BARTLETT PITTS

Southwest Wind August House Publishers

TRAILS SOUTHWEST Tom Lacey was a young man who lost his family during a raid by rustlers in the 1870's. Left alone to fend for himself, he sells his father's farm and becomes a drifter and so called saddle tramp. In his desperate pursuit for survival he becomes involved with a band of desperados, learns a fast draw, gains a reputation and flees with Smokey, a cowboy and drifter he befriends. Seeking refuge at a cattle ranch, jobs are offered to them by the prominent rancher. Later he finds himself falling in love with a female who carried enough evidence against him to get him hanged. Buck was John O'Connor's ranch foreman. A tough disciplinarian who made the ranch hands tow the line. He took a dislike to the young new hire he thought was a no count farm boy. It was his job to straighten out the trouble maker and turn him into a worthy ranch hand.

"This book introduces preschool and elementary teachers to a broad range of high-quality children's literature books and stories and provides them with background information so that they can use Jewish children's literature thoughtfully with their students"--

The Sheriff of Badger: A Tale of the Southwest Borderland Chronicle Books (CA)

Collects legends and lore of buried treasure in the American Southwest, with maps showing locations

Research Progress - Pacific Southwest Forest and Range Experiment Station Johnston Associates International

Based on the 506-page full guide to the great American national parks, how to avoid the crowds, walking tours, facilities and how to get there, this edition focuses on the major parks of the Southwest: Colorado, New Mexico, Texas, Arizona, Utah & Nevada. It includes information on accommodations and dining, camping and tours. Included are Arches, Bandelier, Big bend, Black Canyon of the Gunnison, Bryce Canyon, Canyon de Chelly, Canyonlands, Capitol Reef, Carlsbad Caverns, Colorado National Monument, Dinosaur National Monument, Glen Canyon, Grand Canyon, Grand Staircase-Escalante, Great Basin, Great Sand Dunes, Lake Mead, Mesa Verde, Petrified Forest, Rocky Mountain National park, Saguaro, White Sands, & Zion National Park. Unlike other guides, this explains in detail how to tour the parks: how much time to allow, how to avoid the crowds, what each place is really like, what you can safely skip and what you must not miss. It offers advice on planning if you have only a few hours, or if you have a few days to explore. Complete directions on getting to and from the parks are included, as well as how to get around once you're there, whether you want to tour independently or prefer to join a group excursion. It also profiles places to stay and eat in and near each park, with options to suit all budgets. Maps show each park's features, along with all surrounding access routes. Are you wondering when to visit? The author tells all about the climate and the crowds (or lack of them) in all seasons and recommends the ideal times to explore our nation's treasures. A unique section, Suggested Trips, contains customized itineraries, describing ways to combine visits to one or more parks with tours of nearby attractions. These routes are designed to last from four to 10 days and include complete directions and recommended places to stay each night. Describes the parks in depth, giving advice on planning your time - vital when it comes to setting priorities. Invaluable. -- Physician's Travel & Meeting Guide Maps are shown for every park. The print edition of the full book is 506 pages. This is a straight-talking author who reminds me of a smart, blunt friend... no pussyfooting around. -- The Armchair Traveler, Daily Herald Although it does not include every site administered by the NPS, this book is very thorough in its treatment of the parks it covers. The author also describes 13 suggested driving trips of five to 12 days each, incorporating nearby attractions. Includes detailed information on accommodations/campgrounds, activities available in each park, handy tips and tidbits, maps and

photos. A great travel reference book! -- Amazon customer Touring America's national parks has become a pastime for me. I've been from Acadia to the North Cascades to the Grand Canyon and this book is an excellent reference. With an emphasis on traveling via automobile, it also has several suggested hiking trips in each park as well as other points of interest. They say that most people never get more than 100 feet from their cars in parks. Well, this is the book to help get you there, and point out the best routes outside of your car. It covers more territory than anyone could possibly see in a lifetime...but it's sure fun to try. -- Amazon customer

Golden Tales of the Southwest University of Arizona Press

Standing atop the wall of California, Michael Checchio decided to head out for Saline and Death Valley, the canyonlands of Arizona and Utah and the uplands of New Mexico. He would re-visit old haunts and explore new ones—and in so doing rediscover a world he thought he already knew. In *Sundown Legends*, Checchio offers up the American Southwest as a spiritual repository and source of inspiration. On his travels he talked to individuals whose imaginations have been shaped by the power of this desert landscape, including Ken Sleight, the Utah wilderness outfitter, who was the inspiration for a character in *THE MONKEY WRENCH GANG* and novelist John Nichols, author of the *MILAGRO BEANFIELD WAR*, who wandered into Taos in the late sixties and found a place to make his stand. Like Michael Wallis, Michael Checchio is a powerfully gifted writer who has created an intimate and lasting portrait of one of our last remaining wild places.

