On Realizing The Infinite* Inner Directions

Nisargadatta Maharaj is undoubtedly the Ultimate Alchemist and his non-dual teachings, the Ultimate Alchemy. This book is a live satsang with Satguru Sri Nisargadatta Maharaj, covering rare and unpublished conversations with Sri Nisargadatta Maharaj which have been transcribed by his evening translator, Mohan Gaitonde, who had the privilege of being with him from 1979 to 1981. The flavor of these talks is heightened by the fact that Mr. Gaitonde, being well-versed with Marathi, the language Maharaj spoke, is able to convey all the subtle nuances of Maharaj's potent words of wisdom. Nothing is Everything is indeed Nisargadatta Maharaj's ultimate blessing for the ardent seekers.

The Ultimate Medicine Motilal Banarsidass Publ.

Shunyamurti is a modern Dante, guiding us poetically on a thrilling journey through the inferno of our unconscious mind, into the purgatory of psycho-spiritual purification and transformation,

and finally to the ultimate ascent of the Mountain of God to Supreme Liberation. The Transformational Imperative represents the culmination of the "perennial philosophy." It succeeds in uniting all spiritual traditions with the insights of contemporary science and the many varieties of transpersonal and psychoanalytic theory. The penetrating logic of the profound ideas brilliantly stated in this book will bring readers through their own awakening and illumination to final transcendence of the limits of ego-consciousness. In one breathtaking essay after another, Shunyamurti rips away the veils of illusion and reveals the underlying meaning of our lives. This masterful work re-founds human culture on the true Ground of our Being, preparing the way for a planetary renaissance of consciousness. Sri Nisargadatta Maharaj - In His Own Words Motilal Banarsidass

Experience afresh, the true essence of his teaching Recently, some long-forgotten tapes of Nisargadatta Maharaj's talks were unearthed from the archives of S. K. Mullarpattan, Maharaj's interpreter for the longest time. These tapes contained recordings of some of Maharaj's talks with seekers, held during the last two years of his life. They capture afresh the essence and flavour of the teachings of this world-renowned Master of Advaita - the Hindu philosophy of Non-duality. These dialogues find a new relevance for our times. For, in one of these talks, Maharaj made a special reference to his earlier book I Am That and said, "That book and whatever was expounded at that time was only relevant for that period. I am speaking differently today. As a matter of fact, this should also have been recorded and published as it is in greater detail, and is emphasizing different aspects." More than 25 years later, that wish of Nisargadatta Maharaj is being fulfilled with the publication of these talks in Beyond Freedom. This is a book all devotees of Maharaj will want to read with ardent fervour and enthusiasm.

The Nectar of the Lord's Feet Raymond Wells

Sri Nisargadatta Maharaj (1897-1981), one of the most important

spiritual preceptors of the twentieth century, lived and taught in a small apartment in the slums of Bombay, India. A realized master of the Tantric Nath Lineage, Maharaj had a wife and four children. For many years, he supported himself and his family by selling cheap goods in a small booth on the streets outside his tenement. His life was a telling parable of the absolute non-duality of being. The profound yet simple words of this extraordinary teacher are designed to jolt us into awareness of our original nature. Like the Zen masters of Old, Nisargadatta's style is abrupt, provocative, and immensely profound cutting to the core and wasting little effort on the trigger shifts in consciousness, just by gearing, or even reading them. A study stream of Indians and Westerners, those fortunate enough to discover Maharaj during his lifetime, came to sit at his feet in the small loft where he received visitors. In the tradition of the sage Ramana Maharishi, he shared the highest Truth of non-duality in his own unique way, from the depths of his own realization. In this volume, Nisargadatta provides advanced instructions for spiritual aspirants. The Ultimate Medicine is not for those who like their spirituality watered down, but for serious students who will find herein powerful antidotes to unawareness.

In 'The Experience of Nothingness', Sri Nisargadatta Maharaj shows that spirituality and logic do not have to oppose one another. A master of the Tantric Nath lineage, Nisargadatta has attained knowledge of the Infinite, though he also has a family and participates in daily routine. Written with subtle strength and wisdom, Nisargadatta possesses the ability to communicate what it means and how to attain true freedom from suffering and pain. Perhaps most revealing is the author's quiet and effective assertion that logic is necessary and should be a goal for any spiritual seeker.
