Spider-Man: 101 Totally Twisty Mazes (Marvel) Rockridge Press

When you buy this book you get an electronic version (PDF file) of the interior of this book. When parents want to amuse their children, they usually put a movie on the TV or let the child play video games or watch online videos. But why would you increase your child's screen time when there are so many other interesting and fun things to do! One of the best activities for kids is activity books. It is fun and they learn the alphabet at the same time. Activity books for kids that encourage children to solve mazes, join the dots, spot the difference, find the matching symbol, and even make basic cut-out models or crafts can strengthen various skills. They even can help young readers cultivate habits that will stand them in good stead for the rest of their lives. Here are all the benefits of this alphabet mazes book: 150 Beautifully illustrated mazes, which teaches the alphabet with maze-shaped A-Z letters Suitable for children ages 3 to 5 Solutions can be found at the back of the book Boosts creativity and stimulates the logic skills with interesting activities Improves concentration, letter recognition, and fine motor skills development Helps parents spend more quality time with their children Activity books are one of the best early childhood education tools and mazes will provide hours of fun for boys & girls. Besides having fun, the various exercises will help your child develop critical skills such as problem-solving, visual perception, and fine motor skills.

[The Big Book of Mazes for Kids](#) Page Street Publishing

Give your child an aMAZEing experience with this maze activity book! A complete maze experience with: -101 Mazes with colorable characters and illustrations -101 Fun themes make solving mazes exciting - Increasing difficulty levels - With real world logic: Bring the chicken home, help the family

get to the bus, help the dog get to the bone and more. - Improve hand eye coordination, dexterity and muscle memory - With certificate at back of the book! The amazingly fun mazes and activities in this book are designed to provide an enjoyable and fun learning experience for children of all ages from preschool, nursery and even beyond. Solving maze activities can be a crucial yet fun part of your kid's development, they help in nurturing the development of your child's brain, thought processes, problem solving skills, IQ and intelligence by having your child map out the best path to reach the goal in every activity. Constant practice helps nurture the mind and build hand eye coordination, problem solving skills, muscle memory and dexterity. Each maze is lovingly designed with cute characters and illustrations that your child can color in that are sure to keep your kid engaged. Mazes have increasing difficulty to get your child easily started off with the logic of maze solving and progressing to more challenging mazes as your child gets more experience. Real world logic is incorporated in the mazes, examples are: help chicken to the coop and bring the ball to the hoop. Real world logic helps anchor the activities to real life situations and can be experience for your child.

101 Kids Activities That Are the Bestest, Funnest Ever!

Chronicle Books

[Color Cover; Black-and-White Interior] Who says that learning math has to be boring?Your kids will love solving these fun math puzzles, challenges, and brain teasers which cover topics including: logical thinking, order of operations, fractions and decimals, multiplication tables and area models, hundreds charts, and much more! The puzzles range from basic to advanced and ideal for students in grades 1 through 8.
