COHEN HESS

Homegrown Hate Henry Holt and Company (BYR)

This honest and open autobiography is the true story of a young woman trapped in a relationship that was violent and abusive. Coercive control drove her to the depths of despair. Stacey Jameson had a lack of self-esteem derived from her early childhood. Growing up and dealing with her parent's divorce, she felt nothing more than an inconvenience to her depressive mother. With severe feelings of inadequacy, she was desperate to be loved and feel that she belonged. When she was a teenager, she met a boy Leon, and fell in love. She had never felt so happy. They both had one common denominator they were both brought up in volatile homes, this was the foundation for a turbulent and destructive relationship. Stacey was welcomed with open arms into the wings of Leon's twisted family, naive and impressionable she finally felt secure and loved. Stacey's childhood had made her timid and compliant. Leon's childhood had made him controlling and narcissistic. Gradually Stacey found herself in an unhappy relationship where her partner thrived on being abusive, yet she still loved him. She was coercively controlled into doing things that just were not part of her character. She was so manipulated she believed she did not deserve any better. So often people look on with judgement at others who are in an abusive relationship, and say "Why don't they just leave?." Stacey's story describes her journey as to why it's just not so simple to do that. Stacey's story is one of millions of stories, of people who

find themselves caught up in a destructive relationship that they just cannot find a way out of.

Surviving Domestic Violence

Macmillan + ORM

In an unsettling time in American history, the outbreak of right-wing violence is among the most disturbing developments. In recent years, attacks originating from the far right of American politics have targeted religious and ethnic minorities, with a series of antigovernment militants, religious extremists, and lone-wolf mass shooters inspired by right-wing ideologies. The need to understand the nature and danger of far-right violence is greater than ever. In *American Zealots*, Arie Perliger provides a wide-ranging and rigorously researched overview of right-wing domestic terrorism. He analyzes its historical roots, characteristics, tactics, rhetoric, and organization, assessing the current and future trajectory of the use of violence by the far right. Perliger draws on a comprehensive dataset of more than 5,000 attacks and their perpetrators from 1990 through 2017 in order to explore key trends in American right-wing terrorism. He describes the entire ideological spectrum of the American far right, including today's white supremacists, antigovernment groups, and antiabortion fundamentalists, as well as the histories of the KKK, skinheads, and neo-Nazis. Based on these findings, Perliger suggests counterterrorism policies that can respond effectively to the far-right threat. A groundbreaking examination of violence spawned from right-wing ideologies, *American Zealots* is essential reading for everyone seeking to understand the transformation of domestic terrorism.

Crazy Love NYU Press

"According to UNICEF, growing up with domestic violence is one of the most pervasive human rights violations in the world, affecting more than a billion people. Yet, too few people are aware of the profound impact it can have. *Invincible* seeks to change this lack of awareness and understanding with a compelling look at this important issue, informing and inspiring anyone who grew up living with domestic violence-- and those who love them, work with them, teach them, and mentor them. Through powerful first-person stories, including the author's own experiences, as well as insightful commentary based on the most recent social science and psychology research, *Invincible* not only offers a deeper understanding of the concerns and challenges of domestic violence, but also provides proven strategies everyone can use to reclaim their lives and futures"--

Domestic Violence Rose Publishing
 "Stunning This is an immensely courageous story that will break your heart, leave you in tears, and, finally, offer hope and redemption. Brava, Kelly Sundberg." —Rene Denfeld, author of *The Child Finder* In this brave and beautiful memoir, written with the raw honesty and devastating openness of *The Glass Castle* and *The Liar's Club*, a woman chronicles how her marriage devolved from a love story into a shocking tale of abuse—examining the tenderness and violence entwined in the relationship, why she endured years of physical and emotional pain, and how she eventually broke free. "You made me hit you in the face," he said mournfully. "Now everyone is going to know." "I know," I said. "I'm sorry." Kelly Sundberg's husband, Caleb, was a funny, warm, supportive man and a wonderful father to their little boy Reed. He was

