## **BRENNAN ELVIS**

Robert Kennedy J-Novel Club

Ed Fox has been called the new Elmer Batters, but he's clearly no imitator. Fox celebrates the female foot in his own way, creating a style that is unique, contemporary, and technically impeccable. A bonus, hour-long DVD featuring many of the stars, with an original musical score, is included.

*The Little Book of Vargas* Taschen

Factitious disorder presents one of the most challenging variants of psychopathology in medicine. The Spectrum of Factitious Disorders is the first book for professionals to offer a comprehensive overview of current thinking about patients who feign or induce illness -- in themselves or others -- to accrue the intangible benefits of the "sick" role. Attempts to influence factitious patients' behavior have been largely unsuccessful. This volume covers innovative techniques for treating such patients, stressing the need to treat them with acceptance and understanding. First-person accounts are used to illustrate the intense feelings mobilized in friends, family members, caregivers, and patients themselves as factitious disorders play out. The book also presents a management approach that emphasizes respect for the patient, no matter what the symptomatology. Using abundant case material, this revolutionary work aids mental health practitioners in understanding the phenomenon of "disease-forgery" and addresses its inherent management challenges. Notable contributors provide relevant information on ethical and legal issues in factitious disorders. The clinical features, detection, and management of factitious disorder by proxy are explored, along with comprehensive psychosocial assessment and legal issues in such cases.

**Salem Falls** Houghton Mifflin Harcourt

Between 1987 and 2001, Dian Hanson, then editor of Leg Show magazine, and photographer Roy Stuart collaborated on over 100 fetish photo shoots, producing an intensely sexual, socially transgressive body of work unmatched in contemporary erotic photography. Stuart, influenced by authors Angela Carter, William S. Burroughs, and Georges Bataille, was and remains passionately opposed to commercial pornography and insisted every photo story subvert and skewer some societally imposed sexual taboo. Women are portrayed with strength and sexual agency; men are often submissive; all are adventuresome and fluid. Hanson selected the wardrobe to appeal to a range of sexual tastes, including stocking, shoe, panty, nylon, and rubber fetishes. Viewed today, the styles and attitudes speak to the liberal hedonism of 1990s America, when, under the Clinton presidency, erotic artists were afforded more creative freedom. Power Play, the first volume in the series Roy Stuart: Embrace Your Fantasies, showcases photo stories addressing sexual power dynamics. All images are from the original transparencies, rescued from the Leg Show archives before the magazine's demise in 2012, and presented with Hanson's original magazine text. Join us in a trip back to the prosperous, optimistic 1990s to explore your fantasies--and perhaps some you never considered--with the richly produced sexual subversion of Roy Stuart and Dian Hanson.

**The Little Book of Butts** Simon and Schuster

Between 1987 and 2001, Dian Hanson, then editor of Leg Show magazine, and photographer Roy Stuart collaborated on over 100 fetish photo shoots. True to Stuart's taboo-busting philosophy, all sex in these images is authentic and often celebrates female masturbation, always to climax. This volume gathers the best of these sessions, accompanied by...

**Stuart Little** HarperCollins

INSTANT NEW YORK TIMES BESTSELLER "This extraordinary book is not only a chronicle of Ron's and Clint's early careers and their wild adventures, but also a primer on so many topics--how an actor prepares, how to survive as a kid working in Hollywood, and how to be the best parents in the world!

The Boys will surprise every reader with its humanity." — Tom Hanks "I have read dozens of Hollywood memoirs. But The Boys stands alone. A delightful, warm and fascinating story of a good life in show business." — Malcolm Gladwell Happy Days, The Andy Griffith Show, Gentle Ben—these shows captivated millions of TV viewers in the '60s and '70s. Join award-winning filmmaker Ron Howard and audience-favorite actor Clint Howard as they frankly and fondly share their unusual family story of navigating and surviving life as sibling child actors. "What was it like to grow up on TV?" Ron Howard has been asked this question throughout his adult life. In The Boys, he and his younger brother, Clint, examine their childhoods in detail for the first time. For Ron, playing Opie on The Andy Griffith Show and Richie Cunningham on Happy Days offered fame, joy, and opportunity—but also invited stress and bullying. For Clint, a fast start on such programs as Gentle Ben and Star Trek petered out in adolescence, with some tough consequences and lessons. With the perspective of time and success—Ron as a filmmaker, producer, and Hollywood A-lister, Clint as a busy character actor—the Howard brothers delve deep into an upbringing that seemed normal to them yet was anything but. Their Midwestern parents, Rance and Jean, moved to California to pursue their own showbiz dreams. But it was their young sons who found steady employment as actors. Rance put aside his ego and ambition to become Ron and Clint's teacher, sage, and moral compass. Jean became their loving protector—sometimes over-protector—from the snares and traps of Hollywood. By turns confessional, nostalgic, heartwarming, and harrowing, THE BOYS is a dual narrative that lifts the lid on the Howard brothers' closely held lives. It's the journey of a tight four-person family unit that held fast in an unforgiving business and of two brothers who survived "child-actor syndrome" to become fulfilled adults.

