home cook. So, instead of arranging recipes by dessert type (cookies, tarts, cakes, etc.), she has organized them by line, color, and sculpture. As a result, SprinkleBakes is at once a breathtakingly comprehensive dessert cookbook and an artist's instructional that explains brush strokes, sculpture molds, color theory, and much more. There's dreadful news from the symphony hall—the composer is dead! If you have ever heard an orchestra play, then you know that musicians are most certainly guilty of something. Where exactly were the violins on the night in question? Did anyone see the harp? Is the trumpet protesting a bit too boisterously? In this perplexing murder mystery, everyone seems

to have a motive, everyone has an alibi, and nearly everyone is a musical instrument. But the composer is still dead. Perhaps you can solve the crime yourself. Join the Inspector as he interrogates all the unusual suspects. Then listen to the accompanying audio recording featuring Lemony Snicket and the music of Nathaniel Stookey performed by the San Francisco Symphony. Hear for yourself exactly what took place on that fateful, well-orchestrated

evening.

Let It Go (from Frozen) - Cello/Piano Hal Leonard

Publishing Corporation  
This brilliant novel with universal resonance tells the story of three people trying to survive in a city rife with the extreme fear of desperate times, and of the sorrowing cellist who plays undaunted in their midst. One day a shell lands in a bread line and kills twenty-two people as the cellist watches from a window in his flat. He vows to sit in the hollow where the mortar fell and

play Albinoni's Adagio once a day for each of the twenty-two victims. The Adagio had been re-created from a fragment after the only extant score was firebombed in the Dresden Music Library, but the fact that it had been rebuilt by a different composer into something new and worthwhile gives the cellist hope. Meanwhile, Kenan steels himself for his weekly walk through the dangerous streets to

collect water for his family on the other side of town, and Dragan, a man Kenan doesn't know, tries to make his way towards the source of the free meal he knows is waiting. Both men are almost paralyzed with fear, uncertain when the next shot will land on the bridges or streets they must cross, unwilling to talk to their old friends of what life was once like before divisions were unleashed on their city. Then there is "Arrow," the

pseudonymous name of a gifted female sniper, who is asked to protect the cellist from a hidden shooter who is out to kill him as he plays his memorial to the victims. In this beautiful and unforgettable novel, Steven Galloway has taken an extraordinary, imaginative leap to create a story that speaks powerfully to the dignity and generosity of the human spirit under extraordinary duress.