also vengeful and violent. But Sundberg did not know that when she fell in love, and for years told herself he would get better. It took a decade for her to ultimately accept that the partnership she desired could not work with such a broken man. In her remarkable book, she offers an intimate record of the joys and terrors that accompanied her long, difficult awakening, and presents a haunting, heartbreaking glimpse into why women remain too long in dangerous relationships. To understand herself and her violent marriage, Sundberg looks to her childhood in Salmon, a small, isolated mountain community known as the most redneck town in Idaho. Like her marriage, Salmon is a place of deep contradictions, where Mormon ranchers and hippie back-to-landers live side-by-side; a place of magical beauty riven by secret brutality; a place that takes pride in its individualism and rugged self-sufficiency, yet is beholden to church and communal standards at all costs. Mesmerizing and poetic, *Goodbye, Sweet Girl* is a harrowing, cautionary, and ultimately redemptive tale that brilliantly illuminates one woman's transformation as she gradually rejects the painful reality of her violent life at the hands of the man who is supposed to cherish her, begins to accept responsibility for herself, and learns to believe that she deserves better.

United States of Jihad Jessica Kingsley Publishers

Moving beyond the narrow clinical perspective sometimes applied to viewing the emotional and developmental risks to battered children, this book, offers a view that takes into account the complex ways in which a batterer's abusive and controlling behaviors are woven into the fabric of

daily life. This book is a guide for therapists, child protective workers, family and juvenile court personnel, and other human service providers in addressing the complex impact that batterers -- specifically, male batterers of a domestic partner when there are children in the household -- have on family functioning.

Family Interventions in Domestic Violence Black Inc.

Experts estimate that 1-in-3 women suffer from some form of violence from a husband, boyfriend, or relative. Any form of abuse is a flagrant violation of the marriage vows, "to have and to hold from this day forward, to love and to cherish, 'til death do us part." And although such abuse is too frequently behind closed doors, it is blatantly in the open before the eyes of the Lord. This mini-book is a quick overview and is easy-to-understand. It focuses on the key issues and is perfect for the busy person who needs instant advice. Included in the mini-book Domestic Violence: Assault on a Woman's Worth are abuse checklists with a list of behaviors that you may have observed or experienced. God has a heart for those who are victims of domestic violence. He wants you to know that he hears your cries; he thinks you are worthy of love without violence, and he holds you in the palm of his hand. Learn the causes of violent behavior and the reasons many women won't leave abusive relationships. This book will give you the tools to learn: How to answer a person who claims that violence is justified How to know whether the abuser has really changed How to build healthy boundaries How to prepare a safety plan And much more God designed the marriage relationship to benefit one another. He intended married couples to

love, honor, and cherish each other all the days of their lives, but life doesn't always turn out that way. In some relationships, cruelty has replaced the sacred relationship defined by God. The Domestic Violence mini-book outlines a Christian approach to help you identify and stop physical and emotional abuse. Stop Domestic Violence McFarland Help victims and survivors break the cycle of abuse! Trying to get victims and survivors of domestic abuse to recognize their own victimization can be a frustrating experience. They often become so frightened, isolated, and self-doubting that they make excuses for the abuser. Combining psychological insight with practical safety information, this book helps therapists guide their clients into understanding--and ending--the vicious cycle of wooing, tension, violence, and remorse. A Therapist's Guide to Growing Free provides a comprehensive outline of the issues, tasks, and goals involved in the treatment of victims and survivors. Its chapter-by-chapter breakdown of how violent relationships function and how to end them safely can help you guide a traumatized woman through her therapeutic journey. The guide's companion volume, Growing Free: A Manual for Survivors of Domestic Violence is the perfect handout for clients in individual therapy, group therapy, and battered women's shelters. Reading stories like their own may provide the shock of recognition they need to be able to understand--and eventually to end--the cycle of violence that characterizes all levels of domestic abuse. It outlines a series of steps they can take to ensure their emotional and physical safety. Its stories of women in abusive relationships and discussions of the cycle of abuse are direct and easy to

