fear and faith hate and love worry and worship impossible and possible Along the way, she offers encouraging and simple challenges to help us align our lives with God's subversive plan. As we learn to exchange our default instincts for the surprising teachings of Jesus -- our pioneer of the unlikely -- we discover a life of transformational power, abundance, and more blessing than we ever thought possible. Praise for *The Opposite Life*: "Our broken earth longs for just this type of unveiling. It is time for us to remember who we are and respond as sons and daughters of the Most High God. There is a desperate longing for His goodness in the face of overwhelming anger, pain, and confusion. *The Opposite Life* is a drink of living water in a dry and arid land." -- Lisa Bevere, New York Times bestselling author of *Without Rival* and *Girls with Swords*

Alex Macmillan + ORM

****THE INSTANT #1 NEW YORK TIMES BESTSELLER**** "An unforgettable—and Hollywood-bound—new thriller... A mix of Hitchcockian suspense, Agatha Christie plotting, and Greek tragedy." —Entertainment Weekly *The Silent Patient* is a shocking psychological thriller of a woman’s act of violence against her husband—and of the therapist obsessed with uncovering her motive. Alicia Berenson’s life is seemingly perfect. A famous painter married to an in-demand fashion photographer, she lives in a grand house with big windows overlooking a park in one of London’s most desirable areas. One evening her husband Gabriel returns home late from a fashion shoot, and Alicia shoots him five times in the face, and then never speaks another word. Alicia’s refusal to talk, or give any kind of explanation, turns a domestic tragedy into something far grander, a mystery that captures the public imagination and casts Alicia into notoriety. The price of her art skyrockets, and she, the silent patient, is hidden away from the tabloids and spotlight at the Grove, a secure forensic unit in North London. Theo Faber is a criminal psychotherapist who has waited a long time for the opportunity to work with Alicia. His determination to get her to talk and unravel the mystery of why she shot her husband takes him down a twisting path into his own motivations—a search for the truth that threatens to consume him....

This Is the Life Penguin

A major biography--the first comprehensive new assessment to be published in decades--of the brilliant work and restless life of Paul Cezanne, the most influential painter of his time, whose vision revolutionized the role of the painter.

The Third Door Simon & Schuster

The 'Alternate Living' book looks to offer a glimpse into the lives of people on the periphery of society, whether nestled high up in the mountains far from paved roads and running water, or tucked away down an unforgiving Arctic fjord accessible only by boat.

The Maidens Simon and Schuster

It is difficult to think of two twentieth century books by one author that have had as much influence on American culture when they were published as Alex Haley's monumental bestsellers, *The Autobiography of Malcolm X* (1965), and *Roots* (1976). They changed the way white and black America viewed each other and the country's history. This first biography of Haley follows him from his childhood in relative privilege in deeply segregated small town Tennessee to fame and fortune in high powered New York City. It was in the Navy, that Haley discovered himself as a writer, which eventually led his rise as a star journalist in the heyday of magazine personality profiles. At *Playboy Magazine*, Haley profiled everyone from Martin Luther King and Miles Davis to Johnny Carson and Malcolm X, leading to their collaboration on

The Autobiography of Malcolm X. *Roots* was for Haley a deeper, more personal reach. The subsequent book and miniseries ignited an ongoing craze for family history, and made Haley one of the most famous writers in the country. *Roots* sold half a million copies in the first two months of publication, and the original television miniseries was viewed by 130 million people. Haley died in 1992. This deeply researched and compelling book by Robert J. Norrell offers the perfect opportunity to revisit his authorship, his career as one of the first African American star journalists, as well as an especially dramatic time of change in American history.

Who Is Alex Trebek? Doubleday

Eminem as emblem of America throughout Alex Da Corte's oeuvre This book exhaustively documents Philadelphia-based installation artist Alex Da Corte's (born 1980) preoccupation with the musician Eminem across four exhibitions. From Detroit to Cologne, from an artist-run space to a major international museum, Da Corte's work parallels Eminem's career through his thirties, reappearing, evolving alongside America, explaining more of himself each time. Eminem's place in culture and his role in Da Corte's practice, as well as the larger story of American identity, is explored through recent and commissioned essays by Hilton Als, Charlie Fox, William Pym, Martine Syms and Moritz Wesseler, as well as manipulated found texts and an extensive Q&A with Danish filmmaker Jørgen Leth, whose 1982 work *Andy Warhol Eating a Hamburger* strongly informs the discussion. *True Life* is both an uncompromising reference book and a work of fantasy.

