Whether a side-street skirmish or an all-out war, fight scenes bring action to the pages of every kind of fiction. But a poorly

done or unbelievable fight scene can ruin a great book in an instant. In *Fight Write* you'll learn practical tips, terminology, and the science behind crafting realistic fight scenes for your fiction. Broken up into "Rounds," trained fighter and writer Carla Hoch guides you through the many factors you'll need to consider when developing battles and brawls. • In Round 1, you will consider how the Who, When, Where, and Why questions affect what type of fight scene you

want to craft. • Round 2 delves into the human factors of biology (think fight or flight and adrenaline) and psychology (aggression and response to injuring or killing another person). • Round 3 explores different fighting styles that are appropriate for different situations: How would a character fight from a prone position versus being attacked in the street? What is the vocabulary used to describe these styles? • Round 4 considers weaponry and will guide

you to select the best weapon for your characters, including nontraditional weapons of opportunity, while also thinking about the nitty-gritty details of using them. • In Round 5, you'll learn how to accurately describe realistic injuries sustained from the fights and certain weapons, and what kind of injuries will kill a character or render them unable to fight further. By taking into account where your character is in the world, when in history the fight is happening, what the

character's motivation for fighting is, and much more, you'll be able write fight scenes unique to your plot and characters, all while satisfying your reader's discerning eye.

When 16-year-old poetry blogger Tessa Dickinson is involved in a car accident and loses her eyesight for 100 days, she feels like her whole world has been turned upside-down. Terrified that her vision might never return, Tessa feels like she has nothing left to be happy about. But when her

grandparents place an ad in the local newspaper looking for a typist to help Tessa continue writing and blogging, an unlikely answer knocks at their door: Weston Ludovico, a boy her age with bright eyes, an optimistic smile...and no legs. Knowing how angry and afraid Tessa is feeling, Weston thinks he can help her. But he has one condition -- no one can tell Tessa about his disability. And because she can't see him, she treats him with contempt: screaming at him to get

out of her house and never come back. But for Weston, it's the most amazing feeling: to be treated like a normal person, not just a sob story. So he comes back. Again and again and again. Tessa spurns Weston's "obnoxious optimism", convinced that he has no idea what she's going through. But Weston knows exactly how she feels and reaches into her darkness to show her that there is more than one way to experience the world. As Tessa grows closer to

Weston, she finds it harder and harder to imagine life without him -- and Weston can't imagine life without her. But he still hasn't told her the truth, and when Tessa's sight returns he'll have to make the hardest decision of his life: vanish from Tessa's world...or overcome his fear of being seen. *100 Days of Sunlight* is a poignant and heartfelt novel by author Abbie Emmons. If you like sweet contemporary romance and strong family themes then you'll love this touching story of

hope, healing, and getting back up when life knocks you down.