read without ever being condescending. *A Therapist's Guide to Growing Free* provides the insight and therapeutic models needed for effective intervention and treatment, including: psychological effects and belief systems of victims and survivors discussions and illustrations of the cycle of violence the effects of domestic violence on children and adolescents the therapeutic challenges of couple/conjoint therapy handling crisis intervention suggestions for conducting group and therapeutic therapy for victim and batterer *A Therapist's Guide to Growing Free* and its companion volume provide both therapists and clients with a practical, action-oriented approach to the problem of domestic violence. It is ideal training and reference material for counselors at women's shelters, emergency room personnel, law-enforcement officers, and other professionals involved in the rescue, support, defense, and treatment of victims and survivors.

Discover research from across the United States and around the world on children exposed to domestic violence! If you are a member of a helping, medical, or legal profession, *Children Exposed to Domestic Violence: Current Issues in Research, Intervention, Prevention, and Policy Development* will help you explore research, assessments, interventions, and policy and prevention for children, victims of battering, batterers, and their families. This important book focuses on various aspects of spousal/partner abuse and child maltreatment. Comprehensive and thorough, *Children Exposed to Domestic Violence* focuses on three major sections: theoretical and research issues, intervention and prevention strategies, and policy development from

an international perspective. Some of the important issues you will examine include: exploring the importance of partnerships between the domestic violence front-line workers and researchers at universities addressing the thorny issues of parenting in abused women assessing all areas of children's adjustment as well as their various relationships that may be problematic investigating the results of a quarter century research on men who batter by focusing on the crucial link between exposure to violence in childhood and adult marital behavior understanding the role of physiological and environmental factors as central to the role in domestic violence exploring the challenges faced by shelter staff in providing services to children who accompany their mother to find refuge examining new ideas for primary prevention programs in schools understanding policy and legislative implications of the growing body of literature on the impact of exposure to violence on children *Children Exposed to Domestic Violence* exemplifies the serious challenges faced by social workers, educators, policymakers, psychologists and others in helping professions working with children who have been exposed to domestic violence. You will gain insight into the vast amount of research that has taken place in the last ten years on this problem that will assist you with creating research ideas, interventions, prevention programs, and policies concerning children exposed to domestic violence. *Writer's Market 100th Edition* Hachette UK
Dealing wisely with domestic abuse in the church
Why Don't You Just Leave Him?
NorthSouth Books
Written by a therapist who specializes in

abusive men, this guide reveals how abusers interact with and manipulate children—and how mothers can help their children recover from the trauma of witnessing abuse. Can my partner abuse me and still be a good parent? Should I stay with my partner for my children's sake? How should I talk to my children about the abuse and help them heal? Am I a bad mother? Mothers in physically or emotionally abusive relationships ask themselves these questions every day. Whether it's physical or "just" emotional abuse, whether it's aimed at them or you, whether they see or hear it, your kids need you. This book, the first ever of its kind, shows mothers how to:

- Protect children and help them heal emotionally
- Provide love, support, and positive role models, even in the midst of abuse
- Increase their chances of winning custody
- Help their kids feel good about themselves

"A must-read for every mother who has been abused...it offers the knowledge women need to protect their children and help them heal."—William S. Pollack, Ph.D., author of the national bestseller *Real Boys: A Therapist's Guide to Growing Free* Penguin

The New York Times bestseller and Read with Jenna TODAY SHOW Book Club pick telling the story of three generations of Palestinian-American women struggling to express their individual desires within the confines of their Arab culture in the wake of shocking intimate violence in their community. "Where I come from, we've learned to silence ourselves. We've been taught that silence will save us. Where I come from, we keep these stories to ourselves. To tell them to the outside world is unheard of—dangerous, the ultimate shame." *Palestine*, 1990.

