### EDWARDS PHELPS

When Pigs Fly Abrams

"My name is Failure. Timmy Failure. And my detective agency is on the verge of global domination. And yet the gods keep throwing me curveballs.

But one thing is for sure- Timmy Failure will be triumphant again!"--Back cover.

*Olga and the Smelly Thing from Nowhere* Scholastic Inc.

Tom Gates is the master of excuses for late homework: dog attacks - spilt water - lightning... Tom's exercise book is full of his doodles and thoughts, as well as comments from his long-suffering teacher, Mr Fullerman.

**A Fire Story** HarperCollins Children's Books

This Little Piggy Stayed Home continues the adventures of Rat and Pig, two characters who couldn't be more different-or more surprising. Rat is your typical Every Rodent: scheming, self-centered, and more than occasionally manipulative. By contrast, Pig is sensitive, kind, and-even on his best days-just plain stupid. Together with Zebra and Goat, they confront the strange and wonderful world around them, a place that looks suspiciously like our own.

Timmy Failure It's the End When I Say It's the End Simon and Schuster

In true Pearls Before Swine tradition, this treasury is full of Stephan Pastis's cynical humor, sharp wit, and clever commentary. Always together--and sometimes with their fellow funny-page characters--the regular Pearls clan weighs in on everything from modern technology to current events to human nature. All the members of the skewed gang are here as Zebra engages in a never-ending war of neighborly hate with the Crocs. As always, Goat offers a voice of reason amid the ongoing chaos that Pastis creates, either from behind the pen or as a character within the strip itself.

Timmy Failure: We Meet Again Andrews McMeel Publishing

Through parenting a child with a disability, a father discovers patience, acceptance, and unconditional love. In 1987, Paul Austin and his wife Sally were newlyweds, excited about their future together and happily anticipating the birth of their first child. He was a medical student and she was a nurse. Everything changed the moment the doctor rushed their infant daughter from the room just after her birth, knowing instantly that something was wrong. Sarah had almond-shaped eyes, a single crease across her palm instead of three, and low-set ears—all of which suggested that the baby had Down syndrome. Beginning on the day Sarah is born and ending when she is a young adult living in a group home, Beautiful Eyes is the story of a father's journey toward acceptance of a child who is different. In a voice that is unflinchingly honest and unerringly compassionate, Austin chronicles his life with his daughter: watching her learn to walk and talk and form her own opinions, making decisions about her future, and navigating cultural assumptions and prejudices—all the while confronting, with poignancy and moving candor, his own limitations as her father. It is Sarah herself, who, in her own coming of age and her own reconciling with her difference, teaches her father to understand her. Time and again, she surprises him: performing Lady Gaga's "Poker Face" at a talent show; explaining how the word "retarded" is hurtful; reacting to the events of her life with a mixture

of love, pain, and humor; and insisting on her own humanity in a world that questions it. As Sarah begins to blossom into herself, her father learns to look past his daughter's disability and see her as the spirited, warmhearted, and uniquely wise person she is.

*Pearls Before Swine* OUP Oxford

Banishment from his life's calling can't keep a comically overconfident detective down in the latest episode by New York Times bestseller Stephan Pastis. This book was never meant to exist. No one needs to know the details. Just know this: there's a Merry, a Larry, a missing tooth, and a teachers' strike that is crippling Timmy Failure's academic future. Worst of all, Timmy is banned from detective work. It's a conspiracy of buffoons. He recorded everything in his private notebook, but then the manuscript was stolen. If this book gets out, he will be grounded for life. Or maybe longer. And will Timmy's mom really marry Doorman Dave?

**The Brilliant World of Tom Gates** Andrews McMeel Publishing

Follows the escapades of self-centered Rat and kindly (but dumb) Pig and their pals--includes commentary from the author.

*The Croc Ate My Homework* Candlewick Press

#1 New York Times bestseller with more than 11 million copies sold! When 4-year-old Colton Burpo emerges from life-saving surgery with remarkable stories of his visit to heaven, his family doesn't know what to believe. *Heaven Is For Real* details what Colton saw and his family's journey towards accepting their young son had visited the afterlife. "Do you remember the hospital, Colton?" Sonja said. "Yes, mommy, I remember," he said. "That's where the angels sang to me." Colton told his parents he left his body during an emergency surgery--and proved that claim by describing exactly what his parents were doing in another part of the hospital during his operation. He talked of visiting heaven and described events that happened before he was born and how he spoke with family members he'd never met. Colton also astonished his parents with descriptions and obscure details about heaven that matched the Bible exactly, even though he had not yet learned to read. With disarming innocence and the plainspoken boldness of a child, Colton recounts his visit to heaven, describing: Meeting long-departed family members Jesus, the angels, how "really, really big" God is, and how much God loves us How Jesus called Todd, Colton's father, to be a pastor The Battle of Armageddon Retold by his father, but using Colton's uniquely simple words, *Heaven Is for Real* offers a glimpse of the world that awaits us, where as Colton says, "Nobody is old and nobody wears glasses." *Heaven Is for Real* will forever change the way you think of eternity, offering the chance to see, and believe, like a child. Praise for *Heaven Is for Real*: "A beautifully written glimpse into heaven that will encourage those who doubt and thrill those who believe." —Ron Hall, coauthor of *Same Kind of Different as Me*

*Pearls Takes a Wrong Turn* Scholastic UK

Follows the escapades of self-centered Rat and kindly (but dumb) Pig and their pals, with commentary from the author.

