## AUBREE GIDEON

---

### *Boyhood* Routledge

In this captivating memoir, the author shares stories from his boyhood that shaped him into the person he is today. From the haunting 'Walls of the World' chapter to the heartwarming 'My Mother's Red Cloak,' readers are transported to a different time and place, although some of the sentiments remain relatable despite the distance. The author also describes his apprenticeships in trades such as bootmaking and pistol making, as well as his experiences as a student. But it's the small moments of country life and the relationships with his family, especially his Uncle Lyman, that truly shine in this beautifully written book.

### *Boyhood* David R. Godine Publisher

A full-blooded Sioux Indian describes his childhood experiences and training as a warrior in the 1870's and 1880's until he was taken to live in the white man's world at age fifteen.

### *The Boyhood of Abraham Lincoln* Read Books Ltd

Coetzee shares his boyhood north of Cape Town, South Africa, including his relationship with his parents, his first encounters with literature, his awakening of sexual desire, his growing awareness of apartheid, and his abiding love of the veld.

### *My Indian Boyhood* The Minerva Group, Inc.

The first reference work to focus on the history of American boyhood from the early 17th century to the present, with careful attention to sports, ethnicity, education, and region. *Boyhood in America: An Encyclopedia* provides insight into the origins of the American man. More than a well-researched collection of facts about American boys and boyhood, this illuminating investigation addresses such issues as the influence of children on American culture and the attitudes of adults toward boys as they relate to school, religion, TV programs, and competitive sports. The book includes analyses of the influence of boys on the creation of toys like the Teenage Mutant Ninja Turtles and the role of comic books as vehicles for expressing rebellion. It covers topics from the boyhood of Theodore Roosevelt to the exploitation of young boys in show business. This title offers an examination of boys from

different racial backgrounds and reveals how they have developed their own cultures. 150+ A-Z signed entries including such wide-ranging topics as cowboys, abuse, drag racing, gangs, and superheroes 124 expert contributors from a myriad of disciplines, including history, cultural studies, media studies, education, literature, sociology, and anthropology

### **Boyhood** Good Press

Biography of John Burroughs, American essayist and naturalist who lived and wrote after the manner of Thoreau, studying and celebrating nature. Conclusion and illustrations by his son, Julian *Boyhood Illustrated* Simon and Schuster  
Classic memoir of life, experience, and education of a Lakota child in the late 1800s.

### *Boyhood* Xlibris Corporation

By turns touching, funny, poignant, and painful, **BOYHOOD** chronicles the road to manhood through the personal narratives and poems of accomplished writers from around the world.

"Though some of these more than 40 personal accounts convey the exquisite angst of the men's movement, the broad range of experiences should strike many chords".--PUBLISHERS WEEKLY.

*Boyhood* (1854) is the second novel in Leo Tolstoy's autobiographical trilogy. It tells of the early part of his life, when he was living happily with his family in the countryside. It also portrays his first love affair with Sonya and the tragic incident of his mother's death....

### **A Boyhood in the Dust Bowl, 1926-1934** BoD - Books on Demand

Cartoons capture the everyday life experiences of young boys at the beginning of the 20th century.

[Lincoln Boyhood National Memorial \(N.M\)](#), [General Management Plan](#) Univ of Wisconsin Press

In 2002, director Richard Linklater and a crew began filming the "Untitled 12-Year Project." He cast four actors (Patricia Arquette, Ethan Hawke, Ellar Coltrane, and Lorelei Linklater) in the role of a family and filmed them each year over the next dozen years.

Supported by IFC Productions, Linklater, cast, and crew began the commitment of a lifetime that became the film, *Boyhood*. Seen through the eyes of a young boy in Texas, *Boyhood* unfolds as the characters—and actors—age and evolve, the boy growing from a soft-faced child into a young man on the brink of his adult life, finding himself as an artist. Photographer Matt Lankes captured the progression of the film and the actors through the lens of a 4x5 camera, creating a series of arresting portraits and behind-the-scenes photographs. His work documents Linklater's unprecedented narrative that used the real-life passage of years as a key element to the storytelling. Just as *Boyhood* the film calls forth memories of childhood and lures one into a place of self-reflection, *Boyhood: Twelve Years on Film* presents an honest collection of faces, placed side-by-side, that chronicles the passage of time as the camera connects with the cast and crew on an intimate level. Revealing, personal recollections by the actors and filmmakers accompany the photographs.