Genius, Illustrated: The Life and Art of Alex Toth G.P. Putnam's Sons

FORBES #1 CAREER BOOK TO READ IN 2018 The larger-than-life journey of an 18-year-old college freshman who set out from his dorm room to track down Bill Gates, Lady Gaga, and dozens more of the world's most successful people to uncover how they broke through and launched their careers. *The Third Door* takes readers on an unprecedented adventure—from hacking Warren Buffett's shareholders meeting to chasing Larry King through a grocery store to celebrating in a nightclub with Lady Gaga—as Alex Banayan travels from icon to icon, decoding their success. After remarkable one-on-one interviews with Bill Gates, Maya Angelou, Steve Wozniak, Jane Goodall, Larry King, Jessica Alba, Pitbull, Tim Ferriss, Quincy Jones, and many more, Alex discovered the one key they have in common: they all took the Third Door. Life, business, success... it's just like a nightclub. There are always three ways in. There's the First Door: the main entrance, where ninety-nine percent of people wait in line, hoping to get in. The Second Door: the VIP entrance, where the billionaires and celebrities slip through. But what no one tells you is that there is

always, always... the Third Door. It's the entrance where you have to jump out of line, run down the alley, bang on the door a hundred times, climb over the dumpster, crack open the window, sneak through the kitchen—there's always a way in. Whether it's how Bill Gates sold his first piece of software or how Steven Spielberg became the youngest studio director in Hollywood history, they all took the Third Door.

Red, White & Royal Blue Rebellion Publishing Ltd
 "Alex Tizon fearlessly penetrates the core of not just what it means to be male and Asian in America, but what it means to be human anywhere."—Cheryl Strayed, New York Times bestselling author
 Shame, Alex Tizon tells us, is universal—his own happened to be about race. To counteract the steady diet of American television and movies that taught Tizon to be ashamed of his face, his skin color, his height, he turned outward. ("I had to educate myself on my own worth. It was a sloppy, piecemeal education, but I had to do it because no one else was going to do it for me.") Tizon illuminates his youthful search for Asian men who had no place in his American history books or classrooms. And he tracks what he experienced as seismic change: the rise of powerful, dynamic Asian men like Yahoo! cofounder Jerry Yang, actor Ken Watanabe, and NBA starter Jeremy Lin. Included in this new edition of Big Little Man is Alex Tizon's "My Family's Slave"—2017's best-read digital article. Published only weeks after Tizon's death in 2017, it delivers a provocative, haunting, and ultimately redemptive coda. "A ruthlessly honest personal story and a devastating critique of contemporary American culture."—The Seattle Times
 "Part candid memoir, part incisive cultural study, Big Little Man addresses—and explodes—the stereotypes of Asian manhood. Alex Tizon writes with acumen and courage, and the result is a book at once illuminating and, yes, liberating."—Peter Ho Davies, author of The Welsh Girl
 "This personal narrative of self-education and growth will engage any reader captivated by the sources of American, and Asian-American, manhood—its multitude of inheritances and prospects."—Minneapolis Star Tribune

The Shadows Scribe Publications

From triangles, rotations and power laws, to cones, curves and the dreaded calculus, Alex takes you on a journey of mathematical discovery with his signature wit and limitless enthusiasm. He sifts through over 30,000 survey submissions to uncover the world's favourite number, and meets a mathematician who looks for universes in his garage. He attends the World Mathematical Congress in India, and visits the engineer who designed the first roller-coaster loop. Get hooked on math as Alex delves deep into humankind's turbulent relationship with numbers, and reveals how they have shaped the world we live in.
Alex National Geographic Books

'A daring and mesmerizing twist on the art of biography' – Douglas Smith, author of Rasputin: The Biography
 'Anyone who loves [Dostoevsky's] novels will be fascinated by this book' – Sue Prideaux, author of I Am Dynamite!
 A Life of Friedrich Nietzsche
 Dostoevsky's life was marked by brilliance and brutality. Sentenced to death as a young revolutionary, he survived mock execution and Siberian exile to live through a time of seismic change in Russia, eventually being accepted into the Tsar's inner circle. He had three great love affairs, each overshadowed by debilitating epilepsy and addiction to gambling. Somehow, amidst all this, he found time to write short stories, journalism and novels such as Crime and Punishment, The Idiot and The Brothers Karamazov, works now recognised as among the finest ever written. In Dostoevsky in Love Alex Christofi weaves carefully chosen excerpts of the author's work with the historical context to form an illuminating and often surprising whole. The result is a novelistic life that immerses the reader in a grand vista of Dostoevsky's world: from the Siberian prison camp to the gambling halls of Europe; from the dank prison cells of the Tsar's fortress to the refined salons of St Petersburg. Along the way, Christofi relates the stories of the three women whose lives were so deeply intertwined with Dostoevsky's: the consumptive widow Maria; the impetuous Polina who had visions of assassinating the Tsar; and the faithful stenographer Anna, who did so much to secure his literary legacy. Reading between the lines of his fiction, Christofi reconstructs the memoir Dostoevsky might have written had life – and literary stardom – not intervened. He gives us a new portrait of the artist as never before seen: a shy but devoted lover, an empathetic friend of the people, a loyal brother and friend, and a writer able to penetrate to the very depths of the human soul.