At the heart of this book lies the work of the great American photographer Walker Evans, who radically expanded the possibilities of photography as an art. ...

**The Places in Between** ABRAMS

Bill Veeck, the maverick promoter, returned from Guadalcanal with a leg missing and \$500 to his name, has hustled his way into buying the Philadelphia Athletics. Hungry for a pennant, young Veeck jettisons the team's white players and secretly recruits the legendary stars of the Negro Leagues, fielding a club that will go down in baseball annals as one of the greatest ever to play the game.

**Walker Evans & Company** Office of the Secretary, Historical Offi

This pocket-sized collection of leggy lovelies assembles the most popular wartime pin-ups from WWII's favorite artist, Alberto Vargas. These vintage images, rendered delicately in watercolor and airbrush, depict elegantly dressed, semi-nude to naked beauties--the ladies that inspired and comforted American men far from home.

**Roy Stuart. Embrace Your Fantasies** Goliath Books

'Peter James is one of the best British crime writers, and therefore one of the best in the world.' - Lee Child, author of The Jack Reacher series A long-lost masterpiece sparks deadly violence - and sets Detective Superintendent Roy Grace on the path of a calculating killer. Discover the darkness that lurks around every corner in Picture You Dead. Now a major ITV drama starring John Simm as Roy Grace. Harry and Freya, an ordinary couple, dreamed for years of finding something priceless buried amongst the tat in a car boot sale. It was a dream they knew in their hearts would never come true - until the day it did . . . They buy a drab portrait for twenty pounds for its beautiful frame, planning to cut the painting out. Then, studying it back at home, there seems to be another picture beneath, of a stunning landscape. Could it be a long-lost masterpiece from 1770? If genuine, it could be worth millions. One collector is certain it is genuine. Someone who uses any method he can to get what he wants. Detective Superintendent Roy Grace finds himself plunged into the unfamiliar and rarefied world of fine art. Outwardly it appears respectable, gentlemanly, above reproach. But beneath the veneer, he rapidly finds that greed, deception and violence walk hand-in-hand. And Harry and Freya

are about to discover that their dream is turning into their worst nightmare . . . Although the Roy Grace novels can be read in any order, *Picture You Dead* is the eighteenth title in the bestselling series. Enjoy more of the Brighton detective's investigations with *Find Them Dead* and *Left You Dead*. 'The master of the craft' - Daily Express

*Intérieurs New-yorkais* Pan Macmillan

The significantly expanded and updated new edition of a widely used text on reinforcement learning, one of the most active research areas in artificial intelligence. Reinforcement learning, one of the most active research areas in artificial intelligence, is a computational approach to learning whereby an agent tries to maximize the total amount of reward it receives while interacting with a complex, uncertain environment. In *Reinforcement Learning*, Richard Sutton and Andrew Barto provide a clear and simple account of the field's key ideas and algorithms. This second edition has been significantly expanded and updated, presenting new topics and updating coverage of other topics. Like the first edition, this second edition focuses on core online learning algorithms, with the more mathematical material set off in shaded boxes. Part I covers as much of reinforcement learning as possible without going beyond the tabular case for which exact solutions can be found. Many algorithms presented in this part are new to the second edition, including UCB, Expected Sarsa, and Double Learning. Part II extends these ideas to function approximation, with new sections on such topics as artificial neural networks and the Fourier basis, and offers expanded treatment of off-policy learning and policy-gradient methods. Part III has new chapters on reinforcement learning's relationships to psychology and neuroscience, as well as an updated case-studies chapter including AlphaGo and AlphaGo Zero, Atari game playing, and IBM Watson's wagering strategy. The final chapter discusses the future societal impacts of reinforcement learning.