Seventeen-year-old Isra prefers reading books to entertaining the suitors her father has chosen for her. Over the course of a week, the naïve and dreamy girl finds herself quickly betrothed and married, and is soon living in Brooklyn. There Isra struggles to adapt to the expectations of her oppressive mother-in-law Fareeda and strange new husband Adam, a pressure that intensifies as she begins to have children—four daughters instead of the sons Fareeda tells Isra she must bear. *Brooklyn*, 2008.

Eighteen-year-old Deya, Isra's oldest daughter, must meet with potential husbands at her grandmother Fareeda's insistence, though her only desire is to go to college. Deya can't help but wonder if her options would have been different had her parents survived the car crash that killed them when Deya was only eight. But her grandmother is firm on the matter: the only way to secure a worthy future for Deya is through marriage to

the right man. But fate has a will of its own, and soon Deya will find herself on an unexpected path that leads her to shocking truths about her family—knowledge that will force her to question everything she thought she knew about her parents, the past, and her own future.

Healing the Trauma of Domestic Violence Hogrefe Publishing GmbH

Thanks to the Simpson case, domestic violence is no longer a dirty little secret. It remains, however, a devastating problem, and even more, a deadly killer. What is the answer? In 1994, Lou Brown, father of Nicole Brown Simpson, gave us one solution by establishing a foundation in his daughter's name that provides urgently needed funding to battered women's shelters across the country. Now he goes a step further, and with the help of a like-minded pastor and a legal activist who has been battered, offers hope and practical strategies for combating domestic violence. In a book whose first half is geared to support network people like himself--parents, families, friends, both personal and professional, and acquaintances who can and should make a difference--and whose second half is directed at the victims of abuse, here is an action plan for battered women and those around them. Stop Domestic Violence offers a checklist for the victim of domestic violence, from obtaining restraining orders to getting the support network on her side. Here are steps on how to combat battering within families, within communities, within homes and at the legislative level. For Concerned Friends and Family: - What makes these men do it, and is there a cure for them? - Why do women stay? - What can I do to help a battered woman? And for the Victim-- How do I: - Get stronger on the inside? -

Deal with the legal system? - Stay sane in a shelter? - Stay safe and begin recovery? This is a how-to book--practical, easy to use--and it just might save a life.

Angryman Routledge

If you've freed yourself from an abusive relationship but still suffer from its effects, this program of trauma recovery techniques can help you take back your peace of mind. Based on a clinically proven set of techniques called cognitive trauma therapy (CTT), the exercises in this workbook will help you address feelings of guilt, anger, depression, anxiety, and stress. You'll learn how to break down the negative thoughts that might be cycling in your mind and how to replace them with positive, constructive affirmations. Later in the program, you'll be guided through controlled exposure to abuse reminders, which will enable you to face the fears you might otherwise spend a lifetime avoiding. The program begins and ends with techniques for becoming your own best advocate -- an informed, confident person with all the strength you need to create the secure, fulfilling life you deserve. Book jacket.

American Zealots Routledge

Miles addresses the issues related to inadequate pastoral response to this pervasive problem. He explores the dynamics of abusive relationships and the role which clergy members can take to heal this painful situation. The revised edition, designed to reach pastors and individuals "preparing to serve, builds upon the insights, policies, and programs in the original volume, including new information on the pathology of domestic violence and the effect the economic downturn is having on victims-survivors and batterers. Miles also focuses on helping clergy and other

pastoral ministers develop a more compassionate response to victims-survivors who are gay, lesbian, bisexual, and transgender.

