Jojan Jonker reconstructs the spirituality of a Japanese spiritual healing practice of the 1920s, Reiki, and places this in the Japanese socio-cultural context. Next he describes the development of this spirituality during its migration to North America (1930s) and eventually to the Netherlands (1980s). He argues that many elements of a spirituality belong to the practitioners' natural habitat and do not migrate with a given practice to other places with different socio-cultural backgrounds, and consequently the spirituality changes. Surprisingly enough, Western esoteric traditions influenced both the inception of Reiki in Japan and the spread of Reiki in the West. This study places Reiki in context and contributes to academic

knowledge about spiritual practices, as well as to the insight of changes in the field of religions, spiritual practices and world views. Jojan Jonker (1956) is Reiki Master and a retired ICT consultant. (Series: Nijmegen Buddhist and Asian Studies - Vol. 3) [Subject: Religious Studies, Sociology, History, Alternative Medicine]?

Wenn Liebe fließt, gibt es kein Leid Lotus Press

The breakthrough million-copy international bestseller about how to befriend your inner child to find happiness "Compassionate, clear-eyed, and insightful . . . The Child in You is like your own personal therapist that you can carry around with you." --Lori Gottlieb, New York Times bestselling

author of Maybe You Should Talk to Someone Nominated for Malcolm Gladwell, Susan Cain, Adam Grant, and Daniel H. Pink's Next Big Idea Club We all want to be loved and to feel safe to express who we really are. But over time we grow estranged from what brings us our purest happiness--because everyday traumas, unyielding societal expectations, and the judgment of our parents and peers submerge our true self beneath layers of behaviors rooted in fear and shame and mistrust. In *The Child in You*, psychologist Stefanie Stahl guides you, step-by-step, through her therapeutic method that has helped millions to peel away these layers and reconnect with their inner child--both the shadow child, representing our deepest insecurities and the part of our self-esteem that is injured and unstable, and the sun child, representing our greatest joys and the part of our self-esteem that remains positive and intact. The many examples and exercises in this book will help you discover your shadow child and sun child, identify which of the shadow child's dozen self-protection strategies are at work in you, and put into practice the array of proven self-reflection strategies to overcome negative influences and beliefs. Because it's never too late to have a happy childhood, or to bring your authentic self out from the shadows so you can embody your radiant individuality. A PENGUIN LIFE TITLE

Mit der Zeit sammelten sich bei mir viele Bücher, E-Books und Seminarunterlagen zu diversen Themen an. Mein Wunsch nach einer Übersicht, einer Zusammenfassung wurde immer stärker, und ich dachte mir, dass es auch anderen so gehen könnte. So habe ich versucht, die Möglichkeiten vorzustellen, die sich mir erschlossen haben. Mir ist bewusst, dass dies eine subjektive Auswahl ist, die keinerlei Anspruch auf Vollständigkeit erhebt. Dennoch hoffe ich, manch einem kleine Hinweise und Anregungen geben zu können.

How the principles of Reiki can be used not just for healing but also for spiritual growth • Explores how to practice the Reiki values of peace, serenity, gratitude, integrity, and kindness in everyday life, despite the challenges of constant change and frequent crises • Provides tools for spiritual growth for practitioners of all levels and lineages • Includes exercises and meditations to deepen the practice of Reiki using the five Reiki precepts: do not anger; do not worry; be grateful; do an honest day's work; be kind Reiki practitioners and teachers recognize Reiki as a gentle and powerful healing method. The path to becoming a Reiki practitioner, however, is more than just a commitment to energy healing. It is also a commitment to personal growth. In *Reiki for the Heart and Soul*, Amy Rowland details how reflection on the five core Reiki principles presented in both the Western and Japanese traditions--do not anger; do not worry; be grateful; do an honest day's work; be kind--can be used by practitioners of all levels and lineages as powerful tools for personal and spiritual growth. Living the five core principles reinforces Reiki's subtle energy healing: it heals wounded self-esteem and builds healthy self-respect; it demonstrates the creative power of a positive attitude; and it presents a way to peace. Rowland discusses various translations of the Reiki principles, demonstrating how to integrate their practical value through stories and interviews. She also offers specific techniques and exercises for healing anger and fear as well as living with gratitude, integrity, and compassion. These techniques will help maturing practitioners discover a healthy, happy way of being in the world and to see the way forward on their spiritual path with a sense of clear guidance and grace.