**Metart. com -- Worlds Top Models** Grand Central Publishing

He was "Good Bobby," who, as his brother Ted eulogized him, "saw wrong and tried to right it . . . saw suffering and tried to heal it." And "Bad Bobby," the ruthless and manipulative bully of countless conspiracy theories. Thomas's unvarnished but sympathetic and fair-minded portrayal is packed with new details about Kennedy's early life and his behind-the-scenes machinations, including new revelations about the 1960 and 1968 presidential campaigns, the Cuban Missile Crisis, and his long struggles with J. Edgar Hoover and Lyndon Johnson.

*Robert E. Lee* Viking Adult

Welcome back to Cedar Cove! Visit with the characters you know and love, discover new ones, and learn what new mystery is keeping the charming town—and Judge Olivia Lockhart—busy! Only in this beloved series by #1 New York Times bestselling author Debbie Macomber. In a small town where everyone is friendly, it's unusual to have a mystery. But private investigator Roy McAfee and his wife, Corrie, have been receiving anonymous postcards with cryptic messages, and no one can figure out what they mean. It feels as though someone from their past might be trying to shake things up. Their daughter, Linnette, has moved to Cedar Cove to work at the new medical clinic. When her mother buys her a date at the humane society's fundraiser auction, she is less than enthusiastic about it. But maybe she's one more step closer to finding the true love she's been seeking. **The Little Book of Big Penis** Orion

January 1937. Clouds of war are gathering over a fogbound London. Twenty-eight year old Jack is poor, lonely and desperate to change his life. So when he's offered the chance to be the wireless operator on an Arctic expedition, he jumps at it. Spirits are high as the ship leaves Norway: five men and eight huskies, crossing the Barents Sea by the light of the midnight sun. At last they reach the remote, uninhabited bay where they will camp for the next year. Gruhuken. But the Arctic summer is brief. As night returns to claim the land, Jack feels a creeping unease. One by one, his companions are forced to leave. He faces a stark choice. Stay or go. Soon he will see the last of the sun, as the polar night engulfs the camp in months of darkness. Soon he will reach the point of no return - when the sea will freeze, making escape impossible. And Gruhuken is not uninhabited. Jack is not alone. Something walks there in the dark. *Robert Crumb's Sex Obsessions* MIRA

The classic story by E. B. White, author of the Newbery Honor Book *Charlotte's Web* and *The Trumpet of the Swan*, about one small mouse on a very big adventure. Now available as an ebook! Illustrations in this ebook appear in vibrant full color on a full-color device and in rich black-and-white on all other devices. Stuart Little is no ordinary mouse. Born to a family of humans, he lives in New York City with his parents, his older brother George, and Snowbell the cat. Though he's shy and thoughtful, he's also a true lover of adventure. Stuart's greatest adventure comes when his best friend, a beautiful little bird named Margalo, disappears from her nest. Determined to track her down, Stuart ventures away from home for the very first time in his life. He finds adventure aplenty. But will he find his friend? Stuart Little joins E. B. White favorites *Charlotte's Web* and *The Trumpet of the Swan* as classic illustrated novels that continue to speak to today's readers. Whether you curl up with your young reader to share these books or hand them off for independent reading, you are helping to create what are likely to be all-time favorite reading memories.

*The Boys* HarperCollins

Time-activity diaries kept by members of the general public indicate that on average people spend around 90% of their time indoors, this is associated with considerable exposure to air pollutants as not only is there infiltration of pollutants from outdoors, there are also emissions indoors that can lead to elevated pollutant concentrations. Despite this, and the fact that the WHO produces air quality guidelines for indoor air, the only statutory requirements for monitoring of airborne pollutant concentrations relate to the outdoor environment. Given its importance as a source of air pollution exposure, increasing attention is being given to pollution of the indoor environment. This volume considers both chemical and biological pollutants in the indoor atmosphere from their sources to chemical and physical transformations, human exposure and potential effects on human health. It is a valuable reference for those working in environmental policy, civil and environmental engineering as well as for atmospheric chemists.

*The Spectrum of Factitious Disorders* MIT Press

Contains a selection of the many fascinating ways in which people have made themselves feel at home in New York.

*War Primer* Anchor

By combining engaging readings and practical instruction, this textbook integrates journalism theory and practice. Students are guided through the craft while enhancing their critical thinking skills and overall understanding of the field of journalism.

*Vanessa Del Rio. Ediz. inglese, francese e tedesca. Con DVD* American Psychiatric Pub