The South Western Reporter Rowman & Littlefield

This edition is abridged and annotated with updated information. A judge from Prussia. A French Texas Ranger. Emigrants from all over the U.S. Their names and stories are mostly now forgotten but were recorded in this 1900 volume by Andrew Jackson Sowell. They were mostly young, hardy, and looking for new opportunities in land they felt was wide open but, in fact, was inhabited by Native Americans. The lives of these early pioneers is part of the history of the American West. The original bound edition of this book ran over 1100 pages and most of that content is here. It's the story of an incredibly violent and adventurous time that was lived by the people whose stories you find here. Sowell talked to them all and created one of the most interesting collections of personal histories of the wild West.

The Chronicles of America Series: Pioneers of the old Southwest Moon Travel

"Powerful and important . . . an instant classic." —The Washington Post Book World The award-winning look at an ugly aspect of American racism by the bestselling author of *Lies My Teacher Told Me*, reissued with a new preface by the author In this groundbreaking work, sociologist James W. Loewen, author of the classic bestseller *Lies My Teacher Told Me*, brings to light decades of hidden racial exclusion in America. In a provocative, sweeping analysis of American residential patterns, Loewen uncovers the thousands of "sundown towns"—almost exclusively white towns where it was an unspoken rule that blacks weren't welcome—that cropped up throughout the twentieth century, most of them located outside of the South. Written with Loewen's trademark honesty and thoroughness, *Sundown Towns* won the Gustavus Myers Outstanding Book Award, received starred reviews in *Publishers Weekly* and *Booklist*, and launched a nationwide online effort to track down and catalog sundown towns across America. In a new preface, Loewen puts this history in the context of current controversies around white supremacy and the Black Lives Matter movement. He revisits sundown towns and finds the number way down, but with notable exceptions in exclusive all-white suburbs such as Kenilworth, Illinois, which as of 2010 had not a single black household.

And, although many former sundown towns are now integrated, they often face "second-generation sundown town issues," such as in Ferguson, Missouri, a former sundown town that is now majority black, but with a majority-white police force.

Updated 5th Edition with new sites & museums! SOUTHWEST Arizona • California • Colorado • Hawaii • Kansas Nevada • New Mexico • Oklahoma • Texas • Utah Whether you're digging for the first time or are an experienced rockhound or "prospector," with a simple rock hammer and a little luck, you too can strike it rich ... or at the very least, have fun trying. This guide offers you easy-to-use information on the ins and outs of "fee dig" mining, complete with locations, costs, tips on technique, entertaining legends and important information on everything from safety kits to the location of the nearest restrooms. Included are resources for use in identifying your finds, exploring the lapidary arts, and further pursuing an exciting—and possibly profitable—hobby. • Equipment and Clothing • Mining Techniques • Gem and Mineral Sites • Museums and Mine Tours • Special Events and Tourist Information • Other Features The Treasure Hunter's Gem & Mineral Guides to the U.S.A. in 4 regional volumes: Northeast ISBN: 978-0-943763-76-7 Northwest ISBN: 978-0-943763-74-3 Southeast ISBN: 978-0-943763-77-4 Southwest ISBN: 978-0-943763-75-0 Kathy J. Rygle & Stephen F. Pedersen combine their scientific training with a hobbyist's passion. Lifelong rockhounds, both authors have shared this hobby—begun with their parents—with their children, and have traveled to many "fee dig" sites, museums and mine tours across the United States.

Southwest Review U of Nebraska Press

In *Spatial and Discursive Violence in the US Southwest* Rosaura Sánchez and Beatrice Pita examine literary representations of settler colonial land enclosure and dispossession in the history of New

Mexico, Texas, and Oklahoma. Sánchez and Pita analyze a range of Chicano/a and Native American novels, films, short stories, and other cultural artifacts from the eighteenth century to the present, showing how Chicano/a works often celebrate an idealized colonial Spanish past as a way to counter stereotypes of Mexican and Indigenous racial and ethnic inferiority. As they demonstrate, these texts often erase the participation of Spanish and Mexican settlers in the dispossession of Indigenous lands. Foregrounding the relationship between literature and settler colonialism, they consider how literary representations of land are manipulated and redefined in ways that point to the changing practices of dispossession. In so doing, Sánchez and Pita prompt critics to reconsider the role of settler colonialism in the deep history of the United States and how spatial and discursive violence are always correlated.

Sundown Legends University of Oklahoma Press

Four studies examine the use of popular and folk health remedies in different Southwestern ethnic communities.
