This easy step-by-step method emphasizes correct playing habits and note reading through interval recognition. Lesson Book 2 continues where Level 1B finishes. This book introduces dotted half notes and dotted quarter notes, plus intervals of 6ths, 7ths and octaves. Teaches greater movement of the hands, including crossing two over one and scalework. Students will also learn more about triads, primary chords, and blocked and broken chords. Songs Include: 18th Century Dance * Alouette * Blue Scales * Calypso Carnival * The Can-Can * Cockles and Mussels * The Galway Piper * Get Away! * Got Lotsa Rhythm * Kum-ba-yah! * Lavender's Blue * London Bridge * Lone Star Waltz * Malaguena * Nick Nack Paddy Wack * Ode to Joy * Oh! Susanna! * On the Bridge at Avignon * Our Special Waltz * Prelude * Red River Valley * Sarasponda * Square Dance * When You Grow Up * Why Am I Blue?

Bibliographic Guide to Music Alfred's Basic Adult Piano Course

The phrase "popular music revolution" may instantly bring to mind such twentieth-century musical movements as jazz and rock 'n' roll. In *Sounds of the Metropolis*, however, Derek Scott argues that the first popular music revolution actually occurred in the nineteenth century, illustrating how a distinct group of popular styles first began to assert their independence and values. He explains the popular music revolution as driven by social changes and the incorporation of music into a system of capitalist enterprise, which ultimately resulted in a polarization between musical entertainment (or "commercial" music) and "serious" art. He focuses on the key genres and styles that precipitated musical change at that time, and that continued to have an impact upon popular music in the next century. By the end of the nineteenth century, popular music could no longer be viewed as watered down or more easily assimilated art music; it had its own characteristic techniques, forms, and devices. As Scott shows, "popular" refers here, for the first time, not only to the music's reception, but also to the presence of these specific features of style. The shift in meaning of "popular" provided critics with tools to condemn music that bore the signs of the popular-which they regarded as fashionable and facile, rather than progressive and serious. A fresh and persuasive consideration of the genesis of popular music on its own terms, *Sounds of the Metropolis* breaks new ground in the study of music, cultural sociology, and history.

Thematic Catalogues in Music Alfred Music

This method begins with a review of the concepts presented in Level 2, then introduces new pieces and lessons in new keys to prepare the student for more advanced studies. Includes a "Just for Fun" section and an "Ambitious" section for the student who will devote a little extra effort toward learning some of the great masterworks that require additional practice.

Since the 1981 publication of the first edition, Cameron McGraw's Piano Duet Repertoire has been a trusted guide for duet performers. This second edition, edited and substantially expanded by Christopher and Katherine Fisher, brings the volume into the 21st century, adding over 500 new or updated composer entries and nearly 1,000 new work entries to the volume, a testament to the renewed interest in piano duet playing. Entries are arranged alphabetically by composer and include both pedagogical and concert repertoire. The annotations and the grade-level indications provide piano teachers a wealth of instructional guidance. The book also contains updated appendices listing collections and duet works with voice and other instruments. This new edition features a title index and a list of composers by nationality, making it a convenient and indispensable resource.

Alfred's Basic Piano Library Recital Book, Bk 1a Rowman & Littlefield

This historical survey focuses on music for piano solo but also includes important compositions for piano duet and two pianos. Scholarly yet readable, it covers the entire repertoire from the Renaissance to the late 20th century and incorporates a bibliography of 1 100 sources for further study.

The Recital Books congratulate students for a job well done by providing correlated repertoire to their Lesson Books that are based on concepts they've already learned. As a result, the pieces are quickly mastered. Included in Recital 1A are familiar favorites such as "Lost My Partner" and "Tumbalalaika," and fun originals like "Charlie the Chimp!" and "My Secret Place."

Library of Congress Catalog Legare Street Press

This magnificent survey of the most popular period in music history is an extended essay embracing music, aesthetics, social history, and politics, by one of the keenest minds writing on music in the world today. Dahlhaus organizes his book around "watershed" years--for example, 1830, the year of the July Revolution in France, and around which coalesce the "demise of the age of art" proclaimed by Heine, the musical consequences of the deaths of Beethoven and Schubert, the simultaneous and dramatic appearance of Chopin and Liszt, Berlioz and Meyerbeer, and Schumann and Mendelssohn. But he keeps us constantly on guard against generalization and cliché. Cherished concepts like Romanticism, tradition, nationalism vs. universality, the musical culture of the bourgeoisie, are put to pointed reevaluation. Always demonstrating the interest in socio-historical influences that is the hallmark of his work, Dahlhaus reminds us of the contradictions, interrelationships, psychological nuances, and riches of musical character and musical life. *Nineteenth-Century Music* contains 90 illustrations, the collected captions of which come close to providing a summary of the work and the author's methods. Technical language is kept to a minimum, but while remaining accessible, Dahlhaus challenges, braces, and excites. This is a landmark study that no one seriously interested in music and nineteenth-century European culture will be able to ignore.

Music for Piano Univ of California Press

In 1997, twenty-five years after its first publication, *Thematic Catalogues in Music-An Annotated Bibliography* (Pendragon Press, 1972) appeared in a completely revised and expanded Second Edition. It contains almost twice as many entries as its predecessor; virtually every one of the original entries has been updated; and the following noteworthy features have been added. 1. A second introductory essay detailing trends and innovations in thematic cataloguing brought about by the revolution in technology of the past twenty years. 2. Appendices listing thematic catalogues in series; both by national organizations and publishers; a detailed up-to-date, country-by-country report of activities worldwide; a listing of major computerized databanks. 3. New double-column format. 4. Numerous illustrations and reproductions of pages from thematic catalogues of historical significance. The second edition continues the policy of listing all known thematic catalogues and indexes, including those in doctoral dissertations, masters essays, and computer databanks, as well as in-progress and unpublished works, plus reviews, and literature about thematic cataloguing. The original numbering of the 1972 entries has been retained, with new items appearing in proper alphabetical/chronological sequence but with the addition of decimal numbers and/or letters (363.1 or 960a). Lastly, the original historical introduction and special appendices of the first edition have been retained with emendations where needed.

Pendragon Press

This book begins with an extensive review of the chords and keys previously studied, using fresh and interesting material that will provide enjoyment as well as reinforcement. Particularly noteworthy is the systematic presentation of chords in all positions in both hands. Titles: America the Beautiful * Arkansas Traveler * The Battle Hymn of the Republic * Black is the Color of My True Love's Hair * Brahms Lullaby * Canon in D (Pachelbel) * Deep River * Down in the Valley * Farewell to Thee (Aloha Oe) * Fascination * A Festive Rondeau * Frankie and Johnnie * The Hokey-Pokey * The House of the Rising Sun * Introduction and Dance * La Cucaracha * La Donna E Mobile * La Raspa * Light and Blue * Loch Lomond * Lonesome Road * The Marriage of Figaro * Morning Has Broken * Musetta's Waltz * Musette * Night Song * Nobody Knows the Trouble I've Seen * Polyvetsian Dances * Pomp and Circumstance No. 1 * The Riddle * Rock-a My Soul * Roman Holiday * Sakura * Scherzo * Space Shuttle Blues * Swingin' Sevenths * Theme from Symphony No. 6 (Tchaikovsky) * Tumbalalaika * Village Dance * Waves of the Danube * When Johnny Comes Marching Home * You're in My Heart