Dostoevsky in Love Open Road Media

A RECOMMENDED SUMMER READ BY THE NEW YORK TIMES, USA TODAY, TIME, AND NEWSWEEK
 Longtime Jeopardy! host and television icon Alex Trebek reflects on his life and career. Since debuting as the host of Jeopardy! in 1984, Alex Trebek has been something like a family member to millions of television viewers,

bringing entertainment and education into their homes five nights a week. Last year, he made the stunning announcement that he had been diagnosed with stage four pancreatic cancer. What followed was an incredible outpouring of love and kindness. Social media was flooded with messages of support, and the Jeopardy! studio received boxes of cards and letters offering guidance, encouragement, and prayers. For over three decades, Trebek had resisted countless appeals to write a book about his life. Yet he was moved so much by all the goodwill, he felt compelled to finally share his story. "I want people to know a little more about the person they have been cheering on for the past year," he writes in *The Answer Is...: Reflections on My Life*. The book combines illuminating personal anecdotes with Trebek's thoughts on a range of topics, including marriage, parenthood, education, success, spirituality, and philanthropy. Trebek also addresses the questions he gets asked most often by Jeopardy! fans, such as what prompted him to shave his signature mustache, his insights on legendary players like Ken Jennings and James Holzhauer, and his opinion of Will Ferrell's Saturday Night Live impersonation. The book uses a novel structure inspired by Jeopardy!, with each chapter title in the form of a question, and features dozens of never-before-seen photos that candidly capture Trebek over the years. This wise, charming, and inspiring book is further evidence why Trebek has long been considered one of the most beloved and respected figures in entertainment.

Alternative Living Mountaineers Books

Dean Mullaney and Bruce Canwell continue their comprehensive review of the life and art of Alex Toth in *Genius, Illustrated*. Covering the years from the 1960s to Toth's poignant death in 2006, this oversized 9.5" x 13" book features artwork and complete stories from Toth's latter-day work at Warren, DC Comics, Red Circle, Marvel, and his own creator-owned properties, plus samples of his animation work for Hanna-Barbera, Ruby-Spears, and others, as well as sketchbook pages, doodles, advertising art, and other rarities provided through the cooperation of Toth's family and his legion of fans. Two of Toth's best stories are reproduced complete from the original artwork: "Burma Skies" and "White Devil...Yellow Devil." A full-length text biography will chart the path from Toth's increasingly-reclusive lifestyle to his touching re-connection to the world in his final years. Fans of comics, cartoons, and all-around great artwork revere Alex Toth. See why *Genius, Illustrated* — along with its companion volume, 2011's *Genius, Isolated* — are being praised as the definitive examination of the life and art of The Master, Alex Toth. Winner of the 2014 Eisner Awards for Best Comics-Related Book and Best Publication Design.

Loving My Actual Life Houghton Mifflin Harcourt

A father's moving memoir of cystic fibrosis "captures a brave child's legacy as well as the continuing fight against the genetic disease" (The New York Times). In 1971 a girl named Alex was born with cystic fibrosis, a degenerative genetic lung disease. Although health-care innovations have improved the life span of CF patients tremendously over the last four decades, the illness remains fatal. Given only two years to live by her doctors, the imaginative, excitable, and curious little girl battled through painful and frustrating physical-therapy sessions twice daily, as well as regular hospitalizations, bringing joy to the lives of everyone she touched. Despite her setbacks, brave Alex was determined to live life like a typical girl—going to school, playing with her friends, traveling with her family. Ultimately, however, she succumbed to the disease in 1980 at the age of eight. Award-winning author Frank Deford, celebrated primarily as a sportswriter, was also a budding novelist and biographer at the time of his daughter's birth. Deford kept a journal of Alex's courageous stand against the disease, documenting his family's struggle to cope with and celebrate the daily fight she faced. This book is the result of that journal. Alex relives the events of those eight years: moments as heartwarming as when Alex recorded herself saying "I love you" so her brother could listen to her whenever he wanted, and as heartrending as the young girl's tragic, dawning realization of her own very tenuous mortality, and her parents' difficulty in trying to explain why. Though Alex is a sad story, it is also one of hope; her greatest wish was that someday a cure would be found. Deford has written a phenomenal memoir about an extraordinary little girl.