### **Frontiers of Boyhood** Our Sunday Visitor

When Horace Greeley published his famous imperative, "Go West, young man, and grow up with the country," the frontier was already synonymous with a distinctive type of idealized American masculinity. But Greeley's exhortation also captured popular sentiment surrounding changing ideas of American boyhood; for many educators, politicians, and parents, raising boys right seemed a pivotal step in securing the growing nation's future. This book revisits these narratives of American boyhood and frontier mythology to show how they worked against and through one another—and how this interaction shaped ideas about national character, identity, and progress. The intersection of ideas about boyhood and the frontier, while complex and multifaceted, was dominated by one arresting notion: in the space of the West, boys would grow into men and the fledgling nation would expand to fulfill its promise. *Frontiers of Boyhood* explores this myth and its implications and ramifications through western history, childhood studies, and a rich cultural archive. Detailing surprising intersections between American frontier mythology and historical notions of child development, the book offers a new perspective on William "Buffalo Bill" Cody's influence on children and childhood; on the phenomenon of "American Boy

Books"; the agency of child performers, differentiated by race and gender, in Wild West exhibitions; and the cultural work of boys' play, as witnessed in scouting organizations and the deployment of mass-produced toys. These mutually reinforcing and complicating strands, traced through a wide range of cultural modes, from social and scientific theorizing to mass entertainment, lead to a new understanding of how changing American ideas about boyhood and the western frontier have worked together to produce compelling stories about the nation's past and its imagined future.

[An Hour Before Daylight](#) Boyhood, Growing Up Male

This book traces the development of Richard Linklater's *Boyhood* from its audacious concept through its tenacious production to its celebrated reception, placing it within the context of cinematic parables about children to demonstrate its distinctive vision. Timothy Shary, author of numerous studies on the history of teen cinema, evaluates the film's many messages about youth and adolescence within the context of early twenty-first century American culture, illuminating how Linklater's singular vision of the otherwise ordinary life of a boy reveals potent universal truths about all people.

*Heroism of boyhood; or What boys have done*

ReadHowYouWant.com

The Great Depression and Prohibition are ominous memories in most historical accounts. But here is the true story of a little boy who found life full of excitement, wonder, and joy in the small mid-western town of Okemah, Oklahoma. Okemah, where Woody Guthrie once lived and wrote songs, was fighting for existence in

the late 1920s and early 1930s as the oil boom ended, cotton fell to ten cents per pound, and Prohibition was in force. Yet this grim scenario frames Robert Rutland's colorful remembrance of a youth filled with adventure, characters, curiosity, and love.

**Boyhood's Battles; Or, the Ups & Downs of a Runaway ... Illustrated** Indianapolis : The Bobbs-Merrill Company

*Boyhood* is a 2014 American coming-of-age drama film written and directed by Richard Linklater, and starring Patricia Arquette, Ellar Coltrane, Lorelei Linklater, and Ethan Hawke. Filmed from 2001 to 2013, *Boyhood* depicts the childhood and adolescence of Mason Evans Jr.

"Bound together for the first time, these two boyhood memoirs relate A. E. Hotchner's coming of age in the Midwest during the Depression"--Provided by publisher.

*The Boyhood Memoirs of A.E. Hotchner* Health Research Books

A sortie involving a moonless visit to a cemetery reputed for supernatural and threatening manifestations qualifies as a worthy nocturnal event for the boys. A condemned structure - formerly serving the county as a prison for the criminally insane is deemed irresistible. But highest on their list of destinations for adventure is a place that will haunt their memories forever: the old Gramercy house. Known by most students attending College Hill Elementary School, it is as a place of infamy, occupied by restless spirits who horrifyingly repel trespassers. Rumors about the place motivate any normal, red-blooded, adventure-seeking country boy to be drawn past the front gate. Such was the case for Lee Farmer, Dennis Williams, and - reluctantly - Frank Cherry in October of 1953.

**Days of Boyhood** U of Nebraska Press

Player. Jock. Slacker. Competitor. Superhero. Goofball. Boys are besieged by images in the media that encourage slacking over studying; competition over teamwork; power over empowerment; and being cool over being yourself. From cartoons to video games, boys are bombarded with stereotypes about what it means to be a boy, including messages about violence, risktaking, and perfecting an image of just not caring. Straight from the mouths of over 600 boys surveyed from across the U.S., the authors offer parents a long, hard look at what boys are watching, reading, hearing, and doing. They give parents advice on how to talk with their sons about these troubling images and provide them with tools to help their sons resist these messages and be their unique selves.

**My Boyhood** National Geographic Books

'Boyhood' is the second novel in the highly acclaimed Russian author Leo Tolstoy's autobiographical trilogy, following *Childhood* and followed by *Youth*. It registers his early teenage experiences such as his family's move to Moscow on account of his father's career, his sibling rivalry with his brother Woloda and even his first time falling in love with a woman. The novel was first published in the Russian literary journal *Sovremennik* in 1854.

*Boyhood Adventures* The Floating Press

Leo Tolstoy, author of such masterpieces of fiction as *War and Peace* and *Anna Karenina*, also wrote extensively about his own life experiences. In this series of essays, Tolstoy presents a creatively re-imagined version of his earliest recollections and influences.