Have you ever wondered just how different Western and Japanese Reiki are? And why they became so different? This book looks at the culture and history behind Japanese Reiki and how it evolved as it journeyed through the West. Masaki Nishina teaches both Western and Japanese Reiki in Japan and from his years of experience provides deep insights into the truth about Reiki. In this book you will discover: (1)How Japanese historical events influenced Reiki, (2)How Reiki compares to other healing therapies of the time, (3)How the survival of Reiki was threatened after the war, (4)What changes Western culture made to Reiki, (5)The detailed differences between Western and Japanese Reiki, (6)How Reiki is deeply rooted in Japanese culture and Shinto, and (7)What we can all learn from that ancient culture. In addition, you can understand why DKM did/does not exist in Japanese Reiki both technically and culturally. If you're wanting to deepen your understanding of Japanese and Western Reiki, or if you're simply wanting to know more about the culture that gave birth to Reiki, this book is for you.

The Indian Sufi master Hazrat Inayat Khan (1882-1927) was the first teacher to bring Sufism—Islamic mysticism—to the Western world. His teaching was noted for its stirring beauty and power, as well as for its applicability to all people, regardless of religious or philosophical background. This book gathers together three of Inayat Khan's most beloved essays on the spiritual life from among the fourteen volumes of his collected works: "The Inner Life": Inayat Kahn's sublime portrait of the person whose life is a radiant reflection of the Divine "Sufi Mysticism": in which the author identifies and shatters the common misconceptions about mysticism to reveal its true meaning "The Path of Initiation and Discipleship": What it means to set out on the spiritual path and how to find and maintain the right relationship with a teacher

THE ASCENDED MASTERS' PATH TO PERFECTION Many people are fascinated by the idea of reincarnation, yet it is important to live fully in the here and now. So it is not this book's intention to promote an escape from reality but rather to show how memories from past lives can actually help us to walk the path of our current life. For this reason the Masters have decided to speak about who they were in past lives and what they have learnt. - Saint Germain tells us about his lives as Merlin, Christopher Columbus, Francis Bacon and Saint Germain; - Jesus speaks of his time in Atlantis and - Serapis Bey of his experiences as an incarnate angel. - Also read the stories of Lady Portia, Kwan Yin, Mother Mary, Mary Magdalene and Djwal Khul. The themes of their lives are mirrored in our lives: the search for our own identity, our relationships, finding our life purpose, self-acceptance, surrender and compassion. As with Edwin Courtenay's first book „The Ascended Masters' Book of Ritual and Prayer“, this one also radiates magic, charm, love and understanding. Those passages which touch us most give us messages and pointers to the areas we may need to work on in this life. What could be more consoling than to know that our brothers and sisters in the light, the Ascended Masters, had to overcome the same issues as we do? Be comforted, embraced and enchanted by the stories in this book.

Jonathan Langley's life took a devastating turn when he lost his eyesight to a rare illness. Once a successful painter and printmaker, Jonathan now lives in complete darkness, rarely leaving his apartment and angry at the world. When he encounters his precocious 11-year-old neighbor, Lupe, the two form an unlikely friendship. Her cheerful presence shatters his hardened exterior, revealing a gentle man struck by tragedy. Lupe leads him to a fresh perspective by showing him the power of kindness, compassion, and love. Based on the celebrated teachings of Louise Hay, *Painting the Future* explores the power of positive thinking in healing past struggles and learning to live a joyful, heart-centered life.

The Child in You Windpferd

Einen solchen Mord hat die Eifel noch nicht gesehen: Jakob Stern, 43 Jahre alt - Heiler, Schamane, Feingeist und ansonsten ohne Beruf, wird in der Nähe seines abgelegenen Gehöfts aufgefunden. Masetot, auf den dicken Ästen einer sogenannten heiligen Eiche. Kein Mensch kann sich erklären, wieso er ausgerechnet dort oben festgebunden wurde. Die Suche nach dem Täter gestaltet sich für Siggie Baumeister außerordentlich schwierig. Er lebt gewissermaßen im Auto zwischen der Vulkaneifel und dem Nationalpark Eifel. Kischkewitz, der Leiter der Mordkommission, fürchtet bereits, dass er diesen Fall unerledigt mit in Rente nehmen wird. Dabei bieten sich den Ermittlern pausenlos Zeugen an, die glauben, durch ihren Kontakt zu allerlei Engeln, Geistwesen, Sehern, Channeling-Spezialisten und sonstigen Spiritisten herausfinden zu können, wie denn der allseits beliebte Jakob zu Tode gekommen ist. Zum Glück hält Baumeister in diesem wirren esoterischen Wust seine fünf Sinne beisammen. Und so schält er zusammen mit Rodenstock und Emma langsam die ertsens greifbaren Motive heraus: Habgier, Neid und Hass.