Alex & Me Celadon Books

WINNER - NAUTILUS GOLD BOOK AWARD
 Exploring how the essentialism of the gender binary impacts on clients of all genders, this ground-breaking book examines how historical, social and culturally gendered trauma emerges in clinical settings. Weaving together systemic ideas, autoethnography, narrative therapy and somatic experiencing, the book charts the history of the gender binary and its roots in colonialism, as well as the way this culture is perpetuated intergenerationally, and the

impact this trauma has on all bodies, gender identities and experiences. Featuring clinical vignettes, exercises and reflexive practices, this is an accessible and intersectional guide for professionals to develop their understanding of gender-derived trauma for supporting clients. Highlighting the importance of applying a trauma-informed approach in practice, this book provides insights as to how we can work towards collective healing, for future generations and for ourselves.

Proxy Jessica Kingsley Publishers

After a contestant wrote "We love you, Alex!" as his Final Jeopardy! answer, fans around the world quickly chimed in to proclaim their own love and support for beloved Jeopardy! host Alex Trebek. In the wake of his devastating cancer diagnosis, the moment provided the perfect opportunity to reflect on what the show — and the man — meant to them. It was no surprise, since millions of devoted viewers have long considered Alex Trebek to be a part of their daily lives ever since he began hosting the show in 1984. Now, bestselling biographer Lisa Rogak gives readers a look at Trebek's early life, his career, and his personal life throughout the years, drawing on many sources to tell his full story for the first time. There are many surprises, like the fact that Trebek was almost 50 when he discovered that he had a half brother, as well as the revelation that for a short time he actually dreamed of becoming a priest. The native Canadian also struggled with depression after the failure of his first marriage, and for years afterward he despaired of ever having a family of his own until he met the woman who would become his soulmate. *Who Is Alex Trebek?* is the first biography of the much-loved game show host, and as such, celebrates the man who has created a remarkable legacy that will live on in popular culture for generations to come.

Alex Da Corte. True Life Philomel Books

"Privileged Knox and his proxy, Syd, are thrown together to overthrow the system!"—

The Survivors St. Martin's Griffin

Octavia E. Butler said, "There's nothing new under the sun, but there are new suns." *New Suns 2* brings you fresh visions of the strange, the unexpected, the shocking—breakthrough stories, stories shining with emerging truths, stories that pierce stale preconceptions with their beauty and bravery. Like the first *New Suns* anthology (winner of the World Fantasy, Locus, IGNITE, and British Fantasy awards), this book liberates writers of many races to tell us tales no one has ever told. Many things come in twos: dualities, binaries, halves, and alternates. Twos are found throughout *New Suns 2*, in eighteen science fiction, fantasy, and horror stories revealing daring futures, hidden pasts, and present-day worlds filled with unmapped wonders. Including stories by Daniel H. Wilson, K. Tempest Bradford, Darcie Little Badger, Geetanjali Vandemark, John Chu, Nghi Vo, Tananarive Due, Alex Jennings, Karin Lowachee, Saad Hossain, Hiromi Goto, Minsoo Kang, Tlotlo Tsamaase, Rochita Loenen-Ruiz, Malka Older, Kathleen Alcalá, Christopher Caldwell and Jaymee Goh with a foreword by Walter Mosley and an afterword by Dr. Grace Dillon.

Gender Trauma Pantheon

* Instant NEW YORK TIMES and USA TODAY bestseller **
 GOODREADS CHOICE AWARD WINNER FOR BEST DEBUT and BEST ROMANCE of 2019 ** BEST BOOK OF THE YEAR* for VOGUE, NPR, VANITY FAIR, and more!
 * What happens when America's First Son falls in love with the Prince of Wales? When his mother became President, Alex Claremont-Diaz was promptly cast as the American equivalent of a young royal. Handsome, charismatic, genius—his image is pure millennial-marketing gold for the White House. There's only one problem: Alex has a beef with the actual prince, Henry, across the pond. And when the tabloids get hold of a photo involving an Alex-Henry altercation, U.S./British relations take a turn for the worse. Heads of family, state, and other handlers devise a plan for damage control: staging a truce between the two rivals. What at first begins as a fake, Instagramable friendship grows deeper, and more dangerous, than either Alex or Henry could have imagined. Soon Alex finds himself hurtling into a secret romance with a surprisingly unstuffy Henry that could derail the campaign and upend two nations and begs the question: Can love save the world after all? Where do we find the courage, and the power, to be the people we are meant to be? And how can we learn to let our true colors shine through? Casey McQuiston's *Red, White & Royal Blue* proves: true love isn't always diplomatic. "I took this with me wherever I went and stole every second I had to read! Absorbing, hilarious, tender, sexy—this book had everything I crave. I'm jealous of all the readers out there who still get to experience *Red, White & Royal Blue* for the first time!" - Christina Lauren, New York Times bestselling author of *The Unhoneymooners*
 "Red, White & Royal Blue is outrageously fun. It is romantic, sexy, witty, and thrilling. I loved every second." - Taylor Jenkins Reid, New York Times bestselling author of *Daisy Jones & The Six*
