WESTON LOVE

Make Love, Make War Hodder Faith
Worship elevates us into God's presence, renews our spirits, and expresses our deepest love for our Savior. Yet worship can also be a call to arms, a battle cry, a salvo in an ancient spiritual struggle. Acclaimed songwriter Brian Doerksen believes that God is calling us to both love and to battle. To spread peace and wage

spiritual warfare. We do this through how we live, how we serve Him, and how we protect and fight for what matters most. For Brian, music was his answer to this provocative call. Now Brian shares the stories and inspirations behind some of today's most acclaimed songs of worship, including "Come, Now is the Time to Worship," "Hallelujah (Your Love is Amazing)," and "With All My Affection." Brian shares rich truths and insights that informed twelve of his greatest songs, and offers special tips for aspiring songwriters. Readers will be encouraged to wage

spiritual war and share His love through a life of radical worship.

Until it was pulled down, the Walled City was Hong Kong's most foreboding territory. It was a lawless place, dominated by the Triads, and which the police hesitated to enter. Strangers were unwelcome. Drug smuggling and heroin addiction flourished, as did prostitution and pornography, extortion and fear. When Jackie Pullinger set sail from England in 1966 she had no idea that God

was calling her to the Walled City. Yet, as she spoke of Jesus Christ, brutal Triad gangsters were converted, prostitutes quit, and Jackie discovered a new treatment for drug addiction: baptism in the Holy Spirit.

Love alone isn't enough to overcome some obstacles. Lena Kauffman is a young Old Order Amish schoolteacher who has dealt all her life with attention raised by a noticeable birthmark on her cheek. Having learned to move past the stares and whispers, Lena channels her zest for living into her love of teaching. But tensions mount as she is challenged to work with a rebellious young man and deal with several crises at the schoolhouse that threaten her other students. One member of the school board, Grey Graber, feels trapped by his own stifling circumstances. His wife, Elsie, has shut him out of her life, and he doesn't know how long he can continue to live as if nothing is wrong. As the two finally come

Death of a Guru Hachette UK

'Someone has said that when you have nothing left but God, you realize that God is enough. God had stood beside me when no one else wanted me. He was not going to abandon me now. God would have to heal the emotional pain that throbbed through my body.' As a child, Dorie was rejected by her mother, sent to live in an orphanage where she was regularly beaten by the orphanage director, was beaten time and again by cruel foster parents, and was daily told that she was ugly and unlovable. Dorie never knew love until a group of college students visited the orphanage and told her that God loved her. As she accepted that love, her life began to change. Dorie is the thrilling, true account of what God's love can do in a life. Doris Van Stone takes readers through the hard years of her childhood into her fascinating years as a missionary with her husband to the Dani tribe in New Guinea. With the rise of illegitimate births, the increase in divorce statistics, and the frightening escalation of child abuse, this story stands as a reminder that God's love,

forgiveness, and grace are greater than human hurt and sorrow. More than 170,000 in print.

Icky Little Duckling NorthSouth Books

Alexander Granach, who died while he was acting on Broadway in 1945, brilliantly relates the remarkable story of his unlikely path from a poverty-stricken, rough-and-tumble childhood to success on the German stage. This is the account of a daring, curiosity-filled, and perceptive Jewish child from poor towns in Galicia who was seized with a passion for the theater when he saw his first show at the age of 14. He overcame great odds to become a leading stage and film actor in Weimar Germany - and he had to have both legs broken to do it! Born in what is now southern Ukraine, Granach began working at the age of six in his father's bakery, where his heavy tasks left him visibly knock-kneed. With very little formal education but open for adventure and willing to work hard, Alexander ran away several times, the last time to Berlin, at the age of 16, where his talent and charm won him a place in Max Reinhardt's theater school. His career was abruptly interrupted by World War I and his time as

a prisoner of war in Italy, but after a daring escape and the end of the war he resumed his rise to prominence in German artistic life. A natural storyteller, Granach's autobiography captures equally the charms, adventures, and trials of his shtetl days, the horrors of trench warfare, and the glamour and excitement of the German theater before Hitler came to power.

Crisis in Masculinity David C Cook

The Bakers started Adullam Rescue Mission for street children in Yunnan Province, China. The children in the home, mostly boys aged from six to eighteen, had a revival during which they had visions of heaven, Paradise, angels, and even hell. The children also had visions of the Antichrist, the Rapture, Resurrection,

and Day of Judgment. Baker worked for years with little fruit and he almost gave up, until the Holy Spirit came with power, but he never put the spiritual above the Word and searched the Scriptures to make sure what was happening agreed with the Bible. This is reflected in his books as he includes Scripture references in most chapters.
