Whimsical World #4 (2019) is a line art coloring book that features adorable fairies, mermaids, little girls in whimsical scenes, lots of flowers and little animals, mythical, wild and domestic. This book is intended for adults and older children/teens. Though the subject matter is whimsical and childlike, my intention was to create a coloring book that is detailed enough for adults but who are also young at heart! There are 26 single sided pages to color. Please put a piece of card stock or several sheets of printer paper between the pages to prevent bleed through from markers and indentations from colored pencils. Suitable mediums include alcohol markers, colored pencils, gel pens, soft pastels, chalk, and even eye shadow! Don't hesitate to mix mediums for a wonderful effect! Also feel free to scan the images and print onto heavier paper if you would like. Please be sure to visit www.mollyharrisonart.com and

www.etsy.com/MollyHarris onArt for all my coloring books and individual pages as downloadable files for you to print and color at home! From the Artist: As an artist, color is a thing of magic in my life. Color creates shapes, forms, and feelings in the artworks I paint. Laying color onto a blank page is when I feel closest to true magic, when I feel happiest and most relaxed, and it's through what I create that I share my love of magic with the world. Through my coloring books I want to share that same magic with you. The artworks in my books are based on my completed paintings, which I have painted over the last ten years as a

professional artist. I have created the coloring designs to be intricate and detailed but still fun and accessible. There is something for lovers of meditative detail while simple enough to not be overwhelming for younger colorists. When designing my books I decided to print them with two copies of each design, because I know as an artist there are always so many possibilities! I wanted to give everybody the chance of a do-over with every design, because I also know mistakes can happen, and even the fear of mistakes can hamper creativity. I want you to be able to create without fear! Try a different medium, or a different color scheme. The double pages are also a chance to share the magic with a friend, child, parent, sibling. Because sharing your creativity and joy of color is the best magic of all.