*Because Sometimes You Just Gotta Draw a Cover with Your Left Hand* Timmy Failure

The complete collected memoirs of Timmy Failure are contained within this boxed set. That's seven episodes of New York Times best-selling greatness. You have been warned. Meet Timmy Failure. You may know him as the founder, president, and CEO of Total Failure, Inc. -- the best detective agency in town. Perhaps even the nation. Timmy's seen a lot in his eleven years. Maybe too much. But luckily for you, the tales of his genius have been recorded by Timmy himself. All seven of his comically overconfident capers, combining hilarity and heart, are now available together in a deceptively sweet, outrageously funny collection by Stephan Pastis, making the perfect gift for Timmy fans new and old. Includes: Timmy Failure: Mistakes Were Made Timmy Failure: Now Look What You've Done Timmy Failure: We Meet Again Timmy Failure: Sanitized for Your Protection Timmy Failure: The Book You're Not Supposed to Have Timmy Failure: The Cat Stole My Pants Timmy Failure: It's the End When I Say It's the End

**The Future of the Mind** Andrews McMeel Publishing

In the series finale, Timmy Failure and his class create a hilarious film about his life — just in time for the holidays. Though I, Timmy Failure, have solved many notorious crimes and now wish to enjoy my retirement, my fans have begged me to turn my memoirs into a movie, an ode to my

greatness. I am, however, beset by enemies, the worst of whom is Tom John John, the buffoonish movie director. What's more, my father is in town, working at a bar, which is obviously just a cover for our father-son crime-fighting partnership. And my dim-witted polar bear business partner, Total, wants to be reunited with his family. I should have known it would end like this. I expected more.

**The Great Fox Illusion** Candlewick Press

What is superstring theory and why is it important? Can superstrings offer the fulfilment of Einstein's lifelong dream of a Theory of Everything? Co-authored by one of the leading pioneers in superstrings, this book approaches these scientific questions, looking at the scientific research.

*Skip School, Fly to Space* Candlewick Press

Stephan Pastis has done it again with *Pearls Sells Out: A Pearls Before Swine Treasury*. This edgy comic is the perfect collection of insight and observation on humanity's pitiful plight as seen by an arrogant rat, a half-wit pig, and their insane entourage. *Pearls Sells Out* gives fans their much-needed dose of humor, wit and biting sarcasm. The book also features thoughts and sly comments from Pastis about the strips in running commentary throughout the book. There's an artful, edgy rebellion being waged in the funny pages, and one of its brightest revolutionaries is Stephan Pastis. --Fort Worth Star-Telegram The cartoon *Pearls Before Swine* is written by a psychopath. --reader complaint, Wichita Eagle

*Lies! & Po* Andrews McMeel Publishing

A collection of comic strips mocks the foibles of human nature with the antics of egotistical Rat, clueless Pig, intellectual Goat, and letter-writing optimist Zebra.

*Timmy Failure 03: We Meet Again* Candlewick Press

Meet Timmy Failure, the founder, president, and CEO of the best detective agency in town, probably the nation. And his lazy sidekick, Total, a 1,500-pound polar bear.

*When We Got Lost in Dreamland* Andrews McMeel Publishing

Want to aspire to greatness? Check out this new edition of Timmy Failure's first adventure. He may be clueless, but the comically self-confident

Timmy Failure is CEO of the best detective agency in town, perhaps even the nation.

**Larry in Wonderland** Candlewick Press

Now look what you've done: Timmy Failure and his polar bear sidekick, Total, are about to crack the biggest case of his generation, a school competition to find a stolen globe.

*Timmy Failure: Zero to Hero (Timmy Failure Prequel)* Anchor

"*Pearls Before Swine*" is the hilarious new comic strip tale of two friends--an arrogant Rat who knows it all, and a slow-witted Pig who doesn't know any better. Together they offer caustic commentary on humanity's quest for the unattainable. Illustrations.

*Timmy Failure: The Book You're Not Supposed to Have* Soho Press

Secrets and illusions abound as a group of young magicians competes for the prize of a lifetime in this gripping adventure, the first in an enthralling new series from debut author Justyn Edwards. Magic is about dreaming what is impossible and making it possible. It's the innocent young mind in all of us that loves it. We want to be filled with wonder. We want to believe. I want the winner of this competition and the recipient of my legacy to dare to dream big. So, let the Great Fox Hunt begin. Thirteen-year-old Flick Lions has won a place on a new television show, in which young people compete to win the legacy of The Great Fox, one of the world's most famous magicians. But Flick isn't interested in uncovering the Great Fox's tired old magic tricks - she's after something much more important. The magician destroyed her family, and this is Flick's only chance to put things right. Inside the Fox's house is a secret that will change the world of magic for ever, and Flick will go to any lengths to find it.

*Timmy Failure: The Maximum Greatness Collection: Books 1-7* Candlewick Press

A collection of "Pearls Before Swine" comic strips by Stephan Pastis.