Counselling Survivors of Domestic Abuse
Independently Published

Intimate partner violence (IPV) can have a profound impact on the children -- this book shows to recognize these effects and provide effective clinical interventions and preventive measures. This compact and easy-to-read text by leading experts shows practitioners and students how to recognize the impact of intimate partner violence (IPV) on children and youth and to provide effective clinical interventions and school-based prevention programs. Exposure to IPV is defined using examples from different ages and developmental stages. The book describes the effects of exposure to IPV and reviews epidemiology and etiology. Its main focus is on proven assessment, intervention, and prevention strategies. Relevant and current theories regarding the impact of exposure on children and youth are reviewed, and illustrative real-life case studies from the clinical experiences of the authors are described.

At Home in the Law McFarland

Even if you haven't been hurt by domestic violence, someone you know has and wishes they could tell you about it. Perhaps you are a therapist, teacher, academic, or social worker who wants to help those who are suffering. Or maybe you are in an abusive relationship and need to know that you are not alone. The poems, memoirs, and creative nonfiction pieces collected here tell of real incidents of abuse, as well as of those who left destructive and unsalvageable relationships. The beauty and truth of the language, as well as the honesty and

courage, set this anthology apart from self-help manuals and academic treatises on domestic violence. This book offers a path forward to healing, health and fulfillment, using the power of art to give voice where voice has been stifled, forgotten, overlooked or denied.

When Home Hurts Penguin

Up to 65% of couples who seek therapy for marital problems have had at least one prior violent episode. Unfortunately, therapists often miss this critical information because they do not effectively assess for it. This book presents a safety-focused approach to assessment and treatment of couples who choose to remain together after one or both partners have been violent. Treatment options for intimate partner violence have evolved alongside the growing awareness and broader definitions of domestic violence. Since 1997 the authors have conducted Domestic Violence Focused Couples Treatment (DVFCT), collected data, and refined their program. The authors outline their assessment and screening process and share case illustrations to demonstrate when conjoint treatment can be a safe and viable option. Readers get an overview of the 18-session course of DVFCT and tips for adapting it for multi-couple groups or for a single couple. The major tenets of solution-focused therapy, such as underscoring even the smallest of successes, are emphasized throughout, as are the following special features: -safety planning -mindfulness techniques for anger awareness and reduction - negotiated time-out procedures -drug and alcohol use modules - psychoeducational tools and materials on violence Therapists will learn how to assess intimate partner violence and help couples eliminate all forms of

violence and begin on a positive path toward their vision of a healthy relationship.

Domestic Crimes, Family Violence and Child Abuse SAGE

Misogynies is one of the most celebrated feminist texts by a British author. First published in 1989, it created shock waves with its analyses of history, literature and popular culture. Joan Smith drew on her own experience as one of the few women reporting the Yorkshire Ripper murders and looked at novels, slasher movies, Page Three and Princess Diana, teasing out the attitudes that brought them together.

Misogynies Amer Psychological Assn
In this exciting new book John Hamel, author of the ground-breaking Gender-Inclusive Treatment of Intimate Partner Abuse, and Tonia Nicholls go beyond the traditional intervention theories of domestic violence practiced today. Offering alternative, unbiased and sometimes controversial views, theories, and current research, they, along with renowned contributors in the field, provide new treatment options that encompass a wide range of gender dynamics. Here are just some of the key

principles covered: Interventions Should Be Based on a Thorough Unbiased Assessment Victim/Perpetrator Distinctions are Overstated, and Much Partner Abuse is Mutual Regardless of Perpetrator Gender, Child Witnesses to Partner Abuse are Adversely Affected, and are at Risk for Perpetrating Partner Abuse as Adults This new gender-inclusive approach to assessment and intervention provides a significant departure from traditional paradigms of domestic violence, and offers a much-needed awareness to effectively prevent violence in our communities today and for future generations.

Growing Up with Domestic Violence
AuthorHouse

Domestic abuse and violence are on the rise in our culture today, and just as prevalent in the church. With an estimated one-fourth of women in the church living with abuse and violence, pastors and biblical counselors need to have the resources to offer hope and help. It is time for godly men in the church to call abusive men to repentance and accountability. Here is a valuable resource for every church leader and Christian man.
